15. The AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 8, 2020 and MCA Circular No. 17/2020 dated April 13, 2020 and MCA Circular No. 20/2020 dated May 05, 2020.
16. **Procedure for Remote-voting**

Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the 63<sup>rd</sup> AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL:

**The instructions for members for voting electronically are as under:-**

**For Members whose e-mail addresses is registered with the Company / Depositories:**

- (i) The voting period begins on 27<sup>th</sup> September 2024, 9.00 a.m. and ends on 29<sup>th</sup> September 2024, 5.00 p.m. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of 23<sup>rd</sup>

September 2024 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.

- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

**INDEPENDENT AUDITOR'S REPORT**

To the Members of  
**LYNX MACHINERY AND COMMERCIALS LIMITED**  
Report on the Audit of the Standalone Financial Statements

**Qualified Opinion**

We have audited the standalone financial statements of **LYNX MACHINERY AND COMMERCIALS LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2024, the Statement of Profit and Loss (Including Other Comprehensive Income), the Statement of Changes in Equity, and the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the Basis for Qualified Opinion section of our report, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act"), in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind-AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, and the loss and total comprehensive loss, changes in equity and its cash flows for the year ended on that date.

**Basis for Qualified Opinion**

The Company's trade receivables aggregating to Rs 2,445,169 are old and under litigation. The said amount includes Rs 2,134,761 receivable from a trade debtor, in respect of which reference is invited to Note No 22. Since the Hon'ble City Civil & Sessions Court, Greater Mumbai, has ordered the company to pay Rs 29,38,735 to the said party (plus interest from date of filing of suit), recovery of the said sum of Rs 2,134,761 from the same party is doubtful in our opinion, more so because the debt is now barred by limitation. Hence, in our opinion, provision for doubtful debts needs to be maintained against the said Trade Receivable of Rs 2,134,761. Thus Trade Receivables and Other Equity are overstated by Rs 2,134,761 and loss and comprehensive loss for the year are understated by the same amount.

We conducted our audit in accordance with Standards on Auditing (SAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

## **Key Audit Matter**

Key Audit Matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matter described below to be the key audit matter to be communicated in our report.

### *KAM – 1 Evaluation of claims against the company*

The company has material uncertain matters under dispute which involved significant judgment to determine the possible outcome of these disputes. Refer Note No 22 and 23.

### *Auditors' Response*

#### Principal Audit Procedures

Obtained details of dispute and litigation for the year ended 31.03.2024 from the management. We involved our internal experts to challenge the management's underlying assumptions in estimating the possible outcome of the disputes.

## **Management's Responsibility for the Standalone Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

## **Auditor's Responsibilities for the Audit of the Standalone Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance

is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of sub-section (11) of Section 143 of the Act, we give in the "Annexure A", a statement on the matters specified in the paragraphs 3 and 4 of the Order, to the extent applicable.

2. A. As required by Section 143 (3) of the Act, and subject to the possible effects of the matters described in the Basis for Qualified Opinion paragraph, we report to the extent applicable that:

(a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;

(b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books, except for the matters stated in the paragraph 2B(VI) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.;

(c) The Balance Sheet, the Statement of Profit and Loss, the Statement of Cash Flows and the Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;

(d) In our opinion, the aforesaid standalone Ind AS financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act read with relevant rules issued there under;

(e) On the basis of the written representations received from the directors as on 31st March, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2024 from being appointed as a director in terms of Section 164 (2) of the Act;

(f) The modifications relating to the maintenance of accounts and other matters connected therewith are as stated in the paragraph 2A(b) above on reporting under Section 143(3)(b) of the Act and paragraph 2B(VI) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.

