In this annual report, we have disclosed forward looking information to enable investors to comprehend our prospects and take informed investment decisions. This report and other statements, written and oral, that we periodically make contain forward looking statements that set out anticipated performance/results based on the management's plan and assumptions. We have tried wherever possible to identify such statements by using words such as 'anticipate', 'estimate', 'expects', 'project', 'intends', 'plans', 'believes' and words of similar substance in connection with any discussion of future performance. We cannot guarantee that these forward looking statements will be realised, although we believe we have been prudent in assumptions. The achievement of results is subject to risks, uncertainties and realization of assumptions. Should known or unknown risks or uncertainties materialise or should underlying assumptions prove inaccurate, actual results could vary materially from those anticipated, estimated or projected. Readers should bear this in mind.

The Objective of the project is to work for the empowerment of the poor and for reduction in poverty by focusing on livelihoods of the poor and vulnerable sections of the society in rural areas.

CORPORATE OVERVIEW

CHAIRMAN'S MESSAGE

Dear Valued Stakeholders,

India's fashion trends are constantly evolving, and Cantabil Retail is at the forefront of this change!

Despite the global economic slowdown, India has continued to be the fastest-growing economy among major economies, and we at Cantabil Retail have kept pace with the recovery of the country and the ever-evolving needs of consumers by investing in our internal capabilities and broadening our offerings.

It gives me immense joy to share with you that Cantabil Retail has had a sustainable performance on Sales and Profits, in the year under review. The Company's total sales reached ₹616.50 crores, representing an impressive growth rate of 12% compared to the previous fiscal year (FY23). This growth was driven by several factors, including strong brand recall and expansion of the Company's store network, with the addition of 87 new stores in FY24.

We have also been strategically opening stores in newer cities to tap into the untapped markets and widen our customer base. We are capitalising on the growing middle-class population and catering to their evolving preferences by opening stores in Tier 2 and 3 cities. These store expansions have been enabling us to enhance our market presence and increase accessibility for customers across regions. We have been continuously monitoring the performance of our existing stores to assess their performance in terms of service, throughput, and profitability and take appropriate calls, wherever needed.

Understanding the new-age fashion trends along with the prevalent ones, is quite a difficult task and we have been able to do that for several years now and that has catapulted us to become one of the most successful fashion retailers in India. Cantabil Retail's strong performance in FY24 reflects the Company's commitment to providing customers with a superior shopping experience. We are well-positioned to continue our success in the Indian fashion market, which is expected to grow at a CAGR of 10% over the next five years. The success that we have seen this year, is a result of the robust strategy that we have in place,

which is built upon our strategic pillars with enablers identified. This approach has allowed us to lay a strong foundation for sustained growth and performance.

We firmly believe that digitalisation is the key to our future success. It enables us to meet evolving customer expectations, improve operational efficiency, and make data-driven decisions. By embracing technology and digital transformation, we are well positioned to adapt to the changing retail landscape, deliver value to our customers, and drive growth and profitability for our Company. We have optimised our platform, improved website functionality, and aim to offer a seamless omnichannel shopping experience. By evolving as an omnichannel retailer, we make sure that our customers have the flexibility to engage with us at their convenience, and at the same time, can have access to a wide range of brands both in store and online.

To conclude, I would like to extend our heartfelt gratitude to our customers, business partners, suppliers, bankers, shareholders, directors, and Customer Care Associates for their invaluable support and contributions.

THE INSTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING:

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

Step 2: Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- (i) The voting period begins on 10:00 AM, Wednesday 11th day of September, 2024 and ends on 05:00 PM, Friday 13th day of September, 2024. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of Saturday 7th September, 2024 may cast their vote electronically. The Company announces Book Closure date for the purpose of Annual General Meeting and Dividend from Sunday 8th September, 2024 to Saturday 14th September, 2024. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/ CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

their respective relatives are, in any way, concerned or interested, whether financially or otherwise, in this resolution.

The Board of Directors recommends the resolution for approval of the Members of the Company, as set out at Item No. 4 of the Notice

ITEM NO. 5: TO APPOINT MS. ARPANA JAIN (DIN: 01034469) AS AN INDEPENDENT DIRECTOR OF THE COMPANY.

Based on the recommendation of the Nomination and Remuneration Committee, the Board of Directors of the Company in its meeting held on 13th August, 2024, appointed Ms. Arpana Jain (DIN: 01034469) as an Additional Director (Category: Non-Executive & Independent) of the Company w.e.f. 13th August, 2024.

Pursuant to the provisions of Section 161(1) of the Companies Act, 2013 ("the Act"), Ms. Arpana Jain holds office as an Additional Director in capacity of Independent Director, subject to the approval of members.

Further, pursuant to the provisions of Regulation 17(1C) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"), the Company is required to obtain approval of shareholders for the appointment of an Independent Director at the next general meeting or within a time period of 3 (three) months from the date of appointment, whichever is earlier.

Accordingly, based on the recommendation of the Nomination and Remuneration Committee, the Board of Directors of the Company in its meeting held on 13th August, 2024, recommended the appointment of Ms. Arpana Jain as an Independent Director on the Board of the Company, not liable to retire by rotation, for a period of five years commencing from the date of Board's approval i.e. 13th August, 2024.

Ms. Arpana Jain is not disqualified from being appointed as a Director in terms of Section 164 of the Act. The Company has received the consent and requisite declarations from Ms. Arpana Jain as per the provisions of the Act and SEBI Listing Regulations including the declaration that she meets the criteria of independence as provided under Section 149(6) of the Act and Regulation 16 of the SEBI Listing Regulations. Further, in terms of Regulation 25(8) of SEBI Listing Regulations, she has also confirmed that she is not aware of any circumstance or situation which exists or may be reasonably anticipated that could impair or impact her ability to discharge her duties. Further, she is not debarred from holding the office of Director pursuant to any Order issued by the Securities and Exchange Board of India (SEBI) or any other authority.

In the opinion of the Board, Ms. Arpana Jain fulfils the conditions for her appointment as an Independent Director, as specified in the Companies Act, 2013 and SEBI Listing

Regulations and is independent of the Management.

Ms. Arpana Jain possesses the required skills, knowledge, and experience as identified by the Board in the fields of Financial Management, Auditing and Taxation, Statutory Audit, Internal Audit, Tax Audit, System Audit, Concurrent Audit, Bank Audit, Company Law Matters, FEMA, Accounting and GST and her induction on Company's Board will immensely benefit the Company.

Further, Ms. Arpana Jain possesses the integrity, expertise, experience and proficiency for appointment as an Independent Director and is a person of high integrity and repute.

Considering her expertise and knowledge, the Board considers that the appointment of Ms. Arpana Jain as an Independent Director of the Company will be in the interest of the Company, and hence, it recommends appointment of Ms. Arpana Jain as an Independent Director of the Company, not liable to retire by rotation, for a term commencing from the date of Board's approval i.e. 13th August, 2024.

Accordingly, the Board recommends the resolution as set out at Item No. 5 of this AGM Notice for approval of the Members of the Company as a Special Resolution.

The copy of draft letter of appointment of Ms. Arpana Jain setting out the terms and conditions of her appointment is available electronically for inspection by the Members. The same is also available for inspection at the registered office of the Company during office hours on all working days from the date of dispatch of the Notice till the date of AGM.

Pursuant to Regulation 36(3) of SEBI Listing Regulations and Para 1.2.5 of Secretarial Standard – 2 on General Meetings issued by the Institute of Company Secretaries of India (ICSI), requisite particulars of Ms. Arpana Jain including her profile and specific areas of expertise are given in this AGM Notice as “Annexure 1”.

Except Ms. Arpana Jain and her relatives, no other Director(s) and Key Managerial Personnel(s) or their relatives, are in any way, concerned or interested, financially or otherwise, in this resolution.

ITEM NO. 6. APPOINTMENT OF MR. LALIT KUMAR (DIN: 00025150) AS AN INDEPENDENT DIRECTOR OF THE COMPANY:

Based on the recommendation of the Nomination and Remuneration Committee, the Board of Directors of the Company in its meeting held on 13th August, 2024, appointed Mr. Lalit Kumar (DIN: 00025150) as an Additional Director (Category: Non-Executive & Independent) of the Company w.e.f. 13th August, 2024.

Pursuant to the provisions of Section 161(1) of the Companies Act, 2013 (“the Act”), Mr. Lalit Kumar holds office as an Additional Director in capacity of Independent Director, subject to the approval of members.

Further, pursuant to the provisions of Regulation 17(1C) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“SEBI Listing Regulations”), the Company

is required to obtain approval of shareholders for the appointment of an Independent Director at the next general meeting or within a time period of 3 (three) months from the date of appointment, whichever is earlier.

Accordingly, based on the recommendation of the Nomination and Remuneration Committee, the Board of Directors of the Company in its meeting held on 13th August, 2024, recommended the appointment of Mr. Lalit Kumar as an Independent Director on the Board of the Company, not liable to retire by rotation, for a period of five years commencing from the date of Board's approval i.e. 13th August, 2024.

Mr. Lalit Kumar is not disqualified from being appointed as a Director in terms of Section 164 of the Act. The Company has received the consent and requisite declarations from Mr. Lalit Kumar as per the provisions of the Act and SEBI Listing Regulations including the declaration that he meets the criteria of independence as provided under Section 149(6) of the Act and Regulation 16 of the SEBI Listing Regulations. Further, in terms of Regulation 25(8) of SEBI Listing Regulations, he has also confirmed that he is not aware of any circumstance or situation which exists or may be reasonably anticipated that could impair or impact his ability to discharge his duties. Further, he is not debarred from holding the office of Director pursuant to any Order issued by the Securities and Exchange Board of India (SEBI) or any other authority.

In the opinion of the Board, Mr. Lalit Kumar fulfils the conditions for his appointment as an Independent Director, as specified in the Companies Act, 2013 and SEBI Listing Regulations and is independent of the management.

