**Sub: Update on CDP Rating for Granules India Limited**

Dear Sir,

We are pleased to inform you that Granules India Limited has received its official 2024 CDP (Carbon Disclosure Project) Climate Rating.

Granules India has achieved a **“B” rating**, reflecting a two-level improvement from the “C” rating received in 2023. This underscores the company’s continued commitment to Sustainability and Climate responsibility.

CDP’s rating scale includes four categories: **Disclosure (D-/D)**, indicating the initial stage of environmental engagement; **Awareness (C-/C)**, reflecting a level of environmental engagement; **Management (B-/B)**, signifying effective management of environmental impacts; and **Leadership (A-/A)**, representing industry leadership in environmental sustainability.

**About CDP:**

The **Carbon Disclosure Project (CDP)** is a global non-profit that promotes transparency in environmental reporting, helping companies and organizations disclose their impacts on climate change, water security, and deforestation. By providing valuable insights through CDP ratings, it enables investors, companies, and stakeholders to make informed decisions and take action towards a more sustainable future.

This is for your information and dissemination to the members of the exchange.

Thanking You.

Yours sincerely,

**For GRANULES INDIA LIMITED**
