INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF KAARYA FACILITIES AND SERVICES LIMITED

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of **KAARYA FACILITIES AND SERVICES LIMITED** (the "Company"), which comprise the Balance Sheet as at 31st March, 2024, the Statement of Profit and Loss and the Statement of Cash Flows for the year ended on that date and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, except for the possible effects of the matters described in the 'Basis for Qualified Opinion' section of our report, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") as amended in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024 in the case of the Statement of Profit and Loss, of the Loss of the Company for the year ended on that date, and in the case of the Cash Flow Statement, of the cash flows for the year ended on that date.

Basis for Qualified Opinion

i) We have been informed that considering the nature of business in which the company is engaged into, the company acts as an intermediary for supply of manpower to its customers and therefore for the years prior to FY 2023-24, the company has a policy of making payment of Employee's and Employer's contribution to Provident Fund and other components of Employee Benefit Expenses solely based on the approvals/payments received from the Principal (Customer) or when the said

amount of contribution is demanded by the concerned employee.

Accordingly, the effect of the said policy for payment of Provident Fund for earlier years in the Statement of Profit and Loss for FY 2023-24 amounts to Rs. 63.26 Lakhs. We are unable to comment on the total amount of Provident Fund Liability pending for earlier years.

ii) The Company has outstanding statutory liabilities as on 31-Mar-2024 for various previous years as under:

Particulars	Amount (Rs.)
Goods and Service Tax	3,81,84,458

Since these statutory liabilities attract mandatory interest, the Company is required to provide for the interest on accrual basis. However, Company has not provided for the interest on said statutory liabilities. This has resulted in loss being understated to the extent of such non-provision.

The Company has made the provision for gratuity liability based on the actuarial valuation as referred in the Accounting Standard 15 "Employee Benefits" only for limited Corporate Employees leaving out temporary corporate employee. On the basis of information and explanations received from the management, the Gratuity provision has been made only in respect of permanent corporate employees and does not cover field staff in view of recoverability of such employee benefits from the principal employer. The said practice is at variance with AS -15. The impact of same on Statement of Profit and Loss is unascertained.

Emphasis of Matter

i) As per the information received from the company, the following statutory liabilities for FY 2023-24 are outstanding as at 31st March, 2024:

	Particulars	Amount (Rs.)
١		

Particulars	Amount (Rs.)
Goods and Service Tax	1,93,28,199
Karnataka Labour Welfare Fund	4,560
Provident Fund (Employee & Employer's Contribution)	1,20,35,856
TDS	3,83,078
ESIC	2,75,391
Profession Tax	4,81,225

The above Statutory Liabilities are in agreement with the books of accounts.

Our opinion is not modified in respect of this matter.

Material Uncertainty Related to Going Concern

We draw attention to disclosure made in Note 1 – Significant Accounting Policies to the financial statements, which indicates that the Company incurred a net loss of Rs. 5,05,81,135/- during the year ended 31st March, 2024 (Previous Year ended 31st March, 2023, Loss of Rs. 7,78,70,932/-) and the company's networth has completely eroded indicating that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern. Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the audited financial statements of the current period. These matters were addressed in the context of our audit of the audited financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In addition to the matter described in the Basis for Opinion section we have determined the matters described below to be

the key audit matters to be communicated in our report.

Sr. No.	Key Audit Matter	Auditor's Response

Tested the access and application controls pertaining to time recording, allocation and budgeting systems which prevents unauthorized changes to recording of efforts incurred. Selected a sample of contracts and through inspection of evidence of performance of these controls, tested the operating effectiveness of the internal controls relating to efforts incurred and estimated. Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises of the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the consolidated financial statements, standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the

other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibilities for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of The Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India including the Accounting Standards specified under Section 133 of The Act, read with Rule 7 of The Companies (Accounts) Rules, 2014 ('the Rules') and The Companies (Accounting Standards) Rules, 2021. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease

operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to
 design audit procedures that are appropriate in the circumstances. Under section
 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the
 Company has adequate internal financial controls system in place and the operating

effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with the relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1(g) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Kaarya Facilities & Services Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under clause (i) of Sub – Section 3 of section 143 of the Companies Act ,2013 ("the Act")

We have audited the internal financial controls over financial reporting of KAARYA FACILITIES & SERVICES LIMITED ("the Company") as of 31st March, 2024 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013 to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected

depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Companys' internal financial control over financial reporting includes those policies and procedures that (1)pertain to the maintenance of records that , in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles ,and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition ,use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting have become inadequate because of changes in condition or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financials Controls Over Financial Reporting issued by the Institute of Chartered Accountant of India.

