Place: Mumbai

NOTES:

1. In view of the continuing Covid-19 pandemic, the Ministry of Corporate Affairs (“MCA”) has vide its General Circular No. 10/2022 dated December 28, 2022 read with General Circular No. 20/2020 dated May 5, 2020, and General Circular No. 02/2022 dated May 5, 2022 (collectively referred to as “MCA Circulars”) and SEBI Circular No. SEBI/HO/CFD/PoD-2/P/CIR/2023/4 dated January 05, 2023 have granted certain relaxations to Body Corporates and thus permitted the holding of Annual General Meeting(s) (“AGM”) of the companies upto September 30, 2023 through VC / OAVM viz. without the physical presence of the Members at a common venue. Hence in compliance with the provisions of the Companies Act, 2013 (“Act”), SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“SEBI Listing Regulations”) and MCA / SEBI Circulars, as applicable, the AGM of the Company is being held through VC / OAVM (viz. e-AGM).
2. The Deemed Venue of the 38th AGM of the Company shall be its Registered Office as the AGM will be held through Video Conferencing (“VC”) / Other Audio Visual Means
3. As the AGM shall be conducted through VC / OAVM, the facility for appointment of Proxy by the Members is not available for this AGM and hence the Proxy Form and Attendance Slip including Route Map are not annexed to this Notice. However, the Body Corporates are entitled to appoint authorised representatives to attend the AGM through VC / OAVM and participate there at and cast their votes through e-voting.
4. The Company has engaged the services of National Securities Depository Limited (NSDL), to provide video conferencing facility and e-voting facility for the AGM.
5. Corporate / Institutional Members (i.e. other than Individuals, HUF, NRI etc.) are also required to send scanned certified true copy (PDF / JPEG Format) of the Board Resolution / Authority Letter etc., together with attested specimen signature(s) of the duly authorised representative(s), to the Scrutinizer at cs.sandeepdubey@gmail.com and copy marked to evoting@nsdl.co.in and

polytexindia@gmail.com. The scanned image of the above mentioned documents should be in the naming format “Polytex India Limited 38th AGM”.

6. Members are requested to notify change in address, if any, immediately to M/s. Link Intime India Private Limited, quoting their folio numbers.
7. In terms of circulars issued by Securities and Exchange Board of India (SEBI), it is now mandatory to furnish a copy of PAN card to the Company or its RTA in the following cases viz. Deletion of name, Transmission of shares and Transposition of shares. Shareholders are requested to furnish copy of PAN card for all the above mentioned transactions.
8. Pursuant to Regulation 36 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (‘SEBI Listing Regulations’) and Secretarial Standard on General Meetings (‘Secretarial Standard - 2’), the details of Director retiring by rotation at the AGM is provided in ‘Annexure A’ to the Notice
9. Members seeking any information with regard to Register of Directors and Key Managerial Personnel and their shareholding maintained under Section 170 of the Act, Register of Contracts or Arrangements in which directors are interested under Section 189 of the Act, and relevant documents referred to in the accompanying Notice are requested to write to the Company on or before Wednesday, 25th September, 2024, through email on polytexindia@gmail.com. The same will be replied by the Company suitably.

ELECTRONIC DISPATCH OF ANNUAL REPORT AND PROCESS FOR REGISTRATION OF EMAIL ID FOR OBTAINING COPY OF ANNUAL REPORT, USER ID & PASSWORD AND REGISTRATION OF EMAIL ID FOR E-VOTING:

10. In compliance with the aforesaid MCA Circulars and SEBI Circular, Notice of the AGM along with the Annual Report 2023-24 is being sent only through electronic mode to those Members whose e-mail addresses are registered with the Company, RTA or CDSL / NSDL (“Depositories”). Members may note that the Notice and Annual Report 2023-24 will also be available on the Company’s website www.polytexindia.com, website of the Stock Exchange i.e. BSE

Limited at www.bseindia.com and on the website of NSDL at www.evoting.nsdl.com.

11. Members holding shares in physical mode and who have not updated their email addresses with the Company are requested to update their email addresses by writing to the Company at polytexindia@gmail.com or to the RTA at rnt.helpdesk@linkintime.co.in along with the copy of the signed request letter mentioning the name and address of the Member, self-attested copy of the PAN card, and self-attested copy of any document (eg.: Aadhaar, Driving License, Election Identity Card, Passport) in support of the address of the Member.
12. Members holding shares in dematerialised mode are requested to register / update their email addresses with the relevant Depository Participants. In case of any queries / difficulties in registering the e-mail address, Members may write to polytexindia@gmail.com or rnt.helpdesk@linkintime.co.in If you are an Individual shareholders holding securities in demat mode, you are requested to refer to the login method explained at step 1 (A) i.e. Login method for e-Voting and joining virtual meeting for Individual shareholders holding securities in demat mode.
13. Alternatively members may send a request to evoting@nsdl.co.in for procuring user id and password for e-voting by providing above mentioned documents.
14. In terms of SEBI circular dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are required to update their mobile number and email ID correctly in their demat account in order to access e-Voting facility.

INSTRUCTIONS FOR MEMBERS FOR ATTENDING THE AGM THROUGH VC / OAVM ARE AS UNDER:

15. Member will be provided with a facility to attend the AGM through VC / OAVM through the NSDL e-Voting system. Members may access by following the steps mentioned below for Access to NSDL e-Voting system. After successful login, you can see link of “VC / OAVM link” placed under “Join

meeting” menu against company name. You are requested to click on VC / OAVM link placed under Join Meeting menu. The link for VC / OAVM will be available in Shareholder / Member login where the “EVEN 130926” of Company will be displayed. Please note that the members who do not have the User ID and Password for e-Voting or have forgotten the User ID and Password may retrieve the same by following the remote e-Voting instructions mentioned in the notice to avoid last minute rush.

16. The Members can join the EGM/AGM in the VC / OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the EGM / AGM through VC / OAVM will be made available for 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the EGM / AGM without restriction on account of first come first served basis

VOTING THROUGH ELECTRONIC MEANS

24. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and the Circulars issued by the Ministry of Corporate Affairs dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-Voting to its Members in respect of the business to be transacted at the EGM / AGM. For this purpose, the Company has entered into an agreement with National Securities Depository Limited (NSDL) for facilitating voting through electronic means, as the authorized agency. The facility of casting votes by a member using remote e-Voting system as well as venue voting on the date of the EGM / AGM will be provided by NSDL.
25. The Company has appointed Mr. Sandeep Dubey, (Membership No. 47940, COP No. 17902), Practicing Company Secretary as the Scrutinizer to scrutinize the voting process in a fair and transparent manner.
26. The Members who have cast their vote by remote E-voting prior to the AGM may also attend/ participate in the AGM through VC / OAVM but shall not be

entitled to cast their vote again during the AGM. Members attending the AGM who have not cast their vote by remote e-voting shall be eligible to cast their vote through e-voting during the AGM. Members holding shares in physical form are requested to access the remote e-voting facility provided by the Company through NSDL e-voting system at <https://www.evoting.nsdl.com/>. Members who do not have the User ID and Password for e-Voting or have forgotten the User ID and Password may retrieve the same by following the remote e-Voting instructions mentioned in the notice. Further members can also use the OTP based login for logging into the e-Voting system of NSDL.

27. The voting rights of Members shall be in proportion to their shares in the paid-up equity share capital of the Company as on the cut-off date i.e. Monday, 23rd September, 2024.
28. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential. Login to the E-voting website will be disabled upon five unsuccessful attempts to key in the correct password. In such an event, you will need to go through the “Forgot User Details / Password?” or “Physical User Reset Password?” option available on <https://www.evoting.nsdl.com> to reset the password.
29. In case of any queries relating to E-voting you may refer to the FAQs for Shareholders and E-voting user manual for Shareholders available at the download section of [https:// www.evoting.nsdl.com](https://www.evoting.nsdl.com) or call at 022 - 4886 7000 and 022 - 2499 7000 or send a request at evoting@nsdl.co.in In case of any grievances connected with facility for E-voting, please contact Ms. Prajakta Pawle, executive, NSDL, 4th Floor, ‘A’ Wing, Trade World, Kamala Mills Compound, Senapati Bapat Marg, Lower Parel, Mumbai 400013. Email: evoting@nsdl.co.in , Tel: 022 - 4886 7000 and 022 - 2499 7000
30. The attendance of the Members attending the AGM through VC / OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013.
31. Any person and non-individual shareholders, who acquires shares of the Company and becomes member of the Company after the notice is send through

e-mail and holding shares as of the cut-off date i.e. Monday, 23rd September, 2024 may obtain the login ID and password by sending a request at evoting@nsdl.co.in or Issuer / RTA. However, if you are already registered with NSDL for remote e-voting, then you can use your existing user ID and password for casting your vote. If you forgot your password, you can reset your password by using “Forgot User Details / Password” or “Physical User Reset Password” option available on www.evoting.nsdl.com or call on toll free no. 022 - 4886 7000 and 022 - 2499 7000. In case of Individual Shareholders holding securities in demat mode who acquires shares of the Company and becomes a Member of the Company after sending of the Notice and holding shares as of the cut-off date i.e. Monday, 23rd September, 2024 may follow steps mentioned in the Notice of the AGM under “Access to NSDL e-Voting system”.

