The promoter then submitted the resolution plan which was discussed in various COC meetings and he finally gave the resolution plan for Rs. 121 crores. But the resolution plan was not through since Axis bank voted against the plan and IDBI bank abstained from voting.

On account of the above, the company went into liquidation as a going concern sale vide NCLT order dated 18th January 2022. Accordingly, the liquidator proceeded with the auction at the reserve price of Rs. 121 crores.

11 auctions were held with the reduced reserve prices as per the IBC guidelines and no bidder came forward for the purchase of the company as a going concern sale. In the 12th Auction held on 16th November 2022, M/S Silver Stallion Limited (Consortium with Vikasa India EIF I Fund and AIG Direct LLC) was declared the highest bidder at Rs. 35.16 crores. As per the auction terms, they also remitted 10% of the auction amount as Earnest Money Deposit.

In the meantime, ex-promoter- Mr. Nitin Shah approached NCLT with a revival plan stating that he will revive the company and offered Rs. 46.14 crores. NCLT advised the liquidator to approach SSC for the decision. In SSC meeting, Axis Bank and Bank of Baroda rejected the proposal and IDBI bank took a neutral stand. The matter was heard in the NCLT and it was reserved for orders on 2nd May 2023. Order was not uploaded upto November 2023 and both the judges of the bench were transferred. So, all the orders were unreserved. On account of changes in the NCLT Bench, the matter was pending till March 2024.

The liquidator and management are responsible for overseeing the Company's financial reporting process

### **Auditor's Responsibilities for the Audit of the Financial Results**

Our objectives are to obtain reasonable assurance about whether the financial results are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken based on these financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion through a separate report on the complete set of financial statements on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the financial results made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our

auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial results, including the disclosures, and whether the financial results represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
