MESSAGE FROM MANAGING DIRECTOR

Greetings Dear Shareholders,

It's my pleasure to communicate with you once again. Would like to take this opportunity to congratulate everyone for the successful migration of Your Company from the BSE SME Board to the BSE Main Board. This is a huge accomplishment and am sure it did make all very proud and happy. This could not be possible without the support of the shareholders.

After migration and listing on 25th January 2024, this is our first AGM.

The FY 2023-2024 has been very challenging for the Entertainment sector. The good news is that there are signs of

recovery as compared to the turbulent previous year. Worldwide Theatrical and TV is the lowest performer mainly due to bad content and onslaught from OTT. The consumer's behaviour being erratic with the shift in their preference to OTT. But this was mainly due to non-satisfactory content being produced for Cinema. Ad sales and consumption for TV is at its lowest as well.

Besides this there is consolidation between the big players in Entertainment Industry. Zee Tv – Sony merger, Disney – Star TV merger and subsequent on going acquisition of Disney / Star TV by Reliance Jio. Due to this there is a decision making paralysis within the big players causing a tremendous slowdown in content acquisition and localization business. Despite this slowdown, Your Company has performed well. We strategized our business plans to concentrate more on Localization business as we had foreseen a great demand for Localized content in such an eventuality, being extra cautious, play small with reduced costs and test waters rather than be aggressive and repent later.

Building New Associations in FY 2023 -2024

Our associations with long standing partners / clients in Localization are firmly in place with renewed contracts for dubbing in various Indian Languages. Besides our regular partners we have associated with new You tubers, a new trend in content localization. Though low on budget, the big volumes did help in maintaining our goals to an extent.

VROTT<> Amazon Prime integration has been very steady with good performance.

VROTT <> Tata Play Binge integration, another milestone last year, has been maintained with the client being happy on the response to VROTT from the 5 million subscriber base of Tata Play Binge.

VROTT<> BOOK MY SHOW / STREAMS, a transactional VOD platform which is at a nascent stage but a potential revenue earner.

VROTT<> OTTPLAY a new association created will add more value and exposure.

Being aware the above consolidations would be time consuming, we preferred to build more associations and create visibility this year without spends on marketing to overcome the low in the Entertainment sector.

These associations helped retain our premium position in the market space providing financial stability and growth for Your Company. Our Strategy to curb spends on Marketing and integrating with above big players did go a long way to help Your Company in generating revenues and attain a respectable market size.

This helped us recover the reported 18% loss in 1st half of FY 2023 to a marginal loss of 5% for the FY 2023 - 2024. This could have been a profit but due to decision paralysis within the clients certain projects were put

V R FILMS & STUDIOS LIMITED

on hold / delayed.

Outlook for Year 2024 - 2025 -----SCALE UP

2024 - 2025 is the year to be aggressive with integrations, associations and syndications. While the big players consolidate, we will focus on building new associations and service partners for Localization and scale up the business.

Dubbing / Localization, our strategy of competitive costs with our existing partners and addition of Jio Cinema we are expecting to increase our revenues gradually by approx. 50 - 60 % or more.

We are focusing on building a revenue stream from advertising on VROTT with associations with Telecoms like Jio and Airtel who have more than 350 million subscriber base. We are positive this will help scale up revenues multifold for your Company. We are in talks with some leading Advertising agencies as well for an association to create ad revenues on OTT platform.

We are aggressively looking at syndication of our content with various platforms and media to generate additional revenue as well. There is a huge appetite for content and we will be pushing this revenue stream to the fullest.

As we speak, a few associations are being negotiated which when materialized could result in exponential growth.

With this aggressive approach for expansion in Distribution network, Your Company should be able to scale up operations multi fold and generate profit in the coming years.

Having declared a 7:1 bonus for the shareholders, we are happy to have created wealth for our shareholders. The positive outlook can be gauged by the fact that maximum of the shareholders have remained committed to the company and have refrained from exiting their faith in the Company and the Management itself. Your Company and the Management highly appreciates our investors strong belief in us and is thankful for recognizing our hard work and belief.

We will continue in our efforts in transforming the company to a vibrant energetic company with focus on building strong fundamentals and high growth targeted at creating shareholder wealth. With the Dubbing vertical well established on a growth model, Your Company will be aggressive in the Digital segment in times to come and VROTT - Global ka Local will soon be a Global player in the OTT space with SVOD and AVOD models.

