Dear Sir/Madam,

Sub: Regulation 34(1) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 - submission of Annual Report

This is to inform you that 40th Annual General Meeting (AGM) of the Shareholders of Anjani Foods Limited will be held on Friday, 27th September, 2024 at 3:00 p.m. IST through Video Conferencing ("VC") / Other Audio-Visual Means ("OAVM") in compliance with the provisions of the Companies Act, 2013 ('the Act') and in compliance with the MCA General Circular No. 14/2020 dated 08.04.2020, General Circular No. 17/2020 dated 13.04.2020, General Circular No. 22/2020 dated 15.06.2020, General Circular No. 33/2020 dated 28.09.2020, General Circular No. 39/2020 dated 31.12.2020, General Circular No. 10/2021 dated 23.06.2021, General Circular No. 20/2021 dated 08.12.2021, General Circular No. 02/2022 dated 05.05.2022 General Circular No. 10/2022 dated 28.12.2022, General Circular No. 09/2023 dated 25.09.2023 read with Circular nos. SEBI/HO/CFD/CMD1/CIR/P/2020/79, SEBI/HO/CFD/CMD2/CIR/P/2021/11, SEBI/HO/CFD/CMD2/CIR/P/2022/62, SEBI/HO/CFD/PoD-2/P/CIR/2023/4 and SEBI/HO/CFD/CFD-PoD-2/P/CIR/2023/167 dated May 12, 2020, January 15, 2021, May 13, 2022, January 5, 2023 and October 7, 2023 issued by Securities and Exchange Board of India (herein after collectively referred to as circulars), Companies are allowed to hold AGM through Video Conferencing without the physical presence of the Members at a common venue. Hence AGM of the Company is being held through Video Conferencing Mode.

In this regard, we enclose a copy of the Notice of the 40th AGM along with the Annual Report for the financial year 2023-24, being dispatched to the members of the Company.

In terms of Regulation 42 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with Section 91 of the Companies Act, 2013 including rules made thereunder, the Register of Members / Share Transfer Books of the Company will remain closed from September 21, 2024 to September 27, 2024 (both days inclusive), for the purpose of AGM.

Kindly take the same on record.

Thanking you,

Yours faithfully, For ANJANI FOODS LIMITED

Mohammed Ibrahim Pasha Company Secretary and Compliance Officer

Mission

The company has been founded with an objective of serving its customers with quality food products produced hygienically, while maintaining the best process and service standards. The employees are at the core of building the culture of teamwork, ethics and safety for themselves and the customers. We continue to invest in the growth, of the company balancing sustainability and profitability, and create long-term value for its shareholders To be the best baker, makingquality baked goods, freshly baked every day! Create an atmosphere where employees can learn, grow, and innovate while holding true to the roots of traditional baking.

Expanding markets to serve different market segments in the most efficient way.

A flexible and innovative approach towards creating customer delight, with deep knowledge in food trends for safe and healthy consumption.

> Safety as a mantra for both employees and our customers

TEAMWORK INNOVATION SAFETY

QUALITY IS NEVER AN ACCIDENT, IT IS ALWAYS THE RESULT OF HIGH INTENTION, SINCERE EFFORTS, INTELLIGENT DIRECTION AND SKILFUL EXECUTION, IT REPRESENTS THE WISE CHOICE OF MANY ALTERNATIVES

by William A. Foster

Dear Shareholders,

The brand Fresh Choice has and will continue to have a very unique model which is to operate company owned retail stores in different formats that cater to a diverse demographic offering a wide range of product categories such as bakery products, savouries, desserts, cakes and beverages. Fresh Choice is also a market leader in the breads, buns and rusk categories in the state of Andhra Pradesh. Having established a robust distribution channel, Fresh Choice products are available in over 10000 outlets (modern trade and general trade included) across 10 districts of Northern and Coastal Andhra.

Currently, under the Fresh Choice brand, there are 18 company owned and company operated stores. These outlets are mostly located in major Tier-II and Tier-III towns across 10 districts of AP and a few stores are located in Hyderabad, TG. The plan for FY24-25 is to open 7 new outlets and renovate 3 existing outlets. The outlets have been classified into 3 formats based on the product type, customer base and size of the outlet. We believe this step will help us in connecting to our customers better and serve to their needs. Also, this financial year we were able to successfully commission our third manufacturing unit in Peddapuram, AP. This state- of-the-art unit will help widen our distribution network in the product categories of bread, buns, rusk, cookies and cakes. The annual capacity of the semi-automated plant will be around 1100 metric tonnes which would translate to around 25cr net sales annually.

The aim is to increase our topline by a significant 25% in FY24-25 Y-o-Y and the investments gone into commissioning the Peddapuram unit and opening of new outlets will help in achieving that growth target.

Kalidindi Aditya Vissam Managing Director

NOTICE """

- The Ministry of Corporate Affairs (MCA) vide General Circular No. 14/2020 dated 1. 08.04.2020, General Circular No. 17/2020 dated 13.04.2020, General Circular No. 22/2020 dated 15.06.2020, General Circular No. 33/2020 dated 28.09.2020, General Circular No. 39/2020 dated 31.12.2020, General Circular No. 10/2021 dated 23.06.2021, General Circular No. 20/2021 dated 08.12.2021, General Circular No. 02/2022 dated 05.05.2022, General Circular No. 10/2022 dated 28.12.2022, General Circular No. 09/2023 dated read with Circular nos. SEBI/HO/CFD/CMD1/CIR/P/2020/79, 25.09.2023 SEBI/HO/CFD/CMD2/CIR/P/2021/11 and SEBI/HO/CFD/CMD2/CIR/P/2022/62, SEBI/HO/CFD/PoD-2/P/CIR/2023/4 and SEBI/HO/CFD/CFD-PoD-2/P/CIR/2023/167 dated May 12, 2020, January 15, 2021, May 13, 2022, January 5, 2023 and October 7, 2023, issued by the Securities and Exchange Board of India (hereinafter collectively referred to as "the Circulars") company is permitted to hold Annual General Meeting ("AGM") through Video Conferencing (VC) or Other Audio Visual Means (OAVM). As such, it is in compliance with the provisions of the Companies Act, 2013 ("Act"), SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations") and MCA Circulars, the AGM of the Company is being held through VC / OAVM.
- 2. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and the MCA Circulars, the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with KFIN TECHNOLOGIES LIMITED (Formerly known as KFIN TECHNOLOGIES PRIVATE LIMITED) for facilitating voting through electronic means, as the authorized agency. The facility of casting votes by a member using remote e-voting system as well as voting during the AGM will be provided by KFIN TECHNOLOGIES LIMITED.
- 3. The VC/OAVM facility for members to join the meeting, shall be kept open 30 minutes before the start of the AGM and shall be closed on expiry of 30 minutes after start of the AGM. Members can attend the AGM through VC/OAVM by following the instructions mentioned in this notice.
- 4. The relevant details, pursuant to Regulations 26(4) and 36(3) of the SEBI Listing Regulations and Secretarial Standard on General Meetings issued by the Institute of Company Secretaries of India, in respect of Director seeking reappointment at this AGM is annexed hereto.
- 5. The Company has appointed M/s D. Hanumanta Raju & Co, Practicing Company Secretaries, Hyderabad, as the Scrutinizers to the e-voting process and e-voting at the AGM in a fair and transparent manner and they have communicated their willingness to be appointed and will be available for the same purpose.

- 6. The Company has notified that the Register of Members and Share Transfer Books of the Company will remain closed from September 21, 2024 to September 27, 2024 (both days inclusive) for the Annual General Meeting.
- 7. Members are requested to note that, dividends if not encashed for a consecutive period of 7 years from the date of transfer to Unpaid Dividend Account of the Company, are liable to be transferred to the Investor Education and Protection Fund ("IEPF"). The shares in respect of such unclaimed dividends are also liable to be transferred to the demat account of the IEPF Authority. In view of this, Members are requested to claim their dividends from the Company, within the stipulated timeline. The Members, whose unclaimed dividends/ shares have been transferred to IEPF, may claim the same by making an online application to the IEPF Authority in web Form No. IEPF-5 available on www.iepf.gov.in and sending a physical copy of the same duly signed to the Company along with the requisite documents enumerated in Form IEPF-5. Members can file only one consolidated claim in a financial year as per the IEPF rules.
- 8. Pursuant to the provisions of the Companies Act 2013, a Member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a member of the company. Since this AGM is being held pursuant to the MCA circulars through VC/OAVM, the requirement of physical Attendance of members has been dispensed with. Accordingly, in terms of the MCA circulars and the Stock Exchange Board of India (SEBI) circular, the facility for appointment of Proxies by the members will not be available for this AGM and hence the proxy form, attendance Slip and route map of the AGM venue are not annexed to this notice.
- 9. As per Regulation 40 of SEBI Listing Regulations, as amended, securities of listed companies can be transferred only in dematerialized form with effect from, April 1, 2019, except in case of request received for transmission or transposition of securities. In view of this and to eliminate all risks associated with physical shares and for ease of portfolio management, members holding shares in physical form are requested to consider converting their holdings to dematerialized form. Members can contact the Company or Company's Registrars and Transfer Agents, KFin Technologies Limited ("KFin") for assistance in this regard.
- 10. To promote green initiative, members who have not registered their email addresses are requested to register the same with their Depository Participants in case the shares are held by them in electronic form and with KFin, in case the shares are held in physical form.
- 11. Securities and Exchange Board of India (SEBI) vide its Circular dated November 3, 2021 and December 15, 2021, has mandated the submission of PAN, KYC details and nomination by holders of physical securities by March 31, 2023, and linking PAN with Aadhar. Members are requested to submit their PAN, KYC and nomination details to the Company's registrars KFin Technologies Limited. The format of mandatory KYC documents is available on the Company's Website www.anjanifoods.in and our RTA's website www.kfintech.com.

Members holding shares in electronic form are, requested to submit their PAN to their depository participant(s). In case a holder of physical securities fails to furnish these details or link their PAN with Aadhar before the due date, out registrars are obligated to freeze such folios. The securities in the frozen folios shall be eligible to receive payments (including dividend) and lodge grievances only after furnishing the complete documents. If the securities continue to remain frozen as on December 31, 2025, the registrar/the Company shall refer such securities to the administering authority under the Benami Transactions (Prohibitions) Act, 1988, and/or the Prevention of Money Laundering Act, 2002.