THE INSTRUCTIONS FOR MEMBERS FOR REMOTE E-VOTING ARE AS UNDER:-

32. **The remote e-voting period begins on Friday 27th September, 2024 (at 9:00 A.M. IST) till Sunday, 29th September, 2024 at 5:00 P.M. IST). The remote e-voting module shall be disabled by NSDL for voting thereafter. During this period shareholders’ of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date Monday, 23rd September, 2024, may cast their vote electronically.**
33. **The way to vote electronically on NSDL e-Voting system consists of “Two Steps” which are mentioned below:**

Step 1: Access to NSDL e-Voting system.

A) Login method for e-Voting and joining virtual meeting for Individual shareholders holding securities in demat mode

In terms of SEBI circular dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility

Login method for Individual shareholders holding securities in demat mode is given below:

Type of shareholders	Login Method
Individual Shareholders holding securities in demat mode with NSDL.	<ol style="list-style-type: none"> 1. If you are already registered for NSDL IDeAS facility, please visit the e-Services website of NSDL. Click on company name or e-Voting service provider - NSDL and you will be redirected to e-Voting website of NSDL for casting your vote during the remote e-Voting period or joining virtual meeting & voting during the meeting.</p>

Important note: Members who are unable to retrieve User ID/ Password are advised to use Forget User ID and Forget Password option available at abovementioned website.

B) Login Method for shareholders other than Individual shareholders holding securities in demat mode and shareholders holding securities in physical mode.

How to Log-in to NSDL e-Voting website?

1. Visit the e-Voting website of NSDL. Open web browser by typing the following URL: <https://www.evoting.nsdl.com> / either on a Personal Computer or on a mobile.
2. Once the home page of e-Voting system is launched, click on the icon “Login” which is available under ‘Shareholder / Member’ section.
3. A new screen will open. You will have to enter your User ID, your Password/OTP and a Verification Code as shown on the screen.

Alternatively, if you are registered for NSDL eservices i.e. IDEAS, you can log-in at <https://eservices.nsdl.com> / with your existing IDEAS login. Once you log-in to NSDL eservices after using your log-in credentials, click on e-Voting and you can proceed to Step 2 i.e. Cast your vote electronically.

4. Your User ID details are given below:

Manner of holding shares i.e. Demat (NSDL or CDSL) or Physical	Your User ID is:
a) For Members who hold shares in demat account with NSDL.	8 Character DP ID followed by 8 Digit Client ID For example if your DP ID is IN300*** and Client ID is 12***** then your user ID is IN300***12*****
b) For Members who hold shares in demat account with CDSL.	16 Digit Beneficiary ID For example if your Beneficiary ID is 12***** then your user ID is 12*****
c) For Members holding shares in Physical Form.	EVEN Number followed by Folio Number registered with the company For example if folio number is 001*** and EVEN is 130926 then user ID is 101456001***

5. Password details for shareholders other than Individual shareholders are given below:
- a) If you are already registered for e-Voting, then you can use your existing password to login and cast your vote.
 - b) If you are using NSDL e-Voting system for the first time, you will need to retrieve the 'initial password' which was communicated to you. Once you retrieve your 'initial password', you need to enter the 'initial password' and the system will force you to change your password.
 - c) How to retrieve your 'initial password'?
 - (i) If your email ID is registered in your demat account or with the company, your 'initial password' is communicated to you on your email ID. Trace the email sent to you from NSDL from your mailbox. Open the email and open the attachment i.e. a .pdf file. Open the .pdf file. The password to open the .pdf file is your 8 digit client ID for NSDL account, last 8 digits of client ID for CDSL account or folio number for shares held in physical form. The .pdf file contains your 'User ID' and your 'initial password'.
 - (ii) If your email ID is not registered, please follow steps mentioned below in **process for those shareholders whose email ids are not registered.**
6. If you are unable to retrieve or have not received the "Initial password" or have forgotten your password:
- a) Click on "**Forgot User Details/Password?**" (If you are holding shares in your demat account with NSDL or CDSL) option available on www.evoting.nsdl.com.
 - b) "**Physical User Reset Password?**" (If you are holding shares in physical mode) option available on www.evoting.nsdl.com.

- c) If you are still unable to get the password by aforesaid two options, you can send a request at evoting@nsdl.co.in mentioning your demat account number / folio number, your PAN, your name and your registered address etc.
 - d) Members can also use the OTP (One Time Password) based login for casting the votes on the e-Voting system of NSDL.
7. After entering your password, tick on Agree to “Terms and Conditions” by selecting on the check box.
 8. Now, you will have to click on “Login” button.
 9. After you click on the “Login” button, Home page of e-Voting will open.

Step 2: Cast your vote electronically and join General Meeting on NSDL e-Voting system.

How to cast your vote electronically and join General Meeting on NSDL e-Voting system?

1. After successful login at Step 1, you will be able to see all the companies “in which you are holding shares and whose voting cycle and General Meeting is in active status.
2. Select “EVEN 126140” of company for which you wish to cast your vote during the remote e-Voting period and casting your vote during the General Meeting. For joining virtual meeting, you need to click on “VC / OAVM” link placed under “Join General Meeting”.

Annexure II

SECRETARIAL AUDIT REPORT

FORM NO. MR - 3

FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2024

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies (Appointment and Remuneration Personnel Rule, 2014)]

To,
The Members,
POLYTEX INDIA LTD
(CIN: L51900MH1987PLC042092)
5th Floor, 5B, Technopolis Knowledge Park,
Mahakali Caves Road, Nr. Udyog Bhavan, Chakala,
Andheri East, Chakala MIDC, Mumbai, Maharashtra, India - 400093.

I have conducted the secretarial audit of the Compliance of applicable statutory provisions and the adherence to good corporate practices by **M/s. POLYTEX INDIA LTD** having **CIN: L51900MH1987PLC042092** (hereinafter called the “Company”). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conduct / statutory compliances and expressing my opinion thereon.

Based on my verification of the **POLYTEX INDIA LTD** books, papers, minute books, form and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the Financial year ended March 31, 2024, complied with the statutory provisions listed hereunder and also that the Company has proper Board- processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

I have examined the books, papers, minute books, form and returns filed and other records maintained by the Company for the financial year ended on March 31, 2024, according to the provisions of:-

- (1) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (2) The Securities Contracts (Regulation) Act, 1956 (SCRA) and the rules made thereunder;
- (3) The Depository Act, 1996 and the Regulations and bye-laws framed thereunder;
- (4) Foreign Exchange Management Act 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (5) The following Regulation and Guidelines prescribed under the Securities and Exchange Board of India Act 1992 ('SEBI Act'):-
 - a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - c. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009; **Not applicable to the Company during the Audit period.**
 - d. The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999; **Not applicable to the Company during the Audit period.**
 - e. The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;- **Not applicable to the Company during the Audit period.**
 - f. The Securities and Exchange Board of India (Registration to an Issue and Share Transfer Agents) Regulation, 1993, regarding the Companies Act and dealing with client;
 - g. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009;- **Not applicable to the Company during the Audit period.**

- h. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998;- **Not applicable to the Company during the Audit period.**
- (6) The Factories Act, 1948 and Industrial law applicable to the Company:- **Not applicable to the Company during the Audit period.**

I have also examined Compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India, with respect to Board (“SS-1”) and General Meetings (“SS-2”)
- (ii) The Listing Agreements entered into by the Company with Bombay Stock Exchange(s) if applicable.

Constitution of Committees;

We observed that the company has properly constituted three committee namely Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee.