Mr. Lalit Kumar possesses the required skills, knowledge, and experience as identified by the Board in the fields of Finance & Accounts and his induction on Cantabil's Board will immensely benefit the Company.

Further, Mr. Lalit Kumar possesses the integrity, expertise, experience and proficiency for appointment as an Independent Director and is a person of high integrity and repute.

Considering his expertise and knowledge, the Board considers that the appointment of Mr. Lalit Kumar as an Independent Director of the Company will be in the interest of the Company, and hence, it recommends appointment of Mr. Lalit Kumar as an Independent Director of the Company, not liable to retire by rotation, for a term of five years commencing from the date of Board's approval i.e. 13th August, 2024.

Accordingly, the Board recommends the resolution as set out at Item No. 6 of this AGM Notice for approval of the Members of the Company as a Special Resolution.

The copy of draft letter of appointment of Mr. Lalit Kumar setting out the terms and conditions of his appointment is available electronically for inspection by the Members. The same is also available for inspection at the registered office of the Company during office hours on all working days from the date of dispatch of the Notice till the date of AGM.

Pursuant to Regulation 36(3) of SEBI Listing Regulations and Para 1.2.5 of Secretarial Standard – 2 on General Meetings

issued by the Institute of Company Secretaries of India (ICSI), requisite particulars of Mr. Lalit Kumar including his profile and specific areas of expertise are given in this AGM Notice as “Annexure 1”.

Except Mr. Lalit Kumar and his relatives, no other Director(s) and Key Managerial Personnel(s) or their relatives, are in any way, concerned or interested, financially or otherwise, in this resolution.

ITEM NO. 7: RE-APPOINTMENT OF MR. RAJEEV SHARMA (DIN: 08528048) AS INDEPENDENT DIRECTOR OF THE COMPANY:

Mr. Rajeev Sharma was appointed as an Independent Non Executive Director of the Company by the members at the 31st AGM of the Company held on September 26, 2019 for a period of five consecutive years commencing from September 26, 2019 upto September 25, 2024. As per Section 149(10) of the Act, an Independent Director shall hold office for a term of upto five consecutive years on the Board of a Company, but shall be eligible for re-appointment on passing special resolution by the Company for another term of upto five consecutive years on the Board of a Company. Based on recommendation of Nomination and Remuneration Committee and in terms of the provisions of Sections 149, 150, 152 read with Schedule IV and any other applicable provisions of the Act and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, Mr. Rajeev Sharma, being eligible for re-appointment as an Independent Director and offering himself for re-appointment, is proposed to be re-appointed as an Independent Director for second term of five consecutive years from 26th September, 2024 up to 25th September, 2029.

The Company has received declaration from him stating that he meets the criteria of Independence as prescribed under sub-section (6) of Section 149 of the Companies Act, 2013 and Regulation 16(1)(b) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. He has also given his consent to continue to act as Director of the Company, if so appointed by the members.

In the opinion of the Board, Mr. Rajeev Sharma fulfills the conditions specified under Section 149 (6) of the Act, the Companies (Appointment and Qualification of Directors) Rules, 2014 and Regulation 16(1)(b) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 for his reappointment as an Independent Non-Executive Director of the Company and is independent of the management.

The Board considers that his continued association would be of immense benefit to the Company and it is desirable to continue to avail services of Mr. Rajeev Sharma as an Independent Director. Accordingly, the Board recommends reappointment of Mr. Rajeev Sharma as an Independent Director for another term of five consecutive years with effect from 26th September, 2024 up to 25th September, 2029, for the approval of shareholders' by passing of this special resolution.

None of the Director and Key Managerial Personnel of the Company and their relative is concerned or interested, financially or otherwise, in the resolution set out at Item No. 7 of this Notice of the AGM.

Mr. Rajeev Sharma is not related to any Director of the Company.

This Explanatory Statement together with the accompanying Notice of the AGM may also be regarded as a disclosure under Regulation 36(3) of the Listing Regulations and Secretarial Standard on General Meetings (SS-2) issued by ICSI.

ITEM NO 8. ALTERATION OF OBJECT CLAUSE OF THE MEMORANDUM OF ASSOCIATION OF THE COMPANY

There has been no change in the nature of business during the reporting period.

3. COMPANY'S PERFORMANCE

The management is happy to report that we have crossed **milestone of 550 Exclusive Brand** Outlets in July 2024 and all our sales channels are fully functional.

The Company has achieved total revenue of Rs. 61648.60 (lakhs) in financial year 2023-24 and Profit after tax (PAT) of Rs. 6222.29 (lakhs).

4. RETAIL

Despite an inhibitive business environment during FY24, your Company's retail network stands at 534 Showrooms/ Stores as on March 31, 2024.

Indian fashion industry is slated to be the sixth largest

market in the world. In recent years, private labels have emerged as the rising stars of retail and e-commerce. Private labels or in-house brands, typically offer shoppers value for money while earning higher margins for retailers with potential to develop into self-sustaining brands. There is also a growing emphasis on enriching customer experience. Window displays, in-store ambience, coordinated product displays, lighting, music and communication help build brand presence and awareness.

The retail sector in India is emerging as one of the largest sectors in the economy. It contributes to over 10% to GDP and 8% to employment. India's high growth potential

compared to global peers has made it a highly favorable destination.

5. EXPANSION OF BUSINESS

During the period under review, the Company has added 87 new stores and at the end of the year, Cantabil had 534 stores operational across India. We are evaluating numerous emerging micro markets with significant growth potential across India to pursue a disciplined expansion strategy with strong focus on store level economics. We also conduct active store optimization programs which involve identifying brand diluting stores and refreshing them with newer stores in more attractive micro-markets. We believe that our stores in addition to being a venue to sell our products also give us a direct connection to our customers. This is very valuable to us in building our brands.

While store expansion is a key growth lever for us, maintaining the quality of stores and ensuring consistent customer experience is equally important to us. As an ongoing initiative to emphasize contemporary look & feel and improve consistency of brand experience across the store, we focused on the store modernization program. Efficient utilization of retail space is one of our key initiatives.

The financial year under review was witness to sustainable growth. Operations and manufacturing are well equipped to meet the demand for coming years with capacity enhancement increase in few areas.

6. TRANSFER TO RESERVES

As permitted under the provisions of the Companies Act, 2013, the Board has not transferred any amount to the general reserves during the year.

CANTABIL RETAIL INDIA LIMITED DIVIDEND DISTRIBUTION POLICY

The Dividend Distribution Policy of Cantabil Retail India Limited (“the Company”) endeavors to maintain a consistent approach towards dividend payment to its shareholders and regulate the process of dividend declaration and its payout by the Company in accordance with the applicable Sections of the Companies Act, 2013, the rules made there under, and the Securities and Exchange Board of India (Listing Obligations & Disclosure Requirements) Regulations, 2015 (as amended) and any other law as applicable for the time being in force.

As per Regulation 43 A of Securities and Exchange Board of India (Listing Obligation and Disclosure Requirements), 2015 top 1000 listed entities based on market capitalization shall mandatory to have a dividend distribution policy.

Legal Framework

The Companies Act, 2013 lays down certain provisions for declaration of dividend (both interim and final), which are as follows:

- a. Section 51 permits companies to pay dividends pro-rata, in proportion to the amount paid-up on each share when all shares are not uniformly paid up.
- b. No dividend shall be declared or paid by the Company for any financial year except out of the profits of the Company for that year arrived at after providing for depreciation in accordance with Section 123 (2) of the Act or out of profits of the Company for any previous financial year/years arrived at after providing for depreciation in accordance with the provisions of above sub-Section and remaining undistributed or out of both or out of moneys provided for by the Central Government or State Government for payment of dividend in pursuance of a guarantee given by the concerned Government [Section 123(1)].
- c. Section 123(6) prohibits a company violating provisions as regards acceptance or repayment of deposits from declaring dividend on its equity shares, as long as such failure continues.
- d. No dividend shall be declared or paid by a company out of its reserves other than free reserves.
- e. In accordance with Section 134(3)(k), Board of directors must state in the Directors' Report the amount of dividend, if any, which it recommends to be paid to the shareholders.

The following are some major conditions of the Companies (Declaration and Payment of Dividend) Rules, 2014 (Rule 3) regarding declaration of dividend out of surplus in the absence of adequacy or absence of profits in any year:

- a. The rate of dividend declared shall not exceed the average of the rates at which dividend was declared by it in the three years immediately preceding that year.
- b. The total amount to be drawn from such accumulated profits shall not exceed 1/10th of the sum of its paid-up share capital and free reserves.
- c. The amount so drawn shall first be utilised to set off the losses incurred in the financial year in which dividend is declared before any dividend in respect of equity shares is declared.
- d. The balance of reserves after such withdrawal shall not fall below 15% of its paid up share capital as appearing in the latest audited financial statement.

Interim and Final Dividend

The Board may declare one or more Interim Dividends during the year. Additionally, the Board may recommend Final Dividend for the approval of the shareholders at the Annual General Meeting. The date of the Board meeting in which the Dividend proposal will be considered, will be intimated to the stock exchanges, as required by SEBI Regulations.

Dividend Payout

In every financial year, the Board aim to distribute to its equity shareholders upto 20% (including taxes, cess, and levies, if any relating to the dividend) of attributable Profit after Tax (before exceptional items) of the company.

Dividend Distribution

Board may at its discretion pay final dividend or interim dividend or special dividends on any special occasion or may pay both interim and final dividend in the proportion as it may deem fit to the Board, in the best interest of the Company and its shareholders. While deliberating on the recommendation of dividend, the Board will seek to balance the benefit made available to the shareholders of the Company with the comparative advantages of retaining profits in the Company which would lead to greater value creation for all stakeholders. The circumstances under which the shareholder may or may not expect dividend The Company endeavors to continue payment of both interim and final dividends to its shareholders based on the financial and certain other criteria as mentioned herein below in the Policy. The Company may however choose not to declare / distribute dividend in future anytime, its discretion of the Board and the company to determine the decision to declare or not to declare the dividend.