- 12. In compliance with the aforesaid MCA Circulars and SEBI Circular No. SEBI/HO/CFD/CMD2/CIR/P/2022/62 dated 13th May 2022. Notice of the AGM along with the Annual Report 2023-24 is being sent only through electronic mode to those Members whose email Addresses are registered with the Company / Depositories. Members may note that the Notice and Annual Report 2023-24 will also be available on the Company's website www.anjanifoods.in and on the website of the Stock Exchange i.e. BSE Limited at www.bseindia.com.
- 13. Members are requested to intimate changes, if any, pertaining to their name, postal address, email address, telephone / mobile numbers, Permanent Account Number (PAN), mandates, nominations, power of attorney, bank details such as, name of the bank and branch details, bank account number, MICR code, IFSC code, etc., the their DP's in case the shares are held by them in electronic form and to KFin Technologies Limited in case the shares are held by them in physical form.
- 14. In case of joint holders, the Member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote at the AGM.
- 15. Members seeking any information with regard to the accounts or any matter to be placed at the AGM, are requested to write to the Company on or before 26th September, 2024 through email on cs@freshchoice.in
- 16. The Statutory Registers and the documents pertaining to the items of business to be transacted at the AGM are available for inspection in electronic mode. The shareholders may write an e-mail to evoting@kfintech.com / cs@freshchoice.in and the Company shall respond suitably.
- 17. The Meeting shall be deemed to be held at the registered office of the Company Vishnupur, Durgapur, Garagaparru Road, Bhimavaram, Andhra Pradesh - 534 202.
- 18. Instructions for e-voting and joining the AGM are as follows

- i. In compliance with the provisions of Section 108 of the Act read with Rules made thereunder and Regulation 44 of the SEBI LODR Regulations, the Company is offering evoting facility to all Members of the Company. The voting rights of the Members shall be in proportion to the number of shares held by them in the equity share capital of the Company as on the cut-off date i.e. Friday, 20th September, 2024.
- ii. A person, whose name is recorded in the Register of Members or in the Register of Beneficial Owners (in case of electronic shareholding) maintained by the Depositories as on the cut-off date i.e. Friday, 20th September, 2024 shall only be entitled to avail the facility of remote e-voting/e-voting at the AGM. KFin tech will be facilitating e-voting to enable the Members to cast their votes electronically.

A person who is not a Member as on the cut-off date should treat this Notice for information purposes only.

iii. The remote e-voting facility will be available during the following period:

Commencement of remote e-voting: From 9.00 A.M. (IST) on Tuesday, September 24, 2024 End of remote e-voting: At 5.00 P.M. (IST) on Thursday, September 26,2024

The remote e-voting will not be allowed/available beyond the aforesaid date and time and the remote e-voting module shall be disabled/blocked by KFintech upon expiry of aforesaid period. Once the vote on a Resolution is cast by the Member(s), they shall not be allowed to change it subsequently or cast the vote again.

- iv. In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update/register their mobile number and email Id in their demat accounts in order to access e-Voting facility.
- v. The details of the process and manner for remote e-Voting are explained herein below:
 - Step 1: Access to Depositories e-Voting system in case of individual shareholders holding shares in demat mode.
 - Step 2: Access to KFintech e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

Step 1: Login method for remote e-Voting for Individual shareholders holding securities in demat mode

Step 2: Login method for e-Voting for shareholders, other than Individual shareholders, holding securities in demat mode and shareholders holding securities in physical mode.

(A) Members whose email IDs are registered with the Company/ Depository Participant(s), will receive an email from KFintech which will include details of E-Voting Event Number (EVEN), USER ID and password. They will have to follow the following process:

- i. Launch internet browser by typing the URL: https://eMeetings.kfintech.com/.
- ii. Enter the login credentials (i.e. User ID and password). In case of physical folio, User ID will be EVEN (E-Voting Event Number) xxxx, followed by folio number. In case of Demat account, User ID will be your DP ID and Client ID. However, if you are already registered with KFintech for e-voting, you can use your existing User ID and password for casting the vote.
- iii. After entering these details appropriately, click on "LOGIN".
- iv. You will now reach password change Menu wherein you are required to mandatorily change your password. The new password shall comprise of minimum 8 characters with at least one upper case (A- Z), one lower case (a-z), one numeric value (0-9) and a special character (@,#,\$, etc.). The system will prompt you to change your password and update your contact details like mobile number, email ID etc. on first login. You may also enter a secret question and answer of your choice to retrieve your password in case you forget it. It is strongly recommended that you do not share your password with any other person and that you take utmost care to keep your password confidential.

- v. You need to login again with the new credentials.
- vi. On successful login, the system will prompt you to select the "EVEN" i.e., 'xxxx AGM" and click on "Submit".
- vii. On the voting page, enter the number of shares (which represents the number of votes) as on the Cut-off Date under "FOR/AGAINST" or alternatively, you may partially enter any number in "FOR" and partially "AGAINST" but the total number in "FOR/AGAINST" taken together shall not exceed your total shareholding as displayed/disclosed on the screen. You may also choose the option ABSTAIN. If the Member does not indicate either "FOR" or "AGAINST" it will be treated as "ABSTAIN" and the shares held will not be counted under either head.
- viii. Shareholders holding multiple folios/demat accounts shall choose the voting process separately for each folio/ demat account.
- ix. Voting has to be done for each item of the notice separately. In case you do not desire to cast your vote on any specific item, it will be treated as abstained.
- x. You may then cast your vote by selecting an appropriate option and click on "Submit".
- xi. A confirmation box will be displayed. Click "OK" to confirm else "CANCEL" to modify. Once you have voted on the Resolution (s), you will not be allowed to modify your vote. During the voting period, Members can login any number of times till they have voted on the Resolution(s).
- (B) Members whose email IDs are not registered with the Company/Depository Participant(s), and consequently on whom, the Annual Report, Notice of AGM and e-voting instructions cannot be served, will have to follow the following process:
 - I. Member may send an e-mail request at the email id einward.ris@kfintech.com along with scanned copy of the signed request letter providing the email address, mobile number, self-attested PAN copy and Client Master copy in case of electronic folio and copy of share certificate in case of physical folio for sending the Annual Report, Notice of AGM and the e-voting instructions.
 - II. After receiving the e-voting instructions, please follow all steps narrated/mentioned above to cast your vote by electronic means.

In case a person has become a Member of the Company after dispatch of AGM Notice but on or before the cut-off date for E-voting, he/she may obtain the User ID and Password in the manner as mentioned below: If the mobile number of the member is registered against Folio No./ DP ID Client ID, the member may send SMS: MYEPWD <space> E-Voting Event Number+Folio No. or DP ID Client ID to 9212993399.

1. Example for NSDL : MYEPWD < SPACE > In12345612345678

2. Example for CDSL : MYEPWD < SPACE > 1402345612345678

3. Example for Physical : MYEPWD <SPACE> 1234567890

If e-mail address or mobile number of the member is registered against Folio No. / DP ID Client ID, then on the home page of https://evoting.kfintech.com/, the member may click "Forgot Password" and enter Folio No. or DP ID Client ID and PAN to generate a password.

Members may call KFintech toll free number 1-800-309-4001 for all e-voting related matters. Member may send an e-mail request to einward.ris@kfintech.com for all e-voting related matters.

Other Instructions:

Speaker Registration: The members who wish to speak during the meeting may register themselves as speakers for the AGM to express their views. They can visit: https://emeetings.kfintech.com and login through user id and password provided in the mail received from Kfintech. On successful login select "Speaker Registration" which will open from 24th September 2024 at 9 AM to 26th September 2024 at 3 PM. Members shall be provided a 'queue number before the meeting. The Company reserves the right to restrict the speakers at the AGM to only those Members who have registered themselves, depending on the availability of time for the AGM.

ITEM NO.6

The Nomination and Remuneration Committee recommended the re-appointment of Mr. Srinivasa Raju Penmetsa, Independent Director of the Company. Considering his experience and contribution during the first term of appointment, based on the report on performance evaluation of Independent Directors, the Board is of the opinion that his continued association will add value and it will be in the best interest of the Company to re-appoint him as an Independent Director for a second term of Five consecutive years and as such the Board has proposed him as an Independent Director for the second term of Five consecutive years with effect from August 29, 2024 for approval of the members by way of a Special Resolution.

Mr. Srinivasa Raju Penmetsa is a Commerce graduate with over 30 years of extensive experience in the industrial sector. His expertise spans setting up new plants, managing finances, overseeing logistics, and controlling the overall operations of factories. His deep understanding and hands-on experience in these areas have contributed significantly to the successful management and growth of various industrial units.

The details of Mr. Srinivasa Raju Penmetsa as required under the provisions of the Companies Act, 2013, Regulation 36(3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and other applicable provisions are provided in Annexure to the Notice.

Except Mr. Srinivasa Raju Penmetsa none of the other Directors/ Key Managerial Personnel are in anyway concerned or interested.

The Board recommends the Special Resolution as set out under item No. 6 of the Notice for approval of the members.

ITEM NO.7

The Nomination and Remuneration Committee recommended the re-appointment of Mr. Siroor Valagudde Shanker Shetty, Independent Director of the Company. Considering his experience and contribution during the first term of appointment, based on the report on performance evaluation of Independent Directors, the Board is of the opinion that his continued association will add value and it will be in the best interest of the Company to re-appoint him as an Independent Director for a second term of Five consecutive years and as such the Board has proposed him as an Independent Director for the second term of Five consecutive years with effect from August 29, 2024 for approval of the members by way of a Special Resolution.

Mr. S V S Shetty is a Mechanical Engineering graduate from Mysore University with over 50 years of experience in manufacturing and security printing. He is an expert in operations, having managed various industries in different capacities, from a management trainee to the level of CEO. Throughout his career, Mr. Shetty has demonstrated versatility and leadership in driving operational excellence and organizational growth. His vast experience and deep understanding of multiple sectors have consistently made him a valuable asset in every role he has undertaken. At 75 years old, Mr. Shetty remains very active, and your company would greatly benefit from his presence on the Board, leveraging his extensive experience and strategic insights.

The details of Mr. Siroor Valagudde Shanker Shetty as required under the provisions of the Companies Act, 2013, Regulation 36(3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and other applicable provisions are provided in Annexure to the Notice.

Except Mr. Siroor Valagudde Shanker Shetty none of the other Directors/ Key Managerial Personnel are in anyway concerned or interested.

The Board recommends the Special Resolution as set out under item No. 7 of the Notice for approval of the members.

DISCLOSURES REQUIRED UNDER REGULATION 36(3) OF SEBI (LISTING OBLIGATIONS & DISCLOSURE REQUIREMENT) (AMENDMENT) REGULATIONS, 2018 AND SS-2 (SECRETARIAL STANDARD ON GENERAL MEETINGS) UNDER SECTION 118(10) OF THE COMPANIES ACT, 2013 IN RESPECT OF APPOINTMENT/ RE-APPOINTMENTS OF DIRECTORS

- (b) the directors had selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the company at the end of the financial year and of the profit and loss of the company for that period;
- (c) the directors had taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of this Act for safeguarding the assets of the company and for preventing and detecting fraud and other irregularities;
- (d) the directors had prepared the annual accounts on a going concern basis; and
- (e) The directors, in the case of a listed company, had laid down internal financial controls to be followed by the company and that such internal financial controls are adequate and were operating effectively.
- (f) The directors had devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

DISCLOSURES UNDER SECTION 134 OF THE COMPANIES ACT, 2013

1. State of affairs of the company:

The Company operates in the business of Food and Beverages sector. During the year, the Company's Income has increased which is reflected in the financial results of the Company. The company operates through two segments. The first segment being "Retail" where bakery outlets are operational in various parts of the city in Visakhapatnam and Student's Café outlets in Bhimavaram & Hyderabad. The second segment of our supply chain is "Distribution & Modern Trade" where the products are sourced to rural districts of Andhra Pradesh namely Visakhapatnam, Kakinada, Vijayanagaram, Bhimavaram, East Godavari and West Godavari. The company aims at diversifying and penetrating new markets in other states with better quality products in the coming years.

2. Future Plan of Action:

The company has investing close to Rs. 10 crores in setting up a new unit in Peddapuram and will expected to commence its commercial production in FY 2024-25. The new unit equips automated facility for generating volumes of production. The growing demand of bakery products in the region has pushed the management to expand the manufacturing facility which will cater to the markets in and around the region.

Management has decided to focus additionally on products distributions, ontime delivery, products availability in the markets and consumer satisfaction.

