**Kranti Industries Limited announces the appointment of Vinay Pradhan as COO, tapping into his vast experience in leading automotive companies and driving operational transformations to propel the company's success.**

**13<sup>th</sup> February 2025, Pune:** Kranti Industries Limited, a distinguished automotive component manufacturer renowned for its precision-engineered solutions, is proud to announce the induction of Mr. Vinay Pradhan as Chief Operating Officer (COO) of the organization. With his vast proficiency in vehicle production, facility management, and corporate strategic planning, Mr. Pradhan will be instrumental in accelerating the company's progress and broadening its operational horizons.

Mr. Pradhan contributes over thirty years of executive expertise garnered from internationally acclaimed enterprises in the automotive and industrial manufacturing domains. His notable professional journey encompasses senior leadership capacities at esteemed companies such as General Motors India, PSA AVTEC Powertrain, Cummins India, Carraro India, IMECO Machines, and Raychem RPG. He has overseen large-scale production units, spearheaded innovative product introductions, facilitated facility expansions, and orchestrated operational transformations, establishing himself as a seasoned authority in powertrain systems and automotive production processes.

**Brief Overview:**

- **Broad Expertise:** Over 30 years of exemplary stewardship in vehicle manufacturing, plant oversight, and corporate strategy formulation.
- **Leadership Excellence:** Occupied senior executive roles at leading multinational firms, including General Motors India, PSA AVTEC Powertrain, Cummins India, Carraro India, IMECO Machines, and Raychem RPG.
- **Operational Mastery:** Directed expansive production operations, initiated pioneering product rollouts, managed infrastructure growth, and executed performance overhauls.
- **Project Execution & Optimization:** Skilled in orchestrating greenfield and brownfield developments, ensuring efficiency and fiscal prudence. Applied lean production methodologies and advanced quality enhancement practices to boost plant output.
- **Team Development:** Dedicated to fostering dynamic teams through mentorship, coaching, and professional development.
- **Academic Distinction:** Holds a B.E. in Industrial and Production Engineering, M.Tech in Machine Tool Engineering from IIT, and an MFM from JBIMS.

**Mr. Sachin Subhash Vora, Promoter, Chairman & Managing Director of Kranti Industries Limited, expressed his pleasure regarding Mr. Vinay Pradhan's appointment as COO, remarking,** *"We are eager to harness his vast experience to achieve operational distinction, stimulate innovation, and reinforce our market presence. Mr. Pradhan will concentrate on strengthening the company's proficiencies in manufacturing engineering, facility establishment, product innovation, process enhancement, and industrial solutions. His strategic foresight and operational prowess will significantly contribute to delivering bespoke solutions tailored to our partners' evolving needs. His technical expertise, coupled with sound business insight, has consistently propelled performance enhancements and business expansion throughout his distinguished career."*

**About Kranti Industries Limited (BSE: 542459):**

Kranti Industries Limited (KIL), a BSE-listed entity with IATF 16949:2016 and ISO 9001:2015 certifications, established in 1981, boasts over four decades of expertise in the auto ancillary sector. Renowned for its precision component manufacturing, the company holds a global standing for delivering top-notch solutions. Specializing in crafting innovative components for leading OEMs in the Tractor, Construction Equipment, automotive, and Electric Vehicles domains, KIL offers end-to-end services.

With three state-of-the-art units across Pune, KIL operates with 80 production machines and comprehensive inspection setups. Their facilities are equipped with world-class machining centres, including multi-axis machining centres, CNC turning, vertical turret lathes, horizontal machining centres, and vertical machining centres.
