16. **Green Initiative**

The MCA and the SEBI have encouraged paperless communication as a contribution to greener environment.

In compliance with the aforesaid MCA Circulars and the SEBI Circular dated January 05, 2023, the copy of the Annual Report for the financial year 2023-24 including Audited Financial Statements, Board's Report etc., and Notice of the 19th Annual General Meeting of the Company, inter-alia, indicating the process and manner of remote e-Voting is being sent by electronic mode, to all those Members whose e-mail IDs are registered with their respective Depository Participants (DPs).

Members who have not registered their email address and holding shares in physical mode are requested to register their e-mail IDs with LINK INTIME and Members holding shares in Demat mode are requested to register their e-mail IDs with the respective Depository Participants (DPs) in case the same is still not registered.

If there is any change in the e-mail ID already registered with the Company, Members are requested to immediately notify such change to LINK INTIME in respect of shares held in physical form and to their respective DPs in respect of shares held in electronic form.

Members may also note that the Notice of the 19th AGM and the Annual Report for the financial year 2023-24 of the Company are also available on the Company's website www.lakhotiapoly.in.

17. **IEPF Disclosures**

Pursuant to Section 124 of the Act read with the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund Rules), 2016 ('the IEPF Rules'), during the year under review, no amount of Unclaimed dividend and corresponding equity shares were due to be transferred to IEPF account.

18. **Voting**

Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended) and the MCA Circulars, the Company is providing facility of remote e-Voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CSDL) for facilitating voting through electronic means, as the authorized agency. The facility of casting votes by a member using remote e-Voting system as well as venue voting on the date of the AGM will be provided by CSDL.

In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at www.lakhotiapoly.in.

The Notice can also be accessed from the websites of the Stock Exchange i.e., BSE Limited at www.bseindia.com and is also available on the website of CSDL (agency for providing the Remote e-Voting facility) i.e., www.evotingindia.com.

19. The Instructions for shareholders voting electronically are as under:

- The remote e-Voting period begins on Monday, September 23, 2024 (9.00 a.m.) and ends on Wednesday, September 25, 2024 (5.00 p.m.). The remote e-Voting module shall be disabled by CSDL for voting thereafter. The Members, whose names appear in the Register of Members / Beneficial Owners as on the record date (cut-off date) i.e., Thursday, September 19, 2024 may cast their vote electronically.

The voting right of Shareholders shall be in proportion to their share in the paid-up equity share capital of the Company as on the cut-off date, being Thursday, September 19, 2024.

If a person was a Member as on the date of dispatch of the notice but has ceased to be a member as on the cut-off date i.e. Thursday, September 19, 2024, he/she shall not be entitled to vote. Such person should treat this Notice for information purpose.

- ii. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting.
- iii. Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 Dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants (DPs). Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-Voting process.

- iv. In terms of SEBI circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants (DPs). Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Explanatory Statement pursuant to section 102 of the Companies Act, 2013 ('the Act'), sets out all material facts relating to the businesses mentioned at Item No. 3 of the accompanying Notice.

Mr. Vashishtha Mohan Pandiya was appointed as Non-Executive, Independent Director of the Company by the members at the 14th AGM of the Company held on September 29, 2019 for a period of five years ended on September 28, 2024. As per Section 149(10) of the Act, an Independent Director shall hold office for a term of up to five consecutive years on the Board of a Company, but shall be eligible for re-appointment on passing a special resolution by the Company for another term of up to five consecutive years on the Board of a Company.

Based on recommendation of Nomination and Remuneration Committee and in terms of the provisions of Sections 149, 150, 152 read with Schedule IV, and any other applicable provisions of the Act, BSE Ltd Notice no. 20220408-45 and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, Mr. Vashishtha Mohan Pandiya, being eligible for re-appointment as an Independent Director and offering himself for re-appointment, is proposed to be re-appointed as an Independent Director for second term of five consecutive years from September 29, 2024 to September 28, 2029.

The Company has received declaration from him stating that he meets the criteria of Independence as prescribed under sub-section (6) of Section 149 of the Companies Act, 2013 and Regulation 16(1)(b) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. He has also given his consent to continue to act as Director of the Company, if so, appointed by the members.

In the opinion of the Board, Mr. Vashishtha Mohan Pandiya fulfils the conditions specified under Section 149 (6) of the Act, the Companies (Appointment and Qualification of Directors) Rules, 2014 and Regulation 16(1) (b) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 for his re-appointment as Non-Executive, Independent Director of the Company and is independent of the management. Copy of the draft letter for appointment of Mr. Vashishtha Mohan Pandiya as Non-Executive, Independent Director setting out terms and conditions would be available for inspection without any fee by the members at the Registered Office of the Company during the normal business hours (9:00 am to 5:00 pm) on any working day, except Saturday, upto and including the date of AGM of the Company.