- a) Absence or inadequacy of profits during any particular year;
- b) Buyback of equity shares; and
- c) To meet one or more criteria mentioned under the heading “Internal / External factors considered for declaration of dividend”.

The financial parameters to be considered while declaring dividend

The financial parameters that may be considered while payment of dividend, including interim dividend are:

- a) revenues and net profits earned during the financial year/ part of the financial year;
- b) possible current and future cash flow requirements;
- c) liquidity needs including working capital requirements;
- d) any changes in accounting policy / guidelines that may have an adverse impact on the future profitability of the Company;

ECONOMIC OVERVIEW

Indian Economic Overview

India's economy displayed robust growth in FY 2023-24, with real GDP expanding by 8.2%, 8.1%, and 8.4% in the first three quarters, and 7.8% in Q4, resulting in an overall growth rate of 8.2%. This economic growth can be primarily attributed to robust domestic consumption and less reliance on foreign imports. While government initiatives facilitated domestic demand, increased investments to bolster manufacturing sector and improve digital and physical infrastructure mitigated supply chain issues effectively. Key indicators of this growth include strong PMI in manufacturing and services,

positive monsoon forecasts, increased bank credit driven by rising personal loan demand, higher household savings in physical assets, and accelerating auto sales across categories. Inflation has softened, with headline Consumer Price Inflation (CPI) estimated at 5.5% for FY 2023-24, down from 6.7% in FY 2022-23, and is projected to further decline to 4.5% in FY 2024-25.

The Indian economy's sound economic fundamentals have kept it buoyed amid global headwinds. The domestic economy sustained its position as the one of the fastest-growing major economies in the world and is expected to be one of the top three economic powers in the world over the next 10 to 15 years, backed by its robust democracy and strong demographics.

With the improvement of business accessibility, the general investment climate is growing more favourable. Furthermore, with rising consumer confidence, progression of labour markets and increasing private consumption, the Government aims to improve capital investment and lower budget deficit.

Indian Apparel Industry

India has solidified its position as one of the world's leading garment-manufacturing countries, boasting a rich history of fine craftsmanship throughout the textile and apparel value chain. From fibers, yarns, and fabrics to finished apparel, Indian textiles are revered for their global appeal. Notably, India's cotton, silk, and denim products have garnered immense popularity in international fashion hubs.

India is the world's largest producer of cotton. In the first advances, the agriculture ministry projected cotton output for 2023-24 at 31.6 million bales. According to the Cotton Association of India (CAI), the total availability of cotton in the 2023-24 season has been pegged at 34.6 million bales, against 31.1 million bales of domestic demand, including 28 million bales for mills, 1.5 million for small-scale industries, and 1.6 million bales for non-mills. Cotton production in India is projected to reach 7.2 million tonnes (~43 million bales of 170 kg each) by 2030, driven by increasing demand from consumers. It is expected to surpass US\$ 30 billion by 2027, with an estimated 4.6-4.9% share globally.

As one of the largest textile industries in the world, the Indian textile industry contributes approximately 2.3% to the country's GDP, 13% to industrial production and 12% to total exports earnings. India is one of the largest producers of cotton and jute in the world. It is also the 2nd largest producer of silk, with 95% of the world's hand-woven fabric comes from India. India's total textile exports are expected to reach USD 65 Billion by FY2026 and is expected to grow at 10% CAGR 2019-

2020 to reach USD 190 Billion by 2025-2026. The textiles and apparel industry in India has strengths across the entire value chain from fibre, yarn, fabric to apparel. The Indian textile and apparel industry is highly diversified with a wide range of segments ranging from products of traditional handloom, handicrafts, wool and silk products. India has been observing a robust trade in technical textile products and the country has been a net exporter. The government has also launched the Production Linked Incentive Scheme with an approved outlay of ₹10,683 crore to promote production of Man-Made Fibre Apparel, Man-Made Fibre Fabric and products of Technical Textiles in the country.

The Indian textile and apparel industry showcased remarkable diversity, encompassing traditional handloom, handicrafts, wool, silk, and a thriving organized textile sector. The market for Indian textiles and apparel is projected to grow at a 10% CAGR to reach US\$ 350 billion by 2030. Moreover, India is the world's 3rd largest exporter of Textiles and Apparel. India ranks among the top five global exporters in several textile categories, with exports expected to reach US\$100 billion.

The textiles and apparel industry contributes 2.3% to the country's GDP, 13% to industrial production and 12% to exports. The textile industry in India is predicted to double its contribution to the GDP, rising from 2.3% to approximately 5% by the end of this decade.

Employment generation is another commendable aspect of this industry, as it stands as the second-largest employer after agriculture. Directly providing jobs to 45 million individuals and supporting an additional 100 million in the allied sector, the textile and apparel industry significantly bolsters the nation's workforce.

Leading the charge in textile and clothing manufacturing are states such as Andhra Pradesh, Telangana, Haryana, Jharkhand, and Gujarat, which continue to drive the industry's growth and prominence.

The Indian textile and apparel industry's thriving trajectory underscores its resilience, adaptability, and potential for further development. The Indian apparel industry has witnessed a shift in consumer preferences, with a growing emphasis on sustainable and ethically sourced fashion. Customers are increasingly seeking eco-friendly and socially responsible products, leading to a surge in demand for organic fabrics, recycled materials, and cruelty-free apparel. As sustainability gains prominence, companies are making efforts to adopt eco-friendly practices across their supply chains.

The Indian apparel industry's long-term outlook remains positive, driven by a growing domestic market, export potential, evolving consumer preferences, and supportive government policies. To capitalize on these opportunities and address challenges, companies need to foster innovation,

embrace sustainability, invest in technology, and prioritize customer-centric strategies.

Market Size and Growth:

The Indian apparel industry has experienced substantial growth over the years, driven by a combination of factors such as rising disposable incomes, urbanization, increasing fashion consciousness, and a growing young population. The industry caters to a diverse consumer base, ranging from mass-market segments to premium and luxury segments. With a favourable demographic dividend and expanding middle-class population, the industry is poised for continued growth in the foreseeable future.

The Indian fashion industry is estimated to be the fourth largest market in the world. In recent years, private brands have increasingly emerged as the rising stars of retail and e-commerce. Retailer owned brands, typically offer shoppers value for money while earning higher margins for retailers with potential to develop into self sustaining propositions. There is also a growing emphasis on enriching customer experience. Window displays, in store ambience, coordinated product displays, lighting, music and communication to help build brand presence and awareness.

Export Potential:

India is among the leading apparel exporters globally, renowned for its diverse product range, skilled workforce, and competitive pricing. The country's textile and apparel exports have consistently contributed significantly to foreign exchange earnings. The industry's export orientation is bolstered by various trade agreements, preferential access to key markets, and the government's supportive policies and initiatives.

Risks and concerns

Like any business, The Company encounters a range of risks both internally and externally while conducting day-to-day operations and striving to achieve long-term objectives. To address these risks, comprehensive policies and dedicated risk workshops are implemented for each business vertical and key support functions. During these workshops, risks are identified, assessed, analysed, and either accepted or mitigated to an acceptable level, aligning with the organization's risk appetite. Regular reviews of risk registers are conducted to ensure ongoing vigilance.

The following are the primary Risks and Concerns faced by the Company:

Credit Risk:

The Company is not exposed to significant concentrations of credit risk as policies are in place to cover retail sales where collections are primarily made in cash or through credit card payments. The Company adopts prudent criteria in its investment policy, the main objectives of which are to reduce the credit risk associated with investment products and the counter party risk associated with financial institutions. The Company considers the solvency, liquidity, asset quality and management prudence of the counter parties, as well as the performance potential of the counter parties in stressed conditions.

Interest Rate Risk:

To mitigate interest rate risk, the Company carefully manages its debt-equity ratio, utilizing a combination of loans and internal cash accruals. Working capital is prudently managed to minimize overall interest costs. The Company intend to reduce overall debt exposure to minimise the risk.

Competition Risk:

Competition risk arises from multiple players vying for market share. The Company has strategically positioned itself with strong differentiators in product, quality, and design, making it resilient to competition. Continuous investments in technology and human resources help maintain a competitive edge. A stable client base further safeguards against this risk. The Company employs disciplined managers, customer-centric solutions, competitive pricing, aggressive marketing strategies, and prudent financial management to mitigate the impact of competition.

Input Cost Risk:

Changes in raw material prices, power costs, and other input expenses may impact profitability and cost-effectiveness. The Company closely monitors significant risks related to raw material prices and power availability.

Liability Risk:

To address liability risk arising from equipment damage, injuries, or third-party claims, the Company relies on contractual obligations and insurance coverage.

Real Estate Risk:

Effective management of store expansion and operations in new locations presents real estate risk. The Company faces challenges related to securing commercially viable properties in suitable locations, executing sale deeds and license registrations in a timely manner, and obtaining necessary regulatory approvals.

In summary, the Company is proactive in identifying and managing risks through well-defined policies, strategic positioning, prudent financial management, and continuous investments in key areas. By adopting a systematic approach, the Company aims to minimize the impact of potential risks and ensure sustained growth and success.

Opportunities

India boasts a massive domestic market with a population of 1.5 billion, offering lucrative growth prospects in domestic textiles and apparel consumption. The demand for non-woven textiles is on the rise, attracting imports of machinery and technology through preferential tariffs and foreign direct investment (FDI) with foreign companies.

Recently, there has been a significant increase in demand for branded and high-quality clothing due to the growing consciousness among the Indian population.