Would like to end this speech with Best Wishes to all.

Take Care and Be Safe.

MESSAGE FROM WHOLE-TIME DIRECTOR

Dear Partners,

Greetings...always a pleasure to connect again.

On the onset, many congratulations to us all on the successful migration to BSE Main Board. Sincerely hope to do wonders there, together.

Challenges have now become a regular since the past few years and FY 2023-24 was no different. Changing dynamics for many of our business partners among leading Broadcasters and Content owners, affected us as well. Still determined, we at VR Films faced them...and among the other uncertainties stood our ground, concentrating on our goals and deliverables.

We closed FY 2023-24 with the topline at Rs.12.62 crores, an 8% increase compared to previous fiscal, but the loss which we incurred throughout this year we could minimize the 18% loss of the first half to 5% at the end of March 2024.

Dubbing vertical kept its strength in the face of tough competition and continued to do well. Our clients – Broadcasters, Aggregators and Content owners, who themselves were facing many challenges worldwide, some being in the midst of mergers, continued to avail our dubbing services. Their faith in our quality dubs and impeccable services helped the business grow. The demand for International Content in our region in Indian Languages kept increasing. We would have done much better but circumstantial changes for some of our regular clients unexpectedly affected the dubbing orders from their end. Thankfully their situation has started to stabilize now. For us this vertical shall continue to grow in times ahead, with existing clients and many more prospective new ones with whom we are in talks with. Demands from the growing OTT space will add to the Dubbing revenues.

VROTT withstood all the competition and tough times faced by the OTT segment. With its strong USP of “Global ka Local”, VROTT outshone on the OTT space in India with its exotic content from world over, made available to the Indian subscribers every fortnight through exclusive premieres in Hindi, Tamil, Telugu and Original language. VROTT had an integration with OTT Play and continued its association with Amazon Prime, Tata Play Binge and Book my Show, all expressing delight with the response to their association with VROTT majorly because of its unique, entertaining content. We too benefitted from exposure to millions of subscribers without any additional costs and this strengthened our belief in our strategy to associate with these giants.

FY 2024-25, for sure looks more promising than the previous fiscal.

This fiscal will have more associations where Dubbing and VROTT are concerned, as we strategize to “Scaling Up”. We are in the process of bringing in new clients to meet their Dubbing demands.

VROTT will continue to have more associations with other leading OTT Players across their various VODs, including the largest player in India – Jio Cinema. This will lead to a wider exposure to millions of OTT subscribers. VROTT, along with its existing SVOD will get into AVOD space too.

We are also in process to have Syndications for our acquired content in original and dubbed versions across TV and DTH platforms.

We continue to acquire new content from many internationally renowned companies in different languages of this world. To our existing list of content owners, we have added more, to acquire, dub and offer a wider variety in terms of entertainment to the subscribers. Innovative content with high production value continues to remain the criteria of selection.

V R FILMS & STUDIOS LIMITED

TV platforms off late have shown some movement towards acquiring content from independents like us and we continue to monitor this development. Theatrical platform unfortunately shows no revival for us yet.

I end this note with lots of hope for a fruitful FY 2024-25 and extend my heartiest greetings to you all for the upcoming festive season.

Wishing you and your loved ones the very best of everything in life.

Warm Regards,

Krishi Dutt

**ANNEXURE E TO THE DIRECTORS' REPORT****MANAGEMENT DISCUSSION AND ANALYSIS****INTRODUCTION:**

India's media and entertainment industry tends to outpace the nation's GDP growth. Last year, the industry grew over 8%, despite global headwinds. While traditional media, such as television and radio, continue to dominate the market reaching 800 and 400 million consumers respectively, digital has truly caught up, recording a reach of 600 million. While print, with a reach of 300 million, and cinema with 100 million, may appear smaller, they continue to remain essential in shaping the future of the industry.

The potential for growth is immense, and both digital and traditional media have significant headroom to scale in the years ahead.

As per FCCI ME report 2023, in 2024, digital media is poised for explosive growth, potentially overtaking television to become the leading segment of the M&E sector. This surge in digital media is forecasted to propel the M&E sector's growth to a 10% annual rate, crossing INR3 trillion (\$37.1 billion) by 2026.

