Our focus on delivering exceptional results underscores our dedication to enhancing shareholder value and achieving enduring success.

Through these efforts, we design enduring financial journeys, guiding our clients, investors, and shareholders towards lasting prosperity.

OUR PRESENCE

Putting Abans on the World Map

Chairman and Managing Director Message

At the core of our success is a strong foundation of corporate governance. We adhere to the highest standards of transparency, accountability, and ethical conduct.

Dear Shareholders,

I am pleased to present Abans Holdings' annual report for the fiscal year 2023-24. This year has been marked by significant achievements and strategic advancements for our company. We are proud to report a robust financial performance, with impressive growth in revenue and profitability compared to the previous year. This is a testament to the hard work and dedication of our entire team.

Navigating a Complex Global Landscape

Around the globe, as geopolitical volatility marred performance, India's resilience and strong presence portrayed us as a force to be reckoned with. Banks and non-banking finance companies (NBFCs) have led to a sharp surge in retail credit in recent trends, while also doubling their credit to MSMEs in just two years. The consumer spending of Indians is on the rise; on these lines, we are diversifying our portfolio to myriad financial services to cater to the varied needs of our customers. At Abans Holdings, we have expanded from a commodity trading firm to a diversified multinational financial powerhouse. Our operations now span

countries like India, the United Kingdom, Dubai, Hong Kong, and Mauritius, reflecting our global reach and influence. We have built a robust leadership team of seasoned professionals and a board that includes former SEBI officials and other eminent personalities to move strategically in the forward direction.

Corporate Governance and ESG Commitment

At the core of our success is a strong foundation of corporate governance. We adhere to the highest standards of transparency, accountability, and ethical conduct. Our commitment to Environmental, Social, and Governance (ESG) principles is unwavering.

As a financial services company, we recognize our unique position to lead by example in minimizing environmental impact. Operating in a minimalist environment, we ensure our activities do not cause any tangible damage to the environment. Our offices are energy-efficient, leveraging technology to reduce waste and carbon footprint. We prioritize paperless operations and invest in sustainable practices that reflect our dedication to environmental stewardship.

We foster a diverse and inclusive workplace, recognizing that varied perspectives drive innovation and success. Our investment processes integrate ESG factors, ensuring that our growth is both sustainable and responsible. Additionally, we maintain the highest standards of corporate governance, ensuring that our actions align with our values and the best interests of our stakeholders.

By prioritizing ESG parameters, we not only enhance our long-term value but also contribute positively to society and the environment. This reinforces our role as a responsible global asset management company, committed to making a meaningful impact in the world.

Strategic Focus on Asset Management

Our company's strength lies in our asset management activities, which encompass an array of distinguished products such as the Global Arbitrage Fund, PMS, and AIFs. We provide a comprehensive suite of brokerage services catering to institutional investors worldwide, facilitating trades in equities, commodities, and currencies across the globe. We are diligently expanding our product offerings for our assets under

'Adaptability'

management (AUM) within these categories. Our Global Arbitrage Fund, for instance, features multiple classes of shares and caters to a range of investor profiles with products designed for both risk-averse and principal-protected strategies. We are also developing debentures that offer principal protection with alpha over underlying, all tailored to meet the varying needs of our investors. To further broaden our asset management activities, our plan to obtain an AMC license is in advanced stages, which will enable us to enter the mutual fund market as well. We also have an investment banking desk which caters to both buy side and sell side transactions of our clients.

Finance and Capital Business

The Finance Business has been focusing on lending, providing both secured and unsecured term financing to individuals and SMEs across India. Meanwhile, our Capital Business caters to internal treasury operations, physical commodities trading, and other services.

Strategy for Growth

At the end of the day, it is the trust and faith that our company has gained from our customers over the years that has helped us grow, adapt, and expand the way we have. Since 2016, our Global Arbitrage Fund has provided 8% average returns in United States dollars, our PMS has consistently delivered significant CAGR returns over the last eleven years, and our AUM has more than doubled from FY21.

Keeping our global growth goals in mind, we are working towards onboarding more reliable distributors to grow our AUM business. We are channeling our resources to bring in new products in the East Africa and Gulf Cooperation Council (GCC) regions, which have embraced our products with open arms in recent years. To augment our reach and stretch our wings even further, we are in the process of getting the Global Arbitrage Fund registered with the SEC, a capital market regulator in the USA.

