**Subject: Business Update – Satrix Information Security Limited announces Appointment of
Mr. Himanshu Vaish as Global Service Delivery Officer
Scrip Code: - 544189 – SATTRIX INFORMATION SECURITY LIMITED**

Dear Sir/Madam,

MR. HIMANSHU VAISH

Satrix Information Security Limited (further referred as ‘Satrix’), (BSE Listed), a leading provider of IT and Cyber-security services, has announced the appointment of **Mr. Himanshu Vaish as the Global Service Delivery Officer**. With an extensive global background in Information Security, Risk Management, and Internal Controls, Mr. Vaish brings over 35 years of professional experience to this pivotal role.

In his new position, Mr. Vaish will oversee service delivery, including Security Operations Center (SOC), Network Operations Center (NOC), and Professional Services, pre-sales and strategic delivery operations setup for global partners. He will focus on aligning with company’s vision and convert that into planned service delivery operations. This will help Satrix Information Security Ltd. to achieve high-performance service delivery operations, increasing quality of delivery, and enhancing

operations by implementing automation. Additionally, he will manage delivery risks, ensure regulatory compliance, and foster effective communication between stakeholders, ensuring operational excellence and seamless service delivery.

Mr. Vaish will also play a critical role in enhancing user experience by addressing customer needs, establishing strong customer relationships, and ensuring that all services consistently meet and exceed customer's expectations. His leadership will contribute to developing robust methodologies and processes that support outstanding service delivery while prioritizing cybersecurity.

Mr. Vaish's career spans key leadership roles in renowned organizations such as Adept Expressions, Credit Suisse, Vtechnologist, Bank of America, Genpact LLP, Epicenter Technologies, GE Capital International Services, and Teledata Singapore Limited.

He holds an MBA in Cybersecurity Management and Risk Management and has extensive expertise in identifying mission-critical and non-critical processes based on legal, financial, and contractual considerations. He has also served as a consultant to a critical government cybersecurity task force, training senior law enforcement officials in cybersecurity, IT forensics, and cybercrime resolution. His insights on business continuity planning (BCP) strategies and trends have been featured in several leading IT magazines.

*"I'm delighted to bring a multi-talented executive to our business," says **Sachhin Gajjaer, Managing Director of Satrix Information Security Limited.** "We are confident that his leadership and expertise will significantly enhance our global service delivery and strengthen our "vision to reality" journey. Please join me in extending a warm welcome to Himanshu Vaish as we embark on this exciting journey together."*

*"I'm excited to join such a transforming and growing company," comments **Himanshu Vaish,** "I am thrilled to join Satrix Information Security Limited, a leader in IT and Cybersecurity. With a dedicated team and cutting-edge solutions, I am confident that we will continue to safeguard our clients' digital assets and stay ahead of emerging threats. Together, we will strive for excellence and make a significant impact in the world of cybersecurity."*

About Satrix:

Satrix Information Security Limited is in the business to develop customer-centric cyber security solutions since 2013. With an aim to deliver end-to-end cybersecurity services to enterprises in India,

USA and Middle East (UAE) through its direct presence and globally with partner echo systems. Satrix is a unique organisation in its space. With over a decade of experience, the company has established itself as a trusted partner in providing a comprehensive range of cyber security solutions and offerings. Our aim is to safeguard nation and all concerned parties against cyber-attacks and risk.

Satrix specialised in cyber threat defence mechanism and responding to the cyber threats in IT and OT environments in real-time basis apart from that it is acknowledged as the official Professional Services and technology arm for major cybersecurity product OEMs, including Splunk, MicroFocus, Trip Wire, RSA, Checkpoint, Tenable, Akamai, PaloAlto, etc.

Satrix is an ISO/IEC 27001:2022 Certified Company along with combination of other cybersecurity controls like NIST, SOC-CMM, etc.

Kindly take the above information on the record.

Yours faithfully,

**For, Satrix Information Security Limited
(formerly known as Satrix Information Security Private Limited)**