Accessibility and affordability of the internet is driving the growth of the M&E sector. Ad-supported video on demand platforms have transformed viewership in India by providing easy and affordable access to live sporting events. The democratisation of content consumption will be further strengthened through supportive developments in the all-critical triad of infrastructure readiness, consumer market growth, and enabling public policies.

Key trends

All figures are gross of taxes (INR in billion) for calendar years | EY estimates

- ▶ The Indian M&E sector continued its growth trajectory; it grew by INR173 billion (8.1%) to reach INR2.32 trillion (US\$27.9 billion)
- ▶ While the sector was 21% above its pre-pandemic levels, television, print and radio still lagged their 2019 levels
- ▶ While television remained the largest segment, we expect digital media to overtake it in 2024
- ▶ We expect the M&E sector to grow 10.2% to reach INR2.55 trillion by 2024, then grow at a CAGR of 10% to reach INR3.08 trillion by 2026

Growth of INR173 billion was driven by new media

INR in billion (gross of taxes) | EY estimates

- ▶ Except for television, all M&E segments grew in 2023
 - ▶ The growth of INR173 billion was half of the INR371 billion growth that took place in 2022, mainly due to headwinds in advertising during the first half of the year
 - ▶ New media (digital and online gaming) grew the most, providing INR122 billion of the total growth, and consequently, increased its contribution to the M&E sector from 20% in 2019 to 38% in 2023
- The share of traditional media (television, print, filmed entertainment, live events, OOH, music, radio) stood at 57% of M&E sector revenues in 2023, down from 76% in 2019
- Experiential (outside the home and interactive) segments continued their strong growth in 2023, and consequently, online gaming, filmed entertainment, live events and OOH media segments grew at a combined 18%, contributing 48% of the total growth.

- ▶ **Television:** Television advertising fell 6.5% due to a slowdown in spending by gaming and D2C brands, which impacted revenues for premium properties. The HSM market was also soft, resulting in a 3% overall ad volume de-growth. Subscription revenue grew after three years of fall on the back of price increases, though pay TV homes fell by two million. While linear viewership grew 2% over 2022, 19 to 20 million smart TVs connected to the internet each week, up from around 10 million in 2021
- ▶ **Digital advertising:** Digital advertising grew 15% to reach INR576 billion, or 51% of total advertising revenues. Included in this is advertising by SME and long-tail advertisers of over INR200 billion and advertising earned by e-commerce platforms of INR 86billion.
- ▶ **Digital subscription:** Digital subscription grew 9% to reach INR78 billion. This was a third of 2022's 27% growth, as premium cricket properties were moved in front of paywalls. Paid video subscriptions reduced by two million in 2023 to 97 million, across 43 million households in India. Paid music subscriptions grew from 5 million to 8 million, generating INR3 billion while online news subscriptions generated INR 2 billion.
- ▶ **Online gaming:** The segment's growth slowed to 22% in 2023 to reach INR220 billion. It overtook filmed entertainment to become the fourth largest segment. There were over 450 million online gamers in India, of which around 100 million played daily. We estimate over 90 million gamers paid to play; real money gaming comprised 83% of segment revenues. Impact of a higher GST levy was largely absorbed by larger players, impacting margins, but protecting growth
- ▶ **Film:** The segment grew 14% to reach INR197 billion. Over 1,796 films were released in 2023, and theatrical revenues reached an all-time high of INR120 billion. Number of screens grew 4% and fewer films released directly on digital platforms. 339 Indian films were released overseas
- ▶ **Animation and VFX:** The Hollywood writers' strike impact global supply chains, and consequently, the segment grew just 6% in 2023. Potential mergers and falling ad revenues also reduced the slate of animated content produced for broadcast in India. A revival in demand in the second half of the year led to growth, boosted by the trend of using more VFX in Indian content

- ▶ Across segments, subscription was focused on the top-end of the consumer pyramid, which resulted in a heavily concentrated subscription base. We estimate that the top 40 to 50 million households are powering most digital and film subscriptions, while online gaming and print have a wider audience of between 70 and 85 million homes, and TV has the largest reach at 118million homes.