Operational Excellence and Technological Edge

Our in-house capabilities are a source of envy. We are the manufacturers, not just the distributors, of investment products. Our research team develops innovative products tailored to current market trends, ensuring

Trust is the currency we want to deal in. Before extending credit, we meticulously evaluate collateral, conduct in-depth background checks on borrowers and promoters, and prioritize sectors where we possess deep expertise in risk mitigation strategies. We achieve client priority by delivering tailored investment solutions that meet our clients' unique needs and goals. Regular communication, transparency, and responsiveness are key to building long-term relationships and fostering client retention.

we deliver attractive returns for our investors. We leverage a robust network of strong channel partners for product distribution, allowing us to focus on core competencies without managing a direct sales force.

Technology is another area where we excel. We've built a best-in-class IT infrastructure, including a fully in-house trading platform. This allows us to execute trades across various geographies with exceptional speed and efficiency. Unlike many competitors who rely on external vendors, our in-house development team ensures complete control and swift troubleshooting, minimizing downtime and maximizing agility. With a team of approximately 20 skilled technologists, we are constantly innovating and improving our internal systems.

Adapting to Regulatory Changes

In this ever-changing regulatory landscape, navigating the regulatory requirements is a top priority. As new regulatory changes emerge in the PMS, mutual funds, AIF, or global investment opportunity segments, we are mindful of these transformations. We have concerted efforts to enhance our compliance framework by staying abreast of regulatory developments and adapting our policies and procedures accordingly.

Building Trust and Client Focus

Trust is the currency we want to deal in. Before extending credit, we meticulously evaluate collateral, conduct in-depth background checks on borrowers and promoters, and prioritize sectors where we possess deep expertise in risk mitigation strategies. We achieve client priority by delivering tailored investment solutions that

meet our clients' unique needs and goals. Regular communication, transparency, and responsiveness are key to building long-term relationships and fostering client retention.

Future Outlook

Looking ahead, we are optimistic and confident in our ability to navigate the dynamic financial landscape. We understand the potential impact of interest rate fluctuations on the profitability of financial institutions. To mitigate this risk and ensure sustained growth, we are adapting to become more accessible and agile. By diversifying our investments across asset classes, utilizing derivatives, and closely monitoring market trends, we are not only safeguarding our operations but also positioning ourselves for continued success. These strategic measures are bringing us closer to our goal of becoming a fully global asset management company, capable of delivering consistent and robust performance in any market environment. We are excited about the future and remain committed to achieving new heights.

We want to ensure your support remains with us throughout our journey and enables us to reach newer heights. Abans Holdings is well-positioned for continued growth and success. We are confident that our strategic priority on diversification, risk management, client focus, and global expansion will deliver long-term value for our shareholders.

Thank you for your continued support.

Warm Regards,

Abhishek Bansal

Letter from the Chief Executive Officer

Our strength lies in our deep understanding of various asset classes and the ability to ideate effectively. This expertise differentiates us in the market, allowing us to navigate significant global events with agility and consistency in returns. We continuously refine our processes, enhancing operational efficiency and managing liquidity with precision.

Dear Shareholders,

It is with immense pride and enthusiasm that I present to you the Annual Report for Abans Holdings Limited (AHL) for the financial year 2023-24. This year has been marked by significant achievements in resilience, growth, and strategic advancements, all underscoring our unwavering commitment to delivering value, fostering innovation, and achieving sustainable outcomes in an ever-evolving global landscape.

Transformational Journey and Strategic Vision

Since taking on the role of Chief Executive Officer, I have had the privilege of guiding our company through a period of substantial financial strategy development. Our evolution from a financial services firm to a major player

in the global asset management market is a testament to our relentless pursuit of growth and value creation. Over the past decade, we have transformed our operations, achieving remarkable growth and substantial strides in managing a diverse range of assets. I am profoundly grateful for the trust placed in me, allowing us to steer the company toward continued success.

Financial Performance and Strategic Growth

This year, our strategic initiatives have translated into robust financial performance:

- We achieved an impressive 18.5% increase in revenue from operations, reaching ₹1,378 crore in FY24, driven by our ability to seize emerging market opportunities.

- Our profit before tax (PBT) grew by 31.6% to ₹100 crore, and our net profit after tax (PAT) reached ₹89 crore, reflecting a healthy year-on-year growth of 27.1%.

