Independent Auditor's Review Report on the Quarterly and Year to Date Unaudited Consolidated Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

Review Report to
The Board of Directors
One 97 Communications Limited
One Skymark, Tower-D, Plot No. H-10B
Sector-98, Noida 201304, Uttar Pradesh

1. We have reviewed the accompanying Statement of Unaudited Consolidated Financial Results of One 97 Communications Limited (the "Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), its associates and joint ventures for the quarter ended December 31, 2024 and year to date from April 01, 2024 to December 31, 2024 (the "Statement") attached herewith, being submitted by the Holding Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").
2. The Holding Company's management is responsible for the preparation of the Statement in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The Statement has been approved by the Holding Company's Board of Directors. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the Master Circular issued by the Securities and Exchange Board of India under Regulation 33(8) of the Listing Regulations, to the extent applicable.

4. The Statement includes the results of the entities listed in Annexure A.
5. Based on our review conducted and procedures performed as stated in paragraph 3 above and based on the consideration of the review reports of other auditors referred to in paragraph 7 below, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013, as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.
6. **Emphasis of Matter**

We draw attention to Note 8 to the Financial Results which describes that the Company's subsidiary application for authorization to set up Payment System, to the Department of Payment and Settlement Systems, Reserve Bank of India ("RBI"), is in process due to the reasons stated in the said note. Accordingly, no adjustment has been made by the management in these unaudited consolidated financial results. Our opinion is not modified in respect of this matter.

One 97 Communications Limited
Notes to the Unaudited Consolidated Financial Results

1. The Statement of Unaudited Consolidated Financial Results has been prepared in accordance with the recognition and measurement principles laid down in the applicable accounting standards prescribed under Section 133 of the Companies Act, 2013 (the "Act") and other accounting principles generally accepted in India and presented in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, ('Listing Regulations'). The Statement of Unaudited Consolidated Financial Results of the Company and its subsidiaries (collectively "the Group") and its interest in associates and joint ventures have been reviewed by the Audit Committee and approved by the Board of Directors of the Company in their respective meetings held on January 20, 2025. The Statutory Auditors of the Company have carried out Limited Review of the aforesaid results.
2. The Group is engaged in different business units, including payment and financial services and marketing services and the Board of Directors (Chief Operating Decision Maker "CODM") reviews the information at the revenue level and does not allocate operating costs and expenses, assets and liabilities across business units, as the CODM does not use such information to allocate resources or evaluate the performance of the business units. Allocation of resources and assessment of financial performance is done at the consolidated level. The way the CODM reviews the performance, management of the Group has concluded that the Group constitutes a single segment as per Ind AS 108 'Operating Segments'. Hence, no separate disclosure is required for segments.
3. Exceptional item for the period comprises of:
 - a. INR 57 million for the nine months ended December 31, 2023 and year ended March 31, 2024, comprises provisions made for voluntary insolvency proceeding admitted for one of Company's customer.
 - b. During the previous quarter, on August 21, 2024, the Company entered into definitive agreements with Zomato Limited ("Acquirer") for sale of its movie ticketing business and events business housed in the Company as well as its two wholly owned subsidiaries for a total consideration of INR 20,484 million which was subject to cash and net-working capital adjustment at closing.

The transfer was consummated on August 27, 2024 by first transferring Company's movie ticketing business and events business to its subsidiaries Orbgen Technologies Private Limited (OTPL) and Wasteland Entertainment Private Limited (WEPL) respectively vide Business Transfer Agreements dated August 21, 2024 and thereafter selling the entire stake in both the subsidiaries to the acquirer vide Share Purchase and Subscription Agreement dated August 21, 2024.

The consideration at closing for the above sale amounted to INR 20,136 million after the impact of cash and net-working capital adjustments, (including consideration of INR 11,661 million and INR 898 million for transfer of Company's movie ticketing business and event business to OTPL and WEPL respectively) resulting in gain of INR 13,454 million. The gain is net of transaction cost of INR 169 million and has been disclosed as exceptional item.

Considering that the core business of the Group being Payment and Financial Services as well as the insignificant contribution of businesses disposed to the consolidated financial results, the Group does not consider the above business to be major line of business requiring disclosures on discontinued operations under IND AS 105 "Non-current Assets Held for Sale and Discontinued Operations".

4. The Company during the year ended March 31, 2022 granted 21,000,000 Employee Stock Options (ESOP) to the Managing Director and CEO of the Company which is subject to achievement of specified milestones. The Company has been accounting for ESOP expense in accordance with Ind AS 102 Share-based Payments and INR 6,371 million remains to be recognised over the remaining period.