A centralized kitchen setup has also been

established in Hyderabad along with cold chain storage facility which allows to stock up the voluminous production that can be delivered just-in-time as per the requirements.

3. Amounts, if any, they proposed to carry to any reserves:

The Board of Directors does not propose to appropriate any amount to be transferred to General Reserve during the year under review.

4. Dividend:

The Directors have not recommended any dividend for the year.

5. Share Capital:

The authorized share capital of the Company is Rs. 8,00,00,000/- (Rupees Eight Crores only) divided into 4,00,00,000/- (Four Crores) Equity shares having face value of Rs. 2/-(Rupees Two) each.

The paid-up share capital of the Company is Rs. 5,58,97,800 divided into 2,79,48,900 equity shares of Face Value Rs. 2/- each.

During the year under review, the Company has not issued any shares with differential voting rights nor granted stock options nor sweat equity.

6. Deposits:

Your company has not accepted any public deposits as such; no amount on account of principal or interest on public deposits was outstanding as on the date of the Balance Sheet.

7. Number of meetings of the Board:

Secretarial Standards as applicable have been complied with. Five (5) meetings of the Board were held during the year as per the details given below:

8. Board Evaluation:

The Company has devised a Policy for performance evaluation of Independent Directors, Board, Committees and other individual Directors pursuant to the provisions of the Companies Act, 2013 and SEBI (Listing Obligations and Disclosure requirements) Regulations, 2015.

The performance of the Board was evaluated by the Board after seeking inputs from all the directors on the basis of the criteria such as the Board composition and structure, effectiveness of board processes, information and functioning, etc. In a separate meeting of Independent Directors, performance of Non-Independent directors, performance of the Board as a whole and performance of the Chairman was evaluated, taking into accounts the views of Executive Directors and Non-Executive Directors. The same was discussed in the board meeting that followed the meeting of the Independent Directors, at which the performance of Board, its committee and individual directors was also discussed.

9. Policy on Directors' appointment and remuneration and others details:

The Company's policy on Directors appointment and remuneration and other matters provided in section 178 of the Companies Act are as under:

Nomination and Remuneration Policy of Anjani Foods Limited

Introduction

The Remuneration Policy of Anjani Foods Limited (the "Company") is aligned with the compensation philosophy of its competitors which is to pay competitively and reward performance. To achieve this philosophy, total compensation is based on employee's role, market value of job and employees' contributions.

This Policy is designed to attract, motivate, and retain talent by creating a congenial work environment, encouraging initiatives, personal growth and team work, and inculcating a sense of belonging and involvement, besides offering appropriate remuneration packages and retirement benefits.

The policy reflects the Company's objectives for good corporate governance as well as sustained long-term value creation for shareholders.

This Remuneration Policy applies to Directors and senior management including its Key Managerial Personnel (KMP) of the Company.

1. Definitions

"Act" means the Companies Act, 2013 and Rules framed there under, as amended from time to time.

"Board" means Board of Directors of the Company.

"Committee" means Nomination and Remuneration Committee constituted by the Board

"Directors" mean Directors of the Company.

"Key Managerial Personnel" means

Chief Executive Officer or the Managing Director or Manager,

Whole-time director;

Chief Financial Officer;

Company Secretary; and

Such other officer as may be prescribed by the Companies Act, 2013.

"Executive Directors" mean Managing Director/ Jt. Managing Director and Whole Time Director, if any.

"Senior Management" means personnel of the company who are members of senior leadership typically vice presidents or equivalent and higher position levels.

2. Guiding Priniciple

The guiding principle is that the remuneration and the other terms of employment should effectively help in attracting and retaining talented employees.

While designing remuneration packages, industry's best practices, cost of living and potential of employees are also taken into consideration.

3. Policy Relating To The Remuneration For The Whole-Time Director, KMP's And Senior Management Personnel

3.1. General:

a) The remuneration package of KMP will be determined by the Committee and recommended to Board for approval. In addition, the approval of the shareholders of the Company and Central Government, wherever required, will be obtained for the remuneration package of Executive Directors. The remuneration package of other senior management personnel will be recommended by Chairman & Managing Director and submitted to Committee for approval.

b) The remuneration package of Executive Directors shall be in accordance with the percentage / slabs / conditions laid down in the Act.

c) Increments to the existing remuneration package of Executive Directors may be recommended by the Committee to the Board which should be within the slabs approved by the Shareholders.

3.2. Where any insurance is taken by the Company on behalf of its Directors, Executive Directors, Whole-time Director, Chief Executive Officer, Chief Financial Officer, the Company Secretary and any other employees for indemnifying them against any liability, the premium paid on such insurance shall not be treated as part of the remuneration payable to such personnel.

4. Remuneration to Executive directors, KMP's and senior management personnel:

10. Pay and Allowances:

The Executive Directors, KMP and Senior Management Personnel shall be eligible for a monthly remuneration as may be approved by the Committee or Board on the recommendation of the Committee. The remuneration comprises of basic pay and allowances in addition to perquisites such as contribution to Provident Fund, Gratuity, group life insurance, group medical insurance etc.

11. Minimum Remuneration:

If, in any financial year, the Company has no profits or its profits are inadequate, the Company shall pay remuneration to its Executive Directors in accordance with the provisions of Schedule V of the Act and if it is not able to comply with such provisions, with the previous approval of the Central Government.

12. Provisions for excess remuneration:

If any Whole-time Director/Managing Director draws or receives, directly or indirectly by way of remuneration any such sums in excess of the limits prescribed under the Act or without the sanction of the Central Government, where required, he / she shall refund such sums to the Company and until such sum is refunded, hold it in trust for the Company. The Company shall not waive recovery of such sum refundable to it unless permitted by the Central Government.

13. Remuneration to Independent Directors:

a. Remuneration/Commission:

The remuneration/commission shall be fixed as per the slabs and conditions mentioned in the Act.

a) Sitting Fees:

Independent Director may receive remuneration by way of fees for attending meetings of Board or Committee thereof. Provided that the amount of such fees shall not exceed the amount fixed by the Board from time to time.

b) Commission:

Commission may be paid within the monetary limit approved by shareholders, subject to the limit not exceeding 1% of the profits of the Company computed as per the applicable provisions of the Act.

c) Stock Options:

An Independent Director shall not be entitled to any stock options of the Company.

d) Expenses for attending meetings

The expenses incurred by the Independent Directors for attending the meetings of Board of Directors and Committees of the Board shall be reimbursed by the Company or alternatively the Company may provide air tickets, lodging facility and conveyance to the Independent Directors.

14. Disclosure of information

Information on the total remuneration of members of the Company's Board of Directors, Whole time Directors and KMP/senior management personnel may be disclosed in the Company's annual financial statements/ Annual Report as per statutory requirements.

15. Application of the Remuneration Policy

This Remuneration Policy shall continue to guide all future employment of Directors, Company's Senior Management including Key Managerial Personnel.

SECRETARIAL AUDIT REPORT FOR THE FINANCIAL YEAR ENDED 31.03.2024

Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014

To,

The Members,

ANJANI FOODS LIMITED

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by "ANJANI FOODS LIMITED" having CIN: L65910AP1983PLC004005 and having registered office at Vishnupurdurgapur, Garagaparru Road, Bhimavaram, Andhra Pradesh – 534 202 and Corporate office at Anjani Vishnu Centre, Plot No. 7 & 8, Nagarjuna Hills, Punjagutta, Hyderabad, Telangana – 500 082 (hereinafter called the Company). Secretarial Audit was conducted in accordance with the guidance note issued by the Institute of Company Secretaries of India and in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information, confirmations, clarifications provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on March 31, 2024, complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31, 2024, according to the provisions of:

(i) The Companies Act, 2013 (the Act) and the rules made there under;

- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings; (Not applicable to the Company during the period of audit)
- The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act')
 - a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
 - Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021; (Not applicable to the Company during the period of audit);
 - e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 (Not applicable to the Company during the period of audit);
 - f) The Securities and Exchange Board of India (Buyback of Securities) Regulations,
 2018; (Not applicable to the Company during the period of audit);
 - g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021; (Not applicable to the Company during the period of audit);
 - Securities and Exchange Board of India (Issue and Listing of Non-Convertible and Redeemable Preference Shares), Regulations, 2013; (Not applicable to the Company during the period of audit);
 - The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;

- j) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015; and
- k) Securities and Exchange Board of India (Depositories and Participants) Regulations, 2018.
- (vi) Other laws applicable specifically to the Company include:
 - a) Food Safety and Standards Act, 2006 and the rules made there under
 - b) Agricultural Produce (Grading and Marking) Act, 1937 and the rules made there under
 - Legal Metrology Act 2009 read with Legal Metrology (Packaged Commodities)
 Rules 2011
 - d) Bureau of Indian Standards (BIS) Act, 1986;

We have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India
- (ii) The Listing Agreement entered into by the company with BSE Limited;

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above, subject to the following observations:

• As required under Regulation 31(2) of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 hundred percent of the shareholding of promoters and promoters group is not in dematerialized form.

We further report that

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. There are no changes in the composition of the Board of Directors during the period under review.

Adequate notice is given to all directors in advance to schedule the Board Meetings, agenda and detailed notes on agenda were sent in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Decisions at the Board Meetings are carried out unanimously as recorded in the Minutes.

We further report that there are adequate systems and processes in the company to commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that other than the above mentioned events there were no specific events / actions having a major bearing on the company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc. referred to above.

STANDALONE FINANCIAL STATEMENTS

INDEPENDENT AUDITOR'S REPORT

To the Members of Anjani Foods Limited Report on the Audit of the Standalone Financial Statements

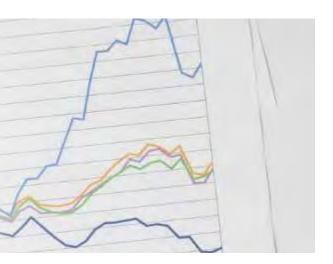

OPINION

We have audited the Standalone Financial Statements of Anjani Foods Limited, which comprise the Balance Sheet as at March 31, 2024, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the Standalone Financial Statements, including a summary of material accounting policies and other explanatory information (hereinafter referred to as "the Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, and its profit (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

BASIS FOR OPINION

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics issued by the Institute of Chartered Accountants of India. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

KEY AUDIT MATTERS

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the Standalone Financial Statements of the current period. These matters were addressed in the context of our audit of the Standalone Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matter

Revenue Recognition

Revenue from the sale of goods (hereinafter referred to as "Revenue") is recognised when the Company performs its obligation to its customers and the amount of revenue can be measured reliably and recovery of the consideration is probable. The timing of such recognition is when the control over goods is transferred to the customers, which is mainly upon delivery.

The timing of revenue recognition is relevant to the reported performance of the Company. The management considers revenue as a key measure for evaluation of performance. There is a risk of revenue being recorded before the control over goods is transferred.

Refer Note 2 to the Standalone Financial Statements – Material Accounting Policies.

Auditor's Response

Principal Audit Procedures

Our audit approach was a combination of tests of internal controls and substantive procedures including:

- Assessing the appropriateness of Company's revenue recognition in line with Ind AS 115 – Revenue from Contracts with Customers.
- Evaluating the design and implementation of Company's controls in respect of revenue recognition.
- Testing the effectiveness of such controls over revenue cut off at the year end.
- Testing the supporting documentation for sales transactions recorded during the period closer to the year-end and subsequent to the year-end, including examination of credit notes issued after the year end to determine whether revenue was recognised in the correct period.