These accomplishments underscore our operational excellence and strategic focus, highlighting our ability to deliver strong financial performance while continuing to invest in future growth.

Human Capital and Talent Development

At the core of our success is our ability to attract and develop high-density talent. Our team's expertise and dedication drive our innovation and operational excellence. We are committed to fostering an environment that attracts and retains top-tier talent, ensuring we remain agile and responsive to market changes.

Operational Excellence and Process Improvements

Our strength lies in our deep understanding of various asset classes and the ability to ideate effectively. This expertise differentiates us in the market, allowing us to navigate significant global events with agility and consistency in returns. We continuously refine our processes, enhancing operational efficiency and managing liquidity with precision. Our focus on process improvements ensures that we can scale volumes across portfolios while maintaining stringent liquidity management.

Global Presence and Opportunity

Our global footprint provides us with unparalleled opportunities to capitalize on diverse financial markets. Operating in key financial hubs worldwide, AHL is strategically positioned to access a wide array of investment opportunities and arbitrage possibilities. This extensive presence enables us to leverage our expertise in broking, portfolio management, multi-asset global institutional trading, and more, to seize market opportunities as they arise.

By being active in international financial centers, we are able to anticipate and respond to global economic trends and regulatory changes swiftly. Our global reach not only enhances our ability to serve clients but also strengthens our competitive edge, allowing us to explore new markets and expand our service offerings. This proactive approach positions us to harness the benefits of a rapidly globalising economy and drive sustainable growth.

Future Outlook

Looking ahead, we are poised to capitalize on several promising opportunities that will drive our future growth. We are actively exploring the following strategic initiatives:

- 1. High-Frequency Trading (HFT):** We are investing in cutting-edge technology to enhance our high-frequency trading capabilities. This will allow us to execute trades with greater speed and precision, capturing arbitrage opportunities

Letter from the Chief Financial Officer

“Our focus on agency fee income was at the forefront of our strategy, resulting in a 133% increase in revenue to ₹100 crore for the fiscal year. This growth has significantly contributed to our overall performance, with agency fee revenue accounting for 58% of the PBT. This impressive achievement is a testament to our ability to identify and capitalize on new market opportunities.”

Dear Shareholders,

It is with great pride that I share with you the robust financial achievements of Abans Holdings for the fiscal year 2024. Our steadfast commitment to a forward-looking risk management framework and robust asset management strategies has underpinned our significant growth in both revenue and profitability.

First and foremost, I would like to extend my heartfelt gratitude to our shareholders for your unwavering trust and support. Your confidence in our vision and strategy has been instrumental in driving our success. We are deeply appreciative of your continued belief in Abans Holdings, and it inspires us to strive for excellence every day.

Reflecting on a Year of Progress

Over the past year, the global economic landscape has been marked by turbulence and uncertainty. Despite these challenges, South Asia's economic outlook remains

positive, with India continuing to be a beacon of growth through strong public and sustainable private investments. As India emerges as the world's second busiest equity capital market and the third most active listing space globally, we at Abans Holdings are excited to be part of this dynamic era, working diligently to fulfill our clients' aspirations.

Performance Highlights

Our focus on agency fee income was at the forefront of our strategy, resulting in a 133% increase in revenue to ₹100 crore for the fiscal year. This growth has significantly contributed to our overall performance, with agency fee revenue accounting for 58% of the PBT. This impressive achievement is a testament to our ability to identify and capitalize on new market opportunities.

The lending business also performed exceptionally well, with revenue growing by 66% to ₹35.5 crore and the EBITDA

from this segment doubling. This underscores the effectiveness of our strategic initiatives and our capability to maintain operational efficiency.

Our commitment to enhancing our asset management infrastructure was evident through the acquisition of a PMS with 11 year, 21.6% CAGR legacy and the addition of alternative investment funds, leading to a 53% increase in assets under management, reaching ₹2,550 crore. This growth reflects our dedication to providing comprehensive investment solutions and enhancing client satisfaction.

Key Financial Metrics

Our financial metrics for the year highlight our strategic focus and operational excellence:

We achieved a commendable 18.6% increase in revenue from operations, reaching ₹ 1,378 crore in FY24 by effectively capitalising on emerging market opportunities. This year we were able to

'Agility'

manage expenses efficiently, with total expenses growing at a slower rate of 17.7% compared to revenue. This resulted in a significant expansion of our EBITDA margin, which jumped from 7.4% to 11.0% (approx.), a substantial improvement of 360 basis points.