Remuneration paid to employees excluding managerial personnel for the FY 2022-23	Remuneration paid to employees excluding managerial personnel for the FY 2023-24	% change in remuneration paid to employees excluding managerial personnel	Remuneration paid to managerial personnel for the FY 2022-23	Remuneration paid to managerial personnel for the FY 2023-24	(%) change in remuneration paid to managerial personnel
4,20,000	4,20,000	0%	Nil	Nil	Nil

There were no exceptional circumstances for increase in Managerial Remuneration.

7. Affirmation that the remuneration is as per the remuneration policy of the Company: It is affirmed that the Remuneration paid is as per the Remuneration Policy of the Company.

MANAGEMENT'S DISCUSSION AND ANALYSIS**1. Indian Economy:**

India continued to exhibit robust economic performance. Factors such as strong domestic demand, rural demand pickup, robust investment, and sustained manufacturing momentum have contributed to India's resilience. The RBI and IMF projections forecast high growth rates for India, further reinforcing the positive outlook. In FY2024, India's buoyant domestic economic sentiment was reflected in strong GST collections, substantial growth in the manufacturing and services sectors, and record stock market performance, which underpinned India's ability to navigate global challenges successfully. India is demonstrating a strong commitment to economic growth through substantial investments, dedicating approximately 30% of its GDP. This significant investment, coupled with consistent year-on-year GDP growth rates of 7% or higher, reflects the nation's proactive approach towards fostering development and sustainable progress. As per RBI's survey the capacity utilisation in manufacturing sector is above the long term average at 74.7% for the quarter ended December 2023 and could remain elevated as growth receives support from improving consumer and business sentiment. Global slowdown led to a moderation in India's merchandise exports as well as merchandise imports, which helped narrow the merchandise trade deficit in FY2024, as exports showed a smaller contraction than imports. Services exports expanded at their fastest pace in FY2024, supported by rising software exports and business services exports. Owing to these developments, India's current account deficit improved to 1.2% of GDP during the first nine months of FY2024, compared to the same period a year earlier

Retail inflation in FY2024 witnessed a significant decline, reaching its lowest level since the COVID-19 pandemic. Accordingly, as price pressures continue to abate in India, the RBI's Monetary Policy Committee (MPC) held policy rates at their current levels, stating that the last mile of disinflation will involve aligning inflation with its target of 4.0% on a durable basis. Considering factors such as geopolitical conflicts, potential adverse domestic weather shocks, and

the prediction of an above-normal monsoon this year by the IMD, the RBI projected CPI inflation for FY2025 at 4.5%.

2. NBFC Industry

NBFCs remain an important constituent of India's financial sector, and continue to leverage their superior understanding of regional dynamics and customised products and services to expedite financial inclusion in India. Lower transaction costs, innovative products, quick decision making, customer orientation and prompt service standards have differentiated NBFCs from banks.

Considering the reach and expanse of NBFCs, these entities are well-suited to bridge the financing gap in a large country like India. Systemically important NBFCs have demonstrated agility, innovation and frugality to provide formal financial services to millions of Indians.

The sector has undergone remarkable growth and has established itself as a significant player in the country's financial landscape. As of FY2023, the NBFC sector reached an impressive size of US\$ 326 billion, underscoring its influence in the financial domain. Growth in the business of NBFCs is primarily attributed to a substantial increase in the demand for specialised financial services, particularly from Micro, Small, and Medium Enterprises (MSMEs), which typically face challenges in obtaining loans from traditional banks. Moreover, the rise of digitisation has been a driving force behind the NBFC sector's growth. Adoption of digital platforms has enabled NBFC's to broaden their customer base, streamline operations, reduce costs and enhance overall customer experience. This transformation is further accentuated by the role of emerging technologies like artificial intelligence, machine learning, robotic process automation and big data.

The latest edition of the RBI's Financial Stability Report notes that aggregate lending by NBFCs rose by 20.8% (y-o-y) in September 2023 from 10.8% a year ago, primarily led by personal loans and loans to industry. The gross nonperforming assets (GNPA) and net non-performing assets (NNPA) ratios of NBFCs continued on their downward trajectory. The overall GNPA ratio in September 2023 was 4.6% versus 5.9% in September 2022; and NNPA ratio

was 1.5% compared to 3.2% across the same period. Capital adequacy has also improved to 27.6% from 27.4% during this period. So too has the profitability—as evident from increase in the return on assets (RoA) to 2.9% from 2.5%. Over the past two years, banks and NBFCs have seen rapid and persistent growth in retail loans, especially unsecured lending. Between September 2021 to September 2023, banks' retail loans grew at a compound annual growth rate (CAGR) of 25.5%, which exceeded the headline credit growth of 18.6%. Consequently, the share of retail lending in gross advances increased from 37.7% in September 2021 to 42.2% in September 2023. Alongside, unsecured retail lending grew by 27% during the same period, taking its share in total retail lending to 23.3% (or 9.8% of total gross advances of the banks).

3. Macroeconomic Indicators

Despite three turbulent years which witnessed a global pandemic, supply chain disruptions, conflict in Ukraine, and elevated interest rates to counter high inflation, India emerged as the fastest growing major economy of the world. Notwithstanding conflicts in Europe and Gaza and rising tensions in West Asia, a global recession that experts thought was imminent has not occurred. Indeed, the key indicators have turned positive: inflation is falling across all major countries; unemployment has not risen as economists thought it would; and the major central banks have put an end to monetary tightening, though they have not yet begun reducing their key interest rates

According to the IMF's World Economic Outlook (April 2024), inflation is falling faster than expected in most regions; and it has forecasted global headline inflation to fall to 5.9% in 2024 and further to 4.5% in 2025, with the possibility of the 2025 forecast being further revised downwards. In a milieu where the IMF has projected the world's real GDP growth at 3.2% in 2024 and 3.2% in 2025, its forecasts for India are impressive: 6.8% in 2024 followed by yet another stint of 6.5% in 2025. Indeed, the IMF has placed India as the fastest growing major economy in the world.

4. Internal Control System and Adequacy:

Internal Control measures and systems are established to ensure the correctness of the transactions and safe guarding of the assets. The control systems set on place are checked and further supplemented by MIS which provided for planned expenditure and information on disposal and acquisition of assets. Your company has an adequate system of internal control, designed to provide reasonable assurance that assets are safeguarded; transactions are executed in accordance with management's authorisation and properly recorded. Accounting records are adequate for preparation of financial statements and other financial information. Besides, the management has put in place system for review and monitoring of non-performing assets, if any of the company for effecting recoveries.

5. Financial:

The financial performance of the Company has been satisfactory in the year under review. The Financial performances of the Company are given as under:-

Performance	Year ended 31st March, 2024	Year ended 31st March, 2023
Profit / (Loss) before Depreciation and Taxation	(16,10,657)	(15,00,885)
Depreciation	NIL	NIL
Profit / (Loss) before Tax	(16,10,657)	(15,00,885)
Profit after Tax	(16,13,237)	(7,48,994)
Proposed Dividend	NIL	NIL
Interim Dividend	NIL	NIL
Dividend Tax	NIL	NIL

6. Human Resources:

Your company always regards human resources as its most valuable asset and continuously evolves policies and process to attract and retain its substantial pool of managerial resources through friendly work environment that encourages initiatives by individuals and recognizes their performance. The company has a competency based performance and potential appraisal systems for identifying and developing managerial talents and is reviewed on an ongoing

basis. Emphasis is laid on providing adequate training to its employees, to meet the attitudinal and cultural values of the organization to achieve customer satisfaction.

7. Disclaimer:

Certain Statements in the management Discussion and Analysis describing the company's views about the industry, expectations, objectives, etc. may be understood within the meaning of applicable laws and regulations. Factors like changes in Government regulations, tax laws and other factors are such as industrial relations and economic developments etc. may further influence the company's operations or performance.

REPORT ON CORPORATE GOVERNANCE

The detailed report for the financial year ended March 31, 2024 on the compliance with the Corporate Governance requirements as specified under the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (hereinafter referred to as "Listing Regulations"), as set out below

Company's Philosophy on Code of Governance:

Your Company is committed to bring about good corporate governance practices. It strongly believes in attaining transparency, accountability and equity, in all its operations, and in its interactions with stakeholders including shareholders, customers, employees, the government and the lenders.

The Company believes that the essence of Good Governance lies in promoting and maintaining integrity, transparency and accountability across the organization.