Opportunities for introducing quality branded products into this expanding market are abundant. Despite being a major global supplier of denim fabric, per capita denim consumption in India remains relatively low at 0.1 meters, presenting a significant potential for growth with the country's economic development and increased consumer spending on clothing.

Several market drivers contribute to the textile sector's growth. The government's initiatives such as the Scheme for Integrated Textile Parks (SITP) and the Technology Upgradation Fund Scheme (TUFS) encourage private equity investments and workforce skill development with substantial funding. The allowance of 100 percent FDI in the textile sector and free trade agreements with ASEAN countries and the proposed agreement with the European Union also boost textile exports.

India enjoys a competitive edge with abundant availability of raw materials like cotton, wool, silk, and jute, along with a skilled workforce and cost-effective production compared to other major textile producers.

Increasing prosperity among consumers, with rising per capita income and changing buying behaviour, has resulted in higher spending on clothing. Additionally, the penetration of

organized retail in India has attracted international fashion brands, leading to a surge in fashion apparel consumption.

India's status as the largest producer and net exporter of cotton grants domestic textile players access to a continuous supply of raw materials at competitive prices. This advantage, coupled with low labour, power, and water costs, makes India an attractive manufacturing destination.

Changing lifestyles, with more women joining the workforce, have driven a shift from home-oriented to career-oriented perspectives. This trend is expected to boost demand in the women's work wear segment.

Overall, the Indian textile sector is poised for substantial growth, driven by favourable government policies, abundant resources, rising consumer prosperity, and evolving market dynamics.

Challenges/ Threats**Global Competition:**

The textiles industry faces intense competition on a global scale, particularly from low-cost manufacturing countries like China and Bangladesh. This competitive pressure puts a strain on the Indian market. To address these challenges, new strategies for low-cost manufacturing need to be devised.

Inadequate Infrastructure:

One of the major hurdles for the Indian textiles industry is the inadequate infrastructure. Issues with logistics, power supply, and transportation networks significantly impact the industry's efficiency.

Shortage of Skilled Labour:

The textiles industry often experiences a shortage of skilled labour, leading to sudden challenges. The scarcity of skilled workers may result from mass labour migration or other factors. To overcome this, there is a need for skill development initiatives and successful models to tackle the labour shortage.

Compliance with Environmental Regulations:

As environmental sustainability gains importance, adhering to environmental regulations becomes crucial for the industry's growth. The textiles sector faces challenges in meeting these standards and must explore strategies to adopt eco-friendly practices and technologies for its betterment.

Internal control systems and adequacy

The Company implemented proper and adequate systems of internal control to ensure that all assets are safeguarded and protected against loss from any unauthorized use or

disposition and all transactions are authorized, recorded and reported correctly. The Company also implemented effective systems for achieving highest level of efficiency in operations, to achieve optimum and effective utilization of resources, monitoring thereof and the compliance with provisions all laws including the Companies Act, 2013, Listing Agreement, directions issued by the Securities and Exchange Board of India, labour laws, tax laws etc. It also aimed at improvement in financial management, and investment policy. The System ensures appropriate information flow to facilitate effective monitoring. The internal audit system also ensures formation and implementation of corporate policies for financial reporting, accounting, information security, project appraisal, and corporate governance. A qualified and independent Audit Committee of the Board of Directors also reviews the internal control system and its impacts on improvement of overall performance of the Company.

The Company has put in place internal control systems and a structured internal audit process vested with the task of safeguarding the assets of the organization and ensuring reliability and accuracy of the accounting and other operational data. The internal audit department reports to the Audit Committee of the Board of Directors.

Similarly, the Company maintains a system of monthly review of the business as a key operational control, wherein the performance of units is reviewed and corrective action is initiated. The Company also have in place a capital expenditure control system for authorising spend on new assets and projects. Accountability is established for implementing the projects on time and within the approved budget.

The Audit Committee and the Senior Management Team are regularly apprised of the internal audit findings and regular updates are provided of the action taken on the internal audit reports. The Audit Committee reviews the quarterly, half yearly and the annual financial statements of the Company. A detailed note on the functioning of the Audit Committee and of the other committees of the Board forms part of the section on corporate governance in the Annual Report.

During the year, the Company carried out a detailed review of internal financial controls. The findings were satisfactory and suggestions for improvement have been taken up for implementation. Policy guidelines and Standard Operating Procedures (SOPs) continue to be updated where required, to keep pace with business requirements.

Human Resources

The Company's HR philosophy revolves around fostering a high-performing organization where each individual is driven to unleash their full potential. We aim to cultivate a culture that encourages personal and professional excellence,

empowering our employees to contribute effectively towards achieving both individual and departmental objectives. At present, we have a dedicated workforce of 4000 + employees, and our industrial relations remain harmonious and satisfactory.

Recognizing the indispensable role of employees in our success, we conduct internal assessments periodically to identify competency gaps. To bridge these gaps, we provide developmental inputs, including skill upgradation training. Our focus on attracting and retaining motivated employees remains steadfast, as we believe that a motivated workforce is the cornerstone of our growth.

Investing in our employees' growth is a priority for us, and we plan to continue offering comprehensive training programs and allocating resources to enhance their skills and productivity. Equipping our employees with a profound understanding of our customer-oriented corporate culture and service quality standards is crucial, allowing them to adapt seamlessly to changing customer preferences and needs.

By nurturing and empowering our workforce, we are confident that we will create a resilient and adaptable organization capable of meeting the challenges of a dynamic business landscape while delivering exceptional value to our customers.

Information Technology

In the pursuit of performance-driven growth, our company has harnessed a deep understanding of local needs while remaining agile in adapting to evolving consumer preferences. This approach has proven instrumental in achieving remarkable progress. We attribute a significant part of our success to the establishment of a robust Enterprise Resource Planning (ERP) system and a suite of powerful IT systems. These technologies have effectively simplified complex processes across our operations, allowing us to respond swiftly to changing market demands.

Our IT infrastructure is tailored to our specific business needs, with a wide range of data management tools that play a crucial role in supporting key aspects of our operations. Notably, these systems have been instrumental in bolstering our cash management, in-store operations, logistics, human resources, project management, maintenance, and other administrative functions. The implementation of these IT solutions has resulted in substantial benefits, including minimizing product shortages, mitigating pilferage, and reducing instances of out-of-stock situations. Moreover, they have significantly enhanced overall operational efficiency.

Through the synergistic interplay of our deep understanding of local markets and our tech-enabled adaptability, we have been able to cultivate a competitive edge and deliver enhanced value to our stakeholders. As a testament to our commitment

to continuous improvement, we remain dedicated to further refining our IT systems and exploring innovative ways to optimize our processes for sustained growth and excellence.

Outlook:

As we enter the new fiscal year, Cantabil Retail India Ltd. stands poised to leverage several favourable factors in the Indian market to further solidify its position as one of the leading integrated player in the designing, manufacturing, branding, and retailing of apparels and accessories across the nation. The following key factors that are expected to positively impact the company's performance:

1. Rising Income and Improving Standard of Living:

India's economy has been witnessing steady growth, resulting in rising income levels and an improving standard of living for the country's population. With more disposable income in the hands of consumers, the demand for branded apparel and lifestyle products is expected to grow. Cantabil Retail India Ltd. is well-positioned to capitalize on this trend and capture a larger share of the growing market.

2. Brand Awareness and Recognition:

Cantabil has successfully built a strong brand presence in the Indian retail market. The company's commitment to delivering high-quality products, trendy designs, and affordable pricing has resonated well with customers across different demographics. As brand awareness continues to increase, Cantabil is likely to experience higher footfall in its retail stores, leading to increased sales and market share.

3. Expanding Retail Footprint:

The company's strategy of expanding its retail footprint in strategic locations across India has been yielding positive

results. In the coming year, Cantabil plans to open new retail outlets in high-potential markets, thereby increasing its geographical reach. The expansion will enable the company to tap into new customer segments and enhance its overall sales performance.

4. E-commerce Growth:

The rapid growth of e-commerce in India presents a significant opportunity for Cantabil. The company's robust online platform and omni-channel approach allow it to cater to the increasing number of tech-savvy consumers who prefer shopping online. The company will continue to invest in its e-commerce infrastructure and digital marketing efforts to drive online sales and strengthen its online presence.

5. Focus on Innovation and Design:

Cantabil's emphasis on innovation and design has been a key driver of its success. The company's ability to adapt to changing fashion trends and consumer preferences sets it apart from its competitors.

6. Customer Loyalty and Retention:

Building and maintaining customer loyalty will be a top priority as the company will be investing in customer engagement programs, personalized offerings, and loyalty rewards to ensure repeat business and foster long-term relationships with its customers.

Cantabil Retail India Ltd. remains optimistic about the future as it prepares to capitalize on the opportunities presented by India's economic growth, rising income levels, and increasing brand awareness. The company's strategic initiatives, expanding retail presence, focus on e-commerce, design innovation, and cost management are expected to drive sustained growth and shareholder value.

R&D	Nil	Nil	Nil
Capex	Nil	1.19%	1. PNG Boiler 2. Chakr Shield for Pollution Control of DG set

Percentage of R&D and capital expenditure (capex) investments in specific technologies to improve the environmental and social impacts of product and processes is being quantified by the Company as several initiatives in this regard are currently in the planning & implementation phase.

2. **(a) Does the entity have procedures in place for sustainable sourcing? (Yes/No)**

The company is actively increasing its use of sustainable raw materials such as organic cotton, Better Cotton Initiative (BCI) cotton, and Forest Stewardship Council (FSC) certified viscose. Additionally, the company promotes sustainable sourcing by incorporating recycled fibers into its materials.

Furthermore, the company collaborates with value chain partners who operate Sewage Treatment Plants (STP) and Effluent Treatment Plants (ETP), ensuring environmentally responsible production practices. Moreover, the company procures Indigo fabrics manufactured using Zero Liquid Discharge (ZLD) technology, demonstrating its commitment to water conservation and sustainable manufacturing processes.