Our bottom line also reflects a positive trajectory. Profit before tax (PBT) grew by 31.7%, reaching ₹ 100 crore in FY24. This increase is driven by both our top-line growth and our improved operating margins. Our net profit after tax (PAT) reached ₹ 89 crore, showing a healthy growth of 27.0% year-on-year. This consistent profitability strengthens our financial position and fuels our investments in future growth initiatives.

Financials snapshot

Segment Performance Breakdown

Agency Business	With a revenue surge to ₹100 crore and an EBIT of ₹59 crore, this segment has emerged as a significant growth engine.
Lending Business	Revenue reached ₹35.5 crore, with EBIT at ₹23 crore, demonstrating remarkable resilience and consistent growth.
Capital Business	Revenue stood at ₹1,244 crore, with EBIT at ₹37 crore, continuing to drive major profitability and serve as a foundation for future growth.

Client-Centric Approach

This year, we emphasized understanding our clients more profoundly. By conducting comprehensive financial assessments, we have been able to tailor investment strategies that align closely with their unique goals, risk tolerance, and time horizons. This personalized approach has fostered trust and long-term client relationships, as reflected in our growing AUM.

Operational Excellence and Compliance

In an ever-changing regulatory landscape, maintaining the highest standards of financial reporting and compliance is paramount. We have rigorously adhered to evolving regulations, ensuring that our financial disclosures are transparent,

accurate, and timely. This commitment not only safeguards the interests of our shareholders but also cements our credibility and trustworthiness in the financial markets.

Transparency and responsible investing remain at the heart of our success. We are committed to the highest ethical and financial standards, ensuring rigorous compliance with regulatory requirements. Our robust risk management processes safeguard against credit, market, and operational risks, providing peace of mind for both investors and the company.

Future Outlook

A. Alternative Investment Fund and Global Arbitrage Fund

Abans Holdings Limited houses the Indian asset manager business for funds domiciled in India and Gift City, which specialize in risk-adjusted strategies based on prevailing market conditions, and investor risk profiles. Our comprehensive portfolio management services are complemented by robust support infrastructure, including brokerage and back-office support (through subsidiary companies), essential for efficient asset management services.

One of our prominent offerings is the Global Arbitrage Fund (GAF), a cornerstone of our Asset Management division. Managed by Abans Investment Manager Mauritius, Abans International Limited in Mauritius, this fund operates under the stringent regulatory framework of the Mauritius Financial Services Act, 2007, and the Securities Act, 2005, ensuring compliance and investor protection.

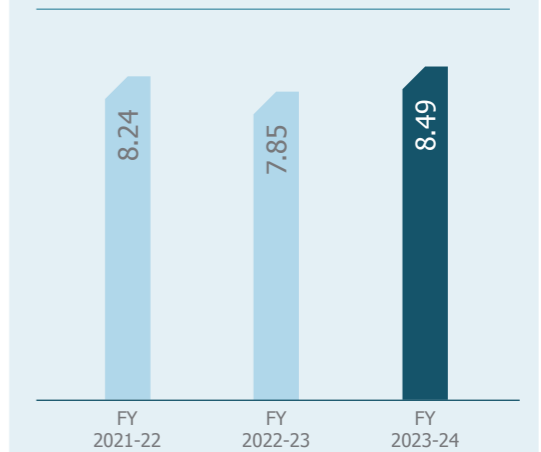

The Global Arbitrage Fund focuses on exploiting arbitrage opportunities across commodity, currency, index, and equity derivatives on global exchanges. This open-ended fund aims to deliver stable returns while providing monthly liquidity to investors. Over the past six years, the fund has demonstrated a strong performance track record, achieving an average annual return exceeding 8% in USD.

In the fiscal year 2023-24, the Assets Under Management (AUM) of the Global Arbitrage Fund soared to USD 68 Mn marking a substantial growth from USD 27 Mn in 2021-22.