Name	Number of Nomination and Remuneration Committee Meetings attended
Mrs. Deepa Jayramdas Lakhawani	2
Mrs. Heena Gurmukhdas Kukreja	2
Mr. Kapil Purohit	2

Terms of Reference:

The terms of reference of the Committee interalia, include the following:

- To review, assess and recommend appointment and remuneration of executive directors.
- To review the remuneration packages payable to executive directors periodically and recommend suitable revision / increments, whenever required to the Board of Directors of the Company.
- To recommend the commission payable to non-executive directors in accordance with and upto the limits laid down under the Companies Act, 2013.
- To identify persons who are qualified to become directors and who may be appointed in senior management in accordance with criteria laid down.
- To recommend to the Board the appointment and removal of the director and shall carryout evaluation of every director performance.
- To formulate criteria for determining qualifications, positive attributes and independence of the director.
- To recommend to the Board of a 'policy' relating to the remuneration of Directors, Key Managerial Personnel and other employees.
- To devise a policy on Board Diversity
- To carry out such other functions as delegated by the Board from time to time.

Remuneration Policy:

The Board of Directors of the Company have approved Nomination & Remuneration Policy of the Company, which sets out the guiding principles for appointment & remuneration of Directors, Key Managerial Personnel and Senior Management of the Company.

Appointment and removal of Directors, Key Managerial Personnel (KMP) and Senior Management:**I. Appointment Criteria and Qualifications:**

a) A person being appointed as director, KMP or in senior management should possess adequate qualification, expertise and experience for the position he / she is considered for appointment.

b) Independent Director:

i) Qualifications of Independent Director:

An Independent director shall possess appropriate skills, experience and knowledge in one or more fields of finance, law, management, sales, marketing, administration, research, corporate governance, operations or other disciplines related to the Company's business.

ii) Positive attributes of Independent Directors:

An independent director shall be a person of integrity, who possesses relevant expertise and experience and who shall uphold ethical standards of integrity and probity; act objectively and constructively; exercise his responsibilities in a bona-fide manner in the interest of the Company; devote sufficient time and attention to his professional obligations for informed and balanced decision making; and assist the Company in implementing the best corporate governance practices.

1. Removal:

Due to reasons for any disqualification mentioned in the Act or under any other applicable Act, rules and regulations there under, the Committee may recommend, to the Board with reasons recorded in writing, removal of a Director, KMP or Senior Management Personnel subject to the provisions and compliance of the said Act, rules and regulations.

2. Retirement:

The Director, KMP and Senior Management Personnel shall retire as per the applicable provisions of the Act and the prevailing policy of the Company. The

Board will have the discretion to retain the Director, KMP, Senior Management Personnel in the same position / remuneration or otherwise even after attaining the retirement age, for the benefit of the Company.

II. Remuneration:

A. Directors:

- a) Executive Directors (Managing Director, Manager or Whole Time Director):
- i) At the time of appointment or re-appointment, the Executive Directors shall be paid such remuneration as may be mutually agreed between the Company (which includes the Nomination and Remuneration (N&R) Committee and the Board of Directors) within the overall limits prescribed under the Companies Act, 2013.
- ii) The remuneration shall be subject to the approval of the Members of the Company in General Meeting as per the requirement of the Companies Act, 2013.
- iii) The remuneration of the Manager / CEO / Managing Director / Whole Time Director is broadly divided into fixed and incentive pay reflecting short and long term performance objectives appropriate to the working of the Company. In determining the remuneration (including the fixed increment and performance bonus), the Committee shall consider the following:
- the relationship of remuneration and performance benchmark;
balance between fixed and incentive pay reflecting short and long term performance objectives, appropriate to the working of the Company and its goals;
 - responsibility required to be shouldered, the industry benchmarks and the current trends;
 - The Company's performance is-a-vis the annual budget achievement and individual performance.

b) Non-Executive Director:

- The Non-Executive Independent Director may receive fees for attending meeting of Board or Committee thereof. Provided that the amount of such fees shall not exceed Rupees One Lakh per meeting of the Board or Committee or such amount as may be prescribed by the Central Government from time to time.
- A Non-Executive Director may be paid commission on an annual basis, of such sum as may be approved by the Board on the recommendation of the Committee.
- The Committee may recommend to the Board, the payment of commission, to reinforce the principles of collective responsibility of the Board.
- In determining the quantum of commission payable to the Directors, the Committee shall make its recommendation after taking into consideration the overall performance of the Company and the onerous responsibilities required to be shouldered by the Director.
- The total commission payable to the Directors shall not exceed prescribed limits as specified under Companies Act, 2013.
- The commission shall be payable on pro-rata basis to those Directors who occupy office for part of the year.

B. KMP & Senior Managerial Personnel:

The remuneration to the KMP and Senior Management Personnel will be based on following guidelines:

- Maintaining a balance between fixed and incentive pay reflecting short and long term performance objectives appropriate to the working of the Company;
- compensation should be reasonable and sufficient to attract retain and motivate KMP and senior management;

- Remuneration payable should comprise of a fixed component and a performance linked variable based on the extent of achievement of individual performance versus overall performance of the Company;
- Remuneration shall be also considered inform of long term incentive plans for key employees, based on their contribution, position and length of service, in the nature of ESOPS / ESPS.

III. Evaluation:

The Committee shall carryout evaluation of performance of every Director at regular interval (yearly). The Committee shall also formulate and provide criteria for evaluation of Independent Directors and the Board as a whole, if applicable.

INDEPENDENT AUDITOR'S REPORT

To the Members of

POLYTEX INDIA LIMITED

Opinion

We have audited the Standalone Financial Statements of **POLYTEX INDIA LIMITED** (“the Company”), which comprise the balance sheet as at 31st March 2024, and the statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity, the Statement of Cash Flows and notes to the standalone Ind AS financial statements, for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as “the standalone financial statements”).

In our opinion and to the best of our information and according to the explanations given to us, our report the aforesaid financial statements give the information required by the Companies Act 2013 as amended (“the Act”) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at March31 2024 its profit including other comprehensive income its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Accounting Standards (AS) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial

statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter;

1. Valuation of the unquoted investment (as per IND AS 109) are subject to the valuation by independent valuer. As per management explanation, they are under process to carry out fair valuation from registered valuer. Due to not availability of valuation report, we are not able to comment on the same.
2. Company is not complied the provision of IND AS -19 for Employee benefit. As per management opinion company having only one employee during the year and who is also not completed five years.

Our opinion is not modified in respect on this matter,

Material uncertainty related to Going concern

Company is not having any income from operations during the year and Current liabilities is more than the current assets further due to non-recovery from NPA accounts. Hence, these event or conditions indicate that a is material uncertainty exists that may cause significant doubt in the company's ability to continue as a going concern. However, the standalone financial of the company have been prepared on a going concern basis for as reason stated on the said note.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have not determined the any matters to described to be the key audit matters.

Information other than the financial statements and auditors' report thereon

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards (AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of

section 143 of the Companies Act, 2013, we give in the 'Annexure A', a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2. As required by Section 143 (3) of the Act, we report that:
- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid financial statements comply with the Accounting Standards (AS) specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e) On the basis of the written representations received from the directors as on 31st March, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2024 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in '**Annexure B**'.
 - g) With respect to the matter to be included in the Auditor's Report under section 197(16), In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under section 197 of the Act. The Ministry

of Corporate Affairs has not prescribed other details under section 197(16) which are required to be commented upon by us.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. (a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The management has represented, that, to the best of its knowledge and belief, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

(c) Based on such audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material mis-statement.

- v. No dividend have been declared or paid during the year by the company.
- vi. Based on our examination, which included test checks, the Company has used accounting software's which did not had a features of recording audit trail (edit log) facility.

Report on Internal Financial Controls with reference to financial statements

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **POLYTEX INDIA LIMITED** ("the Company") as of March 31, 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally

accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and

3. provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls over financial reporting with reference to these standalone financial statements and such internal financial controls over financial reporting with reference to these standalone financial statements were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to Financial Statements for the period ended 31st March 2024**22. Earnings Per Share (EPS)**

Basic EPS amounts are calculated by dividing the profit / (loss) for the period attributable to equity holders by the weighted average number of equity shares outstanding during the Period.

Diluted EPS amounts are calculated by dividing the profit / (loss) attributable to equity holders by the weighted average number of equity shares outstanding during the period plus the weighted average number of equity shares that would be issued on conversion of all the dilutive potential equity shares into equity shares.