Disclosure under Regulation 36(3) of the Listing Regulations and Secretarial Standard-2 issued by the Institute of Company Secretaries of India are set out in the Annexure to the Explanatory Statement.

The Board considers that his continued association would be of immense benefit to the Company and it is desirable to continue to avail services of Mr. Vashishtha Mohan Pandiya as an Independent Director.

Accordingly, the Board recommends the Special Resolution in relation to re-appointment of Mr. Vashishtha Mohan Pandiya as an Independent Director for another term of five consecutive years with effect from September 29, 2024 to September 28, 2029, for the approval of the shareholders of the Company.

Except Mr. Vashishtha Mohan Pandiya, being an appointee and his relatives, none of the Directors and Key Managerial Personnel of the Company or their relatives are interested in the said resolution.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

This report covers the operations and financial performance of the Company for the year ended March 31, 2024 and forms part of the Annual Report.

Overview of the Economy

The company specializes in lacquered metallised polyesters film which finds application primarily in the textile and apparel industry. The grade of coated polyesters film produced is used extensively in the manufacture of metallic yarns.

The process of metalizing polyesters or polymer films leads to a product that is glossy and shiny in its appearance. The process of metalizing involves the layering or coating of polymers with aluminium. The result is a reflective surface which reduces the vulnerability of the material to sunlight, moisture and air. Polyesters coated films are available in different grades and specifications and find use across a varied number of industries from flexible packaging, shrink labels, cable insulation, and magnetic media to textiles and decorations.

Industry, Structure & Developments

In the early days metallic yarns were limited to silver and gold variants. However, today every conceivable shade of colour is reproducible. The ability to read market trends and cater to unique shades, differentiates one company from another and determines the demand pull for metallic yarns. While the industry is fairly organized, there exist a large number of players within the metallic yarn segment. There are few companies that specialize solely in catering to the metallic yarn segment, with most players producing a large array of metallised polyesters films which cater primarily to the needs of the flexible packaging industry.

Operational Performance

The revenue from operations of your Company for the year ended March 31, 2024 stood at Rs. 2847.91 Lakhs as against Rs. 1515.83 Lakhs in the financial year 2022-23. Your Company has earned a profit of Rs. 6.67 Lakhs during the year under review as against loss of Rs. 191.64 Lakhs in financial year 2022-23.

Risk and Concerns

The largest component of costs involved in making flexible packaging film is attributable to raw materials.

Given the volatile trend in Polyesters and demand for Polyesters for competing applications the pressure on input costs can be expected to fluctuate.

Adequacy of Internal Control System

The Company has adequate internal control systems for the business processes in respect of all operations, financial reporting, compliance with laws and regulations etc. The management information system forms an effective and sound tool for monitoring and controlling all operating parameters. Regular internal audits ensure that responsibilities are executed effectively. The Audit Committee reviews the adequacy of internal controls on regular basis.

Human Resource Development

The Company recognizes that its human resource is its strength in realizing its goals and objectives.

Cautionary Statement

The Statement in this Management Discussion and Analysis report, describing the Company's outlook, projections, estimates, expectations or predictions may be "Forward looking Statements" within the meaning of applicable securities laws or regulations. Actual results could differ materially from those expressed or implied.

INDEPENDENT AUDITOR'S REPORT

To

The Members of

Lakhotia Polyesters (India) Limited

Report on the Audit of Ind AS Standalone Financial Statements

Opinion

We have audited the accompanying Ind AS Standalone Financial Statements of **Lakhotia Polyesters (India) Limited (“the Company”)**, which comprise the Balance Sheet as at March 31, 2024, the Statement of Profit and Loss, (including the statement of Other Comprehensive Income), the Statement of Cash Flows and the Statement of Changes in Equity for the year then ended and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Companies Act, 2013, as amended (“the Act”) in the manner so required and give a true and fair view in conformity with the Ind AS & accounting principles generally accepted in India:

- a) in the case of the balance sheet, of the state of affairs of the Company as at March 31, 2024; and
- b) in the case of the statement of profit and loss, of the profit including other comprehensive income for the year ended on that date.
- c) in the case of the statement of cash flows, of the cash flows for the year ended on that date.
- d) in the case of the statement of changes in equity, of the changes in equity share capital and other equity for the year ended on that date.

Basis for Opinion

We have conducted our audit of the Ind AS financial statements in accordance with the Standards on Auditing as specified under Section 143(10) of the Act. Our responsibilities under those standards are further described in the 'Auditor's responsibilities for the audit of the Ind AS financial statements' section of our report. We are independent of the company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provision of the Act and the Rules thereunder, and we have fulfilled our ethical responsibilities in accordance with these requirements and the ICAI Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

Other Information

The Company's Board of Directors are responsible for the other information. The other information comprises the Board of Directors' Report, but does not include the Ind AS financial statements and our Auditor's report thereon.

