Dear Sir/Madam,

**Sub: Intimation of change in logo of the Company**  
**Scrip code: 530951 | Stock Symbol: RAMINFO**

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015, this is to inform you that the Company has relaunched its Brand with the new logo of the Company on June 19, 2023.

The new brand logo of Raminfo embodies the organization's core ethos: addressing challenges with an unbiased array of ideas, engaging multi-disciplinary experts through sincere collaboration, and delivering excellence through deep focus. The revised arrow of success in the mnemonic identity stems from the principles of Ideate, Collaborate, Deliver, emphasizing forward-thinking, dynamism, precision, and a global outlook.

The updated typography reflects the firm's simplicity, humility, and grounded nature. The choice of blue signifies trust and reliability, achieved by 30 years of active market presence, while the introduction of a gradient symbolizes the company's evolution and embrace of new technologies.

This new identity marks Raminfo's positive transformation, showcasing its determination to drive economic value for all stakeholders.

## **Raminfo Limited Unveils New Logo, Embarks on a Journey of Technological Transformation and Expansion**

**Hyderabad, India – June 19, 2024** – Raminfo Limited, a leading technology provider listed on the BSE Limited, announced the launch of its new logo, marking a significant milestone in the company's evolution. This rebranding reflects the Hyderabad-based company's commitment to innovation, diversification into cutting-edge technologies, and ambitious expansion plans.

*"As part of the Raminfo 2.0 re-invention, we are excited to diversify into Artificial Intelligence (AI), Machine Learning (ML), Cyber Security, and Cloud Services. These initiatives will enhance our technological capabilities and allow us to offer customer-centric solutions that meet the demands of the modern market,"* said L Srinath Reddy, Managing Director of Raminfo Limited.

To foster a performance-driven culture and support a lean team structure, Raminfo is introducing comprehensive upskilling and reskilling programs designed to equip employees with the latest skills in emerging technologies, ensuring they remain at the forefront of innovation.

Over the next two years, Raminfo plans to expand its operations from the current 9 states to 15 states across India and establish a presence in 5 international destinations. This expansion is part of the company's strategy to increase its market reach and deliver value to a broader customer base. Raminfo is on the cusp of launching two innovation hubs, one in India and another in the US. These hubs will nurture startups and grow a database of experienced executives and promising new graduates. The US innovation centre will also function as an incubator with a unique model to support entrepreneurial ventures.

*"Our internal AI platform, an entire neural network unto itself, will be a crucial vehicle for creating a new ecosystem, enabling us to provide solutions across various verticals by leveraging our extensive database of startups, senior executives, and vendors, particularly in remote regions of India,"* added L. Srinath Reddy, Managing Director of Raminfo Limited.

The company continues to be a leading technology provider for premier organizations in government, fintech, healthcare, smart energy, IoT, analytics, and engineering services.