(g) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B"; and

B. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- I. The Company has disclosed the impact of pending litigations on its financial position in its Ind-AS financial statements – Refer Note No 6, 22 and 23 to the Ind-AS financial statements;
- II. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
- III. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company;

- IV. (a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (b) The management has represented, that, to the best of its knowledge and belief, no funds have been received by the company from any person or entity), including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) as provided under (a) and (b) above, contain any material misstatement.
- V. The company has not declared or paid any dividend, and hence clause (f) of the aforesaid Rule 11 is not applicable.
- VI. The reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 is applicable from 1 April 2023. Based on our examination which included test checks, except for the instances mentioned below, the Company has used accounting softwares for maintaining its books of account, which have a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the respective software:

The feature of recording audit trail (edit log) facility was not enabled at the application layer of the accounting software relating to revenue, trade receivables, general ledger etc for the entire year in respect of the company's Kolkata branch.

Further, for the periods where audit trail (edit log) facility was enabled and operated throughout the year for the accounting software, we did not come across any instance of the audit trail feature being tampered with.

- (iv) The Company has not granted any loans, made investments or provided guarantees during the year, to which provisions of Section 185 and 186 of the Companies Act, 2013 are applicable.
- (v) In accordance with information and explanations given to us, the company has not accepted any deposits during the year and hence directives issued by the Reserve bank of India and provisions of section 73 to 76 and other applicable provisions of the Companies Act 2013, and rules framed there under are not applicable. No order in this regard, in respect of the company, has been passed by the Company Law Board or Reserve Bank of India or National Company Law Tribunal or any other court or any other tribunal. In this regard, we wish to draw your attention to Note No. 24 forming part of the standalone financial statement. The sum of Rs. (in '00) 4,66,100.00 received from another company pursuant to the Term Sheet referred to therein, was assigned during the year to the directors of the said other company (hereinafter referred to as the 'transferees'). The Company has received a legal opinion to the effect that since the funds were originally received by the company from another company and not from the transferees, the transaction contemplated under the Assignment Agreement does not violate the Deposit Rules.

- (vi) As explained to us the Central Government has not prescribed maintenance of cost records for the Company under subsection (1) of section 148 of the Companies Act 2013.
- (vii) (a) The Company is regular in depositing of all undisputed statutory dues including Goods & Service Tax, Provident Fund, Employees' State Insurance, Income-tax, Sales-tax, Wealth tax, service tax, duty of customs, duty of excise, Value added tax, cess and any other statutory dues, so far as applicable to the Company, with the appropriate authorities and the company has no outstanding statutory dues as at the last day of the financial year concerned for a period of more than six months from the date they became payable.
- (b) The Company has no statutory dues of the nature referred to above, which has not been deposited on account of any dispute.
- (viii) There were no such transactions which were not recorded in the books of account of the company that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.
- (ix) (a) The company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.
- (b) The company has not been declared as a wilful defaulter by any bank or financial institution or other lender;
- (c) The company has not obtained any term loan during the year.
- (d) Funds raised on short term basis have not been utilised for long term purposes
- (e) The company does not have any subsidiary, associates or joint ventures, hence sub-clause (e) and (f) are not applicable.
- (x) (a) The company has not raised any moneys by way of initial public offer or further public offer (including debt instruments) during the year.
- (b) The Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year
- (xi) (a) To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- (b) No report under sub-Section (12) of Section 143 of the Companies Act has been filed by the auditors during the year
- (c) There were no whistle-blower complaints, received during the year by the Company, to be considered by the auditors.
- (xii) The Company is not a Nidhi Company and hence reporting under clause (xii) of the CARO 2020 Order is not applicable.
- (xiii) In our opinion and according to the information and explanations given to us the Company is in compliance with Section 177 and 188 of the Companies Act, 2013, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements etc. as required by the applicable accounting standards.
- (xiv) (a) The company has an internal audit system commensurate with the size and nature of its business
- (b) The reports of the Internal Audit for the period under audit have been considered by us in the process of our audit of the financial statements.
- (xv) In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its directors or directors of its holding or persons connected with them and hence provisions of section 192 of the Companies Act, 2013 are not applicable.