Information other than financial statements

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in Directors' Report but does not include the standalone and consolidated financial statements and our auditor's report thereon. The other information is expected to be made available to us after the date of this auditor's report.

Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the Directors report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to the Board of Directors.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, the Board of Directors of the company is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- 1. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books except for the matter stated in paragraph 1(i)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
 - (c) The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid Standalone Financial Statements comply with Indian Accounting Standards specified under Section 133 of the Act.
 - (e) On the basis of the written representations received from the directors as on March 31, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164 (2) of the Act.

- (f) The modification relating to the maintenance of accounts and other matters connected there with are as stated in paragraph 1(b) above and paragraph 1(i)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
- (g) With respect to the adequacy of the internal financial controls with reference to the standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid or provided by the company to its directors during the year is in accordance with the provisions of section 197 of the Act read with Schedule V of the Companies Act,2013 except for managerial remuneration aggregating to Rs.12.00 lakhs for which the company is in the process of obtaining necessary approvals in the ensuring AGM.
- (i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position in its Standalone Financial Statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. The Company has not transferred Rs. 0.67 Lakh, which was required to be transferred to the Investor Education and Protection Fund by the Company;
 - iv. (a) The Management has represented that (Refer Note No.35 of the Financial Statements), to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; (Refer Note 35 of the Standalone Financial Statements).
 - (b) The Management has represented, that (Refer Note No.35 of the Financial Statements), to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the

Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; (Refer Note 35 of the Standalone Financial Statements).

- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. The Company has not declared or paid any dividend during the year.
- vi. Based on our examination which included test checks, the company has enabled the feature of recording audit trail (edit log) facility w.e.f April 1, 2023 and the same has operated throughout the year since then for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with. However, the accounting software used by the Company has not been enabled with the feature of audit trail log at the server or database to log direct file level changes.
- 2. As required by the Companies (Auditor's Report) Order, 2020, ('the Order') issued by the Central Government of India in terms of Section 143 (11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls with reference to Standalone Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

Opinion

We have audited the internal financial controls with reference to the financial statements of Anjani Foods Limited as of 31st March 2024 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system with reference to these standalone financial statements and such internal financial controls with reference to these standalone financial statements were operating effectively as at March 31, 2024, based on the internal control with over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act..

Inherent Limitations of Internal Financial Controls with reference to these standalone financial statements

Because of the inherent limitations of internal financial controls with reference to these standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to these standalone financial statements to future periods are subject to the risk that the internal financial control with reference to these standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to these standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing prescribed under section 143 (10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to these standalone financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to these standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to these standalone financial statements included obtaining an understanding of internal financial controls with reference to these standalone financial statements, assessing the risk that a

material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to these standalone financial statements.

Meaning of Internal Financial Controls with reference to these standalone financial statements

A company's internal financial control with reference to these standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to these standalone financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT

With reference to Paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date to the Members of the Company, we report that:

- i. In respect of the Company's Property, Plant and Equipment and Intangible Assets:
- (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
 - (B) The Company has maintained proper records showing full particulars of intangible assets.
- (b) The property, plant and equipment are physically verified by the management and there no material discrepancies were noticed on such verification.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company.
- (d) The Company has not revalued any of its Property, Plant and Equipment and intangible assets during the year.
- (e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2024 for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended in 2016) and rules made thereunder.
- ii (a) Physical verification of inventory has been conducted at reasonable intervals by the management and in our opinion, the coverage, frequency and procedure of such verification is reasonable and adequate in relation to the size of the Company and the nature of its business. The discrepancies noticed on verification between the physical stocks and the book records were not exceeding 10% in the aggregate for each class of inventory.
 - (b) The Company is not sanctioned working capital limits in excess of Rs.5.00 crore from banks on the basis of security of current assets and hence reporting under clause 3(ii)(b) of the Order is not applicable.
- iii. During the year, the Company has not made any investments, not granted further unsecured loans, not provided any guarantee or security to companies, firms, Limited Liability Partnerships or any other parties.

(a) During the year, the company has not granted further loans to Companies, Firms, Limited Liability Partnerships. However, there are loans outstanding from the previous year of Rs.327.75 lakhs given to its subsidiary.

(b) In our opinion, the terms and conditions of the loans granted are prima facie, not prejudicial to the Company's interest

(c) The Company has stipulated the schedule of repayment of principal and payment of interest and the receipts are regular.

(d) There are no overdue amounts of principal and interest.

(e) Following loans were granted has fallen due during the year and were renewed/extended. Further, no fresh loans were granted to same parties to settle the existing overdue/advances in the nature of loan.

Name of the parties	Aggregate amount of dues renewed or extended (Rs. in Lakhs)	Percentage of the aggregate to the total loans granted during the year (Rs. in Lakhs)
Senta Foodworks Private Limited	327.75	100%

(f) The Company has not granted loans repayable on demand or without specifying any terms or period of repayment and hence reporting under clause 3(iii)(f) is not applicable.

- iv. The Company has complied with the provisions of Sections 185 and 186 of the Companies Act, 2013 in respect of loans granted and investments made, as applicable.
- v. The Company has not accepted any deposit or amounts which are deemed to be deposits. Hence, reporting under clause 3(v) of the Order is not applicable.
- vi. The maintenance of cost records has not been specified by the Central Government under subsection (1) of section 148 of the Companies Act, 2013 for the business activities carried out by the Company. Hence, reporting under clause (vi) of the Order is not applicable to the Company.
- vii In respect of statutory dues:
 - a) In our opinion, the Company is generally regular in depositing undisputed statutory dues, including Goods and Services tax, Provident Fund, Employees' State Insurance,

Income Tax, duty of Customs, Cess and other material statutory dues applicable to it with the appropriate authorities.

There were no undisputed amounts payable in respect of Goods and Service tax, Provident Fund, Employees' State Insurance, Income Tax, duty of Custom, Cess and other material statutory dues in arrears as at March 31, 2024 for a period of more than six months from the date they became payable.

b) There are no disputed statutory dues referred to in sub-clause(a) that have not been deposited on account of any dispute by the Company.

- viii. There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
- ix. a. The Company has not defaulted in repayment of loans or other borrowings and in the payment of interest thereon to any lender.
 - b. The Company has not been declared wilful defaulter by any bank or financial institution or other lender.
 - c. According to the information and explanations given to us and procedures performed by us, we report that the Company has applied the term loans for the purpose for which the loans were obtained.
 - d. On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
 - e. On an overall examination of the financial statements, the Company has not taken funds from any entity or person on account of or to meet the obligation of its subsidiary. The company does not have associates and joint ventures. Hence, reporting under clause 3 (ix) (e) of the Order is not applicable to the Company.
 - f. On an overall examination of the financial statements, the Company has not raised loans during the year on the pledge of securities held in its subsidiary. The company does not have associates and joint ventures. Hence, reporting under clause 3 (ix) (f) of the Order is not applicable to the Company.
- x a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.
 - b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally convertible) and hence reporting under clause 3(x)(b) of the Order is not applicable.

- xi. a) In our opinion and based on our examination and enquiries with the management, no fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
 - b) No report under sub-section (12) of section 143 of the Companies Act is required to be filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
 - c) As represented to us by the management, there are no whistle blower complaints received by the company during the year.
- xii. The Company is not a Nidhi Company and hence reporting under clause 3(xii)(a) to (c) of the Order is not applicable.
- xiii. In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 with respect to applicable transactions with the related parties and the details of related party transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- xiv. a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
 - b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- xv. During the year, the Company has not entered into any non-cash transactions with its Directors or persons connected with its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- xvi. a) In our opinion, the Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a) of the Order is not applicable.
 - b) The Company is not engaged in any non-banking financial housing finance activities. Accordingly, the requirement to report on clause 3(xvi)(b) of the Order is not applicable to the Company.
 - c) The Company is not a core investment company as defined in the Regulations made by the Reserve Bank of India. Accordingly, the requirement to report on clause 3(xvi)(c) of the Order is not applicable to the Company.
 - d) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.

- xvii. The Company has not incurred cash losses during the financial year and in the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors of the Company during the year. Hence reporting under clause 3(xviii) of the Order is not applicable.
- xix. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx. In our opinion, the provisions of Section 135 of the Act are not applicable to the Company and hence reporting under clause (xx) (a) and (b) of the Order are not applicable.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS

FOR THE YEAR ENDED MARCH 31, 2024

1. Company information

Anjani Foods Limited was incorporated on 25.06.1983 having registered office in Bhimavaram, West Godavari District, Andhra Pradesh. The Company is listed on the Bombay Stock Exchange (BSE). The Company is engaged in the business of Production and Sale of Bakery Products.

2. Material Accounting Policies

This note provides a list of the Material accounting policies adopted in the preparation of the financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

a) Statement of Compliance

The financial statements have been prepared in accordance with the Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time, notified under section 133 of the Companies Act, 2013, ("Act") and other relevant provisions of the Act.

b) Basis of preparation

The financial statements have been prepared under the historical cost convention with the exception of certain assets and liabilities that are required to be carried at fair values by Ind AS. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

c) Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable, net of returns and allowances, trade discounts and volume rebates.

The Company recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the entity and specific criteria have been met for each of the company's activities as described below.

a) Sale of products

"Timing of recognition - Revenue from sale of products is recognised when significant risks and rewards in respect of ownership of products are transferred to customers based on the terms of sale.

Measurement of revenue - Revenue from sales is based on the price specified in the sales, net of all discounts and returns at the time of sale."

- b) Dividend income is recognized when right to receive payment is established.
- c) Interest income is recognized on time proportion basis taking into account the amount outstanding and the rate applicable.

d) Income tax Current income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date in the countries where the Company operates and generates taxable income.

Current income tax relating to items recognised outside profit or loss is recognised in outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate **Deferred tax**

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax liabilities are recognised for all taxable temporary differences.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates and tax laws that have been enacted or substantively enacted at the reporting date. Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

e) Financial Instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

Financial Assets

(i) Financial assets carried at amortised cost

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding

(ii) Financial assets at fair value through other comprehensive income

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Further, in case where the company has made an irrevocable selection based on its business model. for its investments which are classified as equity instruments, the subsequent changes in fair value are recognized in other comprehensive income.

(iii) Financial assets at fair value through profit or loss

A financial asset which is not classified in any of the above categories are subsequently fair valued through profit or loss.

 (iv) The Company recognizes loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognised is recognized as an impairment gain or loss in statement of profit or loss.

Financial liabilites

Financial liabilities are subsequently carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate the fair value due to the short maturity of these instruments.

Derecognition of financial instruments

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Company's balance sheet when the obligation specified in the contract is discharged or cancelled or expires.

Fair value of financial instruments

In determining the fair value of its financial instruments, the Company uses a variety of methods and assumptions that are based on market conditions and risks existing at each reporting date. The methods used to determine fair value include discounted cash flow analysis, available quoted market prices and dealer quotes. All methods of assessing fair value result in general approximation of value, and such value may or may not be realized.

Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

f) Inventories

Raw materials, finished goods are stated at the lower of cost and net realizable value. Cost of raw materials comprise of cost of purchase. Cost of finished goods comprises direct materials, direct labour and an appropriate proportion of variable and fixed overhead expenditure, the later being allocated on the basis of normal operating capacity. Cost of inventories also include all other cost incurred in bringing the inventories to their present location and condition. Costs are assigned to individual items of inventory on weighted average basis. Costs of purchased inventory are determined after deducting rebates and discounts. Net realizable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale. g) Property, plant and equipment

Freehold land is carried at historical cost. Property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's

carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as separate asset is derecognized when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Depreciation/Amortisation methods, estimated useful lives and residual value

Depreciation is calculated using the straightline basis at the rates arrived at based on the useful lives prescribed in Schedule II of the Companies Act, 2013. The company follows the policy of charging depreciation on prorata basis on the assets acquired or disposed off during the year.

