Dear Sir/Madam,

Sub: Intimation pursuant to Regulation 30 of SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015

In continuation of our prior intimation dated 28th May 2024 regarding the construction of Unit III in Odisha located at Village Podbahal, under Sardar Sundargarh Tahsil in the district of Sundargarh, we wish to provide the following updates on the said facility's progress:

1. GI Plant construction is 75% completed.
2. Tube Lines and Fitting Lines have been successfully completed.
3. 90% of the machinery has arrived at the plant, with 70% of it already installed.

Furthermore, due to a delay in securing the electricity connection from the contractor/IDCO, we anticipate that the facility will become operational by the end of **November 2024**.

Please take note of the same.

Thanking you,

Yours faithfully,

FOR VIBHOR STEEL TUBES LIMITED