- (xvi) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934, and therefore sub clauses (b),(c) & (d) of clause (xvi) of the Order are not applicable.
- (xvii) The Company has incurred cash losses of Rs 47,49,068 in the current Financial Year, and Rs 52,69,040 in the immediately preceding Financial year.
- (xviii) There has been no resignation of the statutory auditors during the year.
- (xix) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) Provisions of section 135 relating to Corporate Social Responsibility are not applicable to the company.
- (xxi) The company is not required to prepare Consolidated Financial Statements and therefore provisions of clause (xxi) of the Order are not applicable.

**Report on the Internal Financial Controls under Clause (i) of**  
**Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**  
**for the year ended 31<sup>st</sup> March 2024**

We have audited the internal financial controls over financial reporting of Lynx Machinery And Commercials Limited (“the Company”) as of March 31, 2024 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

**Management’s Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls considering the essential components of internal financial controls as per section 134(5)(e) of the Act and as stated in the applicable Standards of Auditing issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

**Auditors’ Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance 168 Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India

## **NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2024**

### **1 :Corporate Information**

Lynx Machinery And Commercials Limited is a public limited company domiciled in India. The company is primarily engaged in the business of warehousing. Its shares are listed on Bombay Stock Exchange. The registered office of the company is located at Mumbai.

### **2 :Summary of significant accounting policies**

#### **2.1 Basis of preparation**

##### **2.1.1 Compliance with Indian Accounting Standards (Ind AS)**

The financial statements are prepared on accrual basis of accounting and comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (The Act) [Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016] and other relevant provisions of the Act.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of products / services and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current/non current classification of assets and liabilities.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

##### **2.1.2 Basis of Measurement**

The financial statements have been prepared on accrual basis of accounting under historical cost conventions, except for certain financial assets and financial liabilities which are measured at fair value as explained in the accounting policies below.

The methods used to measure fair values are discussed in Note 2.13

##### **2.1.3 Functional and Presentation Currency**

These financial statements are presented in Indian Rupees (INR), which is the Company's functional currency. All financial information presented in INR has been rounded off to the nearest hundred Rupees for the Company.

##### **2.1.4 Use of estimates and management judgements**

The preparation of financial statements in conformity with Ind AS requires management to make judgements, estimates and assumptions that may impact the application of accounting policies and the reported value of assets, liabilities, income, expenses and related disclosures including contingent assets and liabilities at the Balance Sheet date. The estimates and management's judgements are based on previous experience and other factors considered reasonable and prudent in the circumstances. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised. In order to enhance understanding of the financial statements, information about significant areas of estimation, uncertainty and critical judgements in applying accounting policies that may have the most significant effect on the amount recognised in the financial statements are included in the following notes:

**a) Useful life of Property, Plant and Equipment**

The estimated useful life of property, plant and equipment is based on a number of factors including the effects of obsolescence, demand, completion and other economic factors (such as the stability of the industry and known technological advancement) and the level of maintenance expenditure required to obtain the expected future cash flows from the assets.

**b) Recoverable amount of property, plant and equipment and capital work in progress**

The recoverable amount of property, plant and equipment and capital work in progress is based on estimates and assumptions. Any changes in these assumptions may have a material impact on the measurement of the recoverable amount resulting in impairment.

**c) Provisions and contingencies**

The assessments undertaken in recognising provisions and contingencies have been made in accordance with Ind AS 37, 'Provisions, Contingent Liabilities and Contingent Assets'. The evaluation of the likelihood of the contingent events has been made on the basis of best judgement by management regarding probable outflow of economic resources. Such estimation can change due to unforeseeable developments.

**d) Impairment of the Trade Receivables**

Considering the historical credit loss experience for trade receivables, the Company applies the simplified approach of recognising the expected losses from initial recognition of the receivables on a case to case basis as a provision for impairment.

## **2.2 Segment Reporting**

Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker (CODM). The Board of Directors is collectively the Company's CODM. Based on the synergies, risks and returns associated with business operations and in terms of Ind AS 108, the Board of Directors of the Company has assessed that the Company is predominantly engaged in the business of a single reportable segment of warehousing during the year. Therefore disclosure requirements of Ind AS 108 on Operating Segments are not applicable to the Company.

