2. Attention is drawn to Note 3 to the sta tement that the Company continues to recognize minimum alternative tax paid in previous years amounting to Rs. 25.20 Lakhs as asset and expects th e same to be adjusted against future tax payments. In our view, consid ering the past history of losses, which is resulting into negative net worth of the Company and overall financial position of the Company, it is not prudent on part the company to recognize the same as assets, and the same is not in consonance with provision s of ""Guidance Note on accounting for credit available in respect of Minimum Altern ative Tax under the Income Tax Act, 1961.