The residual values are not more than 5% of the original cost of the asset. The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period. An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains or losses on disposal are determined by comparing proceeds with carrying amount.

h) Intangible assets

(i) Recognition

Intangible assets are recognised only when future economic benefits arising out of the assets flow to the enterprise and are amortised over their useful life.

(ii) Amortization methods and periods

The Company amortizes intangible assets on a straight line method over their estimated

useful life. Computer Software is amortised over a period of five years."

i) Borrowing costs

"General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalized during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing cost eligible for capitalization.

Other borrowings costs are expensed in the period in which they are incurred.

j) Provisions, Contingent liabilities and Contingent assets

Provisions for legal claims and returns are recognised when the company has a present legal or constructive obligation as a result of past event, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provisions due to the passage of time is recognized as interest expense. A present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made, is disclosed as a contingent liability. Contingent Liabilities are also disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or nonoccurence of one or more uncertain future events not wholly within the control of the Company.

Contingent assets are not recognized in financial statements since this may result in the recognition of income thay may never be realised. However, when the realisation of income is virtually certain, then the related asset is not a contingent assets and is recognised.

k) Employee benefits

(i) Short-term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognized in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet."

(ii) Other long-term employee benefit obligations

The liabilities for earned leave is not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured at the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligations. Remeasurements as a result of the experience adjustments and changes in actuarial assumptions are recognized in profit or loss.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur."

(iii) Post-employment obligations

The Company operates the following postemployment schemes:

(a) Defined benefit plans such as gratuity; and

(b) Defined contribution plan such as providentfund"

Gratuity obligations

The liability or assets recognized in the balance sheet in respect of gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognized immediately in profit or loss."

Defined contribution plans

The Company pays provident fund contributions to publicly administered funds as per local regulations. The Company has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognized as employee benefit expense when they are due."

(iv) Bonus plans

The Company recognizes a liability and an expense for bonuses. The Company recognizes a provision where contractually obliged or where there is a past practice that has created a constructive obligation."

L) Contributed equity

Equity shares are classified as equity.

Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds.

m) Earning per share

The basic earnings per share is computed by dividing the profit/(loss) for the year attributable to the equity shareholders by the weighted average number of equity shares outstanding during the year. For the purpose of calculating diluted earnings per share, profit/(loss) for the year attributable to the equity shareholders and the weighted average number of the equity shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares."

n) Rounding of amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III, unless otherwise stated.

o) Standards issued but not yet effective

There is no such notification applicable from April 1, 2024.

3. Critical estimates and Judgements

The preparation of financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. Management also needs to exercise judgement in applying the Company's accounting policies.

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements. Estimates and judgements are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstances. Note - 27 - Employee Benefits

i. Leave obligations

The leave obligation covers the Company's liability for earned leave which is unfunded.

ii. Defined contribution plans

The Company has defined contribution plans namely Provident fund. Contributions are made to provident fund at the rate of 12% of basic salary as per regulations. The contributions are made to registered provident fund administered by the Government. The obligation of the Company is limited to the amount contributed and it has no further contractual nor any constructive obligation. The expense recognised during the year towards defined contributions plan is as follows:

Particulars	March 31, 2024	March 31, 2023
Company's contribution to	21.53	19.39
provident fund		

iii. Post- employment obligations

Gratuity : The Company provides for gratuity for employees as per the Payment of Gratuity Act, 1972. The amount of gratuity payable on retirement/termination is the employees last drawn basic salary per month computed proportionately for 15 days salary multiplied for the number of years of service. The Company operates post retirement gratuity plan with LIC of India. The present value of obligation is determined based on actuarial valuation using the Projected Unit Credit Method, which recognises each period of service giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation. The obligation of leave encashment is recognised in the same manner as gratuity.

The following table sets out the amounts recognised in the financial statements in respect of gratuity plan

Present value of obligation at the end of the year	56.12	52.74
Recognised as		-
Retirement benefit liability - Non-current	45.80	41.51
Retirement benefit liability - current	6.55	5.46

Fair value of plan assets - 100% with LIC of India

iv. Significant estimates and sensitivity analysis

				D	efined benef	it obligatior	ı	
Particulars	Key assu	mptions	Increas	e in assump	tion by	Decrease	e in assumpt	ion by
	March 31, 2024	March 31, 2023	Rate	March 31, 2024	March 31, 2023	Rate	March 31, 2024	March 31, 2023
Discount rate	7.23%	7.51%	1%	(50.58)	5.30	1%	(62.74)	(6.34)
Salary growth rate	5.00%	5.00%	1%	(63.15)	(6.75)	1%	(50.16)	5.71
Attrition rate	2.00%	2.00%	1%	(57.31)	(1.35)	1%	(54.74)	1.57

The sensitivity of the defined benefit obligation to changes in key assumptions is:

The above sensitivity analysis is based on a change in each assumption while holding all other assumptions constant. In practice, this is unlikely to occur and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions, the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the defined benefit liability recognised in the balance sheet.

v) Risk exposure

Through its defined benefit plans, the Company is exposed to a number of risks, the most significant of which are detailed below:

Interest rate risk:

The defined benefit obligation calculated uses a discount rate based on government bonds. If bond yields fall, the defined benefit obligation will tend to increase.

Salary inflation risk:

Higher than expected increases in salary will increase the defined benefit obligation.

Demographic risk:

This is the risk of variability of results due to unsystematic nature of decrements that include mortality, withdrawal, disability and retirement. The effect of these decrements on the defined benefit obligation is not straight forward and depends upon the combination of salary increase, discount rate and vesting criteria. It is important not to overstate withdrawals because in the financial analysis the retirement benefit of a short career employee typically costs less per year as compared to a long service employee.

28 . Financial instruments and risk management

Fair values

The carrying amounts of trade payables, other financial liabilities (current), borrowings (current), trade receivables, cash and cash equivalents, other bank balances and loans are considered to be the same as fair value due to their short term nature.

The fair value of financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

Set out below, is a comparision by class of the carrying amounts and fair value of the Company's financial instruments, other than those with carrying amounts that are reasonable approximation of fair values:

i. Categories of financial instruments

			31, 2024	March 31, 2023	
Particulars	Level	Carrying amount	Fair value*	Carrying amount	Fair value*
Financial assets measured at amortised cost					
Non-current					
Investments	3	4.12	4.12	4.12	4.12
Other financial assets	3	33.14	33.14	30.01	30.01

Total		525.31	525.31	533.25	533.25
Financial liabilities					
Measured at amortised cost					
Non-current					
Borrowings	3	459.51	459.51	455.89	455.89
Other financial liabilities	3	11.01	11.01	0.62	0.62
Current				-	
Borrowings	3	355.33	355.33	318.77	318.77
Trade payables	3	438.89	438.89	299.96	299.96
Other financial liabilities	3	113.40	113.40	162.59	162.59
Total		1,378.14	1,378.14	1,237.83	1,237.83

*Fair value of instruments is classified in various fair value hierarchies based on the following three levels:

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques, which maximise the use of observable market data and rely as little as possible on entity specific estimates. If significant inputs required to fair value an instruments are observable, the instrument is included in Level 2.

Level 3: If one or more of the significant inputs are not based on observable market data, the instruments is included in level 3.

Management uses its best judgement in estimating the fair value of its financial instruments. However, there are inherent limitations in any estimation technique. Therefore, for substantially all financial instruments, the fair value estimates presented above are not necessarily indicative of the amounts that the Company could have realized or paid in sale transactions as of respective dates. As such, the fair value of financial instruments subsequent to the reporting dates may be different from the amounts reported at each reporting date. In respect of investments as at the transaction date, the Company has assessed the fair value to be the Realisable Value.

29. Financial risk management

The Company is exposed to market risk (fluctuation in foreign currency exchange rates, price and interest rate), liquidity risk and credit risk, which may adversely impact the fair value of its financial instruments. The Company assesses the unpredictability of the financial environment and seeks to mitigate potential adverse effects on the financial performance of the Company.

(A) Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises of currency risk, interest rate risk and price risk. Financial instruments affected by market risk include loans and borrowings, trade receivables and trade payables.

i) Foreign currency exchange rate risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the company's operating activities(when revenue or expense is denominated in a foreign currency). The exposure of entity to foreign currency risk is Nil as on Balance Sheet date.

ii) Interest rate risk

"Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of change in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's debt obligations with floating interest rates. As the Company has certain debt obligations with floating interest rates, exposure to the risk of changes in market interest rates are dependent of changes in market interest rates. Management monitors the movement in interest rate and, wherever possible, reacts to material movements in such rates by restructuring its financing arrangement.

As the Company has no significant interest bearing assets, the income and operating cash flows are substantially independent of changes in market interest rates.

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected. With all other variables held constant, the Company's profit before tax is affected through the impact on floating rate borrowings, as follows:

Particulars	Increase/(decrease) in profit before tax			rease) in other ts of equity
r ai ticulai s	March 31, 2024 March 31, 2023		March 31, 2024	March 31, 2023
Change in interest rate				
increase by 1%	(6.44)	(6.35)	(6.44)	(6.35)
decrease by 1%	(6.44)	6.35	(6.44)	6.35

The assumed increase/(decrease) in interest rate for sensitivity analysis is based on the currently observable market environment.

B) Credit Risk

Credit risk is the risk arising from credit exposure to customers, cash and cash equivalents held with banks and current and non-current held-to maturity financial assets.

With respect to credit exposure from customers, the Company has a procedure in place aiming to minimise collection losses. Credit Control team assesses the credit quality of the customers, their financial position, past experience in payments and other relevant factors. Cash and other collaterals are obtained from customers when considered necessary under the circumstances.

The carrying amount of trade receivables, loans, advances, deposits, cash and bank balances and bank deposits represents company's maximum exposure to the credit risk. No other financial asset carry a significant exposure with respect to the credit risk. Bank deposits and cash balances are placed with reputable banks and deposits are with reputable government, public bodies and others.

The credit quality of financial assets is satisfactory, taking into account the allowance for credit losses.

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. However, management also considers the factors that may influence the credit risk of its customer base, including default risk associate with the industry and country in which customers operate. Credit quality of a customer is assessed based on an extensive credit rating scorecard and individual credit limits are defined in accordance with this assessment.

An impairment analysis is performed at each reporting date on an individual basis for major receivables. In addition, a large number of minor receivables are grouped into homogenous groups and assessed for impairment collectively. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets.

i. Credit risk on cash and cash equivalents and other bank balances is limited as the Company generally invest in deposits with banks with high credit ratings assigned by external agencies.

ii. Credit risk on trade receivables and other financial assets is evaluated as follows:

(i) Expected credit loss for trade receivable under simplified approach:

Particulars	March 31, 2024	March 31, 2023
Gross carrying amount	88.44	124.85
Expected credit losses (Loss allowance provision)	(0.67)	-
"Carrying amount of trade receivables"	87.76	124.85

Expected credit loss for financial assets where general model is applied

The financial assets which are exposed to credit are loans, employee advances and advance against share application money.