Demand for content in multiple Indian languages presented an opportunity for high-quality localization services

- ▶ Since the pandemic, the audience for English SVOD content in the country skyrocketed by 124%, primarily due to the dubbing of English content into Indian languages; 46% of viewers consumed content in their native languages.
- ▶ BookMyShow Stream partnered with VROTT Studios to offer global catalogues in native Indian languages.
- ▶ Amazon miniTV launched ‘miniTV Imported’, which provides international content dubbed in Hindi.
- ▶ On an average, Netflix releases the audio for its top shows in 16 languages and subtitles them. Its local shows are also dubbed in up to seven languages.
- ▶ Prime Video garnered almost a third of its viewership from regional Indian titles. In aggregate, more than 60% of Prime Video’s viewership was anchored to local content.
- ▶ Localization is becoming more complex and strategic. Companies are now rethinking their operating models, planning localization from the inception of projects, and aiming for day-and-date multi-platform releases worldwide.

Future outlook

▶ The M&E sector will grow by INR763 billion to reach INR3.1 trillion in 2026

- ▶ The Indian M&E sector will grow at a CAGR of 10% and add INR763 billion in three years
- ▶ New media will provide 61% of this growth, followed by animation and VFX (9%) and television (9%)
- ▶ We expect all segments to grow, barring unforeseen situations, and so long as India’s GDP grows 5% or more

**INDEPENDENT AUDITORS' REPORT**

To,
The Members of
V R Films & Studios Limited

Report on the Audit of Financial Statements

1. We have audited the accompanying financial statements of **V R Films & Studios Limited** ("the Company") which comprise the Balance Sheet as at 31st March, 2024, the Statement of Profit and Loss and the Cash Flow Statement for the year ended on that date, and a summary of the significant accounting policies and other explanatory information.

Opinion

2. In our opinion and to the best of our information and according to the explanations given to us, the accompanying financial statements give the information required by the Companies Act 2013 ("the Act"), in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2024 and its profits and its cash flows for the year ended on that date.

Basis of Opinion

3. We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Key Audit Matters

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current year. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion there on, we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	Key Audit Matter	Auditor's Response
1	<p><u>Presentation of Balance sheet under IND AS</u></p> <p>Due to the migration of the company's stock from the SME platform to the main Board of the Bombay Stock Exchange the company was required to prepare the Balance sheet as per the IND AS format as required under Companies (Indian Accounting Standards (IND AS)) Rules 2015, notified by the Ministry of Company Affairs.</p> <p>We have considered the same as a key audit matter.</p>	<p><u>Principal Audit Procedures</u></p> <p>We have reviewed the accounting principles and policies adopted by the company for preparing the IND AS balance sheet including grouping of expenses under Other Comprehensive Income, measuring security deposits at Fair Value and grouping of assets and Liabilities under the Financial and Non-Financial categories and other aspects while finalizing the IND AS Balance sheet.</p>

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

5. The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

6. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including and cash flows of the Company in accordance with the accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Standalone Financial Statements

7. Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of

not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal & Regulatory Requirements

8. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure I a statement on the matters specified in paragraphs 3 and 4 of the Order.
9. (A) As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;

 - (b) no funds have been received by the company from any person(s) or entities, including foreign entities ("Funding Parties"),with the understanding that the such company shall whether directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the funding party (Ultimate Beneficiaries) or provide guarantee, security or the like on behalf of the Ultimate beneficiaries.
 - (c) Based on the audit procedures performed, we report that nothing has come to our notice that has caused us to believe that the representations given under sub-clause (i) and (ii) of Rule 11(e) by the management contain any material mis-statement.
 - v. Since the company has not declared or paid any dividend during the year, the question of commenting on whether dividend declared or paid is in accordance with Section 123 of the Act does not arise.
 - vi. Based on the audit procedures performed in terms of Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 for maintaining books of account using accounting software which has a feature of recording audit trail (edit log) facility with effect from 1st April 2023, we report that the company has maintained the books of accounts in the software which has a feature of recording audit trail of transactions entered in the software.
- (C) With respect to the matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act as amended:

V R FILMS & STUDIOS LIMITED

In our opinion and to the best of our information and according to the explanation given to us, the remuneration paid/payable by the Company to its directors during the year is in accordance with the provisions of Section 197 of the Act.