## **2.3 Revenue Recognition and Other Income**

Revenue is recognised when significant risks and rewards of ownership have been transferred to the buyers and to the extent it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

### **2.3.1 Rental Income**

Rental income arising from operating leases is accounted for on a straight-line basis over the lease terms and is included in revenue in the statement of profit and loss due to its operating nature.

### **2.3.2 Interest**

Interest Income is recognised using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset. When calculating the effective interest rate, the company estimates the expected cash flows by considering all the contractual terms of the financial instrument but does not consider the expected credit losses.

### **2.3.3 Income Taxes**

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities. Additional income taxes that arise from the distribution of dividends are recognised at the same time the liability to pay the related dividend is recognised.

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred income tax is not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit (tax loss). Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses. Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in profit and loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

It may be noted that deferred tax asset arising as a result of this policy has not been recognised as there is no virtual certainty that sufficient future taxable income will be available against which deferred tax assets can be realised.

## **2.4 Impairment of non financial assets other than inventories**

a) The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets of the Company. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to

its recoverable amount. The resulting impairment loss is recognised in the Statement of Profit and Loss.

**b)** In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share prices for publicly traded companies or other available fair value indicators.

## **2.5 Statement of Cash Flows**

### **a) Cash and Cash equivalents**

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash in hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown under borrowings in current liabilities in the Balance Sheet.

**b)** Statement of Cash Flows is prepared in accordance with the indirect method prescribed in Ind AS-7 "Statement of Cash Flow"

## **2.6 Trade receivables**

Trade receivables are recognised initially at transaction price and subsequently measured at amortised cost less provision for impairment.

## **2.7 Financial Assets other than Investments in subsidiaries and joint venture**

### **2.7.1 Classification**

The Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit and loss), and
- those measured at amortised cost

The classification depends on the company's business model for managing the financial assets and the contractual terms of cash flows.

For assets measured at fair value, gains and losses will either be recorded in profit and loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

The Company reclassifies debt instruments when and only when its business model for managing those assets changes.

### **2.7.2 Measurement**

At initial recognition, the Company measures a financial asset at its fair value plus, in the case of financial asset not at fair value through profit and loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit and loss are expensed in profit and loss.

### Debt Instruments

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company classifies its Debt instruments.

- Amortized Cost

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt investment that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in profit and loss when the asset is derecognised or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method.

- Fair Value through Other Comprehensive Income (FVOCI)

Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at FVOCI. Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit and loss and recognised in other gains/(losses). Interest income from these financial assets is included in other income using the effective interest rate method.

- Fair Value through profit and loss

Assets that do not meet the criteria for amortized cost or FVOCI are measured at fair value through profit and loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit and loss and is not part of a hedging relationship is recognised in profit and loss and presented net in the statement of profit and loss within other gains/(losses) in the period in which it arises. Interest income from these financial assets is included in other income.

### Equity instruments

The Company subsequently measures all equity investments at fair value. Where the Company's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit and loss. Dividends from such investments are recognised in profit and loss as other income when the Company's right to receive payments is established.

Changes in the fair value of financial assets at fair value through profit and loss are recognised in other gain/(losses) in the statement of profit and loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.

#### **2.7.3 Impairment of financial assets**

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk. Note 2.26 details how the Company determines whether there has been a significant increase in credit risk.

For trade receivables only, the Company applies the simplified approach of recognising the expected losses from initial recognition of the receivables on a case to case basis as provision for impairment.

#### **2.7.4 Derecognition of financial assets**

A financial asset is derecognised only when

- The Company has transferred the rights to receive cash flows from the financial asset or
- Retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

### **2.7.5 Offsetting financial instruments**

Financial Assets and liabilities are offset and the net amount is reported in the Balance Sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

### **2.8 Property, Plant and Equipment**

Freehold land is carried at historical cost. All other items of property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit and loss during the reporting period in which they are incurred.