Our opinion on the Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 (“the Act”) with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial control, that were operating effectively for ensuring

the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, the management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditors Responsibility for the Audit of the Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Ind AS financial statements, including the disclosures and whether the Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditors Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the **Annexure A**, a statement on the matters specified in paragraph 3 and 4 of the order.
2. (A) As required by section 143(3) of the Act, we report that:
 - a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
 - b) in our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of those books.

-
- c) the balance sheet, the statement of profit and loss including the statement of other comprehensive income, the statement of cash flows, and statement of changes in equity dealt with by this report are in agreement with the books of account.
- d) in our opinion, the aforesaid Ind AS financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended.
- e) on the basis of written representations received from the directors as on 31st March, 2024 and taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2024, from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls over the financial reporting of the company and the operating effectiveness of such controls, refer to our separate report in “**Annexure B**”.
- (B) With respect to the other matters to be included in Auditors Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to explanations given to us:
- a) The Company does not have any pending litigations which would impact its financial position;
- b) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
- c) The Company was not required to transfer any amount to Investor Education and Protection Fund;
- d) i. The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities (“**Intermediaries**”) with the understanding, whether recorded in writing or otherwise, that the Intermediary shall:
- Directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever (“**Ultimate Beneficiaries**”) by or on behalf of the Company; or
 - Provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.
- ii. The management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities (“**Fund Parties**”) with the understanding, whether recorded in writing or otherwise that the Company shall:
- Directly or indirectly lend or invest in other person or entities identified in any manner whatsoever (“**Ultimate Beneficiaries**”) by or on behalf of the Funding Party; or
 - Provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries; and

Referred to in paragraph 1 of the section on "Report on other legal and regulatory requirements" of our report of even date

On the basis of such checks as we considered appropriate and according to the information and explanation given to us during the course of our audit, we report that:

- (i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment;
(B) The Company has maintained proper records showing full particulars of Intangible Assets;
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has a regular programme of physical verification of its property, plant and equipment by which all property, plant and equipment are verified in a phased manner over a period of three years. In accordance with this programme, certain property, plant and equipment were verified during the year. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties (other than immovable properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) disclosed in the standalone financial statements are held in the name of the Company.
- ((d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued its property, plant and equipment (including Right-of-use assets) or Intangible assets or both during the year. Accordingly, the reporting requirements of clause i (d) of paragraph 3 of the Order is not applicable to the Company.
- (e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no proceedings initiated or pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.
- (ii) (a) The inventory has been physically verified by the management during the year. In our opinion, the frequency of such verification is reasonable and procedures and coverage as followed by management were appropriate. No discrepancies were noticed on verification between the physical stocks and the book records that were 10% or more in the aggregate for each class of inventory.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not sanctioned working capital limits in excess of five crore rupees, in the aggregate, hence reporting under this clause is not required.
- (iii) (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, during the year the Company has not provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to Companies, Firms, Limited Liability Partnerships or any other parties. The Company has not made investments during the year.
- (b) In our opinion and according to the information and explanation given to us, the investments made during the year are not prejudicial to the interest of the Company. Accordingly, the reporting requirements of clause iii (b) of paragraph 3 of the Order is not applicable to the Company.
- (c) Based on the records examined by us and the information and explanations given to us, the Company has not given any loans secured or unsecured, to any companies, firms, limited liability partnerships or other parties hence the reporting requirement of clause iii (c), (d), (e),(f) of paragraph 3 of the Order is not applicable to the Company.
- (iv) According to information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not given any loans or provided any guarantee or security as specified under Section 185 of the Companies Act, 2013 and the Company has not provided any guarantee or security as specified under Section 186 of the Companies Act, 2013.

Further, the Company has complied with the provisions of Section 186 of the Companies Act, 2013 in relation to loans given and investments made.