Particulars	March 31, 2024	March 31, 2023
Asset group	Estimated gross carrying amount at default	Estimated gross carrying amount at default
Gross carrying amount		
Loans	327.75	317.49
Employee advances	17.32	14.39
	345.07	331.88
Expected credit losses	-	-
Net carrying amount		
Loans	327.75	317.49
Employee advances	17.32	14.39
Total	345.07	331.88

ii. Reconciliation of loss allowance provision

Particulars	Trade receivables
Loss allowance as at March 31, 2023	-
Changes in loss allowance during the period of 2023-24	0.67
Loss allowance as at March 31, 2024	0.67

iii. Significant estimates & judgements

Impairment of financial assets:

The impairment provisions for financial assets disclosed above are based on assumptions about risk of default and expected loss rates. The company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on the company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

(C) Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and the availability of funding to meet obligations when due and to close out market positions. Company's treasury maintains flexibility in funding by maintaining availability under deposits in banks.

Management monitors cash and cash equivalents on the basis of expected cash flows.

i. Financing arrangements:

The company had access to the following undrawn borrowing facilities at the end of the reporting period:

	As at		
Particulars	March 31, 2024	March 31, 2023	
Expiring within one year (bank overdraft and other facilities)	180.00	180.00	

ii. Maturities of Financial liabilitiesContractual maturities of financial liabilities as at:

Particulars	Less than	31, 2024 More than 12 months
Borrowings	355.33	459.51
Trade Payables	438.89	-
Other Financial Liabilities	113.40	11.01
Total	907.62	470.52
Particulars	Less than	31, 2023 More than 12 months
Particulars Borrowings	Less than	More than 12 months
	Less than 12 months	More than 12 months
Borrowings	Less than 12 months 318.77	More than 12 months

iii. Management expects finance cost to be incurred for the year ending 31 March 2025 is Rs. 76.18 Lakhs.

30. Capital management

A. Capital management and Gearing Ratio

For the purpose of the Company's capital management, capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders. The primary objective of the company's capital management is to maximise the shareholder value.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. The Company monitors capital using a gearing ratio, which is debt divided by total capital. The Company includes within debt, interest bearing loans and borrowings.

Particulars	As at March 31, 2024	As at March 31, 2023
Borrowings		
Current	355.33	318.77
Non current	459.51	455.89
Debt	814.84	774.66
Equity		
Equity share capital	558.98	558.98
Other equity	905.86	761.06
Total capital	1,464.83	1,320.04
Gearing ratio in % (Debt/ capital)	55.63%	58.68%

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings.

No changes were made in the objectives, policies or processes for managing capital during the year ended March 31, 2024 and March 31, 2023.

38. Ind AS 115 – Revenue from Contracts with Customers

A. Reconciliation of revenue as per contract price and as recognised in statement of profit and loss:

Particulars	Year ended March 31, 2024	Year ended March 31, 2023
Revenue from contract with customers as per contract price	4,613.64	4,384.72
Less: Discounts and Incentives	0.04	0.07
Less: Sales Returns/Credits/Reversals	7.92	4.02
Revenue from contract with customers as per statement of profit and loss	4,605.67	4,380.63

The amounts receivable from customers become due after expiry of credit period which on an average is 21 to 30 days. There is no significant financing component in any transaction with the customers.

The Company does not have any material performance obligations which are outstanding as at the year end as the contracts entered for sale of goods are for short term in nature.

B) Reconciliation of revenue recognised from Contract liability (Advance from Customers):

Particulars	Year ended ch 31, 2024	Year ended March 31, 2023
Opening contract liability	39.94	24.86
Less: Recognised as revenue during the year	42.06	-
Add: Addition to contract liability during the year	8.70	15.08
Closing contract liability	6.58	39.94

39. The company has paid/provided for Rs.12.00 lakhs as remuneration to the Managing Director and Whole time director during the year 2023-24. However, in view of the in-adequacy of profits of the company for the FY 2023-24 for payment of the said remuneration, the company is placing a resolution for approval of its members in the ensuing Annual General Meeting of the members of the Company.

40. The company has enabled the feature of recording audit trail (edit log) facility in its accounting software w.e.f April 1, 2023 and the same has operated throughout the year since then for all relevant transactions recorded in the software. Further, the audit trail is not disabled and the same is not tampered with. The feature of recording audit trail (edit log) facility at database level is not enabled.

The accompanying notes are an integral part of the standalone financial statements.

CONSOLIDATED

INDEPENDENT AUDITOR'S REPORT

To the Members of Anjani Foods Limited

Report on the Audit of the Consolidated Financial Statements

OPINION

We have audited the consolidated financial statements of Anjani Foods Limited (hereinafter referred to as "Holding Company") and its subsidiary, Senta Foodwork Private Limited (the Holding Company and its Subsidiary together referred to as "the Group"), which comprise the Consolidated Balance Sheet as at 31st March, 2024, and the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year then ended, and notes to the consolidated financial statements, including a summary of the material accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act"), in the manner so required and give a true and fair view in conformity with Indian accounting standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended (Ind As) and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31st March, 2024, of its consolidated profit (including other comprehensive income), consolidated changes in equity and its consolidated cash flows for the year ended on that date.

BASIS FOR OPINION

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group, in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in India in terms of the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") and the relevant provisions of the Companies Act, 2013, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

KEY AUDIT MATTERS

Key audit matters are those matters that, in our professional judgement, were of most significant in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matter

Revenue Recognition

Revenue from the sale of goods (hereinafter referred to as "Revenue") is recognised when the group performs its obligation to its customers and the amount of revenue can be measured reliably and recovery of the consideration is probable. The timing of such recognition is when the control over goods is transferred to the customers, which is mainly upon delivery.

The timing of revenue recognition is relevant to the reported performance of the Company. The management considers revenue as a key measure for evaluation of performance. There is a risk of revenue being recorded before the control over goods is transferred.

Refer Note 2 to the consolidated financial statements – Material Accounting Policies.

Auditor's Response

Principal Audit Procedures

Our audit approach was a combination of tests of internal controls and substantive procedures including:

- Assessing the appropriateness of Company's revenue recognition in line with Ind AS 115 – Revenue from Contracts with Customers.
- Evaluating the design and implementation of Company's controls in respect of revenue recognition.
- Testing the effectiveness of such controls over revenue cut off at the year end.
- O Testing the supporting documentation for sales transactions recorded during the period closer to the year-end and subsequent to the year-end, including examination of credit notes issued after the year end to determine whether revenue was recognised in the correct period.

Information other than financial statements (Other Information)

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report but does not include the consolidated financial statements, standalone financial statements and our auditor's report thereon. The other information is expected to be made available to us after the date of this auditor's report.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the other information, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective management and Boards of Directors of the companies included in the Group are responsible for assessing the ability of the respective entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective management either intend to liquidate their respective entities or to cease operations, or have no realistic alternative but to do so.

The respective Boards of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls with reference to financial statements and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

• Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report that:

(a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

(b) In our opinion, proper books of account as required by law have been kept by the group so far as it appears from our examination of those books except for the matter stated in paragraph 1(i)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.

(c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of the preparation of the consolidated financial statements.

(d) In our opinion, the aforesaid consolidated financial statements comply with the Indian Accounting Standards prescribed under Section 133 of the Act.

(e) On the basis of the written representations received from the directors of the Holding Company and subsidiary company as on 31st March, 2024 taken on record by the Board of

Directors of the Holding Company and its subsidiary respectively, none of the directors is disqualified as on 31st March, 2024 from being appointed as a director in terms of Section 164 (2) of the Act.

(f) The modification relating to the maintenance of accounts and other matters connected there with are as stated in paragraph 1(b) above and paragraph 1(i)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.

(g) With respect to the adequacy of the internal financial controls with reference to the consolidated financial statements and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".

(h) In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Holding Company to its directors is in accordance with the provisions of Section 197 of the Act read with Schedule V of the Companies Act,2013 except for managerial remuneration aggregating to Rs.12.00 Lakhs for which holding company is in the process of obtaining necessary approvals in the ensuing AGM. Subsidiary Company has not paid any managerial remuneration to its directors.

(i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. The Group does not have pending litigations which would impact on its financial position in its consolidated financial statements;
- ii. The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
- iii. The Holding Company has not transferred Rs. 0.67 Lakh, which were required to be transferred to the Investor Education and Protection Fund by the Company. There are no amounts required to be transferred to the Investor Education and Protection fund by the Subsidiary Company;
- iv. (a) The respective Management of the Holding Company and its subsidiary have represented (Refer Note 36 of the consolidated financials statements) that, to the best of their knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Holding Company or its subsidiary to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Holding Company or its subsidiary ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(b) The respective Management of the Holding Company and its subsidiary have represented (Refer Note 36 of the consolidated financials statements) that, to the best of their knowledge and belief, no funds (which are material either individually or in the

aggregate) have been received by the Holding Company or its subsidiary from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Holding Company or its subsidiary shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances performed by us on nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement

- v. The Holding Company and Subsidiary Company has not declared or paid any dividend during the year.
- vi. Based on our examination which included test checks, the holding company has enabled the feature of recording audit trail (edit log) facility w.e.f April 1, 2023 and the same has operated throughout the year since then for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with. However, the accounting software used by the Company has not been enabled with the feature of audit trail log at the server or database to log direct file level changes. Subsidiary Company has not enables the feature of recording audit trail (edit log) facility w.e.f April 1, 2023.

2. With respect to the matters specified in paragraphs 3(xxi) and 4 of the Companies (Auditor's Report) Order, 2020 (the "Order"/ "CARO") issued by the Central Government in terms of Section 143(11) of the Act, to be included in the Auditor's report, according to the information and explanations given to us, and based on the CARO reports issued by us for the Company and its subsidiary included in the consolidated financial statements of the Company, to which reporting under CARO is applicable, we report that there are no qualifications or adverse remarks in these CARO reports.

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1(g) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls with reference to Consolidated Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

Opinion

We have audited the internal financial controls with reference to the consolidated financial statements of Anjani Foods Limited ("the Holding Company") and its subsidiary company as of 31st March, 2024 in conjunction with our audit of the consolidated financial statements of the Holding Company and its subsidiary company for the year ended on that date.

In our opinion, to the best of our information and according to the explanations given to us, the holding Company and its subsidiary company have in all material respects, an adequate internal financial controls system with reference to the consolidated financial statements and such internal financial controls with reference to the consolidated financial statements were operating effectively as at 31st March, 2024, based on the internal control over financial reporting criteria established by the Holding company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Management's Responsibility for Internal Financial Controls

The respective management of the Company's included in the group are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Holding Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Inherent Limitations of Internal Financial Controls with reference to the consolidated financial statements

Because of the inherent limitations of internal financial controls with reference to the consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to the consolidated financial statements to future periods are subject to the risk that the internal financial control with reference to the consolidated financial statements to the consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Auditor's Responsibility

Our responsibility is to express an opinion on the Holding Company's internal financial controls with reference to the consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to the consolidated financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to the Consolidated Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to the consolidated financial statements included obtaining an understanding of internal financial

controls with reference to the consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Group's internal financial controls system with reference to the consolidated financial statements.

Meaning of Internal Financial Controls with reference to the consolidated financial statements

A Company's internal financial control with reference to the consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to the consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED MARCH 31, 2024

1. Group Information

Anjani Foods Limited was incorporated on June 25, 1983 having registered office in Bhimavaram, West Godavari District, Andhra Pradesh. The parent company is listed on the Bombay Stock Exchange (BSE). The Group is into the business of Production and Sale of Bakery Products. Senta Foodwork Private Limited is the subsidiary company (together referred to as Group).

