Re: Scrip Symbol: FEDERALBNK/Scrip Code: 500469

Sub: Corrigendum to our earlier intimation-Presentation for Analysts/Institutional Investors Meet

Dear Sir/Madam,

This has reference to our earlier intimation bearing reference number SEC/LODR/396/2024-25 dated February 21,2025, on the investor presentation for the analysts/institutional investor meet held today.

We are submitting herewith the revised investor presentation for the above-mentioned meeting as a corrigendum to the original intimation submitted by us.

Kindly take the above information on record and oblige.

Thanking you,

Yours faithfully,

For The Federal Bank Limited

Samir P Rajdev
Company Secretary

From The MD's Desk

Unfolding the Story

- Representation of Business Growth
- Representation of Network Growth
- Not to the Scale

Nascent Era Chapter 1: 1945-1979 (34 Yrs)

- Building the Bank
- Making a household name in home market

Chequered Era Chapter 2: 1979-2010 (31 Yrs)

- Low penetration outside home market
- Asset Quality & Credit Issues
- Lower Paced Growth
- Employee Productivity Issues
- Amalgamation of Bank

Resurgence Era Chapter 3: 2010-2024 (14 Yrs)

- Asset Quality Improves
- Increased penetration outside home
- Verticalization/New Businesses Segments
- People Focus
- Brand Overhaul
- Capital Market Attention
- Institutional Investors Attention

Breakthrough

- Modernize** and make the franchise **Truly National**
- Move closer to the top Private Sector banks - **Change peer set.**
- Create a **Universal Bank**

4.0

Charting the Future:

Strengthening Our Foundation & Expanding Horizons

Profitable Growth

- How do we enhance profitability while sustaining growth momentum?
- How do we instill P&L culture in our business heads?
- How do we move from affordability-driven to value-driven banking?

Kerala & Beyond – Nationwide Growth

- How do we expand nationally while leveraging Kerala's strengths?

Branch Model - Efficiency & Growth

- How can we refine and modernize our branch banking model?
- How do we ensure service excellence drives sustainable sales?
- How do we make the branch model liability centric?

Identity

- How do we shape perceptions to position ourselves as the bank of choice?
- How do we retain our 50+ age base while attracting younger generations?
- How do we strengthen our position as the go-to SME bank?
- Which part of corporate segment can we profitably target?

HR, Talent, Culture – Future-Ready Workforce

- How do we balance stability with adaptability?
- Are we fostering a high-performance, sales-driven culture?
- How do we build an Astute, Alert, Agile (AAA) mindset?
- How can we harness the power of strong retention to shape our journey?

Charting the Future: Strengthening Our Foundation & Expanding Horizons

The SME Bank of Choice

Establish a best-in-class SME banking ecosystem with a differentiated value proposition

Aspiring for the Top 5 Private Bank bracket

Execute a growth strategy to cement our position among the industry leaders

Winning in Mass Affluent Banking

Expand offerings in wealth management, capital markets, and premium savings solutions for both NR & domestic clients

Build a Modern, Truly National Franchise

Strengthen brand presence and scale operations to become a top-tier national bank

Universal Bank Vision

Expand capabilities beyond vanilla banking to fulfil customer needs.

Focused corporate banking to drive profitability through high-growth mid-market businesses

Powering Mid-Market Corporates

Unlocking NR Growth Beyond Kerala & GCC and enhance it by wealth offerings

Retain & build best in class NR proposition

Breakthrough – Chapter 4.0

Scaling Up, Smartly

Expanding footprint, optimizing capital, and leveraging tech for cost-effective growth.

Technology & Innovation at the Core

Leveraging AI and automation to enhance efficiency, streamline operations, and boost customer experience.

Culture of High Performance

Fostering ownership, agility, and accountability to drive collective success.

Profitable Growth

Prioritizing sustainable, high-quality earnings aligned with long-term profitability.

Winning the Right Customers

Focusing on Mass Affluent, MSME, and next-gen customers to deepen relationships and enhance value.

Repositioning for the Future

Evolving beyond legacy perceptions to establish Federal Bank as a future-ready powerhouse.

Uncompromising Risk & Compliance Standards

Strengthening governance, risk, and compliance to ensure stability while scaling new heights.

Loan Origination System

Theme 7 - Digital At The Fore, Human At The Core

User Experience Enhancement

Mobile Revamp and Omni-Channel Experience

Unified, intuitive digital interfaces ensuring seamless banking across mobile, web, and branch channels.

Gen AI Chatbots

AI-driven automation enhancing self-service capabilities, reducing response times, and improving customer support.