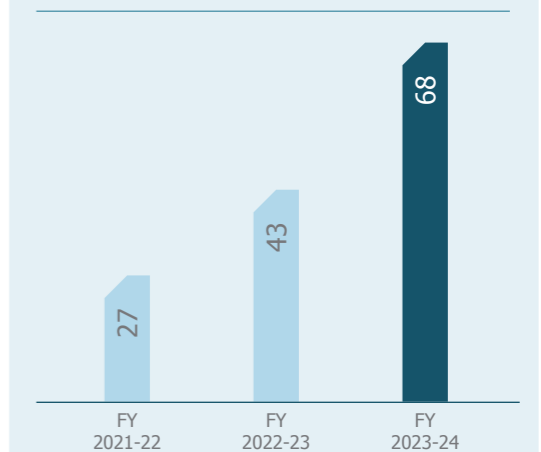

This remarkable expansion underscores the fund’s robust performance and its adeptness in capturing global arbitrage opportunities, thereby reinforcing its strategic position in the market.

Through our commitment to innovation, rigorous risk management, and client-centric approach, we continues to uphold its reputation as a trusted steward of investor capital, delivering value through disciplined investment strategies and exceptional service standards in the asset management industry.

RISK MANAGEMENT

Building a Stronger Safety Net

Effective risk management is important for our business growth. We allocate resources to monitor, evaluate and manage market, credit, liquidity, operational, legal and reputational risks. Through periodic analysis, we plan and implement risk control measures, utilising appropriate tools and continuous improvement of policies and procedures for mitigating risks.

Risk Policy

Our risk management team, operational in each trading hub and centrally controlled, finalises risk policies with input from senior management and Abans Group Directors. Policies are periodically reviewed to reflect market dynamics, designed to prevent conflict of interest and compliance with regulatory requirements.

Risk Monitoring and Mitigation

Experienced personnel oversee risk and regulatory compliance at both trading and client relationship levels. Our independent risk management team collaborates with central oversight to review monitoring parameters, suggest changes and implement best practices. We monitor and control risk exposure through robust reporting systems aligned with regulatory mandates and business needs.

Audit and Inspection

We continually enhance audit procedures, subjecting operational activities to frequent internal audits compliance. We maintain a comprehensive compliance structure that is monitored centrally and headed by senior management. Local compliance teams in international hubs ensure adherence to local laws. Compliance provides guidance on regulatory matters, liaises with regulators and conducts regular training on compliance issues.

Preservation of Price Sensitive Information

Employees maintain confidentiality of price-sensitive information, disclosing it only to authorised personnel. We have well-documented policies for insider trading prevention, including Chinese wall procedures, to prevent misuse of unpublished price-sensitive information.

PEOPLE

Accomplishing Milestones with Teamwork

At Abans, we have individuals from diverse backgrounds and skill sets who have exceptional ability and a track record of remarkable achievements. Our world-class technology, infrastructure and research capabilities support a dynamic and entrepreneurial environment. We value fresh perspectives, ingenuity, determination, diversity and a rewarding workplace.

Talent Management

We source candidates through Employee Referral Programmes and networking on various professional portals. High-potential employees, once identified, undergo targeted training programmes that evaluate their competencies, observe their behaviour in various situations, and capture their leadership potential. This process helps groom them for one-down and two-down positions, creating a clear line of succession.

We identify next-generation leaders who are groomed for future leadership roles. The employees from the Finance Team and the Bullion Team are currently undergoing extensive training and development to take up the mantle for driving the company forward.

Employee Engagement

For Employee engagement, surveys are our primary measurement tool. We utilise in-person discussions with leaders and appreciation programmes that highlight employee achievements. The annual appraisal process also serves as an effective tool for measuring employee engagement.

HR Policy

Our HR policies are communicated through a two-pronged approach. Global circulation via email whenever policies are reviewed and implemented and availability of all effective policies on the HRMS system, accessible to employees through their individual logins.

Management Discussion and Analysis

Economic Overview

Global Economy

The strong resilience of the global economy through uncertainties:

In CY2023, the global economy demonstrated remarkable resilience and robust growth, defying widespread recession fears that loomed over developed nations. Despite the challenges created by ongoing geopolitical conflicts, including those between Ukraine and Russia, as well as recent tensions in the Middle East involving Israel and Palestine, the global economy managed to withstand significant pressures. These conflicts resulted in commodity price volatility and inflationary pressures in both advanced and emerging economies worldwide.

Current GDP growth rates closely aligned with pre-COVID-19 pandemic levels, highlighting the resilient nature of the global economic landscape. However, this growth was not uniform across all regions. While countries like Germany and the United Kingdom faced economic slowdowns, emerging economies exhibited a more promising trajectory. Notably, China, Russia, and Indonesia showed robust economic performance.