-
- (v) The Company has not accepted any deposits or amounts which are deemed to be deposits from the public. Accordingly, clause 3(v) of the Order is not applicable.
- (vi) According to information and explanations given to us, the Central Government has not prescribed the maintenance of cost records under Section 148(1) of the Companies Act, 2013 for the products manufactured by it (and / or services provided by it). Accordingly, clause 3(vi) of the order is not applicable.
- (vii) (a) The Company does not have liability in respect of Sales Tax, Service Tax, Duty of Excise and Value Added Tax during the year since effective 1st July, 2017, these statutory dues have been subsumed into GST.
According to the information and explanation given to us and on the basis of our examination of the records of the Company, amounts deducted/accrued in the books of account in respect of undisputed statutory dues including Goods and Services Tax ('GST'), Provident fund, Employees State Insurance, Income Tax, Duty of Customs, cess or other material statutory dues have generally been regularly deposited (except as described below) with the appropriate authorities.
According to the information and explanations given to us, there are no undisputed amounts payable in respect of GST, Provident fund, Employees' State Insurance, Income-tax, Duty of Customs, Cess, and other material statutory dues were in arrears as at 31st March, 2024 for a period of more than six months from the date they became payable.
- (b) According to the information and explanations given to us, there are no dues of GST, Provident fund, Employees' State Insurance, Income-tax, Sales tax, Service tax, Duty of Customs, Value added tax, Cess or other statutory dues which have not been deposited by the Company on account of disputes.
- (viii) According to the information and explanation given to us and on the basis of our examination of the records of the Company, the Company has not surrendered or disclosed any transactions, previously unrecorded as income in the books of account, in the assessments under the Income Tax Act, 1961 as income during the year.
- (ix) (a) According to the information and explanation given to us and on the basis of our examination of the records of the Company, the Company has not defaulted in repayment of loans or other borrowings or in payment of interest thereon to any lender.
- (b) According to the information and explanation given to us and on the basis of our examination of the records of the Company, the Company has not been declared a wilful defaulter by any bank or financial institution or government or government authority.
- (c) According to information and explanations given to us by the management, the term loans availed by the company were applied for the purpose for which the loans were obtained.
- (d) According to the information and explanations given to us and on an overall examination of the balance sheet of the Company, we report that funds raised on short term basis have not been utilised for long term.
- (e) According to the information and explanations given to us and on an overall examination of the financial statements of the Company, we report that the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries as defined under the Companies Act, 2013. Accordingly, clause 3(ix)(e) of the Order is not applicable.
- (f) According to the information and explanations given to us and procedures performed by us, we report that the Company has not raised loans during the year on the pledge of securities held in its subsidiaries as defined under the Companies Act, 2013. Accordingly, clause 3(ix)(f) of the Order is not applicable.
- (x) (a) The Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments). Accordingly, clause 3(x)(a) of the Order is not applicable.
- (b) According to the information and explanation given to us and on the basis of our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, clause 3(x)(b) of the Order is not applicable.
- (xi) (a) Based on examination of the books and records of the Company and according to the information and explanations given to us, considering the principles of materiality outlined in Standards on Auditing, we report that no fraud by the Company or on the Company has been noticed or reported during the course of the audit.
- (b) According to the information and explanations given to us, no report under sub-section (12) of Section 143 of the Companies Act, 2013 has been filed by the auditors in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- (c) According to the information and explanations given to us, no whistle blower complaints are received by the Company during the year.

-
- (xii) According to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, clause 3(xii) of the Order is not applicable.
- (xiii) In our opinion and according to the information and explanations given to us, the transactions with related parties are in compliance with Sections 177 and 188 of the Companies Act, 2013, where applicable, and the details of the related party transactions have been disclosed in the standalone financial statements as required by the applicable Indian Accounting Standards.
- (xiv) (a) Based on the information and explanations provided to us and our audit procedures, in our opinion, as per Section 138 of the Companies Act, 2013 read with Rule 13 of the Companies (Accounts) Rules, 2014, the Company has an Internal Audit System that commensurates with the size and nature of its business.

(Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act"))

(Referred to in paragraph 2(A)(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

We have audited the internal financial controls over financial reporting of **Lakhotia Polyesters (India) Limited** ("the Company") as of March 31, 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2024, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI).

Managements and Board of Directors' Responsibility for Internal Financial Controls

The Company's management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI).

These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and both issued by the Institute of Chartered Accountants of India (ICAI).

Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting with reference to standalone financial statements.

Meaning of Internal Financial Controls with Reference to Standalone Financial Statements

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with Generally Accepted Accounting Principles (GAAP). A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

-
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with Generally Accepted Accounting Principles (GAAP), and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
 - (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Standalone Financial Statements

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Note 2: SIGNIFICANT ACCOUNTING POLICIES**(I) BASIS OF PREPARATION AND PRESENTATION OF FINANCIAL STATEMENTS****a) Compliance with Ind AS**

The financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act.

b) Historical cost convention

The financial statement has been prepared on a historical cost basis, except for:

- certain financial assets and liabilities (including derivative instruments) that are measured at fair value at the end of each reporting period; and
- defined benefit plans (plan assets measured at fair value at the end of each reporting period)

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Operating Cycle

The assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current and noncurrent classification of assets and liabilities.

1. CRITICAL ESTIMATES & JUDGEMENT

The estimates and judgements used in the preparation of the Ind AS Financial Information are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Examples of such estimates include the useful lives of property, plant, and equipment, defined benefit obligation, etc. Differences between actual results and estimates are recognized in the period in which the results are known / materialized. The said estimates are based on the facts and events, that existed as of the reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date.

The preparation of the financial statements in conformity with Ind AS except where specifically stated in financial statements and notes to accounts of the non-conformity with the relevant Accounting Standard requires the management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities as at the date of financial statements and the reported amounts of revenue and expense for the year. The estimates and assumptions used in the accompanying financial statements are based upon management's

evaluation of the relevant facts and circumstances as of the date of financial statements. Actual results could differ from those estimates. Any revision to accounting estimates will be recognized prospectively in the current and future periods.