Annexure - II to the Independent Auditor's Report

(Referred to in paragraph 9(A)(f) under the heading of "Report on Other Legal and Regulatory Requirements" section of our report of even date)

Report on the Internal Financial Controls under clause (i) of Sub- section 3 of section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of V R Films & Studios Limited as of 31st March, 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by the Institute of Chartered Accountants of India and deemed to be prescribed u/s 143 (10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls system over financial reporting included obtaining an understanding of internal financial controls system over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depends upon the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transaction and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with

V R FILMS & STUDIOS LIMITED

generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

The date of transition is 01st April, 2022. Please refer to note 41 for detailed disclosure on the first time adoption of Ind AS.</p> <p>The Financial statements have been prepared as a going concern under the historical cost convention, except for the following assets & liabilities which has been measured at fair value amount.</p>
	The Financial statements are presented in Indian Rupees (₹) and all values are rounded to the nearest lakhs, except otherwise stated.
	Defined benefit plans- Plan assets (refer note 38).
	All the Assets & Liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria as set out in Ind AS 1 and schedule III to the said Act.

2.2 Classification of Current and Non- Current

The Company presents assets and liabilities in the Balance Sheet based on Current/ Non- Current

An asset is treated as current when it is:

- i) Expected to be realized or intended to be sold or consumed in normal operating cycle,
- ii) Held primarily for the purpose of trading,
- iii) Expected to be realized within twelve months after the reporting period, or
- iv) Cash or Cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- i) It is expected to be settled in normal operating cycle,
- ii) It is held primarily for the purpose of trading,
- iii) It is due to be settled within twelve months after the reporting period, or
- iv) There is no unconditional right to determine the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non – current.

2.7	Cash and cash equivalents				
	For the purpose of the statement of cash flows, cash and cash equivalents consist of cash on hand, short-term deposits with an original maturity of three months or less, other short term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.				
2.8	Retirement and other employee benefits				
	<u>Provident fund</u>				
	The Company makes contribution to statutory provident fund in accordance with Employees' Provident Fund and Miscellaneous Provisions Act, 1952. The plan is a defined contribution plan and contribution paid or payable is recognized as an expense in the period in which services are rendered by the employee.				
	<u>Defined benefit plans</u>				
	The Company operates a defined benefit gratuity plan in India. The cost of providing benefits under the defined benefit plan is determined on the basis of actuarial valuation using the projected unit credit method. Gratuity fund is administered through Life Insurance Corporation of India. Remeasurements, comprising of actuarial gains and losses, excluding amounts included in net interest on the net defined benefit liability are recognized immediately in the balance sheet. Remeasurements are not reclassified to profit or loss in subsequent periods.				
	<u>Other short term benefits</u>				
	Expense in respect of other short-term benefits including Leave encashment is recognized on the basis of amount paid or payable for the period during which services are rendered by the employees.				
2.9	Foreign Currencies Transactions and Translation				
	The Company's financial statements are presented in INR, which is also the Company's Functional Currency.				
	Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency closing rates of exchange at the reporting date. Exchange differences arising on settlement or translation of monetary items are recognised in Statement of Profit and Loss and costs that are directly attributable to the acquisition assets, are capitalized as cost of assets. Non-monetary items that are measured in terms of historical cost in a foreign currency are recorded using the exchange rates at the date of the transaction. Exchange differences arising out of these transactions are charged to the Statement of Profit and Loss. In case of an asset, expense or income where a non-monetary advance is paid/received, the date of transaction is the date on which the advance was initially recognised.				
2.10	Taxes on Income				
	Income Tax				
	Income tax expense represents the sum of current tax and deferred tax and includes any adjustments related to past periods in current and /or deferred tax adjustments that may become necessary due to certain developments or reviews during the relevant year. Current income tax is based on the taxable income and calculated using the applicable tax rates.				
	Deferred Tax				
	Deferred tax is provided using the Balance sheet method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for the financial reporting purposes at the reporting date. The carrying amount of deferred tax assets is reviewed at the end of reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised.				
	Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates and tax laws that have been enacted or substantively enacted at the reporting date. Current and deferred tax is recognised in Statement of profit or loss except to the extent that it relates to items recognised in other Comprehensive income or directly in Equity. In this case the tax is also recognised in other Comprehensive income or directly in Equity,				
	Deferred tax assets and liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.				