2. Material Accounting Policies

This note provides a list of the significant accounting policies adopted in the preparation of the financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

a) Statement of Compliance

The financial statements have been prepared in accordance with the Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time, notified under section 133 of the Companies Act, 2013, ("Act") and other relevant provisions of the Act.

b) Basis of preparation

The consolidated financial statements (hereinafter referred to as 'consolidated

financial statements') have been prepared in accordance with the Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time, notified under section 133 of the Companies Act, 2013, (""Act"") and other relevant provisions of the Act. "

The consolidated financial statements have been prepared on a going concern basis. The accounting policies are applied consistently to all the periods presented in the consolidated financial statements except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires change in accounting policy hitherto in use.

The consolidated financial statements were approved for issue by the Board of Directors on 29th May, 2024.

c) Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable, net of returns and allowances, trade discounts and volume rebates.

The Group recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the entity and specific criteria have been met for each of the Group's activities as described below.

a) Sale of products

"Timing of recognition - Revenue from sale of products is recognised when significant risks and rewards in respect of ownership of products are transferred to customers based on the terms of sale.

Measurement of revenue - Revenue from sales is based on the price specified in the sales, net of all discounts and returns at the time of sale."

b) Dividend income is recognized when right to receive payment is established.

c) Interest income is recognized on time proportion basis taking into account the amount outstanding and the rate applicable.

d) Income tax

Current income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date in the countries where the Group operates and generates taxable income.

Current income tax relating to items recognised outside profit or loss is recognised in outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate."

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax liabilities are recognised for all taxable temporary differences.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized."

"The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates and tax laws that have been enacted or substantively enacted at the reporting date. Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

e) Financial Instruments

Financial assets and financial liabilities are recognised when the Group becomes a party to the contractual provisions of the instrument. Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

Financial Assets

(i) Financial assets carried at amortised cost

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest

ed tax other comprehensive income

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Further, in case where the Group has made an irrevocable selection based on its business model, for its investments which are classified as equity instruments, the subsequent changes in fair value are recognized in other comprehensive income.

on the principal amount outstanding.

(ii) Financial assets at fair value through

(iii) Financial assets at fair value through profit or loss

A financial asset which is not classified in any of the above categories are subsequently fair valued through profit or loss.

(iv) The Group recognizes loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other financial assets, expected credit losses are measured at an amount equal to the 12month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognised is recognized as an impairment gain or loss in statement of profit or loss.

Financial liabilites

Financial liabilities are subsequently carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate the fair value due to the short maturity of these instruments.

Derecognition of financial instruments

The Group derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Group's balance sheet when the obligation specified in the contract is discharged or cancelled or expires.

Fair value of financial instruments

In determining the fair value of its financial instruments, the Group uses a variety of methods and assumptions that are based on market conditions and risks existing at each reporting date. The methods used to determine fair value include discounted cash flow analysis, available quoted market prices and dealer quotes. All methods of assessing fair value result in general approximation of value, and such value may or may not be realized.

Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Group or the counterparty.

f) Inventories

Raw materials, finished goods are stated at the lower of cost and net realizable value. Cost of raw materials comprise of cost of purchase. Cost of finished goods comprises direct materials, direct labour and an appropriate proportion of variable and fixed overhead expenditure, the later being allocated on the basis of normal operating capacity. Cost of inventories also include all other cost incurred in bringing the inventories to their present location and condition. Costs are assigned to individual items of inventory on weighted average basis. Costs of purchased inventory are determined after deducting rebates and discounts. Net realizable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

g) Property, plant and equipment

"Freehold land is carried at historical cost. Property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. The carrying amount of any component accounted for as separate asset is derecognized when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred."

Depreciation/Amortisation methods, estimated useful lives and residual value

Depreciation is calculated using the straightline basis at the rates arrived at based on the useful lives prescribed in Schedule II of the Companies Act, 2013. The Group follows the policy of charging depreciation on pro-rata basis on the assets acquired or disposed off during the year.

The residual values are not more than 5% of the original cost of the asset. The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period. An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount. Gains or losses on disposal are determined by comparing proceeds with carrying amount.

h) Intangible assets

(i) Recognition

Intangible assets are recognised only when future economic benefits arising out of the assets flow to the enterprise and are amortised over their useful life.

(ii) Amortization methods and periods

The Group amortizes intangible assets on a straight line method over their estimated useful life. Computer Software is amortised over a period of five years."

i) Leases

The Group determines whether an arrangement contains a lease by assessing whether the fulfilment of a transaction is dependent on the use of a specific asset and whether the transaction conveys the right to use that asset to the group in return for payment. Where this occurs, the arrangement is deemed to include a lease and is accounted for either as finance or operating lease.

The Group as lessee

Operating lease – Rentals payable under operating leases are charged to the statement of profit and loss on a straight line basis over the term of the relevant lease unless another systematic basis is more representative of the time pattern in which economic benefits from the leased asset are consumed.

j) Borrowing costs

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalized during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale. Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing cost eligible for capitalization.Other borrowings costs are expensed in the period in which they are incurred.

m) Provisions, Contingent liabilities and Contingent assets

"Provisions for legal claims and returns are recognised when the Group has a present legal or constructive obligation as a result of past event, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provisions due to the passage of time is recognized as interest expense."

A present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made, is disclosed as a contingent liability. Contingent Liabilities are also disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or nonoccurence of one or more uncertain future events not wholly within the control of the Group.

Contingenet assets are not recognized in financial statements since this may result in the recognition of income thay may never be realised. However, when the realisation of income is virtually certain, then the related asset is not a contingent assets and is recognised.

n) Employee benefits

(i) Short-term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognized in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

(ii) Other long-term employee benefit obligations

The liabilities for earned leave is not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured at the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligations. Remeasurements as a result of the experience adjustments and changes in actuarial assumptions are recognized in profit or loss.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur."

(iii) Post-employment obligations

The Group operates the following postemployment schemes:

(a) Defined benefit plans such as gratuity; and

(b) Defined contribution plan such as providentfund"

Gratuity obligations

The liability or assets recognized in the balance sheet in respect of gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognized immediately in profit or loss."

Defined contribution plans

The Group pays provident fund contributions to publicly administered funds as per local regulations. The Group has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognized as employee benefit expense when they are due."

(iv) Bonus plans

The Group recognizes a liability and an expense for bonuses. The Group recognizes a provision where contractually obliged or where there is a past practice that has created a constructive obligation.

o) Contributed equity

Equity shares are classified as equity. Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds.

p) Earning per share

The basic earnings per share is computed by dividing the profit/(loss) for the year attributable to the equity shareholders by the weighted average number of equity shares outstanding during the year. For the purpose of calculating diluted earnings per share, profit/(loss) for the year attributable to the equity shareholders and the weighted average number of the equity shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

q) Rounding of amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III, unless otherwise stated.

v) Standards issued but not yet effective

There is no such notification applicable from April 1, 2024.

3. Critical estimates and Judgements

The preparation of financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. Management also needs to exercise judgement in applying the Group's accounting policies.

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

Estimates and judgements are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Group and that are believed to be reasonable under the circumstances. (c) Terms/Rights attached to equity shares

The Holding Company has only one class of equity shares having face value of Rs 2/- each. Each holder of equity share is entitled to one vote per share. The holding company declares and pays dividend in Indian Rupees. The dividend proposed by the Board of Directors is subject to approval of the shareholders in the ensuing Annual General Meeting. In the event of liquidation of the company, the equity shareholders will be entitled to receive remaining assets of the company, after distribution of all preferential amounts. The distribution will be proportion to the number of equity shares held by the shareholders.

Current maturities of long term debt	175.67	145.46
Unsecured Loans		
Loan from directors	72.30	72.30
TOTAL	427.63	391.06

The Company has availed its fund based working capital requirements from Indian Bank. Cash credit limits utilised as at the year end along with total working capital limits sanctioned by the bank is in the table given below:

Daula	Nature of	Limit a	as at	Balance	es as at
Bank	borrowing	Mar 31, 2024	Mar 31, 2023	Mar 31, 2024	Mar 31, 2023
Indian Bank	Cash Credit	180.00	180.00	179.66	72.30

The loans are repayable on demand which are secured on pari-passu basis by hypothecation of the Company's raw materials, finished goods and book debts, present and future. Second charge by way of hypothecation on factory land and building and Personal Guarantee of Directors. The loan carries floating rate of interest and interest rate as on March 31, 2024 is 9.65% p.a.

17.2. Trade payables

Particulars	March 31, 2024	March 31, 2023
Dues to micro enterprises and small enterprises (Refer Note below)	21.78	35.21
Dues to creditors other than micro enterprises and small enterprises	434.78	328.33
TOTAL	456.56	363.54

Disclosures required under Section 22 of the Micro, Small and Medium Enterprises Development Act, 2006

Particulars	As at March 31, 2024	As at March 31, 2023
 Principal amount and the interest due thereon remaining unpaid to each supplier at the end of accounting year 		
Principal amount	21.67	35.20
Interest due	0.11	0.01
ii) Amount of interest paid by the Company under MSMED Act, 2006 along with the amounts of the payment made to the supplier beyond the appointed day during the accounting year	11.61	20.39
iii) Amount of interest due and payable for the period of delay in making payment (which has been paid but beyond the appointed day during the year) but without adding the interest specified under the MSMED Act, 2006.	0.28	0.01
iv) Amount of interest accrued and remaining unpaid at the end of accounting year	0.11	0.01
v) Amount of further interest remaining due and payable even in the succeeding year, until such date when the interest dues as above are actually paid to the small enterprises, for the purpose of disallowance of a deductible expenditure under section 23 of MSMED Act, 2006.	-	-

Dues to Micro enterprises and Small Enterprises have been determined to the extent such parties have been identified on the basis of information collected by the Management.

TOTAL	1,389.46	1,342.80

Note - 27 - Employee Benefits

i. Leave obligations

The leave obligation covers the Company's liability for earned leave which is unfunded.

ii. Defined contribution plans

The Group has defined contribution plans namely Provident fund. Contributions are made to provident fund at the rate of 12% of basic salary as per regulations. The contributions are made to registered provident fund administered by the Government. The obligation of the Group is limited to the amount contributed and it has no further contractual nor any constructive obligation. The expense recognised during the year towards defined contributions plan is as follows:

Particulars	March 31, 2024	March 31, 2023
Group's contribution to	28.80	26.97
provident fund		

iii. Post- employment obligations

Gratuity : The Group provides for gratuity for employees as per the Payment of Gratuity Act, 1972. The amount of gratuity payable on retirement/termination is the employees last drawn basic salary per month computed proportionately for 15 days salary multiplied for the number of years of service. The Holding Company operates post retirement gratuity plan with LIC of India. The present value of obligation is determined based on actuarial valuation using the Projected Unit Credit Method, which recognises each period of service giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation. The obligation of leave encashment is recognised in the same manner as gratuity.