This note provides an overview of the areas that involved a higher degree of judgment or complexity, and of items that are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed.

- **Useful lives of property, plant, and equipment**

Property, plant, and equipment represent a significant proportion of the asset base of the Company. The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful lives and residual values of the Group's assets are determined by the management at the time the asset is acquired and reviewed periodically, including at each period end.

- **Defined benefit obligation**

The cost and present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, attrition rate and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

- **Leases**

The company as a lessor

Rental income from operating lease is recognized on a straight-line basis over the lease term unless the same is in line with general inflation to compensate for the expected inflationary cost. Initial direct costs incurred in negotiating and arranging an operating lease is recognized over the lease term on the same basis as rental income. Contingent rents are recognized as revenue in the period in which they are earned.

2. CURRENT/NON-CURRENT CLASSIFICATION

All assets and liabilities have been classified as current and non-current as per the Company's normal operating cycle and other criteria set out in Schedule III of the Companies Act, 2013.

An asset is classified as current when it satisfies any of the following criteria:

- a. It is expected to be realized in, or is intended for sale or consumption in the entity's normal operating cycle;
- b. It is held primarily for the purpose of being traded;
- c. It is expected to be realized within twelve months after the balance sheet date;
- d. It is cash or a cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the balance sheet date.

All other assets are classified as non-current.

A liability is classified as current when it satisfies any of the following criteria:

- a. It is expected to be settled in the entity's normal operating cycle;
- b. It is held primarily for the purpose of being traded;
- c. It is due to be settled within twelve months after the balance sheet date;
- d. The Company does not have an unconditional right to defer settlement of the liability for at least twelve months after the balance sheet date.

All other liabilities are classified as non-current.

3. INVESTMENTS

Investment in equity shares of subsidiaries are measured at cost. Investments in equity instruments are measured at fair value through other comprehensive income.

The Company classifies its financial assets in the measurement categories as those to be measured subsequently at fair value (through other comprehensive income) and those measured at amortized cost. The classification depends on the Company's business model for managing the financial asset and the contractual terms of the cash flows.

4. REVENUE RECOGNITION

Revenue is recognized only when risks and rewards incidental to ownership are transferred to the customer, it can be reliably measured and it is reasonable to expect ultimate collection. Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured and it is reasonable to expect ultimate collection. The following specific recognition criteria must also be met before revenue is recognized:

Sale of products:

Revenue from sale of products is recognized upon satisfaction of performance obligations, i.e. at a point of time, which occurs when the control is transferred to the customer.

Customers obtain control as per the Incoterms. In determining the transaction price for the sale of a product, the Company considers the effects of variable consideration, if any. Invoices are issued according to contractual terms and are usually payable as per the credit period agreed with the customer.

Interest:

Interest Income is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable. Interest income is included under the head "other income" in the Statement of profit and loss.

Dividend:

Dividend income is accounted as and when right to receive dividend is established. Provision is made for the amount of any dividend declared, being appropriately authorized and no longer at the discretion of the entity, on or before the end of the reporting period but not distributed at the end of the reporting period.

5. FOREIGN CURRENCY TRANSACTIONS AND BALANCES

The financial statements are presented in INR, which is the Company's functional currency.

Foreign currency transactions are initially recorded at functional currency's spot rates at the date the transaction first qualifies for recognition.

Foreign currency monetary items are translated using the functional currency spot rates prevailing at the reporting date.

Non-monetary items, which are measured in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction.

Non-monetary items, which are measured at fair value or other similar valuation denominated in a foreign currency, are translated using the exchange rate at the date when such value was determined.

Exchange differences arising on the settlement or translation of monetary items are recognized in the Statement of Profit and Loss in the period in which they arise.

6. CURRENT AND DEFERRED TAX

Income tax expense represents the sum of the tax currently payable and deferred tax.

i. Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the Statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible.

The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulations is subject to interpretations. It establishes provisions, where appropriate, on the basis of amounts expected to be paid to the tax authorities.

ii. Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary

differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

Deferred tax assets arising from deductible temporary differences associated with such interests are only recognised to the extent that it is probable that there will be sufficient taxable profits against which to utilise the benefits of the temporary differences and they are expected to reverse in the foreseeable future.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets are not recognised for temporary differences between the carrying amount and tax bases of investments in subsidiaries where it is not probable that the differences will reverse in the foreseeable future and taxable profit will not be available against which the temporary differences can be utilised.