II. Audit Qualification (each audit qualification separately):

1. A. Details of audit Qualification:

We have been informed that considering the nature of business in which the company is engaged into, the company acts as an intermediary for supply of manpower to its customers and therefore for the years prior to FY 2023-24, the company has a policy of making payment of Employee's and Employer's contribution to Provident Fund and other components of Employee Benefit Expenses solely based on the approvals/payments received from the Principal (Customer) or when the said amount of contribution is demanded by the concerned employee.

Accordingly, the effect of the said policy for payment of Provident Fund for earlier years in the Statement of Profit and Loss for FY 2023-24 amounts to Rs. 63.26 Lakhs. We are unable to comment on the total amount of Provident Fund Liability pending for earlier years.

B. Type of Audit Qualification: Qualified Opinion

C. Frequency of Qualification: Repititive

D. For Audit Qualification(s)where the impact is quantified: Not Applicable

E. For Audit Qualification(s) where the impact is not quantified:

i. Management's estimation on impact: Considering the nature of business activities of the company, Payment of Salaries and Contribution to statutory funds is dependent on the approvals received from the respective clients. Therefore, before FY 2023-24, the company had the policy of charging its books of accounts towards Employers contribution to PF only to the extent approvals have been obtained and the amount has actually been deposited. Accordingly, the impact of Employers & Employee Contribution to PF for the earlier years prior to FY 2023-24 has been charged to the Statement of Profit & Loss of the current FY depending upon the approvals received from the respective clients.

The impact of the above policy in the financial statements of current FY is Rs. 63.26 Lakhs

- ii. <u>If Management is unable to estimate the impact, reasons for the same:</u> In case of balance PF Liability, the impact can be quantified only after approvals have been obtained from the client therefore the said impact cannot be quantified as at 31st March, 2024
- iii. <u>Auditor's Comment on (i) or (ii) above:</u> The impact of the said audit

qualification has already been given in profit and loss account and is reported in exceptional item in the books of accounts to the tune of Rs. 63.26 Lakhs.

However, the impact of the balance PF Liability cannot be quantified

2. A. Details of audit Qualification:

The Company has outstanding statutory liabilities as on 31-Mar-2024 for various previous years as under:

Particulars Amount (Rs.)
Goods and Service Tax 3,81,84,458

Since these statutory liabilities attract mandatory interest, the Company is required to provide for the interest on accrual basis. However, Company has not provided for the interest on said statutory liabilities. This has resulted in profit being overstated / loss being understated to the extent of such non-provision.

B. Type of Audit Qualification: Qualified Opinion

C. Frequency of Qualification: First Time

D. For Audit Qualification(s)where the impact is quantified: Not Applicable

E. For Audit Qualification(s)where the impact is not quantified:

<u>i.</u> <u>Management's estimation on impact:</u> The Company has outstanding GST Liability since FY 2020-21 and the same is paid by the company in piecemeal on account of Cash Flow and Fund Flow Issues. The Management is of the opinion that the provision for interest and penalty shall be done at the time of actual payment of liabilities and therefore the

effect of the same has not been given in the books of accounts.

<u>ii.</u> <u>If Management is unable to estimate the impact, reasons for the same:</u>
Not Applicable

<u>iii.</u> Auditor's Comment on (i) or (ii) above: The impact of the said audit qualification has not been given in the books of accounts or Financial Statements.

3. A. Details of audit Qualification:

The Company has made the provision for gratuity liability based on the actuarial valuation as referred in the Accounting Standard 15 "Employee Benefits" only for limited Corporate Employees leaving out temporary corporate employee. On the basis of information and explanations received from the management, the Gratuity provision has been made only in respect of permanent corporate employees and does not cover field staff in view of recoverability of such employee benefits from the principal employer. The said practice is at variance with AS -15. The impact of same on Statement of Profit and Loss is unascertained.

B. Type of Audit Qualification: Qualified Opinion

C. Frequency of Qualification: Repititive

D. For Audit Qualification(s)where the impact is quantified: Not Applicable

E. For Audit Qualification(s) where the impact is not quantified:

- i. Management's estimation on impact: Not Applicable
- ii. If Management is unable to estimate the impact, reasons for the same:

 Based on the Company's nature of business, the provision for Gratuity
 in respect of Field staff is reimbursible by the Principal Employer, i.e.,
 the company will be compensated for the future liability to that extent.

Further, for the Back office staff, the Provision has been created for 19 out of 32 staff since there is high employee turnover and accordingly it is observed in the past that very few employee continue with the company beyond 5 years and accordingly the company accounted for the Gratuity provisions for the Corporate Employees which are employed only on permanent basis.

<u>iii. Auditor's Comment on (i) or (ii) above:</u> The said Audit Qualification is non-compliant with AS-15. The Acturial report includes valuation for part employees and the provision for balance employees cannot be quantified