144 | Annual Report 2023-24

The following table sets out the amounts recognised in the financial statements in respect of gratuity plan

Particulars	March 31, 2024	March 31, 2023
Change in defined benefit obligations:		
Obligation at the	56.58	43.20
beginning of the year		
Current service costs	8.03	7.59
Past service cost -		2.21
Interest costs	4.39	2.86
Remeasurement (gains)/losses	(3.06)	8.93
Benefits paid	3.98	8.22
Obligation at the end of the year	61.95	56.58
Change in plan assets:		
Fair value of plan assets at the beginning of the year	5.76	7.20
Interest income	0.35	0.45
Remeasurement (gains)/losses	0.25	(0.09)
Employer's contributions	1.89	6.24
Benefits paid	3.98	8.22
Fair value of plan assets at the end of the year	3.77	5.76
Expenses recognised in the statement of profit and loss consists of:		
Employee benefits expense:		
Current service costs	8.03	7.59
Past service cost -		2.21
Net interest expenses	3.75	2.41
	11.78	12.21
Other comprehensive (income)/loss:		-
(Gain)/Loss on Plan assets	-	-
Actuarial (gain)/loss arising from changes in financial assumptions	2.71	9.77
Actuarial (gain)/loss arising from		
changes in experience adjustments	(5.52)	(0.93)
	(2.81)	8.84
Expenses recognised in the statement of profit and loss	8.97	21.05

Amounts recognised in the balance sheet consists of

Particulars	March 31, 2024	March 31, 2023
Fair value of plan assets at the end of the year	3.77	5.76
Present value of obligation at the end of the year	61.95	56.58
Recognised as		
Retirement benefit liability - Non-current	51.57	45.32
Retirement benefit liability - current	6.61	5.50

Fair value of plan assets - 100% with LIC of India

iv. Significant estimates and sensitivity analysis

	Defined benefit obligation							
Particulars	Key assumptions Increase		e in assump	tion by	Decrease	e in assumpt	ion by	
	March 31, 2024	March 31, 2023	Rate	March 31, 2024	March 31, 2023	Rate	March 31, 2024	March 31, 2023
Discount rate	7.23%	7.51%	1%	11.21	(0.14)	1%	2.87	-3.83
Salary growth rate	5.00%	5.00%	1%	(2.07)	7.50	1%	14.92	5.06
Attrition rate	2.00%	2.00%	1%	3.93	3.71	1%	10.78	1.61

The sensitivity of the defined benefit obligation to changes in key assumptions is:

The above sensitivity analysis is based on a change in each assumption while holding all other assumptions constant. In practice, this is unlikely to occur and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions, the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the defined benefit liability recognised in the balance sheet.

v) Risk exposure

Through its defined benefit plans, the Group is exposed to a number of risks, the most significant of which are detailed below:

Interest rate risk:

The defined benefit obligation calculated uses a discount rate based on government bonds. If bond yields fall, the defined benefit obligation will tend to increase.

Salary inflation risk:

Higher than expected increases in salary will increase the defined benefit obligation.

Demographic risk:

This is the risk of variability of results due to unsystematic nature of decrements that include mortality, withdrawal, disability and retirement. The effect of these decrements on the defined benefit obligation is not straight forward and depends upon the combination of salary increase, discount rate and vesting criteria. It is important not to overstate withdrawals because in the financial analysis the retirement benefit of a short career employee typically costs less per year as compared to a long service employee.

28 . Financial instruments and risk management

Fair values

The carrying amounts of trade payables, other financial liabilities (current), borrowings (current), trade receivables, cash and cash equivalents, other bank balances and loans are considered to be the same as fair value due to their short term nature.

The fair value of financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

Set out below, is a comparision by class of the carrying amounts and fair value of the Group's financial instruments, other than those with carrying amounts that are reasonable approximation of fair values:

(i) Categories of financial instruments

		March 31, 2024		March 31, 2023	
Particulars	Level	Carrying amount	Fair value*	Carrying amount	Fair value*
Financial assets measured at amortised cost					
Non-current					
Investments	3	-	-	-	-
Other financial assets	3	38.94	38.94	34.68	34.68
Current					
Trade receivables	3	140.87	140.87	158.78	158.78
Cash and Cash Equivalents	3	31.36	31.36	24.79	24.79
Other bank balances	3	9.07	9.07	9.78	9.78
Loans	3	-	-	13.72	13.72
Other financial assets	3	46.80	46.80	36.02	36.02
Total		267.04	267.04	277.78	277.78
Financial liabilities					
Measured at amortised cost					
Non-current					
Borrowings	3	459.51	459.51	455.89	455.89
Other financial liabilities	3	11.01	11.01	1.62	1.62
Current				-	-
Borrowings	3	427.63	427.63	391.07	391.07
Trade Payables	3	456.56	456.56	363.54	363.54
Other Financial Liabilities	3	136.62	136.62	126.75	126.75
Total		1,491.33	1,491.33	1,338.86	1,338.86

*Fair value of instruments is classified in various fair value hierarchies based on the following three levels:

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques, which maximise the use of observable market data and rely as little as possible on entity specific estimates. If significant inputs required to fair value an instruments are observable, the instrument is included in Level 2.

Level 3: If one or more of the significant inputs are not based on observable market data, the instruments is included in level 3.

Management uses its best judgement in estimating the fair value of its financial instruments. However, there are inherent limitations in any estimation technique. Therefore, for substantially all financial instruments, the fair value estimates presented above are not necessarily indicative of the amounts that the Group could have realized or paid in sale transactions as of respective dates. As such, the fair value of financial instruments subsequent to the reporting dates may be different from the amounts reported at each reporting date. In respect of investments as at the transaction date, the Group has assessed the fair value to be the Realisable Value.

29. Financial risk management

The Group is exposed to market risk (fluctuation in foreign currency exchange rates, price and interest rate), liquidity risk and credit risk, which may adversely impact the fair value of its financial instruments. The Group assesses the unpredictability of the financial environment and seeks to mitigate potential adverse effects on the financial performance of the Group.

(A) Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises of currency risk, interest rate risk and price risk. Financial instruments affected by market risk include loans and borrowings, trade receivables and trade payables.

i) Foreign currency exchange rate risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Group's exposure to the risk of changes in foreign exchange rates relates primarily to the Group's operating activities(when revenue or expense is denominated in a foreign currency). The exposure of entity to foreign currency risk is Nil as on Balance Sheet date.

ii) Interest rate risk

"Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of change in market interest rates. The Group's exposure to the risk of changes in market interest rates relates primarily to the Group's debt obligations with floating interest rates. As the Group has certain debt obligations with floating interest rates, exposure to the risk of changes in market interest rates are dependent of changes in market interest rates. Management monitors the movement in interest rate and, wherever possible, reacts to material movements in such rates by restructuring its financing arrangement.

As the Group has no significant interest bearing assets, the income and operating cash flows are substantially independent of changes in market interest rates."

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected. With all other variables held constant, the Group's profit before tax is affected through the impact on floating rate borrowings, as follows:

Particulars	Increase/(decrease) in profit before tax		Increase/(decr componen	rease) in other ts of equity
r ai ticulai s	March 31, 2024	March 31, 2023	March 31, 2024	March 31, 2023
Change in interest rate				
increase by 1%	(6.44)	(6.35)	(6.44)	(6.35)
decrease by 1%	6.44	6.35	6.44	6.35

The assumed increase/(decrease) in interest rate for sensitivity analysis is based on the currently observable market environment.

B) Credit Risk

Credit risk is the risk arising from credit exposure to customers, cash and cash equivalents held with banks and current and non-current held-to maturity financial assets.

With respect to credit exposure from customers, the Group has a procedure in place aiming to minimise collection losses. Credit Control team assesses the credit quality of the customers, their financial position, past experience in payments and other relevant factors. Cash and other collaterals are obtained from customers when considered necessary under the circumstances.

The carrying amount of trade receivables, loans, advances, deposits, cash and bank balances and bank deposits represents Group's maximum exposure to the credit risk. No other financial asset carry a significant exposure with respect to the credit risk. Bank deposits and cash balances are placed with reputable banks and deposits are with reputable government, public bodies and others.

The credit quality of financial assets is satisfactory, taking into account the allowance for credit losses.

The Group's exposure to credit risk is influenced mainly by the individual characteristics of each customer. However, management also considers the factors that may influence the credit risk of its customer base, including default risk associate with the industry and country in which customers operate. Credit quality of a customer is assessed based on an extensive credit rating scorecard and individual credit limits are defined in accordance with this assessment.

An impairment analysis is performed at each reporting date on an individual basis for major receivables. In addition, a large number of minor receivables are grouped into homogenous groups and assessed for impairment collectively. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets.

i. Credit risk on cash and cash equivalents and other bank balances is limited as the Group generally invest in deposits with banks with high credit ratings assigned by external agencies.

ii. Credit risk on trade receivables and other financial assets is evaluated as follows:

(i) Expected credit loss for trade receivable under simplified approach:

Particulars	March 31, 2024	March 31, 2023
Gross carrying amount	141.54	158.78
Expected credit losses (Loss allowance provision)''	(0.67)	-
Carrying amount of trade receivables	142.21	158.78

Expected credit loss for financial assets where general model is applied

The financial assets which are exposed to credit are loans, employee advances.

Particulars	March 31, 2024	March 31, 2023
Asset group	Estimated gross carrying amount at default	Estimated gross carrying amount at default
Gross carrying amount		
Loans	-	13.72
Employee advances	22.07	17.80
	22.07	273.45
Expected credit losses	-	-
Net carrying amount		
Loans	-	13.72
Employee advances	22.07	17.80
Total	22.07	273.45

ii. Reconciliation of loss allowance provision

Particulars	Trade receivables
Loss allowance as at March 31, 2023	-
Changes in loss allowance during)the period of 2023-24	(0.67)
Loss allowance as at March 31, 2024	(0.67)

iii. Significant estimates & judgements

Impairment of financial assets:

The impairment provisions for financial assets disclosed above are based on assumptions about risk of default and expected loss rates. The Group uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on the Group's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

(C) Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and the availability of funding to meet obligations when due and to close out market positions. Group's treasury maintains flexibility in funding by maintaining availability under deposits in banks.

Management monitors cash and cash equivalents on the basis of expected cash flows.

i. Financing arrangements:

The Group had access to the following undrawn borrowing facilities at the end of the reporting period.

	As at		
Particulars	March 31, 2024	March 31, 2023	
Expiring within one year (bank overdraft and other facilities)	180.00	180.00	

ii. Maturities of Financial liabilitiesContractual maturities of financial iabilities as at:

Particulars	Less than	31, 2024 More than 12 months
Borrowings	427.63	459.51
Trade Payables	456.56	-
Other Financial Liabilities	136.62	11.01
Total	1,020.81	470.52
Particulars	Less than	31, 2023 More than 12 months
Particulars Borrowings	Less than	More than
	Less than 12 months	More than 12 months
Borrowings	Less than 12 months 391.06	More than 12 months

(iii) Management expects finance cost to be incurred for the year ending March 31,2025 is Rs. 76.18 Lakhs.

30. Capital management

A. Capital management and Gearing Ratio

For the purpose of the Group's capital management, capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders. The primary objective of the Group's capital management is to maximise the shareholder value.

The Group manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. The Group monitors capital using a gearing ratio, which is debt divided by total capital. The Group includes within debt, interest bearing loans and borrowings.

Particulars	March 31, 2024	March 31, 2023
Borrowings		
Current	427.63	391.06
Non current	459.51	455.89
Debt	887.14	846.95
Equity		
Equity share capital	558.98	558.98
Other equity	881.72	745.74
Total capital	1,440.70	1,304.72
Gearing ratio in % (Debt/ capital)	62%	65%

In order to achieve this overall objective, the Group's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings.

No changes were made in the objectives, policies or processes for managing capital during the year ended 31 March 2024 and 31 March 2023.