- (b) If yes, what percentage of inputs were sourced sustainably?**

The Company is currently mapping its sustainable procured materials, which will be further analyzed to give a specific % figure.

4. **Describe the processes in place to safely reclaim your products for reusing, recycling and disposing at the end of life, for (a) Plastics (including packaging) (b) E-waste (c) Hazardous waste and (d) Other waste.**

The Company's endeavour in the following areas:

- Merchandise Vendors** – As a matter of policy the Company increasingly works with vendors who have integrated facility for effluent treatment or subscribe to a common facility.
- Products** – The Company encourages re-use through discount sale to third party where products are re-used and do not go to a landfill.
- Product Packaging** – The company uses paper bags instead of plastic bags and PP bags with 51 microns which is above the permissible limit. Company use cardboard boxes for product packaging. However, none of this packaging goes to the customers as the product is sold without the packaging. For recycling of cardboard boxes and plastic bags, Company has partnered with an EPR registered plastic recycling vendor, who also works with paper waste.
- E-waste** – All IT related disposal are done through E-waste certified supplier who ensures safe disposal with minimal environmental impact.
- Garments Tags** – Conversion from Plastic to Recycled Paper to reduce plastic usage.

4. **Whether Extended Producer Responsibility (EPR) is applicable to the entity's activities (Yes / No). If yes, whether the waste collection plan is in line with the Extended Producer Responsibility (EPR) plan submitted to Pollution Control Boards? If not, provide steps taken to address the same.**

CORPORATE GOVERNANCE REPORT

In accordance with requirement pursuant to 34(3) & Part C of Schedule V of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (hereinafter referred as “Listing Regulations”), the report containing the details of corporate governance systems and processes at Cantabil Retail India Limited is as follows:

1. THE COMPANY'S PHILOSOPHY ON CODE OF CORPORATE GOVERNANCE

At Cantabil Retail India Limited, Corporate Governance has been an integral part of the way we have been doing our business since inception. The principles of Corporate Governance are based on transparency, accountability and focus on the sustainable success of the Company over the long-term. We are dedicated to conducting business with integrity and in full compliance with all relevant laws and regulations.

Our corporate governance framework is meticulously crafted to ensure that every decision we make reflects our core values and contributes to the long-term success of our company. We believe in fostering a culture where ethical behavior is non-negotiable, and where compliance with laws and regulations is not just a requirement, but a fundamental principle. Our Code of Business Principles ('the Code') is an extension of our values and reflects our continued commitment to ethical business practices across our operations. We acknowledge our individual and collective responsibilities to manage our business activities with integrity. Our Code inspires us to set standards which not only meet applicable legislation but go beyond in many areas of our functioning.

As we navigate an evolving business landscape, Cantabil Retail India Limited remains steadfast in our commitment to continuously enhance our corporate governance practices. We adapt these practices to align with emerging best practices and regulatory developments, ensuring that our governance framework remains robust and responsive to the needs of our stakeholders.

Statement on Company's philosophy on Code of Governance:

“We will pursue our business with honor, fairness, and respect for the individual and the public at large . . . ever mindful that there is no right way to do a wrong thing.”

Vijay Bansal
(Chairman and Managing Director)
Cantabil Retail India Limited

Corporate Governance encompasses a set of systems and practices to ensure that the Company's affairs are being managed in a manner which ensures accountability, transparency and fairness in all transactions in the widest

sense. The objective is to meet stakeholders' aspirations and societal expectations. Good governance practices stem from the dynamic culture and positive mindset of the organization. We are committed to meet the aspirations of all our stakeholders. This is demonstrated in shareholder returns, high credit ratings, awards and recognitions, governance processes and an entrepreneurial performance focused work environment. Additionally, our customers have benefited from high quality products delivered at extremely competitive prices.

The demands of Corporate Governance require professionals to raise their competence and capability levels to meet the expectations in managing the enterprise and its resources effectively with the highest standards of ethics. It has thus become crucial to foster and sustain a culture that integrates all components of good governance by carefully balancing the complex inter-relationship among the Board of Directors and Board Committees, Compliance & Assurance teams, Auditors and the senior management. Our employee satisfaction is reflected in the stability of our senior management, low attrition across various levels and substantially higher productivity. Above all, we feel honored to be integral to India's social development. Details of several such initiatives are available in the Report on Corporate Social Responsibility.

2. BOARD OF DIRECTORS

INDEPENDENT AUDITOR'S REPORT

To the Members of Cantabil Retail India Limited Report on the Standalone Ind AS financial Statements

Opinion

We have audited the accompanying standalone Ind AS financial statements of Cantabil Retail India Limited (“the Company”) which comprises the Balance Sheet as at March 31, 2024, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, (“IND AS”) and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31 2023, and its profit, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone Ind AS financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key Audit Matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone Ind AS financial statements of the current period. These matters were addressed in the context of our audit of the Standalone Ind AS financial statements as a whole, and informing our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report

Key Audit Matter	Auditor's Response
<p>Preferential Allotment of Equity Shares: The Company has made a preferential allotment of 20,00,000 equity shares of face value of Rs. 2/- each of the Company to Think India Opportunities Master Fund LP at a price of Rs. 252/- per Equity Share (including security premium of Rs 250/- per Equity Share).</p>	<p>We have verified that preferential allotment of 20,00,000 equity shares of face value of Rs. 2/- each of the Company has been made in accordance with section 42 of the Companies Act, 2013 read with Rule 14 of the Companies (Prospectus and Allotment of Securities) Rules, 2014 and section 62 read with rule 13 of Companies (share capital and debentures) rules, 2014 and Chapter V of the SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2018 (“ICDR Regulations”), as amended and other applicable laws. Funds of Rs 5040 lakhs have been received and partly utilized towards objects of the issue and balance amount is held in short term investments and bank balances.</p>

We have determined that there are no other key audit matters to communicate in our report.

Information Other than the Standalone Ind AS financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone Ind AS financial statements and our auditor's report thereon.

Our opinion on the standalone Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone Ind AS financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone Ind AS financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

Management Responsibility for the Standalone Ind AS financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with accounting principles generally accepted in India, including Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of Standalone Ind AS financial Statement

Our objectives are to obtain reasonable assurance about whether the Standalone Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has internal financial controls with reference to Financial Statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone Ind AS financial statements, including the disclosures, and whether the standalone Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone Ind AS financial statements for the financial year ended March 31, 2024 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid standalone Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended.
 - e) On the basis of the written representations received from the directors as on March 31, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the Internal Financial Control with reference to Financial Statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

- g) In our opinion the managerial remuneration for the year ended March 31, 2024 has been paid/provided by the Company to its directors in accordance with the provisions of section 197 read with Schedule V to the Act.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- (i) The Company has disclosed the impact of pending litigations on its financial position in its standalone Ind AS financial statements – Refer Note 59 to the Standalone Ind AS financial statements;
 - (ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - (iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - (iv)
 - a) The Management has represented that, to the best of its knowledge and belief, other than as disclosed in notes to accounts, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ('Intermediaries') with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ('Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - b) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ('Funding Parties') with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ('Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our attention that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11 (e) as provided under (a) and (b) above, contain any material misstatement.
 - (v) The dividend declared and paid by the Company during the year is in accordance with Section 123 of the Act, as applicable.
 - vi) Based on our examination which included test checks, the Company has used accounting software(s) for maintaining its books of account for the financial year ended March 31, 2024 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software(s). Further during the course of our audit, we did not come across any instance of the audit trail feature being tempered with.

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements'
Section of our report of even date)

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that

- l) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment, capital work-in-progress and investment properties and relevant details of right of use assets.
(B) The Company has maintained proper records showing full particulars of intangible assets.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the company, the Management in accordance with a programme of verification carried out physical verification of Property, Plant and Equipment, capital work-in-progress, investment properties and right of use assets during the year, which in our opinion provides for physical verification of all the Property, Plant and Equipment, capital work-in-progress, investment properties and right of use assets at reasonable intervals having regard to the size of the Company and the nature of its activities. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
- (c) With respect to immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the Company) disclosed in the financial statements included in property, plant and equipment, capital work-in progress and investment properties according to the information and explanations given to us and based on the examination of the registered sale deed / title deed provided to us, we report that, the title deeds of such immovable properties are held in the name of the company as at the balance sheet date.
- (d) The Company has not revalued any of its property, plant and equipment (including Right of Use assets) and intangible assets during the year.
- (e) According to the information and explanations given to us and on the basis of our examination of the records of the company, no proceedings have been initiated during the year or are pending against the Company as at 31 March 2024 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- ii) (a) According to the information and explanations given to us and on the basis of our examination of the records produced before us, the inventories were physically verified during the year by the management at reasonable intervals. In our opinion the coverage and procedure of such verification by the management is appropriate having regard to the size of the company and the nature of its operations. No discrepancies of 10% or more in the aggregate for each class of inventories were noticed on such physical verification of inventories when compared with books of account.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the company, the company has been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets. In our opinion, the quarterly returns or statements filed by the company with such banks or financial institutions are in agreement with the books of account of the company.
- iii) According to the information and explanations given to us, at any point of time of the year, the company has not made investments in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties. Hence, reporting under clause (iii) of the Order is not applicable.
- iv) The Company has not granted/made any loans, investments and guarantees and securities under section 185 and 186 of The Companies Act, 2013 during the year. Hence, reporting under clause (iv) of the Order is not applicable.

- v) According to the information and explanations given to us, in our opinion, the Company has not accepted any deposit or amounts which are deemed to be deposits during the year. Hence, reporting under clause(v) of the Order is not applicable.
- vi) The maintenance of cost records has not been specified for the activities of the company by the Central Government under section 148(1) of the Companies Act, 2013. Hence, reporting under clause (vi) of the Order is not applicable.
- vii) (a) According to the information and explanations given to us, the company is generally regular in depositing with appropriate authorities undisputed statutory dues including Goods and Services Tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues.