#### **Transition to Ind AS**

Property, Plant and Equipment upto 31st March, 2016 were carried in the Balance Sheet in accordance with Indian GAAP. The Company has elected to avail the exemption granted by Ind AS 101 "First Time adoption of Ind AS" to regard those amounts as 'Deemed cost' at the date of transition to Ind AS (i.e. as on 1st April, 2016).

Stand-by equipments and servicing equipments which meet the recognition criteria of property, plant and equipment are capitalised. Spare parts (procured along with Plant & Machinery) or subsequently which meet the recognition criteria are capitalised. Other spare parts are treated as "Stores & Spares" forming part of inventory.

#### **Depreciation methods, estimated useful lives and residual value**

Depreciation is calculated using the straight-line method to allocate their cost, net of their residual values on the basis of useful lives prescribed in Schedule II to the Companies Act, 2013.

Leasehold land is amortised on a straight line basis over the period of lease.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in profit and loss within other gains/ (losses).

## **2.9 Investment Properties**

Property that is held for long-term rental yields or for capital appreciation or both, and that is not occupied by the Company, is classified as investment property. Investment property is measured initially at its cost, including related transaction costs and where applicable, borrowing costs. Subsequent expenditure is capitalised to the asset's carrying amount only when it is probable that the future economic benefits associated with the expenditure will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred. When part of an investment property is replaced, the carrying amount of the replaced part is derecognised.

### **Transition to Ind AS**

Investment property upto 31st March, 2016 were carried in the Balance Sheet in accordance with Indian GAAP. The Company has elected to avail the exemption granted by Ind AS 101 "First time adoption of Ind AS" to regard those amounts as deemed cost at the date of transition to Ind AS.

## **2.10 Trade and other payables**

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid within 30 days of recognition. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value/transaction value and subsequently measured at amortised cost using the effective interest method.

## **2.11 Borrowings Costs**

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale. Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation. Other borrowing costs are expensed in the period in which they are incurred.

## **2.12 Financial liabilities**

Financial liabilities of the Company are contractual obligation to deliver cash or another financial asset to another entity or to exchange financial assets or financial liabilities with another entity under conditions that are potentially unfavorable to the Company.

The Company's financial liabilities include loans & borrowings, trade and other payables.

### **a) Classification, initial recognition and measurement**

Financial liabilities are recognised initially at fair value minus transactions costs that are directly attributable and subsequently measured at amortised cost. Financial liabilities are classified as subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the fair value at initial recognition is recognised in the Statement of Profit and Loss or in the carrying amount of an asset if another standard permits such inclusion, over the period of the borrowings using the effective rate of interest.

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period.

#### **b) Subsequent measurement**

After initial recognition, financial liabilities are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in the Statement of Profit and Loss or in the carrying amount of an asset if another standard permits such inclusion, when the liabilities are derecognised as well through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of Profit and Loss.

#### **c) Derecognition**

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

### **2.13 Fair value measurement**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Normally at initial recognition, the transaction price is the best evidence of fair value.

However, when the Company determines that transaction price does not represent the fair value, it uses inter-alia valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All financial assets and financial liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy. This categorisation is based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For financial assets and financial liabilities that are recognised at fair value on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation at the end of each reporting period.

### **2.14 Provisions, Contingent liabilities and Contingent Assets**

Provisions for legal claims, discounts, and returns are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses. Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognised even if the likelihood of an outflow with respect to any one item included in the same class of obligations may be small.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risk specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

Contingent liabilities are possible obligations that arise from past events and whose existence will be confirmed by the occurrence or non-occurrence of one or more future events not wholly within the control of the Company, such obligation is disclosed as contingent liability.

Contingent Assets are possible assets that arise from past events and whose existence will be confirmed only by occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. Contingent assets are disclosed in financial statements when in flow of economic benefits is probable on the basis of judgement of management.

