Dear Sir/ Madam:

Subject: Reply to clarification sought on Price movement in Company's securities

This is in reference to your email dated 24 June 2024, letter reference no. NSE/CM/Surveillance/14397, seeking clarification regarding the recent movement in the price of the Company's securities across exchanges.

We would like to submit and clarify that there is no pending information and/or announcements which in our opinion may have a bearing on the price and volume behavior of the Company's securities traded across exchanges, nor which requires disclosures in terms of Regulation 30 and all other applicable regulations of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.

We understand that the movement in share price and volume is purely due to market conditions and entirely market driven. The Company is neither connected to nor has any knowledge of any specific reason for the movement in price or volume.

Please note that the Company has been regularly making disclosures in case of any events/ information/ announcements that require disclosure under Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

We hope the above clarification satisfactorily addresses your queries, and we kindly request that you record this information accordingly.

Sincerely
For Hester Biosciences Limited