Deferred tax assets and liabilities are offset when there is legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and liabilities are offset when entity has legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Deferred tax assets are recognised for all deductible temporary differences, unused tax losses and credits only if, it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

iii. Current and deferred tax for the year

Current and deferred tax are recognised in the Statement of Profit and Loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

7. FINANCIAL INSTRUMENTS

i. Classification

The Company classifies its financial assets under the following measurement categories:

- those to be measured subsequently at fair value through other comprehensive income (FVOCI) or fair value through profit and loss (FVTPL), and
- those measured at amortized cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in the Statement of Profit or Loss or Other Comprehensive Income. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity instrument at fair value through Other Comprehensive Income.

ii. Initial recognition and measurement

At initial recognition, the Company measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in Ind AS Statement of Profit and Loss

- **Financial Assets**

iii. Amortized cost:

Financial assets are subsequently measured at amortized cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the

financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

iv. Fair value through profit or loss:

Financial assets are measured at fair value through profit or loss unless it is measured at amortized cost or at fair value through other comprehensive income on initial recognition. Gains or losses arising on remeasurement are recognized in the Statement of Profit and Loss. The net gain or loss recognized in the Statement of Profit and Loss incorporates any dividend or interest earned on the financial asset and is included in the 'Other income' line item.

v. Measurement of equity instruments

All equity investments in the scope of Ind AS 109, Financial Instruments, are measured at fair value. For equity instruments, the Company may make an irrevocable election to present the subsequent fair value changes in Other Comprehensive Income (OCI). The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

There is no recycling of the amounts from OCI to profit or loss, even on the sale of an investment. Equity instruments included within the FVTPL (fair value through profit or loss) category are measured at fair value with all changes in fair value recognized in the profit or loss.

vi. Impairment of financial assets

The Company recognizes loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss. Loss allowance for all financial assets is measured at an amount equal to lifetime ECL. The Company has used practical expedient by computing expected credit loss allowance for trade receivable by taking into consideration historical credit loss experience and adjusted for forward looking information. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date is recognized as an impairment gain or loss in the Statement of Profit and Loss.

vii. De-recognition of financial assets

The Company derecognizes a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party and does not retain control of the asset. The Company continues to recognize the asset to the extent of the Company's continuing involvement.

On derecognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognized in other comprehensive income and accumulated in equity is recognized in the Statement of Profit and Loss if such gain or loss would have otherwise been recognized in the Statement of Profit and Loss on disposal of that financial asset.

- Financial Liabilities

All financial liabilities are subsequently measured at amortized cost using the effective interest method.

viii. Financial liabilities subsequently measured at amortized cost

Financial liabilities that are not held for trading and are not designated as at FVTPL are measured at amortized cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortized cost are determined based on the effective interest method.

ix. Derecognition of financial liabilities

The Company derecognizes financial liabilities when, and only when, the Company's obligations are discharged, canceled or have expired.

x. Fair value measurement

The Company measures financial instruments at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2 — inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3 — inputs for the asset or liability that are not based on observable market data (unobservable inputs).

For assets and liabilities that are recognized in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

8. PROPERTY, PLANT & EQUIPMENT

Land and buildings held for use in the production or supply of goods or services, or for administrative purposes, are stated in the balance sheet at historical cost less accumulated depreciation and accumulated impairment losses, if any. Historical cost includes expenditure that is directly attributable to the acquisition of the items. Freehold land is not depreciated. Leasehold land is amortized over the remaining period of the lease.

On transition to Ind AS, the Company has elected to continue with the carrying value of all its property, plant and equipment recognized as at April 1, 2017 measured as per previous GAAP and use that carrying value as deemed cost of the property, plant and equipment.

Fixtures and equipment are stated at cost less accumulated depreciation and accumulated impairment losses, if any.

Depreciation is recognized so as to write off the cost of assets (other than freehold land) less their residual values over their useful lives, using the straight-line method. The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

Depreciation on other items of property, plant and equipment has been provided on the straight-line method as per the useful life as estimated by the Management. The estimate of the useful life of the assets has been based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, etc. The estimated useful life of these property, plant and equipment is mentioned below:

Class of Assets	Useful Lives
Buildings	30 years
Plant & Equipment	15-45 years
Furniture & Fixtures	10 years
Computers	3 years
Office Equipment	5 years
Vehicles	8 years

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in the Statement of Profit and Loss.

The useful lives are reviewed by the management at each period end and revised, if appropriate.

9. INTANGIBLE ASSETS

Intangible assets acquired separately

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortization and accumulated impairment losses, if any. Amortization is recognized on a straight-line basis over their estimated useful lives. The estimated useful life and amortization method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

Useful lives of intangible assets

Computer Software are amortized on straight-line basis over the estimated useful life ranging between 3-5 years.

Derecognition of intangible assets

An intangible asset is derecognized on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from the derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognized in the Statement of Profit and Loss when the asset is derecognized.

10. IMPAIRMENT OF TANGIBLE AND INTANGIBLE ASSETS

At the end of each reporting period, the Company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs. For the purpose of assessing impairment, assets are grouped at the lowest level, for which there are separately identifiable cash inflows, which are largely independent of the cash inflows from other assets or groups of assets (cash-generating unit).

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognized immediately in the Statement of Profit and Loss.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognized for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognized immediately in the Statement of Profit and Loss.

