Prez Rule in Manipur days after Biren's resignation

Assembly under suspended animation; caretaker CM flags illegal immigration

PREST TRUST OF INDIA
New Delhi, 13 February

The Centre on Thursday announced the imposition of President's rule in Manipur, four days after Chief Minister N Biren Singh's resignation on Sunday. A Union Home Ministry notification stated that the Manipur Assembly, which has a tenure until 2027, has been placed under suspended animation.

Announcing the proclamation of central rule, a notification issued by the Ministry of Home Affairs stated that President Droupadi Murmu is of the opinion that "a situation has arisen in which the government of that state cannot be carried on in accordance with the provisions of the Constitution."

"Now, therefore, in the exercise of the powers conferred by Article 356 of the Constitution, and of all other powers enabling me in that behalf, I hereby proclaim that I assume myself as President of India all functions of the Government of the State of Manipur and all powers vested in or exercisable by the Governor of that State, the notification read."

Manipur's caretaker Chief Minister N Biren Singh stated that the state machinery

“ WITH A SMALL POPULATION AND LIMITED RESOURCES, WE STAND VULNERABLE. I MONITORED AND DETECTED ILLEGAL IMMIGRATION TRELESSELY UNTIL MAY 2, 2023, BUT AFTER THE TRAGIC EVENTS OF MAY 3, 2023, OUR STATE MACHINERY HAS STRUGGLED TO RESPOND EFFECTIVELY.”

Former Manipur CM

has struggled to respond effectively to illegal immigration since May 1, 2023, when ethnic violence began, leaving over 250 people dead and thousands homeless. Illegal immigration continues to rise in the border area, threatening the very fabric of society, Singh wrote in a post on X on Thursday evening.

Singh resigned on February 9 and was asked by the Governor to continue in office until alternative arrangements were made. Addressing "indigenous friends" in a

post on X, Singh wrote: "Our land and identity are under threat. With a small population and limited resources, we stand vulnerable. I monitored and detected illegal immigration tirelessly until May 2, 2023. But after the tragic events of May 3, 2023, our state machinery has struggled to respond effectively." Singh claimed that an unguarded 398 km border with Myanmar and the Free Movement Regime with that country were altering Manipur's demographic balance.

Bond mkt expects more OMO buys to aid liquidity

ANJALI KUMARI
Mumbai, 13 February

Bond market participants expect that the Reserve Bank of India (RBI) will significantly scale up its Open Market Operation (OMO) purchases in the coming weeks as liquidity in the system stayed around ₹2 trillion. They said that the RBI could double the scheduled OMO purchase amount for the next auction as well, increasing it from the current ₹20,000 crore to ₹40,000 crore. This is expected to provide additional liquidity to the financial system, which has remained in the deficit mode for the past eight consecutive weeks since December 16, 2024.

The bond market expects that the RBI might announce additional OMO auctions. So far, the central bank has announced three OMO auctions on Wednesday, the net liquidity in the banking system was in deficit of ₹2.07 trillion, latest RBI data showed. The core liquidity was in a deficit of ₹40,000 crore as of February 7.

*Next week's OMO amount might be increased from ₹20,000 crore to ₹40,000 crore. After that they might announce more. Because the amount which was infused through OMOs has been used in foreign exchange market intervention. We are still in a deficit of around ₹2 trillion. The treasury head at a private bank, RBI's active intervention in the forex market to avoid sharp decline in rupee against the dollar has weighed on the banking system liquidity. Foreign exchange market dealers said that the central bank could have sold around \$12 billion-\$14 billion in the current week.

The rupee, however, remained steady on Thursday to settle at 86.92 per dollar, against 86.89 per dollar on Wednesday. The RBI purchased ₹40,000 crore worth of securities in the OMO auction on Thursday. RBI received bids worth ₹1.8 trillion, or 4.5 times, against the notified amount of ₹40,000 crore. Market participants said that state-owned banks were the largest participants at the auction.

No extension of duty-free import of yellow peas

SANJEEB KUMAR SINGH & AGENTS
New Delhi, 13 February

Food Minister Prabhat Joshi on Thursday said the government will not extend duty-free import of yellow peas beyond February this year to protect the interests of farmers. The government allowed the duty-free import of yellow peas in December 2024 and extended it three times till February 28 to boost domestic supplies after the local crop failed. Before that, it imposed a hefty duty on yellow peas imports.

According to industry sources, India imported a record almost 6.7 million tonnes of pulses in 2024, of which yellow peas alone comprised around 2.9 million tonnes. Most of the imports have been below MSP rates, around ₹56-85 per kilogramme, which could impact farmers' earnings. A final decision on imposing Customs duty on yellow peas would be taken by a GoM. Joshi told reporters on the sidelines of the Pulses Conclave 2025. The minister

Tanzania offers land to Indian growers, seeks trade extension

Tanzania has offered Indian growers around 100,000 hectares of land on lease to grow pulses, amid a growing challenge from China which is also looking at similar deals. Tanzania seeks an extension of the trade agreement with India beyond March 2025.

also said that the government will review the free import policy for tur, urad, and mung after assessing the domestic pulses production. Meanwhile, India Pulses and Grain Association Chairman Bilal Kohat said that if the landed price of imported pulses was below the MSP, it might disincentivise the growers. The industry expects the government to impose a 15-20 per cent import duty on yellow peas, he said.
