Vantage Knowledge Academy Ltd Unveils New Edutech Venture - VANTAGE PRO

Sunday, July 21st, 2024, Mumbai –

Vantage Knowledge Academy Ltd (BSE: 539761, VKAL), a respected education provider proudly announces its latest venture, **VANTAGE PRO**, an EdTech initiative aimed at contributing to the evolving education landscape. **On this auspicious occasion of Guru Purnima, we proudly unveil VANTAGE PRO with an exclusive preview of our new logo:**

About VANTAGE PRO

VANTAGE PRO is set to redefine the educational experience for college and university students by offering a comprehensive range of online courses – short term, degree & certificate programs - aimed at equipping learners with indispensable knowledge, skills, and certifications. These courses are meticulously curated to enhance students' CVs, improve employability & entrepreneurial skills, and boost performance in their post-university careers.

With a mission to bridge the gap between academic learning and industry demands, VANTAGE PRO will provide flexible, high-quality education that can be accessed anytime, anywhere. The platform will offer a seamless and immersive learning experience, leveraging the latest in educational technology to deliver professional, knowledge, and skill-based certificate, diploma, and degree programs.

Objectives and Vision

The objective of VANTAGE PRO is to empower students by providing access to a diverse array of courses, from traditional degree courses, certificate and short term programs to new-age courses covering various fields of applied knowledge across educational streams and thereby blurring the boundaries between knowledge and real world application. By targeting college students, VANTAGE PRO aims to create a dynamic learning environment that fosters critical thinking, creativity, and personal growth. The Company will leverage its existing and prospective associations with reputed Domestic and International Education Bodies, Universities and Colleges to achieve this.

Launch and Availability

The platform will soon be available on various user platforms, ensuring broad accessibility for students across India and globally.