The following reflects the income and share data used in the basic and diluted EPS computations:

Particulars	As at 31st March 2024	As at 31st March 2023
Profit / (Loss) attributable to Equity shareholders (in Rs.)	(16.13)	(7.49)
Weighted average number of Equity shareholders for basic and diluted EPS	1,35,00,000	1,35,00,000
Basic and diluted earnings per share (in Rs.)	(0.00)	(0.00)

Note: Related party relationships as per Ind AS 24 have been identified by the management had relied upon by the auditors. All the transactions are carried at arm's length price

Closing balances are presented net of taxes.

Terms and conditions of transactions with related parties

The transactions with related parties are in the ordinary course of business and are on terms equivalent to those that prevail in arm's length transactions. Outstanding balances at the Period-end are unsecured and settlement occurs in cash. For the period ended 31st March 2024, the Company has not recorded any impairment of receivables relating to amounts owed by related parties. This assessment is undertaken each financial year through examining the financial position of the related parties and the market in which the related parties operate.

POLYTEX INDIA LIMITED

CIN: L51900MH1987PLC042092

Notes to Financial Statements for the period ended 31st March 2024**24. Segment information**

The Company is engaged into one reportable business segment. No other operating segment has been aggregated to form the above reportable operating segment. The Company's revenue, result, assets and liabilities are reported to the management for the purpose of resource allocation and assessment of segment performance.

25. Details of micro enterprises and small enterprises as defined under the Micro, Small and Medium Enterprises Development (MSMED) Act, 2006

The Company did not have any transactions with Small Scale Industrial ('SME's') Undertakings during the year ended March 31, 2024 and hence there are no amounts due to such undertakings. The identification of SME's undertakings is based on the management's knowledge of their status.

The Company has not received any information from "suppliers" regarding their status under the Micro, Small and Medium Enterprises Development Act, 2006 and hence disclosures, if any, relating to no amount unpaid as at the year ended together with interest paid / payable as required under the said Act have not been furnished.

Capital Commitments**26. There are no capital commitments outstanding as at 31st March 2024.**

Particulars	Amt pending to be paid
	-
Total	-

27. There are no contingent liabilities as at 31st March 2024**28. Employee Benefits - Retirement benefits**

(a) Defined Contribution Plan:

Amount of Rs. NIL (31st March 2023 : Rs. NIL) is recognised as an expense because company is having one employee and continue service is less than 5 years - 'Employee Benefit Expenses' in the statement of profit and loss.

29. Financial instruments - fair value measurements

Some of the Company's financial assets and financial liabilities are measured at fair value at the end of each reporting period. The following table gives information about how the fair values of these financial assets and financial liabilities are determined (in particular the valuation techniques and inputs used).

Fair value hierarchy

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

Particulars	Level	Fair value
Derivative asset at FVOCI	Level 2	
Derivative liability at FVOCI	Level 2	
Key inputs for Level 2 fair valuation technique	Discounted cash flow. Future cash flows are estimated based on forward exchange rates (from observable forward exchange rates at the end of the reporting period) and contract forward rates, discounted at a rate that reflects the credit risk of various counterparties.	
Significant unobservable input	Not applicable	
Relationship of unobservable input to fair value	Not applicable	

(a) Categories of financial instruments

Particulars	Carrying value	Carrying value	Carrying value
	As at 31st March 2023	As at 31st March 2023	As at 31st March 2022
Financial assets			
Measured at amortised cost			
Trade receivables	-	-	-
Investments	285.12	285.12	285.12
Other financial assets	-	-	-
Cash and cash equivalents	4.88	7.56	25.98
Total	290.00	292.68	311.10
Financial liabilities			
Measured at fair value through profit or loss			
Measured at amortised cost			
Borrowings	15.28	9.02	13.48
Trade payables	9.12	7.95	8.29
Other financial liabilities	7.61	2.49	1.85
Total	32.02	19.46	23.62

The Company has assessed that trade receivables, cash and cash equivalents, other financial assets, trade payables and other financial liabilities approximate their carrying amounts largely due to the short term nature of the instruments. Long term Borrowings are evaluated based on parameters such as interest rate and risk characteristic of financial project. Based on the evaluation, no impact has been identified.

POLYTEX INDIA LIMITED

CIN: L51900MH1987PLC042092

Notes to Financial Statements for the period ended 31st March 2024**30. Financial risk management objectives and policies**

The Company's principal financial liabilities comprise of borrowings, trade payables, other payables and other financial liabilities. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include trade and other receivables, other financial assets and cash and cash equivalents that arise directly from its operations.

The Company's activities expose it to market risk, liquidity risk, credit risk and interest rate risk.

(A) Market Risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments, including investments and deposits, payables and borrowings.

The Company's overall risk management focuses on the unpredictability of financial markets and seeks to minimise potential adverse effects on the financial performance of the Company.

The sources of risks which the Company is exposed to and their management is given below:

Risk	Exposure arising from	Measurement	Management
Interest rate risk	Long term borrowings at variable rates	Sensitivity analysis, interest rate movements	Interest rate swaps and loan takeover for long term borrowings diversification
Credit risk	Trade receivables, derivative financial instruments	Ageing analysis, credit rating	Credit monitoring, credit limit and credit worthiness monitoring of the counter parties
Liquidity risk	Borrowings and other financial liabilities	Rolling cash flow forecasts	Borrowing facilities diversification

Details relating to the risks are provided here below:

(i) Foreign currency risk

Foreign exchange risk is the risk of impact related to fair value or future cash flows of an exposure in foreign currency, which fluctuate due to changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates to import of modules, wherever required.

The Company regularly evaluates exchange rate exposure arising from foreign currency transactions. The Company follows the established risk management policies. It uses derivative instruments like forward covers/swap to hedge exposure to foreign currency risk.

When a derivative is entered into for the purpose of hedge, the Company negotiates the terms of those derivatives to match the terms of the foreign currency exposure. The details of the foreign currency exposure and its carrying value are as follows:

Outstanding foreign currency exposure	As at 31st March 2024		As at 31st March 2023	
	USD	Rs. in Lakhs	USD	Rs. in Lakhs
Supplier's credit	-	-	-	-
Interest on supplier's credit	-	-	-	-

Foreign currency sensitivity analysis

1% increase in foreign exchange rates will decrease profit before tax and decrease pre tax equity by Rs. xxx Lakhs (31st March 2022: Rs. xxx Lakhs). If the rate is decreased by 1%, the profit before tax and pre tax equity will increase by an equal amount.

Foreign currency sensitivity analysis

Outstanding foreign currency exposure	As at 31st March 2024		As at 31st March 2023	
	Impact on statement of profit and loss	Impact on equity	Impact on statement of profit and loss	Impact on equity
1% decrease in Rs.	-	-	-	-
1% decrease in Rs.	-	-	-	-

(A) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in prevailing market interest rates. The Company's exposure to the risk due to changes in interest rates relates primarily to the Company's borrowings with floating interest rates. Interest rate sensitivity has been calculated assuming the borrowings outstanding at the reporting date have been outstanding for the entire reporting period. The Company constantly monitors the credit markets and revisits its financing strategies to achieve an optimal maturity profile and financing cost.

Interest rate sensitivity analysis for 1% change in rate

0.00

Effect on profit before tax	Rate impact	Loan outstanding	Amount
31st March 2024	1%	-	-
31st March 2024	1%	-	-

(B) Credit risk

Credit risk arises when a customer or counterparty does not meet its obligations under a customer contract or financial instrument, leading to a financial loss. The Company is exposed to credit risk from its operating activities primarily trade receivables and from its financing / investing activities, including deposits with banks and foreign exchange transactions.

The carrying amount of financial assets represents the maximum credit risk exposure.

a. Trade receivables

The Company has already evaluated the credit worthiness of its customers and did not find any credit risk related to trade receivables. As per simplified approach, the Company makes provision of expected credit losses on trade receivables using a provision matrix on the basis of its historical credit loss experience to mitigate the risk of default in payments and makes appropriate provision at each reporting date wherever outstanding is for longer period and involves higher risk.

Total trade receivables as on 31st March 2024 is NIL.

b. Cash and cash equivalents and bank deposits

Credit risk on cash and cash equivalents, deposits, is generally low as the Company has transacted with reputed banks.

(C) Liquidity risk

Liquidity risk is defined as the risk that the Company will not be able to settle or meet its obligations on time or at reasonable price. Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of credit facilities to meet obligations when due. The management is responsible for managing liquidity, funding as well as settlement. Further the management monitors the Company's liquidity position through rolling forecasts on the basis of expected cash flows.