There were no undisputed amounts payable in respect of Goods and Service tax, Provident Fund, Income-tax, Sales Tax, Service Tax, duty of Custom, Duty of Excise, Value Added Tax, cess and other material statutory dues as at March 31, 2024 for a period of more than six months from the date they became payable.

- b) Statutory dues referred to in sub-clause (a) above which have not been deposited as on March 31, 2024 on account of disputes are given below:

Name of the statute	Nature of dues	Amount (in Rs)	Period to which the amount relates	Forum where dispute is pending
Central Excise Act, 1944	Denial of CENVAT credit of Service Tax	86.35 lakhs	September, 2012 to February, 2013	Hon'ble High court of Delhi
Central Excise Act, 1944	Denial of CENVAT credit of Service Tax	24.04 lakhs	March, Act, 2012	Hon'ble High court of Delhi

- viii) According to the information and explanations given to us and on the basis of our examination of the records of the company, there were no transactions relating to previously unrecorded income that were surrendered or disclosed as income in the tax assessments under the Income Tax Act, 1961 (43 of 1961) during the year. Hence, reporting under clause (viii) of the Order is not applicable.
- ix) (a) According to the information and explanations given to us and on the basis of our examination of the records of the company, in our opinion, the Company has not defaulted in the repayment of loans or borrowings from banks, financial institutions and Government.
- (b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- (c) The Company has not taken any term loan during the year and there are no unutilized term loans at the beginning of the year and hence, reporting under clause (ix)(c) of the Order is not applicable.
- (d) On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
- (e) On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.
- (f) In our opinion, the Company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies.
- x) (a) The Company not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause (x) (a) of the Order is not applicable.
- (b) In our opinion and according to the information and explanations given to us and on the basis of examination of books and records of the company, the Company has made preferential allotment of shares amounting Rs. 5040/- Lakhs on

22nd February, 2024 and complied with the requirements of section 42 and section 62 of the Companies Act, 2013. In our opinion and according to the information and explanations given to us, the company has utilized funds raised by way of preferential allotment of shares for the purposes for which they were raised, except for the following:

Nature of Securities viz. Equity shares/ Preference shares/ Convertible debentures	Purpose for which funds were raised	Total Amount Raised/ opening unutilized balance	Amount utilized for the other purpose	Unutilized balance as at balance sheet date	Remarks
Equity Shares	Repayment of Borrowing of the Company, working capital requirement, meeting future funding requirement and other general corporate purpose of the company	5040.00	NIL	3101.34	Unutilized funds to the extent of Rs 3040 lakhs are invested in short term investments and balance Rs 61.34 lakhs is held as bank balances.

- xi) (a) To the best of our knowledge, no fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- (b) To the best of our knowledge, no report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.
- (c) We have taken into consideration the whistle blower complaints received by the Company during the year and provided to us, when performing our audit.
- xii) The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
- xiii) According to the information and explanations given to us and on the basis of our examination of the records of the company, in our opinion, the company is in compliance with Section 177 and 188 of the Companies Act, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements etc. as required by the applicable accounting standards.
- xiv) (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered, the internal audit reports issued to the Company during the year and covering the period up to 31 March 2024 for the period under audit.
- xv) According to the information and explanations given to us and on the basis of our examination of the records of the company, in our opinion, during the year the Company has not entered into any non-cash transactions with its directors or persons connected with its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- xvi) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause (xvi)(a), (b), (c) and (d) of the Order is not applicable.
- xvii) According to the information and explanations given to us and on the basis of our examination of the records of the company, in our opinion, the company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year. Hence, reporting under clause (xvii) of the Order is not applicable.

- xviii) There has been no resignation of the statutory auditors of the Company during the year. Hence, reporting under clause (xviii) of the Order is not applicable.
- xix) According to the information and explanations given to us and on the basis of our examination of the records of the company, in our opinion, on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx) According to the information and explanations given to us and on the basis of our examination of the records of the company, in our opinion, the Company has fully spent the required amount towards Corporate Social Responsibility and there is no unspent amount for the year requiring a transfer to a Fund specified in Schedule VII to the Companies Act or special account in compliance with the provision of sub-section (6) of section 135 of the said Act. Accordingly, reporting under clause (xx) of the Order is not applicable.

Annexure - B to the Independent Auditor's Report of even date on the Standalone Ind AS financial statements of Cantabil Retail India Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013

We have audited the internal financial controls over financial reporting of Cantabil Retail India Limited ('the company') as of March 31, 2024 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting of the company.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

1. Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and

3. Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

COMPANY OVERVIEW AND MATERIAL ACCOUNTING POLICIES

1 Company Overview

Cantabil Retail India Limited ('the company') is a public limited company domiciled in India and incorporated on February 9, 1989 under the provisions of the Companies Act applicable in India having corporate identification number L74899DL1989PLC034995. The company is engaged in the business of designing, manufacturing, branding and retailing of apparel, accessories and footwear for Men, Women and Kids. Registered office of the company is situated in New Delhi. The Company has its primary listings on the National Stock Exchange and Bombay Stock Exchange.

2 Material Accounting Policies

2.01 Basis of Preparation

The financial statements have been prepared in accordance with Indian Accounting Standards as defined in Rule 2(1)(a) of the Companies (Indian Accounting Standards) Rules, 2015 and relevant amendment rules issued thereafter, prescribed under Section 133 of the Companies Act, 2013 ("Ind AS").

2.02 Overall Consideration

These financial statements have been prepared on going concern basis using the significant accounting policies and measurement basis summarised below:

These accounting policies have been used throughout all periods presented in financial statements.

2.03 Basis of Measurement

The financial statements are prepared on Historical Cost basis except financial assets and liabilities that are measured at fair value (Refer accounting policy regarding Financial Instruments). The accounting policies not specifically referred to otherwise, are consistent and in consonance with generally accepted accounting principles. All income and expenditure are being accounted for on accrual basis.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

2.04 Functional and Presentation Currency

These financial statements are presented in Indian Rupees (INR), which is the Company's functional currency. All financial information presented in INR have been shown in lakhs and rounded off to the nearest thousand and have been expressed in terms of decimals of thousands.

2.05 Use of Estimates

In preparing Company's financial statements in conformity with Ind AS, management is required to make estimates and assumptions that affect the reported amount of assets and liabilities and the disclosure of contingent liabilities at the date of the financial statements and reported amount of revenues and expenses during the reporting period. Actual results could differ from those estimates. Estimates and underlying assumption are renewed at each balance sheet date. Any revision to accounting estimates is recognized in the period in which the same is determined.

2.06 Significant Accounting Judgements, Estimates and Assumptions

The preparation of the Company's financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the related disclosures and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when these financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions as and when they occur.

(i) Estimation of defined benefit obligation

The cost of the defined benefit plan and other post-employment benefits and the present value of such obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, mortality rates and attrition rate. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All

assumptions are reviewed at each reporting date.

(ii) Estimation of current tax and deferred tax

Management judgment is required for the calculation of provision for income - taxes and deferred tax assets and liabilities. The Company reviews at each balance sheet date the carrying amount of deferred tax assets. The factors used in estimates may differ from actual outcome which could lead to adjustment to the amounts reported in these financial statements.

(iii) Useful lives of depreciable/amortizable assets

Management reviews its estimate of the useful lives of depreciable/amortizable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technical and economic obsolescence that may change the utility of certain property, plant and equipment.

(iv) Impairment of trade receivables

Trade receivables do not carry any interest and are stated at their normal value as reduced by appropriate allowances for estimated irrecoverable amounts. Individual trade receivables are written off when management deems them not to be collectible. Impairment is recognised based on the expected credit losses, which are the present value of the cash shortfall over the expected life of the financial assets.”

(v) Fair value measurement

Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available) and non-financial assets. This involves developing estimates and assumptions consistent with how market participants would price the instrument. Management bases its assumptions on observable data as far as possible but this is not always available. In that case management uses the best information available. Estimated fair values may vary from the actual prices that would be achieved in an arm's length transaction at the reporting date .

(vi) Evaluation of indicators for impairment of assets

The evaluation of applicability of indicators of impairment of assets is based on assessment of several external and internal factors which could result in deterioration of recoverable amount of the assets.

2.07 Current and Non-Current Classification

The Company presents assets and liabilities in the balance sheet based on current/non-current classification.

An asset is current when it is:

- Expected to be realized or intended to be sold or

consumed in normal operating cycle;

- Held primarily for the purpose of trading;
- Expected to be realized within twelve months after the reporting period; or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.
- Current assets include current portion of non-current financial assets.

All other assets are classified as non-current.

A liability is current when it is:

- Expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- Due to be settled within twelve months after the reporting period; or
- There is no unconditional right to defer settlement of the liability for at least twelve months after the reporting period.
- Current Liabilities include current portion of non-current financial liabilities.

All other liabilities are classified as non-current.

Deferred tax assets and Deferred tax liabilities are classified as non-current assets and non-current liabilities respectively.

2.08 Operating Expenses

Operating expenses are recognised in statement of profit or loss upon utilisation of the service or as incurred.

2.09 Equity, Reserves and Dividend Payment

Equity shares are classified as equity. Incremental costs directly attributable to the issue of new shares are shown in equity as a deduction, net of tax, from the proceeds. Retained earnings include current and prior period retained profits. All transactions with owners of the Company are recorded separately within equity.

2.10 Property Plant & Equipment

i) Initial Recognition and Measurement

An item of property, plant and equipments recognized as an asset if and only if it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably.

Items of Property, Plant and Equipment are measured at cost less accumulated depreciation/amortization and accumulated impairment losses. Cost includes expenditure that is directly attributable to bringing the asset, inclusive of non-refundable taxes & duties, to the location and condition necessary for it to be capable of operating in the manner intended by management.

