Starliner returns to earth, will not get crew

Boeing's first astronaut mission ended Friday night with an empty capsule landing and two pilot seats left in space, left behind until next year because NASA judged their return too risky...

Starliner returned to Earth on Saturday, but it will not get a crew because of thruster problems.

Colbert and Kay Sears, told employees in a note that they backed NASA's ruling. "While this may not have been how we originally envisioned the test flight concluding, we support NASA's decision for Starliner and are proud of how our team and spacecraft performed..."