The table below provides details of financial liabilities further, based on contractual undiscounted payments.

As at 31st March 2024	Upto 1 year	1 to 3 years	3 to 5 years	Above 5 years	Total
Borrowings*	15.28	-	-	-	15.28
Trade payables	9.12	-	-	-	9.12
Other financial liabilities	7.61	-	-	-	7.61
Total	32.02	-	-	-	32.02

As at 31st March 2024	Upto 1 year	1 to 3 years	3 to 5 years	Above 5 years	Total
Borrowings*	9.02	-	-	-	9.02
Trade payables	7.95	-	-	-	7.95
Other financial liabilities	2.49	-	-	-	2.49
Total	19.46	-	-	-	19.46

*The maturity profile of borrowings is as per the actual cash flows.

(D) Capital management

The Company's objectives when managing capital are to safeguard the Company's ability to continue as a going concern in order to provide maximum returns for shareholders and benefits for other stakeholders and to maintain an optimal capital structure to reduce the cost of capital.

For the purposes of the Company's capital management, capital includes issued capital, securities premium and all other equity reserves attributable to the equity holders.

The Company monitors capital using debt to equity ratio, which is net debt divided by total equity. The Company includes within net debt, interest bearing loan and borrowings, less cash and cash equivalents, excluding discontinued operations.

(Rs. in Lakhs)

Particulars	As at 31st March 2024	As at 31st March 2023
Borrowings	15.28	9.02
Less: Cash and cash equivalents	(4.88)	(7.56)
Net debt	10.41	1.46
Equity	1,350.00	1,350.00
Gearing Ratio	0.01	0.00

In addition, the Company has financial covenants relating to the borrowing facilities taken from the lenders like debt service coverage ratio, assets coverage ratio, debt-equity ratio and total outstanding liability to net worth ratio which are required to be maintained by the Company as per the terms and considerations of the loan agreement.

Due to Current Year company not having any turnover and decrease in loss during the year.

32. Other statutory information

- The Company do not have any Benami property, where any proceeding has been initiated or pending against the Company for holding any Benami property.
- As per the information and explanations to us The Company do not have any transactions with companies struck off.
- The Company has not traded or invested in Crypto currency or Virtual Currency during the financial Period.
- The Company has not entered into any such transaction which is not recorded in the books of accounts that has been surrendered or disclosed

as income during the Period in the tax assessments under the Income Tax Act, 1961 (such as, search or survey or any other relevant provisions of the Income Tax Act, 1961)

- e) The Company has not been declared wilful defaulter by any bank or financial institution or other lender
- f) The Company does not have any Intangible Assets, thus, disclosures relating to revaluation of Intangible Assets is not applicable.
- g) The Company has not revalued its property, Plant and Equipment (including Right of use Assets), thus valuation by a registered valuer as defined under rule 2 of the Companies (Registered Valuers and Valuation) Rules, 2017 is not applicable.
- h) The Company has not advanced or loaned or invested funds to any other person or entity, including foreign entities (Intermediaries) with the understanding that the intermediary shall:
 - (i) directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (ultimate beneficiaries) or
 - (ii) provide any guarantee, security or the like to or on behalf of the ultimate beneficiaries.
- i) The Company have not received any fund from any person(s) or entity(ies), including foreign entities (Funding Party) with the understanding (whether recorded in writing or otherwise) that the company shall:
 - (i) directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the funding Party (ultimate beneficiaries) or
 - (ii) provide any guarantee, security or the like on behalf of the ultimate beneficiaries

The accompanying notes are an integral part of these standalone financial statements

1. Corporate information

Polytex India Limited. ('the Company') is a company limited by shares, incorporated on 05th January 1987 and domiciled in India. The Company is mainly engaged in the business of lending.

2. Basis of preparation

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time and notified under section 133 of the Companies Act, 2013 (the Act) along with other relevant provisions of the Act, the Master Direction - Non-Banking Financial Company

The standalone financial statements are presented in Indian Rupee (INR in lacs) which is also the functional currency of the Company.

The financial statements are prepared on a going concern basis, as the Management is satisfied that the Company shall be able to continue its business for the foreseeable future and no material uncertainty exists that may cast significant doubt on the going concern assumption. In making this assessment, the Management has considered a wide range of information relating to present and future conditions, including future projections of profitability, cash flows and capital resources.

2.1. Presentation of financial statements

The Company presents its Balance Sheet in order of liquidity.

The Company prepares and present its Balance Sheet, the Statement of Profit and Loss and the Statement of Changes in Equity in the format prescribed by Division III of Schedule III to the Act. The Statement of Cash Flows has been prepared and presented as per the requirements of Ind AS 7 'Statement of Cash Flows'.

The Company generally reports financial assets and financial liabilities on a gross basis in the Balance Sheet. They are offset and reported net only when Ind

AS specifically permits the same or it has an unconditional legally enforceable right to offset the recognised amounts without being contingent on a future event. Similarly, the Company offsets incomes and expenses and reports the same on a net basis when permitted by Ind AS specifically unless they are material in nature.

Critical accounting estimates and judgments

The preparation of the Company's financial statements requires Management to make use of estimates and judgments. In view of the inherent uncertainties and a level of subjectivity involved in measurement of items, it is possible that the outcomes in the subsequent financial years could differ from those based on Management's estimates. Accounting estimates and judgments are used in various line items in the financial statements.

2.2. Summary of significant accounting policies

This note provides a list of the significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

(I) Income:-

(a) Interest income

The Company recognises interest income using effective interest rate (EIR) on all financial assets subsequently measured under amortised cost or fair value through other comprehensive income (FVOCI). EIR is calculated by considering all costs and incomes attributable to acquisition of a financial asset or assumption of a financial liability and it represents a rate that exactly discounts estimated future cash payments/receipts through the expected life of the financial asset/financial liability to the gross carrying amount of a financial asset or to the amortised cost of a financial liability.

The Company calculates interest income by applying the EIR to the gross carrying amount of financial assets other than credit-impaired assets. In case of credit-impaired financial assets, the Company recognises interest income on the amortised cost net of impairment loss of the financial asset at EIR. If the

financial asset is no longer credit-impaired, the Company reverts to calculating interest income on a gross basis.

Delayed payment interest (penal interest) levied on customers for delay in repayments/non -payment of contractual cash flows is recognised on realisation.

Interest on financial assets subsequently measured at fair value through profit or loss (FVTPL) is recognised at the contractual rate of interest.

(b) Dividend income

Dividend income on equity shares is recognised when the Company's right to receive the payment is established, which is generally when shareholders approve the dividend.

(c) Other revenue from operations

The Company recognises revenue from contracts with customers (other than financial assets to which Ind AS 109 'Financial instruments' is applicable) based on a comprehensive assessment model as set out in Ind AS 115 'Revenue from contracts with customers'. The Company identifies contract(s) with a customer and its performance obligations under the contract, determines the transaction price and its allocation to the performance obligations in the contract and recognises revenue only on satisfactory completion of performance obligations. Revenue is measured at the fair value of the consideration received or receivable.

1. Fees and commission income

The Company recognises service and administration charges towards rendering of additional services to its loan customers on satisfactory completion of service delivery. Bounce charges levied on customers for non-payment of instalment on the contractual date is recognised on realisation.

Fees on value added services and products are recognised on rendering of services and products to the customer.

Distribution income is earned by distribution of services and products of other entities under distribution arrangements. The income so earned is recognised on successful distribution on behalf of other entities subject to there being no significant uncertainty of its recovery.

Foreclosure charges are collected from loan customers for early payment/closure of loan and are recognised on realisation.

2. [Net gain on fair value changes](#)

The Company designates certain financial assets for subsequent measurement at fair value through profit or loss (FVTPL) or fair value through other comprehensive income (FVOCI). The Company recognises gains on fair value change of financial assets measured at FVTPL and realised gains on derecognition of financial asset measured at FVTPL and FVOCI on net basis.

3. [Sale of service](#)

The Company, on de-recognition of financial assets where a right to service the derecognised financial assets for a fee is retained, recognises the fair value of future service fee income over service obligations cost on net basis as service fee income in the Statement of Profit and Loss and, correspondingly creates a service asset in Balance Sheet. Any subsequent increase in the fair value of service assets is recognised as service income and any decrease is recognised as an expense in the period in which it occurs. The embedded interest component in the service asset is recognised as interest income in line with Ind AS 109 'Financial instruments'.