11. INVENTORIES

Inventories (Raw material, Work-In-Progress, Finished Goods) are stated at the lower of cost and net realizable value. The cost of purchased material is determined on a weighted average basis. The net realizable value represents the estimated selling price for inventories less all estimated costs of completion and costs necessary to make the sale.

The cost of work-in-progress and finished goods includes material cost, labor cost, and manufacturing overheads absorbed on the basis of the normal capacity of production.

12. EMPLOYEE BENEFITS

Short term employee benefits

Short-term employee benefits such as salaries, wages, performance incentives etc. are recognized as expenses at the undiscounted amounts in the Ind AS Statement of Profit and Loss of the period in which the related service is rendered.

Post-employment benefits

Defined contribution plan

Contributions to defined contribution schemes such as provident fund and employees' state insurance (ESIC) are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees' provident fund contribution is made to a government-administered fund and charged as an expense to the Ind AS Statement of Profit and Loss. The above benefits are classified as Defined Contribution Schemes as the Company has no further obligations beyond the monthly contributions.

Defined benefit plan

The Company provides for gratuity which is a defined benefit plan the liabilities of which is determined based on valuations, as at the reporting date, made by an independent actuary using the projected unit credit method. Re-measurement, comprising of actuarial gains and losses, in respect of gratuity are recognized in the OCI, in the period in which they occur. Re-measurement recognized in OCI are not reclassified to the Ind AS Statement of Profit and Loss in subsequent periods. Past service cost is recognized in the Ind AS Statement of Profit and Loss in the period of plan amendment or curtailment. The classification of the obligation into current and non-current is as per the actuarial valuation report.

13. PROVISIONS AND CONTINGENT LIABILITIES

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event; it is probable that the Company will be required to settle the obligation in respect of which a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, it's carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

Present obligations arising under onerous contracts are recognised and measured as provisions. An onerous contract is considered to exist where the Company has a contract under which the unavoidable costs of meeting the obligations under the contract exceed the economic benefits expected to be received from the contract.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not require an outflow of resources embodying economic benefits or the amount of such obligation cannot be measured reliably. When there is a possible obligation or a present obligation in respect of which likelihood of outflow of resources embodying economic benefits are remote, no provision or disclosure is made.

Contingent assets: A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity. Contingent assets are not recognised but disclosed only when an inflow of economic benefits is probable.

14. CASH FLOW STATEMENT

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax are adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

15. SEGMENT REPORTING

Operating segments are reported in a manner consistent with the internal reporting, nature of the products / process, organisation structure as well as differential risks and returns, provided to the board of directors and chief financial officer, all of them constitute as chief operating decision maker ('CODM'). The chief operating decision maker (CODM) has identified two primary business segments viz. Cylinders and Windmill. These segments have been identified and reported taking into account the nature of the products / services, the differing risks and returns, the organizational structure and internal business reporting system. The Company caters mainly the needs of the Indian Market hence separate geographical segmental information has not been given.

16. EARNINGS PER SHARE

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in a right issue and share split that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

17. CASH AND CASH EQUIVALENTS

For the purpose of presentation in statement of cash flows, cash and cash equivalents include cash on hand, deposits held at call with financial institutions, other short term highly liquid investments with original maturities of 3 months or less that are readily convertible to known amount of cash and which are subject to an insignificant risk of change in value.

18. CONTINGENCIES

In the normal course of business, contingent liabilities may arise from litigation and other claims against the Company. Guarantees are also given in the normal course of business. There are certain obligations which management has concluded based on all available facts and circumstances are treated as contingent liabilities and disclosed in the Notes but are not provided for in the financial statements. Although there can be no assurance of the final outcome of the legal proceedings in which the company is involved it is not expected that such contingencies will have a material effect on its financial position or profitability.

(ii) Valuation technique used to determine fair value

The Company maintains policies and procedures to value financial assets or financial liabilities using the best and most relevant data available. The fair values of the financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

a) Fair value for financial investments are valued using closing NAV.

- b) Fair value of cash and deposits, trade receivables, trade payables, and other current financial assets and liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.
- c) Long-term fixed-rate and variable-rate receivables / borrowings are evaluated by the Company based on parameters such as interest rates, specific country risk factors, credit risk and other risk characteristics. Fair value of variable interest rate borrowings approximates their carrying values.
- d) The fair value of the remaining financial instruments is determined using discounted cash flow analysis.

(iii) Fair value hierarchy

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are: (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the group has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath the table:

Financial assets and liabilities measured “at fair value-recurring fair value measurements	March 31, 2024			
	Level 1	Level 2	Level 3	Total
Financial assets at amortised Cost				
Non Current Investment		0.01		0.01
Financial investments at FVTOCI				
Current Investment	-	-	-	-
Total financial assets	-	0.01	-	-

Financial assets and liabilities measured “at fair value-recurring fair value measurements	March 31, 2023			
	Level 1	Level 2	Level 3	Total
Financial assets at amortised Cost				
Non Current Investment		0.01		0.01
Financial investments at FVTOCI				
Current Investment	226.61	-	-	226.61
Total financial assets	226.61	0.01	-	226.61

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments, traded bonds and mutual funds that have quoted price. The fair value of all equity instruments (including bonds) which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using closing NAV.

