**Company Update: Relicab Cable Manufacturing Limited gets Manufacturer Approval.**

Dear Sir/Madam,

We are pleased to inform you that Relicab Cable Manufacturing Ltd has received **Manufacturer Approval** from **CG Power and Industrial Solutions Limited, Nashik** for the supply of **Interconnecting Control Cables** (FRLS Armored/Unarmored/Screened Copper Control Cable of 1.5/2.5 sq.mm) for POWERGRID projects up to 765kV.

The approval is valid until **November 13, 2025**, based on compliance with POWERGRID specifications and project requirements, as assessed by CG Power and Industrial Solutions Limited. As per the approval letter, Relicab Cable Manufacturing Ltd will adhere to all requirements, including the following:

1. Compliance with POWERGRID Specifications/Approved Drawings/Standards and Type Tests.
2. Implementation of quality improvements such as Six Sigma, Kaizen, and 5S.
3. Enhanced IT-enabled systems for inventory management, billing, and traceability.

This recognition is a testament to the quality and reliability of our products and strengthens our position as a trusted supplier in the industry.

**About Relicab Cable Manufacturing Limited:**