4. [Other operating income](#)

The Company recognises income on recoveries of financial assets written off on realisation or when the right to receive the same without any uncertainties of recovery is established.

(d) Taxes

Incomes are recognised net of the goods and services tax, wherever applicable. Company not having GST no because company is NBFC and only having interest Income.

(II) Expenditures:-**(a) Finance costs**

Company not having any Borrowing costs on financial liabilities.

Fees and commission expense

Fees and commission expenses which are not directly linked to the sourcing of financial assets, such as commission/incentive incurred on value added services and products distribution, recovery charges and fees payable for management of portfolio etc., are recognised in the Statement of Profit and Loss on an accrual basis.

(b) Other expenses

Expenses are recognised on accrual basis net of the goods and services tax, except where credit for the input tax is not statutorily permitted.

(III) Cash and cash equivalents

Cash and cash equivalents include cash on hand and other short term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

(IV) Financial instruments

A financial instrument is defined as any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Trade receivables and payables, loan receivables, investments in securities and subsidiaries, debt securities and other borrowings, preferential and equity capital etc. are some examples of financial instruments.

All the financial instruments are recognised on the date when the Company becomes party to the contractual provisions of the financial instruments. For tradable securities, the Company recognises the financial instruments on settlement date.

(a) Financial assets

Financial assets include cash, or an equity instrument of another entity, or a contractual right to receive cash or another financial asset from another entity. Few examples of financial assets are loan receivables, investment in equity and debt instruments, trade receivables and cash and cash equivalents.

Initial measurement

All financial assets are recognised initially at fair value including transaction costs that are attributable to the acquisition of financial assets except in the case of financial assets recorded at FVTPL where the transaction costs are charged to profit or loss. Generally, the transaction price is treated as fair value unless proved to the contrary.

Subsequent measurement

For the purpose of subsequent measurement, financial assets are classified into four categories as per the Company's Board approved policy:

- (i) Debt instruments at amortised cost
- (ii) Debt instruments at FVOCI
- (iii) Debt instruments at FVTPL
- (iv) Equity instruments designated under FVOCI

(i) Debt instruments at amortised cost

The Company measures its financial assets at amortised cost if both the following conditions are met:

- The asset is held within a business model of collecting contractual cash flows; and

- Contractual terms of the asset give rise on specified dates to cash flows that are Sole Payments of Principal and Interest (SPPI) on the principal amount outstanding.

To make the SPPI assessment, the Company applies judgment and considers relevant factors such as the nature of portfolio, and the period for which the interest rate is set.

The Company determines its business model at the level that best reflects how it manages groups of financial assets to achieve its business objective. The Company's business model is not assessed on an instrument-by-instrument basis, but at a higher level of aggregated portfolios. If cash flows after initial recognition are realised in a way that is different from the Company's original expectations, the Company does not change the classification of the remaining financial assets held in that business model, but incorporates such information when assessing newly originated financial assets going forward.

The business model of the Company for assets subsequently measured at amortised cost category is to hold and collect contractual cash flows. However, considering the economic viability of carrying the delinquent portfolios on the books of the Company, it may enter into immaterial and/or infrequent transactions to sell these portfolios to banks and/or asset reconstruction companies without affecting the business model of the Company.

After initial measurement, such financial assets are subsequently measured at amortised cost on effective interest rate (EIR). For further details, refer note no. 2.2(I)(a). The expected credit loss (ECL) calculation for debt instruments at amortised cost is explained in subsequent notes in this section.

(ii) [Debt instruments at FVOCI](#)

The Company subsequently classifies its financial assets as FVOCI, only if both of the following criteria are met:

- the objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets; and
- Contractual terms of the asset give rise on specified dates to cash flows that are Solely Payments of Principal and Interest (SPPI) on the principal amount outstanding.

Debt instruments included within the FVOCI category are measured at each reporting date at fair value with such changes being recognised in other comprehensive income (OCI). The interest income on these assets is recognised in profit or loss. The ECL calculation for debt instruments at FVOCI is explained in subsequent notes in this section.

Debt instruments such as long-term investments in Government securities to meet regulatory liquid asset requirement of the Company's deposit program are classified as FVOCI.

On derecognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from other comprehensive income to profit or loss.

(iii) [Debt instruments at FVTPL](#)

The Company classifies financial assets which are held for trading under FVTPL category. Held for trading assets are recorded and measured in the Balance Sheet at fair value. Interest and dividend incomes are recorded in Statement of Profit and Loss, according to the terms of the contract, or when the right to receive the same has been established. Gain and losses on changes in fair value of debt instruments are recognised on net basis through profit or loss.

The Company's investments into mutual funds, Government securities (trading portfolio) and certificate of deposits for trading and short-term cash flow management have been classified under this category.

(iv) Equity investments designated under FVOCI

All equity investments in scope of Ind AS 109 'Financial instruments' are measured at fair value. The Company has strategic investments in equity for which it has elected to present subsequent changes in the fair value in other comprehensive income. The classification is made on initial recognition and is irrevocable.

Derecognition of financial assets

The Company derecognises a financial asset (or, where applicable, a part of a financial asset) when:

- The right to receive cash flows from the asset has expired; or
- The Company has transferred its right to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under an assignment arrangement and the Company has transferred substantially all the risks and rewards of the asset. Once the asset is derecognised, the Company does not have any continuing involvement in the same.

On derecognition of a financial asset in its entirety, the difference between:

- the carrying amount (measured at the date of derecognition) and
- the consideration received (including any new asset obtained less any new liability assumed) is recognised in profit or loss.

Financial assets subsequently measured at amortised cost are generally held for collection of contractual cashflow. The Company on looking at economic viability of certain portfolios measured at amortised cost may enter into immaterial and/or infrequent transaction of sale of portfolio which doesn't affect the business model of the Company.

Reclassification of financial assets

The Company changes classification of its financial assets only on account of changes in its business model for managing those financial assets. Such reclassifications are given prospective impact as per the principles laid down in Ind AS 109 'Financial Instruments.'

Impairment of financial assets

ECL are recognised for financial assets held under amortised cost, debt instruments measured at FVOCI, and certain loan commitments as per the Board approved policy.

Financial assets where no significant increase in credit risk has been observed are considered to be in 'stage 1' for which a 12 months ECL is recognised. Financial assets that are considered to have significant increase in credit risk are considered to be in 'stage 2' and those which are in default or for which there is objective evidence of impairment are considered to be in 'stage 3'. Life time ECL is recognised for stage 2 and stage 3 financial assets.

At initial recognition, allowance (or provision in the case of loan commitments) is required for ECL towards default events that are possible in the next 12 months, or less, where the remaining life is less than 12 months.

In the event of a significant increase in credit risk, allowance (or provision) is required for ECL towards all possible default events over the expected life of the financial instrument ('lifetime ECL').

Financial assets (and the related impairment allowances) are written off in full, when there is no realistic prospect of recovery.

Treatment of the different stages of financial assets and the methodology of determination of ECL

(a) [Credit impaired \(stage 3\)](#)

The Company recognises a financial asset to be credit impaired and in stage 3 by considering relevant objective evidence, primarily whether:

Contractual payments of either principal or interest are past due for more than 90 days;

The loan is otherwise considered to be in default

Restructured loans where repayment terms are renegotiated as compared to the original contracted terms due to significant credit distress of the borrower are classified as credit impaired. Such loans continue to be in stage 3 until they exhibit regular payment of renegotiated principal and interest over a minimum observation of period, typically 12 months-post renegotiation, and there are no other indicators of impairment. Having satisfied the conditions of timely payment over the observation period these loans could be transferred to stage 1 or 2 and a fresh assessment of the risk of default be done for such loans.

Interest income is recognised by applying the effective interest rate to the net amortised cost amount i.e., gross carrying amount less ECL allowance.

(b) [Significant increase in credit risk \(stage 2\)](#)

An assessment of whether credit risk has increased significantly since initial recognition is performed at each reporting period by considering the change in the risk of default of the loan exposure. However, unless identified at an earlier stage, 30 days past due is considered as an indication of financial assets to have suffered a significant increase in credit risk. Based on other indications such as borrower's frequently delaying payments beyond due dates though not 30 days past due are included in stage 2 for mortgage loans.