## **LYNX MACHINERY AND COMMERCIALS LIMITED**

### **22 CONTINGENT LIABILITIES AND COMMITMENTS TO THE EXTENT NOT PROVIDED FOR**

Claims against the Company not acknowledged as debts Rs 66.04 lacs (PY Rs 66.04 lacs) and interest thereon. It includes a sum of Rs 38,19,817 towards amount claimed by a trade debtor. A suit was filed by the said trade debtor in 1996 for recovery of Rs 38,19,817 from the company together with interest. The Hon'ble City Civil & Sessions Court, Greater Mumbai, ordered the company to pay Rs 29,38,735 to the said party plus interest from date of filing of suit, vide their order of 20.10.2018. The Company has filed an appeal against the said order of The Hon'ble City Civil & Sessions Court, Greater Mumbai, before Hon'ble High Court Mumbai. Attention is also drawn to the fact that Trade Receivables (Note No 6) include a sum of Rs 21,34,761 receivable by the company from the said trade debtor. The management is hopeful of recovery of this amount. Effect will be considered in the accounts on final outcome of the issue.

**23** In respect of company's leasehold premises, the company has claimed certain amounts from the sub-lessee towards damages caused by them to the company's property during their occupation, against which the company has withheld the security deposit. Against the same, the sub-lessee has filed a suit against the company which according to the management is not maintainable. The matter is sub-judice, and final effect will be considered in the accounts when the issue is finally settled.

**24** Pursuant to Term Sheet entered by and between the Company & Warden Farms Private Limited, the Company has received an advance of Rs (in '00) 4,66,100.00 from Warden Farms Private Limited, for a Business Transaction contemplated under a Term Sheet to be completed on or before September 30, 2023.

However, since the Company could not meet its obligations under the Term Sheet, the advance received from Warden Farms was converted into ICD w.e.f. 01.10.2023 bearing Interest @ 12% p.a. Warden Farms has assigned the ICD to its Directors on the same terms and conditions.

The Company needed further funds urgently for its operations, and the Company requested its Directors to fund the further requirements of the Company. The Directors agreed to fund the further requirements of the Company by contributing an amount of Rs (in '00) 3,26,000.00 as loan.

**25** As reported in Note No. 25 of the Financial Statements of the Company for the Financial Year 2022-23, the Lease Deed with Syama Prasad Mookerjee Port (SMP), Kolkata was executed during the current Financial Year 2023-24. The Company has paid an amount of Rs (in '00) 6,84,161.60 to various parties under different heads which has been capitalised including Lease Rent paid to SMP for the period October 17, 2022 to October 16, 2024.

**26 Material events occurring after the date of the Balance Sheet but before signing of the Balance Sheet**

To reduce the interest and the financial burden of the Company it was decided by the Company to partly offset the above loan to the tune of Rs (in '00) 200,000.04 by issuing Equity to the Directors by way of preferential allotment.

The Board of Directors vide their Meeting held on 25th April 2024, have passed a Resolution for Conversion of Part of the ICD's into Equity Shares of the Company on Preferential Allotment basis. The necessary actions required as per the provisions of the Companies Act, have been complied with and the Company is awaiting In Principal Approval from Bombay Stock Exchange for allotment and subsequent Listing of the above Shares.

The issue of Shares on Preferential basis has triggered the Open Offer under Regulation 3 of SEBI, Substantial Acquisition of Shares and Takeovers (SAST) Regulations 2011 and the Proposed Acquirers will comply with the applicable provisions of the Law.

- 27** Based on the synergies, risks and returns associated with business operations and in terms of Ind AS – 108, the company is predominantly engaged in the business of a single reportable segment of warehousing during the year. Therefore disclosure requirements of Ind AS - 108 on Segment Reporting are not applicable.
- 28** In the opinion of the Board, any of the assests other than Fixed Assets have a value on realization, in the ordinary course of business, at least equal to the amount at which they are stated.
- 29** The management is of the opinion that no case of impairment of asset exist under the provision of Ind AS - 36 on Impairment of Assets as at 31.03.2024