During the previous year, the Company received a Show Cause Notice ("SCN") from the SEBI inter alia challenging the above options being in compliance with the SEBI SBEB Regulations. The Company is in discussion with SEBI and is pursuing various options in line with applicable SEBI and Settlement Regulations and has also submitted its response to the said SCN. Pending the final outcome of this adjudication, no adjustments have been made to the financial results for the quarter and year to date ended December 31, 2024 and financial year ended March 31, 2024.

One 97 Communications Limited
Notes to the Unaudited Consolidated Financial Results

7. During the previous year, on January 31, 2024, the RBI issued a Press Release for action against Paytm Payments Bank Ltd ('PPBL'), a 49% associate of the Company, under Section 35A of the Banking Regulation Act, 1949, effectively restricting PPBL's normal business, permitting only withdrawal of the existing customer balances.

Pursuant to the RBI's actions as stated above, the Company had terminated its Nodal Accounts being maintained with PPBL. Subsequently, the Company had discontinued all major business activities it had with PPBL. Further, the Company had also made amendment to the shareholders agreement with PPBL by simplifying the terms therein and had also withdrawn its nominee director from the board of PPBL.

The business of PPBL had been significantly impacted by the RBI action described above. As at March 31, 2024, the Company had investments in PPBL amounting to INR 2,271 million after considering its share of loss of INR 276 million and share of other comprehensive gain of INR 31 million, for the year ended March 31, 2024, on the basis of unaudited financial information.

We understand that there are certain factors affecting ongoing operations of PPBL, including restrictions which affect normal operations of the primary products such as wallet and banking services etc. as per regulatory action on January 31, 2024, as well as ongoing uncertainty on the timing and nature of restoration of any of the impacted services.

As at March 31, 2024, considering the future uncertainties associated on the business operations of PPBL as mentioned above, including the uncertainty of any other regulatory developments, the scaled down business operations of PPBL, restrictions affecting normal operations of the primary products such as saving accounts, current accounts, wallet, as well as non-availability of audited financial information from PPBL, the management, on a prudent basis, determined that the value of the Company's investment in PPBL is impaired and, accordingly, recorded an impairment provision of INR 2,271 million, representing the carrying value of its investment in PPBL and disclosed the same as loss on impairment of associate.

8. Note given by the subsidiary in their Unaudited Special Purpose Interim Condensed Financial Statement:

Paytm Payments Services Limited:

"The Company had filed an application for authorization to set up Payment System ('PA application') under sub-section (1) of Section 5 of the Payment and Settlement Systems Act, 2007 with the Department of Payment and Settlement Systems, Reserve Bank of India ("RBI") on January 8, 2021, in response to which, the Company received a letter from the RBI on November 25, 2022. As per the letter, the Company was required to obtain necessary approval for past downward investment from its parent company, One 97 Communications Limited ("OCL"), in compliance with Foreign Direct Investment ("FDI") Guidelines and resubmit the PA application. As per RBI's letter March 23, 2023, the Company is continuing with the online payment aggregation business (except that the Company cannot onboard new merchants). The Company has received approval from Government of India - Ministry of Finance (Department of Financial Services), on August 27, 2024 and has resubmitted the PA application with RBI vide application dated September 6, 2024 which is under process.

Management has assessed that this does not have a material impact on the financial results and the business and revenues since the communication from RBI is applicable only to onboarding of new merchants. Accordingly, no adjustment has been made in these Interim Condensed Financial Statements."

**Review Report to
The Board of Directors
One 97 Communications Limited
One Skymark, Tower-D, Plot No. H-10B
Sector-98, Noida 201304, Uttar Pradesh**

1. We have reviewed the accompanying statement of unaudited standalone financial results of One 97 Communications Limited (the "Company") for the quarter ended December 31, 2024 and year to date from April 01, 2024 to December 31, 2024 (the "Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").
2. The Company's management is responsible for the preparation of the Statement in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The Statement has been approved by the Company's Board of Directors. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Notes to the Unaudited Standalone Financial Results