The measurement of risk of defaults under stage 2 is computed on homogenous portfolios, generally by nature of loans, tenors, underlying collateral, geographies and borrower profiles. The default risk is

assessed using PD (probability of default) derived from past behavioural trends of default across the identified homogenous portfolios. These past trends factor in the past customer behavioural trends, credit transition probabilities and macroeconomic conditions. The assessed PDs are then aligned considering future economic conditions that are determined to have a bearing on ECL.

(c) [Without significant increase in credit risk since initial recognition \(stage 1\)](#)

ECL resulting from default events that are possible in the next 12 months are recognised for financial instruments in stage 1. The Company has ascertained default possibilities on past behavioural trends witnessed for each homogenous portfolio using application/behavioural score cards and other performance indicators, determined statistically.

(d) [Measurement of ECL](#)

The assessment of credit risk and estimation of ECL are unbiased and probability weighted. It incorporates all information that is relevant including information about past events, current conditions and reasonable forecasts of future events and economic conditions at the reporting date. In addition, the estimation of ECL takes into account the time value of money. Forward looking economic scenarios determined with reference to external forecasts of economic parameters that have demonstrated a linkage to the performance of our portfolios over a period of time have been applied to determine impact of macro-economic factors.

The Company has calculated ECL using three main components: a probability of default (PD), a loss given default (LGD) and the exposure at default (EAD). ECL is calculated by multiplying the PD, LGD and EAD and adjusted for time value of money using a rate which is a reasonable approximation of EIR.

Determination of PD is covered above for each stage of ECL.

EAD represents the expected balance at default, taking into account the repayment of principal and interest from the Balance Sheet date to the date of default together with any expected drawdowns of committed facilities.

LGD represents expected losses on the EAD given the event of default, taking into account, among other attributes, the mitigating effect of collateral value at the time it is expected to be realised and the time value of money.

The Company recalibrates above components of its ECL model on a periodical basis by using the available incremental and recent information as well as assessing changes to its statistical techniques for a granular estimation of ECL.

(b) Financial liabilities

Financial liabilities include liabilities that represent a contractual obligation to deliver cash or another financial asset to another entity, or a contract that may or will be settled in the entity's own equity instruments. Few examples of financial liabilities are trade payables, debt securities and other borrowings and subordinated debts.

Initial measurement

All financial liabilities are recognised initially at fair value and, in the case of borrowings and payables, net of directly attributable transaction costs. The Company's financial liabilities include trade payables, other payables, debt securities and other borrowings.

Subsequent measurement

After initial recognition, all financial liabilities are subsequently measured at amortised cost using the EIR method [Refer note no 2.2(I)(a)]. Any gains or losses arising on derecognition of liabilities are recognised in the Statement of Profit and Loss.

Derecognition

The Company derecognises a financial liability when the obligation under the liability is discharged, cancelled or expired.

(c) Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet only if there is an enforceable legal right to offset the recognised amounts with an intention to settle on a net basis or to realise the assets and settle the liabilities simultaneously.

(v) Investment in subsidiaries

Investment in subsidiaries is recognised at cost and are not adjusted to fair value at the end of each reporting period as allowed by Ind AS 27 'Separate financial statement'. Cost of investment represents amount paid for acquisition of the said investment and a proportionate recognition of the fair value of shares granted to employees of subsidiary under a group share based payment arrangement.

The Company assesses at the end of each reporting period, if there are any indications that the said investment may be impaired. If so, the Company estimates the recoverable value/amount of the investment and provides for impairment, if any i.e. the deficit in the recoverable value over cost.

The company has not any subsidiary in the current reporting period.

(VI) Taxes**(i) Current tax**

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, in accordance with the Income Tax Act, 1961 and the Income Computation and Disclosure Standards (ICDS) prescribed therein. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current tax relating to items recognised outside profit or loss is recognised in correlation to the underlying transaction either in OCI or directly in other equity.

Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

(ii) Deferred tax

Deferred tax is recognised using the Balance Sheet approach on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences and deferred tax assets are recognised for deductible temporary differences to the extent that it is probable that taxable profits will be available against which the deductible temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets, if any, are reassessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised either in other comprehensive income or in other equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

(VII) Property, plant and equipment

Property, plant and equipment are carried at historical cost of acquisition less accumulated depreciation and impairment losses, consistent with the criteria specified in Ind AS 16 'Property, plant and equipment'.

Depreciation on property, plant and equipment

1. Depreciation is provided on a pro rata basis for all tangible assets on written-down methods over the useful life of assets.
2. Useful lives of assets are determined by the Management by an internal technical assessment except where such assessment suggests a life significantly different from those prescribed by Schedule II – Part C of the Companies Act, 2013 where the useful life is as assessed and certified by a technical expert.
3. Depreciation on addition to assets and assets sold during the year is being provided for on a pro rata basis with reference to the month in which such asset is added or sold as the case may be.
4. Assets having unit value up to Rs. 5,000 is depreciated fully in the financial year of purchase of asset.
5. An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included under other income in the Statement of Profit and Loss when the asset is derecognised.
6. Currently company have only salvage value of tangible assets and management has decided not to charge depreciation on these assets hence the salvage value of tangible assets shown on the face of the balance sheets.

7. The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

(VIII) Intangible assets and amortisation thereof

Intangible assets, representing software's are initially recognised at cost and subsequently carried at cost less accumulated amortisation and accumulated impairment. The company has computer software and it depreciated as per written down methods. Currently company has salvage value of these assets hence management is decided not to charge depreciation on these assets and salvage value of the assets are shown on the face of the Balance sheet.

(IX) Impairment of non-financial assets

An assessment is done at each Balance Sheet date to ascertain whether there is any indication that an asset may be impaired. If any such indication exists, an estimate of the recoverable amount of asset is determined. If the carrying value of relevant asset is higher than the recoverable amount, the carrying value is written down accordingly.

(X) Provisions and contingent liabilities

The Company creates a provision when there is present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. The Company also discloses present obligations for which a reliable estimate cannot be made. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

(XI) Foreign currency translation Initial recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Conversion

Foreign currency monetary items are re-translated using the exchange rate prevailing at the reporting date. Non- monetary items, which are measured in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction.

Exchange differences

All exchange differences are accounted in the Statement of Profit and Loss.

(XII) Segment Reporting:

The company operates mainly in the business of lending finance, accordingly there are no separate reportable segment as per Ind-AS 108-Operating Segment.

(XIII) Retirement and other employee benefits**(i) Gratuity**

Payment for present liability of future payment of gratuity no provision created due to there is no employee in the company he is completed 5 years.

(ii) Superannuation

The company has not made any defined contribution to superannuation fund.

(iii) Provident fund

The company has not provided provident funds to its employees.

(iv) Compensated absences

At Privilege leave entitlements are recognised as a liability as per the rules of the Company. The liability for accumulated leaves which can be availed and/or encashed at any time during the tenure of employment. The liability for accumulated leaves which is eligible for encashment within the same calendar year is provided for at prevailing salary rate for the entire unavailed leave balance as at the Balance Sheet date. But company not having any employee who is having accumulated leaves.

(XIV) Employee Stock Option Scheme

The Company has not provided employee stock options to its employees.

(XV) Leases

The Company has not any leases hence Ind AS 116 is not applicable to the company.

Measurement of Lease Liability

At the time of initial recognition, the Company measures lease liability as present value of all lease payments discounted using the Company's incremental cost of borrowing and directly attributable costs. Subsequently, the lease liability is –

- i. increased by interest on lease liability;
- ii. reduced by lease payments made; and
- iii. remeasured to reflect any reassessment or lease modifications specified in Ind AS 116 'Leases', or to reflect revised fixed lease payments.

Measurement of Right-of-use assets

At the time of initial recognition, the Company measures 'Right-of-use assets' as present value of all lease payments discounted using the Company's incremental cost of borrowing w.r.t said lease contract. Subsequently, 'Right-of-use assets' is measured using cost model i.e. at cost less any accumulated

depreciation and any accumulated impairment losses adjusted for any remeasurement of the lease liability specified in Ind AS 116 'Leases'.

Depreciation on 'Right-of-use assets' is provided on straight line basis over the lease period.

The exception permitted in Ind AS 116 for low value assets and short-term leases has been adopted by Company.

(XVI) Fair value measurement

The Company measures its qualifying financial instruments at fair value on each Balance Sheet date.

Fair value is the price that would be received against sale of an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place in the accessible principal market or the most advantageous accessible market as applicable.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data is available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy.
