SUB.: Intimation under Regulation 30 of SEBI (LODR) Regulations, 2015 -Installation of a 128 KW Solar Power Plant at Hyderabad Factory

Dear Sir/Madam

In reference to the captioned subject, we are pleased to announce that Wonder Electricals Limited has taken a significant step towards sustainable and green energy by investing in a 128 kilowatt solar power plant. This initiative marks a milestone in our dedication to clean energy practices.

The solar power plant is situated at Hyderabad Factory located at Plot No. 4, Industrial Park Kucharam Village, Manoharabad Mandal, Medak, Hyderabad, Telangana- 502336 and has become operational now. In a strategic move to harness sustainable energy sources and mitigate electricity costs incurred during the production process.

In addition to the immediate benefits of operational cost-savings, the solar power installation underscores Company's commitment to building a sustainable and eco-friendly manufacturing plant.

We are also proposing to install solar plants with higher power generating capacities at our other factories.

You are requested to kindly take the same in your records.

Thanking You,

For Wonder Electricals Limited

Dhruv Kumar Jha
