## PRESS RELEASE

# Cyient and American Data Solutions Forge Strategic Partnership to Revolutionize Content Management

**Hyderabad, March 4, 2025:** Cyient, a global Intelligent Engineering Solutions company, and American Data Solutions (ADS), a leading provider of digital content management solutions, have announced a strategic partnership aimed at transforming the way businesses manage, access, and utilize digital content.

This collaboration combines Cyient's deep engineering expertise and global reach with ADS' cutting-edge content management technologies. ADS' advanced content management portfolio includes scalable architecture, a multi-purpose digital data viewer, and robust security features. The partnership will redefine content creation, storage, retrieval, and distribution, enabling businesses to operate with greater efficiency and intelligence.

**Sukamal Banerjee, Executive Director and Chief Executive Officer, Cyient,** said, "At Cyient, we are committed to leveraging cutting-edge technology to drive digital transformation for businesses worldwide. Our partnership with ADS brings together Cyient's engineering excellence and ADS' advanced digital solutions to deliver next-generation, scalable, and intelligent content management systems."

"By harnessing AI, ML, and cloud computing, we will create adaptive solutions that evolve with business needs, enhancing efficiency and decision-making. We are excited to accelerate the adoption of ADS' innovative solutions, ensuring businesses across industries benefit from seamless, future-ready content management. This client-centric approach will empower organizations to streamline operations, improve content accessibility, and drive meaningful impact," he added.

"This collaboration with Cyient is a significant milestone in our journey to reshape the content management landscape," said **Ran Meriaz, Chief Executive Officer, ADS.** "Cyient's global reach and engineering expertise perfectly complement our innovative digital solutions. Together, we are poised to provide businesses with scalable, intelligent, and future-ready content management systems that will not only improve operational efficiency but also set new industry benchmarks," she added.

With this partnership, Cyient and ADS are set to drive the next wave of digital transformation, empowering businesses to optimize content strategies and achieve unprecedented growth.
