Sub: Intimation under Regulation 30 of SEBI (LODR)

Dear Sir,

This is to inform you that we have signed an agreement with **Veena College of Commerce & Science**, an affiliated institution of the Mumbai University. This agreement aims to collaboratively offer a range of innovative educational programs on our upcoming eLearning platform **Vantage Pro**, to meet the evolving needs of the industry and enhance the learning experiences of students.

Under this agreement, the Company will take on responsibilities such as the creation and delivery of instructional content, recruitment and training of qualified instructors, and joint marketing efforts for the courses.

We believe such collaborations will enrich our educational offerings and strengthen our position in the online education sector through Vantage Pro eLearning platform.

About VANTAGE PRO

VANTAGE PRO is set to redefine the educational experience for college and university students by offering a comprehensive range of online courses – short term, degree & certificate programs - aimed at equipping learners with indispensable knowledge, skills, and certifications. These courses are meticulously curated to enhance students' CVs, improve employability & entrepreneurial skills, and boost performance in their post-university careers. With a mission to bridge the gap between academic learning and industry demands, **VANTAGE PRO** will provide flexible, high-quality education that can be accessed anytime, anywhere. The platform will offer a seamless and immersive learning experience, leveraging the latest in educational technology to deliver professional, knowledge, and skill-based certificate, diploma, and degree programs.

ABOUT US

Vantage Knowledge Academy Ltd is a public limited company listed on the Bombay Stock Exchange. Over the last decade, the company has established a strong reputation as a leading education provider, offering a wide range of professional courses recognized by educational bodies globally. The company also curates and delivers degree programs for reputed universities & colleges, designing entire curricula, recruiting faculty, and providing classroom lectures on-campus on behalf of several universities, colleges, and institutes.