When parts of an item of property, plant and equipment have different useful life, they are recognized separately.

Items of spare parts, stand-by equipment and servicing equipment which meet the definition of Property, Plant and Equipment are capitalized.

Property, Plant and Equipments which are not ready for intended use as on the date of Balance Sheet are disclosed as 'Capital Work-In-Progress'.

ii) Subsequent costs

Subsequent expenditure is recognized as an increase in the carrying amount of the asset when it is probable that future economic benefits deriving from the cost incurred will flow to the enterprise and the cost of the item can be measured reliably. The cost of replacing part of an item of property, plant and equipment is recognized in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the Company and its cost can be measured reliably. The carrying amount of the replaced part is derecognized. The costs of the day-to-day servicing of Property, Plant and Equipment are recognized in profit or loss as incurred.

iii) De-recognition

Property, Plant and Equipment are derecognized when no future economic benefits are expected from their use or upon their disposal. Gains and losses on disposal of an item of property, plant and equipment are determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment, and are recognized in the statement of profit and loss.

iv) Depreciation/amortization

Depreciation is recognized in profit or loss on a written down value over the estimated useful life of each item of Property, Plant and Equipment other than Freehold Land which has unlimited useful life and therefore no depreciation is charged on Land.

Depreciation on additions to/deductions from property, plant and equipment during the year is charged on pro-rata basis from/up to the date on which the asset is available for use/disposed.

Depreciation on property, plant and equipment is provided on their estimated useful life as prescribed by Schedule II of The Companies Act, 2013 as follows:

1) Buildings	30 years
2) Plant & Machinery	15 years
3) Furniture & Fixtures	10 years
4) Vehicles	08 years
5) Office Equipments	05 years

6) Electrical Installation	10 years
7) Computer	03 years
8) Computer Server	06 years
9) Leasehold Improvements	Over the period of lease

The residual value, useful life and methods of PPE are reviewed at each financial year end and adjusted prospectively.

2.11 Capital Work-in-Progress

These are assets which includes the cost of materials & direct labour, borrowing costs, any other costs directly attributable to bring the assets to the location and condition necessary for it to be capable of operating in the manner intended by management but not put to use as on reporting date.

2.12 Other Intangible Assets

i) Initial Recognition and Measurement

An intangible asset is recognized if and only if it is probable that the expected future economic benefits that are attributable to the asset will flow to the company and the cost of the asset can be measured reliably.

Intangible assets that are acquired by the Company, which have definite useful lives, are recognized at cost less accumulated amortization and accumulated impairment losses, if any. Cost includes any directly attributable incidental expenses necessary to make the assets ready for its intended use.

ii) Subsequent Costs

Subsequent expenditure is recognized as an increase in the carrying amount of the asset when it is probable that future economic benefits deriving from the cost incurred will flow to the enterprise and the cost of the item can be measured reliably.

iii) De-Recognition

An intangible asset is derecognized when no future economic benefits are expected from their use or upon their disposal. Gains and losses on disposal of an item of intangible assets are determined by comparing the proceeds from disposal with the carrying amount of intangible assets and are recognized in the statement of profit and loss.

iv) Amortization

Intangible assets having definite life are amortized on straight line method in their useful life mentioned below:

1) Trade Mark	5 years
2) Computer Software (ERP)	10 years
3) Computer Software (Others)	5 years

2.13 Impairment of Property, Plant and Equipment, Other Intangible Assets

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable and impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less costs of disposal and value in use. For the purpose of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or Company of assets (cash generating units). If at the balance sheet date, there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciated historical cost and the same is accordingly reversed in the statement of profit and loss.

2.14 Investment Property

Investment properties are measured at cost less accumulated depreciation and impairment losses, if any. Depreciation on building is calculated using the written down value method to allocate their cost, net of their residual values, over the estimated useful lives (i.e. 60 years) as prescribed in Schedule II to the Companies Act, 2013.

2.15 Inventories

Inventories of Raw material, Work-in-progress, Finished goods and Consumable Spares are valued at the lower of cost and net realisable value.

The cost of inventories of items that are not ordinarily interchangeable shall be assigned by using specific identification of their individual costs and other items shall be assigned by using first in first out (FIFO) cost formula.

Costs incurred in bringing each product to its present location and condition are accounted for as follows:

- Raw materials: cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition.
- Work in progress: cost includes raw material costs plus conversion costs depending upon the stage of completion.
- Finished goods: cost includes cost of direct materials and labour and a proportion of manufacturing overheads based on the normal operating capacity.

All other inventories of stores, consumables, packing material at site are valued at cost. The stock of waste is valued at estimated net realisable value.

The Company considers the age and nature of the

product to which inventory pertains for determining the net realisable value for slow moving and obsolete inventories. Such inventories are thereafter marked down to their estimated net realisable value, i.e. what the Company expects to realise from sale of such inventory. The Company makes provisions for slow moving and/ or obsolete stock, based on the analysis of inventories, past experience, current trend and future expectations, depending upon the category of goods.

2.16 Cash and Cash Equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and cash in hand and short-term deposits with an original maturity of three months or less, which are subject to insignificant risk of change in value.

2.17 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

i) Financial Assets:

Financial assets are recognised when the Company becomes a party to the contractual provisions of the instrument.

a) Initial Recognition and Measurement

All financial assets are recognized initially at fair value plus, in case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

b) Subsequent Measurement

Financial assets are subsequently classified and measured at:

- Financial assets at amortised cost
- Financial assets at fair value through profit and loss (FVTPL)
- Financial assets at fair value through other comprehensive income (FVTOCI).

c) Equity Instruments:

All investments in equity instruments in entities other than subsidiaries and joint ventures are measured at fair value. Equity instruments if held for trading are classified as at FVTPL. For all other equity instruments, the Company decides to classify the same either at FVTOCI or FVTPL. The Company makes such election on an instrument by instrument basis. The classification is made on initial recognition and is irrevocable.

If the company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instruments, excluding

dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment as the company transfers cumulative gain or loss within the equity.

Equity instruments if classified as FVTPL category are measured at fair value with all changes recognized in the profit and loss.

d) De-Recognition

A financial asset (or, where applicable, a part of a financial asset or part of a Company of similar financial assets) is primarily derecognized (i.e. removed from the Company's balance sheet) when:

- The contractual rights to receive cash flows from the asset have expired, or
- The Company has transferred its contractual rights to receive cash flows from the asset.

e) Impairment of Financial Asset

Expected credit losses are recognized for all financial assets subsequent to initial recognition in Statement of Profit and loss.

For recognition of impairment loss on financial assets other than Trade receivables, the company determines whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide impairment loss. However, If credit risk is increased significantly, lifetime ECL is used.

If, in a subsequent period, credit quality of the instrument improves to such extent that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12- Month ECL.

For trade receivables Company applies 'simplified approach' which requires expected lifetime losses to be recognised from initial recognition of the receivables. The Company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward looking estimates are analysed.

ii) Financial Liabilities

a) Initial Recognition and Measurement

All financial liabilities are recognized at fair value and in case of loans, net of directly attributable cost. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost.

b) Subsequent Measurement

Financial liabilities are carried at amortized cost using the effective interest method. Amortized cost is calculated by taking into account any discount or premium on acquisition and any material transaction that are any integral part of the EIR. Trade and other payables maturing within one year from the balance sheet date are carried at transaction value and the carrying amounts approximate fair value due to the short maturity of these instruments.

Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

c) De-Recognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

2.18 Offsetting of Financial Instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the group or the counterparty.

2.19 Fair Value Measurement

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or

liability, assuming that market participants act in their economic best interest. A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use. The company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs. All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 – Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or Indirectly observable

Level 3 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognized in the financial statements on a recurring basis, the company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period. The Company determines the policies and procedures for both recurring fair value measurement, such as derivative instruments and unquoted financial assets measured at fair value, and for non-recurring measurement, such as assets held for distribution in discontinued operations.

2.20 Impairment of Financial Assets

All financial assets except for those at FVTPL are subject to review for impairment at least at each reporting date to identify whether there is any objective evidence that a financial asset or a company of financial assets is impaired. Different criteria to determine impairment are applied for each category of financial assets.

In accordance with Ind-AS 109, the company applies expected credit loss (ECL) model for measurement and recognition of impairment loss for financial assets carried at amortised cost.

ECL is the weighted average of difference between all contractual cash flows that are due to the company in accordance with the contract and all the cash flows that the company expects to receive, discounted at the original effective interest rate, with the respective risks of default occurring as the weights. When estimating the

cash flows, the company is required to consider –

- All contractual terms of the financial assets (including prepayment and extension) over the expected life of the assets.
- Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

2.21 Provisions, Contingent Liabilities and Contingent Assets

Provisions are measured at the Present value of the management's best estimate (these estimated are reviewed at each reporting date and adjusted to reflect the current best estimate) of the expenditure required to settle the present obligation at the end of reporting period. Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources.

Contingent liabilities are disclosed only when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events which is not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or estimate of the amount cannot be measured reliably.

No contingent asset is recognized but disclosed by way of notes to accounts only when its recognition is virtually certain.

2.22 Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured, regardless of when the payment is being made. Amount of sales are net of goods and service tax, sale returns , trade allowances and discounts.

To determine whether to recognize revenue, the company follows a 5-step process:

1. Identifying the contract with a customer
2. Identifying the performance obligations
3. Determining the transaction price
4. Allocating the transaction price to the performance obligations
5. Recognising revenue when/as performance obligation(s) are satisfied.

The company considers the terms of the contract and its customary business practice to determine the transaction price.

In all cases, the total transaction price is allocated amongst the various performance obligations based on their relative standalone selling price. The transaction

price excludes amounts collected on behalf of third parties. The consideration promised include fixed amounts, variable amounts, or both.