2.11 Revenue Recognition.				
Revenue from contracts with customers are recognised as per Ind AS 115 when control of the goods or services are transferred to the customers at the fair value of consideration received or receivable. The Company recognizes revenue when the same can be reliably measured, it is probable that future economic benefits will flow to the Company and specific criteria have been met for each of the Company's activities as described below. Revenue is measured at the value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.				
Amounts disclosed as revenue are exclusive of GST and net of returns, trade allowances, rebates, discounts, and amounts collected on behalf of third parties.				
Income from services				
Revenue from Dubbing Services and Sale of Distribution rights are recognized upon handing over the delivery of the distribution rights / Films to the customer. Revenue from contracts priced on a time material basis are recognized when services are rendered and related costs are incurred. Revenue is reported net of discounts & GST & other applicable taxes.				
Interest				
Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head "other income" in the Statement of profit and loss.				
2.12 Leases.				
The Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Group recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.				
2.13 Provisions				
A provision is recognized when the Company has a present obligation Legal or Constructive that is reasonably estimable and it is probable that an outflow of economic benefits will be required to settle the obligation. These estimates are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.				
If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.				
2.14 Segment Reporting				
The Company operates in a single segment only i.e Film Distribution and Dubbing. Thus, in the context of Ind AS 108 "Operating Segment", issued by the Institute of Chartered Accountants of India, there is only one identified reportable segment.				
2.15 Earnings per Share				
Basic earnings per share are calculated by dividing the net profit/ loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.				
For the purpose of calculating diluted earnings per share, the net profit for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of diluted potential equity shares, if any.				
2.16 Contingent Liabilities and Assets				
A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements. Contingent Assets are not disclosed in the Financial Statements.				

2.17 Impairment				
Financial Assets				
A financial asset is assessed at each reporting date to determine whether there is any objective evidence that it is impaired. A financial asset is considered to be impaired, if objective evidence indicates that one or more events have had a negative effect on the estimated future cash flows of that asset.				
In accordance with Ind AS 109, the Company applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure :				
a) Trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 18.				
b) Other financial assets which are measured at amortised cost.				
The Company follows simplified approach for recognition of impairment loss allowance on Trade receivables and other financial assets. The Company recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.				
Non Financial Assets				
The carrying amount of non-financial assets other than inventories are assessed at each reporting date to ascertain whether there is any indication of impairment. If any such indication exists or when annual impairment testing for an asset is required, then the asset's recoverable amount is estimated. An impairment loss is recognised, as an expense in the Statement of Profit and Loss, for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less cost to sell and value in use. For the purpose of assessing impairment, assets are grouped at the lowest levels into cash generating units for which there are separately identifiable cash flows.				
An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment had been recognised.				

2.18 Financial Instruments				
Financial assets and liabilities are recognised when the company becomes a party to the contractual provisions of the instruments.				
Financial Assets				
Initial recognition and measurement:				
Financial assets are classified into the following categories upon initial recognition:				
(a) those measured at amortised cost				
(b) those to be measured subsequently at fair value through Statement of Profit & Loss.				
The classification depends on the entity's business model for managing the financial assets and the contractual terms of cash flows. For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income as the case may be.				
All financial assets are initially recognised at fair value. Transaction costs of acquisition of financial assets carried at fair value through profit and loss are expensed in the Statement of Profit and Loss.				
Amortised cost: Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured subsequently at amortised cost. Interest income from these financial assets is included in Other income using the effective interest rate method.				
Derecognition:				
The company derecognises a financial asset only when the contractual rights to the cash flows from the asset expires or it transfers the financial asset and substantially all the risks and rewards of ownership of				

Financial liabilities				
Initial recognition and measurement				
All financial liabilities are recognized initially at fair value . The company's financial liabilities majority comprises trade and other payables.				
Financial liabilities are classified as 'Financial liabilities at fair value through profit or loss' if they are held for trading or if they are designated as financial liabilities upon initial recognition at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term.				

The Company classifies all financial liabilities as subsequently measured at amortised cost, except for financial liabilities at fair value through profit and loss.

Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offsetted and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

2.19 Fair Value Measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability. The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic

benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1— Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognized in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting year.

2.20 Recent Accounting Pronouncements

Ministry of Corporate Affairs (“MCA”) has notified the following new amendments to Ind AS which the Company has applied as they are effective for annual periods beginning on or after April 1, 2023.

(i) Amendment to Ind AS 1 ‘Presentation of Financial Instruments’

The amendments require companies to disclose their material accounting policies rather than their significant accounting policies. Accounting policy information is material if, together with other information can reasonably be expected to influence decisions of primary users of general purpose financial statements.

