The Company has opted section 115BAA of the Act and tax provision has been done accordingly.

- 4 Following subsidiaries and associate are facing uncertainties as detailed below;

**i) IITL Projects Limited**

As at December 31, 2024, the Company carrying amount of investment in its subsidiary IITL Projects Limited amounting to 1,361.23 lakhs in the equity shares. The net worth of the subsidiary is negative as on December 31, 2024.

The company is continuing with one Joint Venture viz. Capital Infraprojects Pvt. Ltd. and having adverse cash flow as at 31.12.2024

As on 31.12.2024, the accumulated loss of Rs. 4,180.76 lakhs, exceeds the paid up capital and net worth of the company stands fully eroded. The total liability of the company exceeds its total assets.

IITL Projects Limited has no business of its own and also no other cash flow at present. Thus, the company ceases to be a "Going Concern" and accordingly these financial statements have been prepared on the basis that the company does not continue to be a "Going Concern" and therefore all assets that have being valued at their realisation value where lower than cost and all known liabilities have been fully provided for and recorded in the financial statements on the basis of best estimate of the Management.

**ii) IITL Management and Consultancy Private Limited**

As at December 31, 2024, the Company is carrying impairment provision of ₹128.48 lakhs on equity investment based on the unaudited net worth as at December 31. The management of the Company is of view of that the said impairment provision is considered adequate.

**5 Capital Infraprojects Private Limited**

i) As at December 31, 2024 the current liabilities of the Company exceeded its current assets by Rs 52.36 crore (31.03.2024: Rs 54.85 crore). After period ended December 31, 2024, commitments falling due within a year are towards redemption of preference shares for Rs 41.46 crore, etc. These conditions along with Company's inability to raise funds, with normal business operations being substantially curtailed, indicate the existence of a material uncertainty and significant doubt about the Company's ability to continue as a going concern.

ii) As on December 31, 2024, the Company has significant Current Liabilities towards development rights, customers, etc. in our view, the current assets are insufficient to liquidate the current liabilities. Also, Current Liability exists towards holders of Redeemable Preference Shares (RPS). Again, the estimated realizable value of assets is short of RPS liability. These conditions indicate the existence of uncertainty that may cast significant doubt on the Company's ability to realise its assets adequate enough to discharge its liabilities in the normal course of business. The ultimate outcome of these matters is at present not ascertainable. Accordingly, we are unable to comment on the consequential impact, if any, on the accompanying financial results. Our audit report for the year ended 31st March, 2024 was also qualified in respect of this matter.

iii) Events post 31st December, 2024 -

In respect of Redeemable Preference Shares, in Board Meeting held on 3rd February, 2025, subject to necessary approvals, the Board has passed the Resolution as under:

(a) To variate the Nomenclature and make it Zero % Optionally Convertible Redeemable Preference Shares;

(b) To forgo the existing premium per share but the company has an option to convert these shares into Equity Shares at predetermined price, as specified in the said resolution;

(c) To extend the period of redemption by one year, as specified in the said resolution.

6 The Board of Directors in its meeting held on December 06, 2024 has approved the variation in the terms of 70,00,000, 0% Non-Convertible Redeemable Preference Shares Investment issued by IITL Project Limited, subject to the approval of members of the company and the revised term shall be as under :-

3. Save as what is mentioned hereinabove, all the other terms and conditions of the said preference shares shall remain the same.

The Company has accorded its Shareholders Consent on 07.01.2025 through Postal Ballot. The Impact of the above will be given in Quarter 4.

7 The Company has filed scheme for Merger and Amalgamation between Industrial Investments Trust Limited and the wholly owned subsidiaries IITL Investtrust Limited and IITL Management and Consultancy Pvt Ltd with National Company Law Tribunal (NCLT) on 16.11.2024.

We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. #### Opinion

5. Based on our review conducted and procedures performed as stated in paragraph 3 above and based on the consideration of the review reports of other auditors referred to in paragraph 7 below, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in

accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

#### Emphasis of Matter

#### 6. We draw attention to the following

i) We draw attention to Note no 4(i) of the statement, regarding Investment in its subsidiary IITL Projects Limited, As on 31.12.2024, the accumulated loss of Rs. 4180.07 lakhs, exceeds the paid up capital and net worth of the company stands fully eroded. ii) We draw attention to note no 4(ii) of the Statement, regarding investment in its subsidiary IITL Management and Consultancy Private Limited (formerly known as IIT Insurance Broking and Risk Management Private Limited), the management of the Company is of the view, for the reasons stated in the note, that impairment of Rs.128.48 lakhs towards equity investment as at December 31<sup>st</sup>, 2024 is considered adequate.

#### 7. Notes Specific to Joint venture

##### a) Capital Infraprojects Private Limited

i) As at December 31<sup>st</sup>, 2024, the current liabilities of the company exceeded its current assets by Rs 52.36 Crore (31.03.2024 Rs 54.85 Cr). After period ended December 31<sup>st</sup>, 2024 commitment falling due within a year are towards redemption of preference shares for Rs 41.46 Crore, etc. These conditions along with the Company's inability to raise funds, with normal business operations being substantially curtailed, indicate the existence of a material uncertainty and significant doubt about the Company's ability to continue as a going concern.

However, the management is taking steps in above respect to meet its financial commitments. Accordingly, these financial statements have been prepared on going concern basis.

ii) As on December 31<sup>st</sup>, 2024 the Company has significant Current liabilities towards development rights, customers, etc in our view, the current assets are insufficient to liquidate the current liabilities. Also current liability exists towards holders of redeemable preference shares (RPS). Again the estimated realizable value of assets is short of RPS liability. These conditions indicate the existence of uncertainty that may cast significant doubt on the company's ability to realise its assets adequate enough to discharge its liabilities in the normal course of business. The ultimate outcome of these matters is at present not ascertainable. Accordingly, we are unable to comment on the consequent impact, if any on the accompanying financial results.