Revenue is recognised either at a point in time or over time, when (or as) the company satisfies performance obligations by transferring the promised goods or services to its customers.

For each performance obligation identified the company determines at contract inception whether it satisfies the performance obligation over time or satisfies the performance obligation at point in time. If any entity does not satisfy a performance obligation over time, the performance obligation is satisfied at a point in time.

A receivable is recognised where the company's right to consideration is unconditional (i.e. any passage of time is required before payment if the consideration is due).

When either party to a contract has performed, an entity shall present the contract in the balance sheet as contract asset or contract liability, depending on the relationship between the entity's performance and the customer's payment.

While this represents significant new guidance, the implementation of this new guidance had no impact on the timing or amount of revenue recognised by the company in any year.

Company continues to account for export benefits on accrual basis.

Other Income

All other income is recognized on accrual basis when no significant uncertainty exists on their receipt.

Interest Income

Interest income from a financial asset is recognized when it is probable that the economic benefits will flow to the company and the amount of income can be measured reliably. Interest is accrued on time proportion basis, by reference to the principle outstanding at the effective interest rate.

Dividends

Income from dividend on investments is accrued in the year in which it is declared, whereby the company's right to receive is established.

2.23 Foreign Currency Conversions/ Transactions

Foreign Currency Transactions are recorded at the exchange rates prevailing on the date of the transactions. Gains and losses arising out of subsequent fluctuations are accounted for on actual payments or realisations as the case may be. Monetary assets and liabilities denominated in foreign currency as on Balance Sheet date are translated into functional currency at the exchange rates prevailing on that date and Exchange differences arising out of such

conversion are recognised in the Statement of Profit and Loss.

2.24 Income Taxes

Income tax expense for the year comprises of current tax and deferred tax. It is recognised in the Statement of Profit and Loss except to the extent it relates to any business combination or to an item which is recognised directly in equity or in other comprehensive income.

a) Current Tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the tax authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted at the reporting date.

Current income tax relating to items recognized outside statement of profit or loss is recognized outside statement of profit or loss (either in other comprehensive income or in equity). Current tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where

b) Deferred Tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognized outside

statement of profit or loss is recognized outside statement of profit or loss. Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable company Group and the same taxation authority."

2.25 Employee Benefits

i) Short Term Employee Benefits

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided.

A liability is recognized for the amount expected to be paid under performance related pay if the Company has a present, legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

ii) Post-Employment benefits

Employee benefit that are payable after the completion of employment are Post-Employment Benefit (other than termination benefit). Company has identified two types of post employment benefits:

a) Defined Contribution Plans

Defined contribution plans are those plans in which the company pays fixed contribution into separate entities and will have no legal or constructive obligation to pay further amounts. Provident Fund and Employee State Insurance are Defined Contribution Plans in which company pays a fixed contribution and will have no further obligation beyond the monthly contributions and are recognised as an expenses in Statement of Profit & Loss.

b) Defined Benefit Plans

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan.

Company pays Gratuity as per provisions of the Gratuity Act, 1972. The Company's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit to employees is discounted to determine its present value.

The calculation is performed annually by a qualified actuary using the projected unit credit method. The net interest cost is calculated by applying the discount rate to the net balance of

the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss. Any actuarial gains or losses pertaining to components of re-measurements of net defined benefit liability/(asset) are recognized in OCI in the period in which they arise. The calculation is performed annually by a qualified actuary using the projected unit credit method. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss. Any actuarial gains or losses pertaining to components of re-measurements of net defined benefit liability/(asset) are recognized in OCI in the period in which they arise.

Company provided for compensated absences which are expected to occur within twelve months after the end of the period in which the employee renders the related services are recognised as undiscounted liability at the balance sheet date. Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognised as an actuarially determined liability at the present value of the defined benefit obligation at the balance sheet date.

2.26 Borrowing Cost

Borrowing cost include interest calculated using the effective interest method, amortization of ancillary costs and other costs the company incurs in connection with the borrowing of funds. Borrowing costs directly attributable to the acquisition, construction or production of a qualifying asset are capitalized during the period of time that is necessary to complete and prepare the asset for its intended use or sale. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. Capitalisation of borrowing costs is suspended in the period during which the active development is delayed due to, other than temporary, interruption. All other borrowing costs are charged to the statement of profit and loss as incurred.

2.27 Earning Per Share

Basic Earning Per Share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, net profit after tax during the year and the weighted average number of shares outstanding during the year are adjusted for the effect of all dilutive potential equity shares.

2.28 Leases

Leases

The Company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Company as Lessee

The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

The Company determines the lease term as the non-cancellable term of the lease, together with any periods covered by an option to extend the lease if it is reasonably certain to be exercised, or any periods covered by an option to terminate the lease, if it is reasonably certain not to be exercised.

Right of Use Assets

The Company recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any measurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the lease term or useful life of assets which ever is lower.

Lease Liability

At the commencement date of the lease, the Company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments less any lease incentives receivable. Variable lease payments that do not depend on an index or a rate are recognised as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs.

In calculating the present value of lease payments, the

Company uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments or a change in the assessment of an option to purchase the underlying asset."

Short Term Lease & Leases of Low Value Assets

The Company applies the short-term lease recognition exemption to its short-term leases (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to items that are considered to be low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

2.29 Statement of Cash Flows

Statement of cash flows is prepared in accordance with the Indirect method prescribed in Ind AS-7 'Statement of Cash Flows'.

2.30 Government Grants

Government grants and subsidies are recognised when there is reasonable assurance that the company will comply with the conditions attached to them and the grants/subsidy will be received.

Government Grant whose primary condition is that the company should purchase, construct or otherwise acquire capital assets are presented by adding them to the carrying value of Assets. The grant is recognized as income over the life of depreciable asset by way of transferring balance from deferred revenue income to other income."

2.31 Standards issued but not yet effective

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. There are no new Standards that became effective during the year.

* The shareholders of the Company approved the sub-division of One equity share of face value of ₹ 10 per share into 5 equity shares of face value of ₹ 2 per share. Consequently, in accordance with Indian Accounting Standard (Ind AS) 33 - "Earning per share" the basic and diluted earnings per share of the previous periods have been restated to give effect of the share split.

Basic EPS is calculated by dividing the profit for the year attributable to equity holders of the Company by the weighted average number of equity shares outstanding during the year. Diluted EPS is calculated by dividing the profit attributable to equity holders of the Company by the weighted average number of equity shares outstanding during the year plus the weighted average number of Equity shares that would be issued on conversion of all the dilutive potential Equity shares into Equity Shares.

50 Fair Value Disclosures
i) Fair Values Hierarchy

Financial assets and financial liabilities measured at fair value in the statement of financial position are divided into three Levels of a fair value hierarchy. The three levels are defined based on the observability of significant inputs to the measurement, as follows:

Level 1: Quoted prices (unadjusted) in active markets for financial instruments.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data rely as little as possible on entity specific estimates.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

Valuation Process and Technique used to Determine Fair Value

The fair value of investments in mutual fund units is based on the net asset value (NAV) as stated by the issuers of these mutual fund units in the published statements as at the Balance Sheet date. NAV represents the price at which the issuer will issue further units of mutual fund and the price at which issuers will redeem such units from the investors. The fair value of investments in shares is based on fair market value as stated by stock exchanges of these shares as at the Balance Sheet date. Fair Market Value is the prevailing market price of the share.

A) Credit Risk

Credit risk is the risk that a counterparty fails to discharge an obligation to the Company. The Company is exposed to this risk for various financial instruments, for example by granting loans and receivables to customers, placing deposits, etc. The Company's maximum exposure to credit risk is limited to the carrying amount of following types of financial assets.

- cash and cash equivalents,
- trade receivables,
- loans & receivables carried at amortised cost, and
- deposits with banks

a) Credit Risk Management

The Company assesses and manages credit risk based on internal credit rating system, continuously monitoring defaults of customers and other counterparties, identified either individually or by the Company, and incorporates this information into its credit risk controls. Internal credit rating is performed for each class of financial instruments with different characteristics. The Company assigns the following credit ratings to each class of financial assets based on the assumptions, inputs and factors specific to the class of financial assets.

(a) Low Credit Risk

(b) Moderate Credit Risk

(c) High Credit Risk

	Trade Receivables	1,818.24	1,188.41

Cash & Cash Equivalents And Bank Deposits

Credit risk related to cash and cash equivalents and bank deposits is managed by only accepting highly rated banks and diversifying bank deposits and accounts in different banks. The Company invest surplus fund in highly liquid Mutual Funds which have insignificant risk of change in value.

Trade Receivables and Other Financial Assets

The Company has established a credit policy under which each new customer is analysed individually for creditworthiness before the payment and delivery terms and conditions are offered. The Company's review includes external ratings, if they are available, financial statements, credit agency information, industry information and business intelligence. Sale limits are established for each customer and reviewed annually. Any sales exceeding those limits require approval from the appropriate authority as per policy.

In monitoring customer credit risk, customers are grouped according to their credit characteristics, including whether they are an individual or a legal entity, whether they are a institutional, dealers or end-user customer, their geographic location, industry, trade history with the Company and existence of previous financial difficulties.

Expected Credit Loss for Trade Receivables:

The Company based on internal assessment which is driven by the historical experience/ current facts available in relation to default and delays in collection thereof, the credit risk for trade receivables is considered low. The Company estimates its allowance for trade receivable using lifetime expected credit loss. The balance past due for more than 6 month (net of expected credit loss allowance), is ₹ 45.07 lakhs (31 March 2023: ₹ 6.84 lakhs).

Loan & Other financial assets measured at amortised cost includes security deposits, fixed deposits loan to related parties and others. Credit risk related to these other financial assets is managed by monitoring the recoverability of such amounts continuously, while at the same time internal control system in place ensure the amounts are within defined limits.