The amendment does not have any significant impact on the company.

(ii) Amendment to Ind AS 12 ‘Income Taxes’

The amendments clarify how companies account for deferred tax on transactions such as leases and decommissioning obligations. The amendments narrowed the scope of the recognition exemption in paragraphs 15 and 24 of Ind AS 12 (recognition exemption) so that it no longer applies to transactions that, on initial recognition, give rise to equal taxable and deductible temporary differences. The amendment does not have any significant impact on the company..

(iii) Amendment to Ind AS 8 “Accounting Policies, Changes in Accounting Estimates and Errors”

The amendments will help entities to distinguish between accounting policies and accounting estimates. The definition of a change in accounting estimates has been replaced with a definition of accounting estimates. Under the new definition, accounting estimates are “monetary amounts in financial statements that are subject to measurement uncertainty”. Entities use measurement techniques and inputs to develop accounting estimates if accounting policies require items in financial statements to be measured in a way that involves measurement uncertainty. The amendment does not have any significant impact on the company.

Use of Judgment's, Estimates and Assumptions

The preparation of the Company's financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the accompanying disclosures and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods. Difference between actual results and estimates are recognised in the periods in which the results are known / materialise. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances existing when the financial statements were prepared. The estimates and underlying assumptions are reviewed on an ongoing basis. Revision to accounting estimates is recognised in the year in which the estimates are revised.

The areas involving critical estimates and judgements are:

- (i) Useful lives of Property, plant and equipment and intangibles [Refer Note 2 (2.3),(2.4) and (2.5)]
- (ii) Measurement of defined benefit obligations (Refer Note 38)

41	Disclosures as Required by Indian Accounting Standard (In AS) 101 First Time Adoption of
41.1	<p>The Group has adopted Indian Accounting Standards (Ind AS) as notified by the Ministry of Corporate Affairs with effect from 1st April, 2023, with a transition date of 1st April, 2022. These standalone financial statements for the year ended 31st March, 2024 are the first the Group has prepared under Ind AS. For all years upto and including the year ended 31st March, 2023 , the Group prepared its financial statements in accordance with the accounting standards notified under the section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 ('Previous GAAP').</p> <p>The adoption of Ind AS has been carried out in accordance with Ind AS 101, First-time Adoption of Indian Accounting Standards. Ind AS 101 requires that all Ind AS standards and interpretations that are issued and effective for the first Ind AS financial statements be applied retrospectively and consistently for all financial years presented. Accordingly, the Group has prepared financial statements which comply with Ind AS for year ended 31st March, 2024, together with the comparative information as at and for the year ended 31st March, 2023 and the opening Ind AS Balance Sheet as at 1st April, 2022, the date of transition to Ind AS.</p> <p>In preparing these Ind AS standalone financial statements, the Group has availed certain exemptions and exceptions in accordance with Ind AS 101, as explained below. The resulting difference between the carrying values of the assets and liabilities in the standalone financial statements as at the transition date under Ind AS and Previous GAAP have been recognised directly in equity (retained earnings or another appropriate category of equity). This note explains the adjustments made by the Group in restating its Previous GAAP financial statements, including the Balance Sheet as at 1st April, 2022 and the consolidated financial statements as at and for the year ended 31st March, 2023.</p>
41.2	Exemptions applied
	Ind AS 101 allows first-time adopters certain exemptions from the retrospective application of certain requirements under Ind AS; The Group has applied the following exemptions:
	(a) Deemed cost for property, plant and equipment and intangible assets
	The Group has elected to apply previous GAAP carrying amount of its property, plant and equipment as deemed cost as on the date of transition to Ind AS.
41.3	Exceptions
	The following mandatory exceptions have been applied in accordance with Ind AS 101 in preparing the financial statements.
	(a) Estimates
	The estimates at 1st April, 2022 and at 31st March, 2023 are consistent with those made for the same dates in accordance with India GAAP (after adjustments to reflect any differences if any, in accounting policies) apart from the following items where application of previous GAAP did not require estimation.
	(b) Defined benefit obligation
	In Previous GAAP, actuarial gains and losses were recognised in the Statement of Profit and Loss. Under Ind AS, the actuarial gains and losses form part of re-measurement of net defined benefit liability / asset which is recognised in other comprehensive income in the respective years.
