Sir,

SUB: DISCLOSURE UNDER REGULATION 30 – INTIMATION OF RECEIPT OF ORDERS

The Company is pleased to announce the receipt of a prestigious order from Nuclear Power Corporation of India (NPCIL) valued at Rs.57 Cr (inclusive of GST of Rs.9 Cr) for the supply of Induction motors. These unique low-speed motors will replace existing high-speed imported motors with reduction gearboxes.

The motors are designed to meet specific weight constraints, seismic requirements, fitted with titanium tube heat exchangers and will be customized to fit the existing base frame and coupling requirement. The motors will be supplied to NPCIL's Kudankulam plant with delivery, erection and commissioning scheduled during FY 2025-26 and 2026-27.

This order further underscores TDPS's technology prowess and commitment to manufacturing and delivering motors in service of the nation under the Make in India initiative.

Additionally, we confirm that none of the promoters/promoter group/group companies have any interests in the entity that awarded the order. This order is awarded by an Indian entity and does not fall within the purview of related party transactions.

Kindly take the above on record.

Thanking You
For **TD Power Systems Limited**

Bharat Rajwani
Company Secretary & Compliance Officer