Level 2: The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over the counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument are included in Level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in Level 3. This is the case for unlisted equity securities, contingent consideration and indemnification asset included in Level 3.

The Company's policy is to recognise transfers into and transfer out in fair value hierarchy levels at the end of the reporting period.

Note 23 : Financial Risk Management

Financial Risk Factors

The Company's principal financial liabilities comprise borrowings and trade payables. The main purpose of these financial liabilities is to manage finances for the Company's operations. The Company has loan, trade and other receivables, cash and short-term deposits that arise directly from its operations. The Company's activities expose it to a variety of financial risks:

i) Credit Risk

Credit risk arises from cash and cash equivalents and deposits with bank(s) / other company, as well as credit exposure to counter party that will not meet its obligations under a financial instrument or customer contract, leading to a financial loss.

Expected credit loss for trade receivables

ii) Market Risk

Particulars	As at March 31.03.2024	As at March 31.03.2023
Trade Receivables		
Gross carrying amount	1389.74	1,746.45
Expected loss rate	0.00%	0.00%
Expected credit losses (Loss allowance provision)		
Carrying amount of trade receivables (net of impairment)	1,389.74	1,746.45

The sensitivity analysis excludes the impact of movements in market variables on the carrying value of post-employment benefit obligations provisions and on the non-financial assets and liabilities. The sensitivity of the relevant Statement of Profit and Loss item is the effect of the assumed changes in the respective market risks. The Company's activities expose it to a variety of financial risks, including the effects of changes in foreign currency exchange rates and interest rates.

(a) Foreign Exchange Risk

The company is engaged in exports business and imports are very minimal for which hedging instruments are not required.

Earnings in Foreign Exchange

iii) Liquidity Risk

Particulars	As at March 31.03.2024	As at March 31.03.2023
Export of Goods	1,900.16	1,256.11
Total	1,900.16	1,256.11

The Company considers factors such as track record, size of the institution, market reputation and service standards to select the banks with which balances and deposits are maintained. Generally, the balances are maintained with the institutions with which the Company has also availed borrowings. The Company does not maintain significant cash and deposit balances other than those required for its day to day operations subject to the compliance with loan facilities. Liquidity risk is the risk that the Company may not be able to meet its present and future cash and collateral obligations without incurring unacceptable losses.

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due and to close out market positions.

The Company's objective is to at all times maintain optimum levels of liquidity to meet its cash and collateral requirements. The Company relies on a mix of borrowings, capital infusion and excess operating cash flows to meet its needs for funds. The current committed lines of credit are sufficient to meet its short to medium term expansion needs. Management monitors the Company's liquidity position through rolling forecasts on the basis of expected cash flows.

The table below provides details regarding the remaining contractual maturities of financial liabilities at the reporting date based on contractual undiscounted payments.

For the purposes of the Company's capital management, capital includes issued capital and all other equity reserves.

The Company's objectives when managing capital are to:

- Safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders.
- Maintain an optimal capital structure to reduce cost of capital.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. The Company monitors capital using a gearing ratio, which is debt divided by equity capital. Return on Capital Employed (in %)	Profit before tax and finance cost	Capital Employed = NetWorth + Lease Liabilities + Deferred Tax Liabilities	10.04%	-14.88%	167.48%

Reasons for the change in the ratio above 25%:-

1. In the current period the amount of both Current Assets and Current Liabilities has reduced significantly.
2. In the current year, the company has a profit for the year as compared to the loss in the last year. Also the amount of depreciation has significantly recorded less as compared to last one. The borrowings also of the company has reduced as compared to previous.
3. In the previous year, the company has reported more total comprehensive income as compared to the current year as in last year the company has a share of income from Fair Value of Investment in Equity Shares.
4. The cost of material consumed has increased significantly in the current period. The Inventory held by the company in the current year has reduced in comparison to the previous year.
5. The revenue from operations has increased from the previous year as compared to the current year. The trade payable by the company has reduced as compared to the last year.
6. The revenue from operations has increased from the previous year as compared to the current year. The amount of the both Current Assets and Current Liabilities has significantly reduced in the current period.

7. The profit reported in the current period is less than the profit reported in the previous year, as in the current period the Company has sold of its investment held in the equity shares and Fair value of investment recorded in the last year is the reason of the increased in profit last year. The Company reported increased in its revenue from operations as compared to the last period.
8. The Profit before tax reported by the company in the current period is greater than the last year. The net worth of the company has also increased in the current period.