1. The Statement of Unaudited Standalone Financial Results has been prepared in accordance with the recognition and measurement principles laid down in the applicable accounting standards prescribed under Section 133 of the Companies Act, 2013 (the "Act") and other accounting principles generally accepted in India and presented in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, ('Listing Regulations'). The Statement of Unaudited Standalone Financial Results of the Company have been reviewed by the Audit Committee and approved by the Board of Directors of the Company in their respective meetings held on January 20, 2025. The Statutory Auditors of the Company have carried out Limited Review of the aforesaid results.
2. The Company is engaged in different business units, including payment and financial services and marketing services and the Board of Directors (Chief Operating Decision Maker "CODM") reviews the information at the revenue level and does not allocate operating costs and expenses, assets and liabilities across business units, as the CODM does not use such information to allocate resources or evaluate the performance of the business units. The way the CODM reviews the performance, management of the Company has concluded that it constitutes a single segment as per Ind AS 108 'Operating Segments'. Hence, no separate disclosure is required for segments.
3. Exceptional item for the period comprises of:
 - a. INR 77 million for the nine months ended December 31, 2023 and year ended March 31, 2024, comprises of INR 57 million towards provisions made for voluntary insolvency proceeding admitted for one of Company's customer and INR 20 million towards provision recognised for impairment of investment in associate.
 - b. During the previous quarter, on August 21, 2024, the Company entered into definitive agreements with Zomato Limited ("Acquirer") for sale of its movie ticketing business and events business housed in the Company as well as its two wholly owned subsidiaries for a total consideration of INR 20,484 million which was subject to cash and net-working capital adjustment at closing.

The transfer was consummated on August 27, 2024 by first transferring Company's movie ticketing business and events business to its subsidiaries Orbgen Technologies Private Limited (OTPL) and Wasteland Entertainment Private Limited (WEPL) respectively vide Business Transfer Agreements dated August 21, 2024 and thereafter selling the entire stake in both the subsidiaries to the acquirer vide Share Purchase and Subscription Agreement dated August 21, 2024.

The consideration at closing for the above sale amounted to INR 20,136 million after the impact of cash and net-working capital adjustments, (including consideration of INR 11,661 million and INR 898 million for transfer of Company's movie ticketing business and event business to OTPL and WEPL respectively) resulting in gain of INR 12,581 million. The gain includes reversal of impairment provision of INR 2,271 million and net of transaction cost of INR 169 million that has been disclosed as an exceptional item.

Considering that the core business of the Company being Payment and Financial Services as well as the insignificant contribution of businesses disposed to the standalone financial results, the Company does not consider the above business to be major line of business requiring disclosures on discontinued operations under IND AS 105 "Non-current Assets Held for Sale and Discontinued Operations".

4. The Company during the year ended March 31, 2022 granted 21,000,000 Employee Stock Options (ESOP) to the Managing Director and CEO of the Company which is subject to achievement of specified milestones. The Company has been accounting for ESOP expense in accordance with Ind AS 102 Share-based payments and INR 6,371 million remains to be recognised over the remaining period.

During the previous year, the Company received a Show Cause Notice ("SCN") from the SEBI inter alia challenging the above options being in compliance with the SEBI SBEB Regulations. The Company is in discussion with SEBI and is pursuing various options in line with applicable SEBI and Settlement Regulations and has also submitted its response to the said SCN. Pending the final outcome of this adjudication, no adjustments have been made to the financial results for the quarter and year to date ended December 31, 2024 and financial year ended March 31, 2024.

6. During the previous year, on January 31, 2024, the RBI issued a Press Release for action against Paytm Payments Bank Ltd (PPBL), a 39% associate of the Company, under Section 35A of the Banking Regulation Act, 1949, effectively restricting PPBL's normal business, permitting only withdrawal of the existing customer balances.

Pursuant to the RBI's actions as stated above, the Company had terminated its Nodal Accounts being maintained with PPBL. Subsequently, the Company had discontinued all major business activities it had with PPBL. Further, the Company had also made amendment to the shareholders agreement with PPBL by simplifying the terms therein and had also withdrawn its nominee director from the board of PPBL.

The business of PPBL had been significantly impacted by the RBI action as described above. As at March 31, 2024, the Company had investments in PPBL amounting to INR 2,096 million.

We understand that there are certain factors affecting ongoing operations of PPBL, including restrictions which affect normal operations of the primary products such as wallet and banking services etc. as per regulatory action on January 31, 2024, as well as ongoing uncertainty on the timing and nature of restoration of any of the impacted services.

As at March 31, 2024, considering the future uncertainties associated on the business operations of PPBL as mentioned above, including the uncertainty of any other regulatory development, the scaled down business operations of PPBL, restrictions affecting normal operations of the primary products such as saving accounts, current accounts, wallet, the management, on a prudent basis, determined that the value of the Company's investment in PPBL is impaired and, accordingly, recorded an impairment provision of INR 2,096 million, representing the carrying value of its investment in PPBL and disclosed the same as loss on impairment of associate.