Wealth Management Solutions

Digital wealth advisory tools and agentic solutions offering personalized portfolio management and financial planning.

Corporate/ SME Portal Services

Comprehensive digital offerings covering trade, transaction, treasury and supply chain for easy access.

Theme 7 - Digital At The Fore, Human At The Core

Employee Enablement

Enhanced Branch Interface

Real-time data access, customer insights, and faster service execution.

Regulatory & Compliance bots

AI-driven automation for seamless reporting, fraud detection, and compliance.

HRMS Solution (Cloud)

Optimizing HR processes, payroll, and performance tracking.

Unified Account Opening

Fully digitized onboarding, reducing paperwork and turnaround time.

Loan Origination System

Streamlining and automating end to end loan processing

AI-Assisted Decision Support

Automated reporting, credit support, customer support and policy adherence.

Virtual Agent Assist

Improving call center efficiency and service levels

Process Digitization & Workflow Automation

Streamlining operations, approvals, and administrative workflows.

Learning & Development via Digital Platforms

AI-enabled platforms for continuous skill enhancement and training.

Theme 8 – Renewed Digital Distribution Strategy

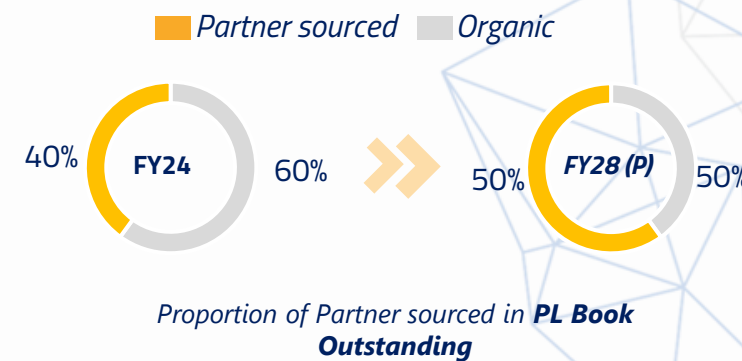

Credit Cards

- Focus on **faster growth of organic credit cards** through our own digital channels while continuing to source through Fintech partners
- Rationalize commercials with co-branded partners to ensure profitability
- **Establish Bank primacy** in ownership of brand and customer experience

Personal Loans

- **Multiple partnerships** to diversify sourcing
- Enhance own digital distribution capabilities
- Refine the digital workflows to enable plug and play
- Revise partnership commercials to restrict to distribution model

Savings Accounts

- **Focus on Gen Z growth** through scaling up our own digital acquisition as well as through strategic partnerships, driving higher AMB, enhanced cross-sell and optimized commercial arrangements

Theme 9 – People & Culture

Optimizing Cost

01 Enhanced Productivity
Enhanced productivity will lead to further cost optimization

02 Introduce a low-cost sales channel
Enhancing Productivity Through Alternative Workforce Models

03 Leverage Fedserv
Reduce cost of operations/ call centers/ back office

04 Centralized/Regionalize Processes
Remove non-sales non-service operations out of branch environment

05 AI and Automation
Leverage technology to streamline operations

06 Cost Rationalization
Targeted initiatives to identify and control major costs

Theme 11 – Strengthening Assurance Functions

Compliance

- ✓ **Optimize SAS** Continuous Compliance Monitoring
- ✓ **AI Driven Validation** of Policies for Regulatory Edits
- ✓ **Digitize Enterprise Risk Management** through Compliance Management System (CMS).
- ✓ Staff Education & Upskilling on Compliance & Conduct Matters
- ✓ Client Onboarding Application serving as KYC data depository and guardian angel to CBS

Risk Management

- ✓ Institute a **better RAROC based pricing** mode and robust transfer pricing methodology
- ✓ **Using AI, ML, and Analytics** for Better Risk Management
- ✓ Smooth Transition to **ECL-Based** Provisioning
- ✓ Integrating Climate Risk with Credit Risk Management
- ✓ Reducing Maturity and Repricing mismatches

Audit

- ✓ **Maximize Process Automation:** Audit Allotment, Audit Sampling, Task Organization and Follow-Up
- ✓ **Integrated Zonal Audit** Structure to decentralize audit activities
- ✓ **Continuous Control Monitoring (CCM)** & use of Predictive Analysis
- ✓ Develop **In-House IS Auditing** Capability

Theme 12 - Evolution Towards a Universal Bank

Diversifying Financial Services for
Creating a **Holistic Franchise**

Most Admired Bank