India, in particular, emerged as a pacesetter among its peers, showcasing strong economic growth and resilience. The diverse economic performance across various regions highlights the complex interplay of regional policies, market dynamics, and consumer behaviours influencing the global economy. This diversity underscores the need for adaptive strategies and a nuanced understanding of the global market to navigate the varying challenges and opportunities effectively.

GROWTH PROJECTIONS

Our Global Outlook:

Despite prevailing challenges, the global economy exhibits a sense of optimism, with anticipated easing of inflationary pressures and more accommodative monetary policies by central banks. The resilience of economies worldwide will be instrumental in shaping a sustainable and inclusive growth trajectory in the months ahead. It is imperative for investors to analyse the global market and its disparities between various countries on an individual level before forming investment strategies. Each

contributor to the global market will play a significant role in determining long-term investment returns.

Global Trading Landscape:

In 2023, the global trade landscape has experienced significant changes due to geopolitical tensions and economic nationalism. Trade restrictions have significantly increased since 2019, and financial sanctions have steadily risen, largely due to events like Russia's invasion of Ukraine. These developments have prompted reassessments of trading partners and heightened geopolitical tensions. The United States and China have seen a

decrease in mutual trade levels, and direct trade between Russia and Western countries has collapsed. However, despite these tensions, there is no clear sign of deglobalization.

Trade and investment are increasingly divided along geopolitical lines, with new trade patterns emerging within three major blocs: those aligned with the United States, those aligned with China, and nonaligned countries. Trade growth between the blocs aligned with the United States and China has slowed, while intra-bloc trade has experienced a smaller decline. For example, the US and EU have shown signs of anti-dumping policies on China-manufactured electric vehicles, while China continues to deliberate increasing tariffs on several EU-manufactured goods like large engine vehicles and alcohol. To mitigate the impact of the trade war between the United States and China, third-party countries like Mexico and Vietnam have stepped in to reroute trade.

Our outlook on the Global Trading Landscape:

The fragmentation of the global economy poses risks to efficiency, capital allocation, and the spread of knowledge, potentially resulting in global GDP. Emerging markets and low-income countries may be disproportionately affected, especially in terms of commodity trade. Hence it's imperative for investors to diversify their portfolios into resilient markets and sectors that are less affected by geopolitical tensions. As economic nationalism increases, companies and organizations that cater to national demand might be a safe hedge against growing economic tensions.

Indian Economy

Indian Economy the pacesetter for emerging markets:

During FY 2024, India has maintained its position as the fastest-growing major economy amid global headwinds, in just a decade, it has jumped from the world's ninth-largest economy to the fifth, boasting a \$3.4 trillion GDP.

A robust financial system is also cushioning the domestic economy and supporting its growth dynamics. Forecasts by the National Statistical Office state that India has clocked a real GDP growth of over 7% during FY 2024. As India races towards the number three GDP spot, its consumer market is also poised to become the world's third-largest by 2027. This rebound in economic growth can be attributed to India's sound macroeconomic fundamentals, booming domestic demand, prudent fiscal policies implemented by the RBI and a wave of structural reforms, including a unique and unparalleled digital infrastructure boom that has provided everyone with a digital identity.

Moreover, easing supply-side constraints coupled with the government's consistent emphasis on capital expenditure has facilitated economic growth. A surge in investments in the public sector and strong banking sector has also contributed to gradual economic expansion over the years. Additionally, declining inflation and greater credit demand reinforces the inherent optimism in the economy.

India's GDP growth rate¹ (in %)

Our outlook of the Indian Economy:

The events on a global scale and volatility of the global macroeconomic environment have put pressure on various economies across the globe, among all of this, the outlook for the Indian economy remains optimistic. Strong fundamentals, such as sustained political stability, enhanced government focus on public and private capital expenditure, growing credit demand, low debt levels and deleveraged balance sheets of most companies, are expected to substantially contribute to economic growth.

The rapid expansion of the Indian economy is a result of suitable policy rates and liquidity measures taken by the Reserve Bank of India. India continues to be a massive consumption-driven economy and along with higher capacity utilisation across sectors, economic growth is likely to continue in the coming years.

Industry overview

Overview of the Indian Asset Management Space

The Indian asset management industry is fundamentally driven by the nation's strong saving culture. The substantial funds accumulated due to this culture have significant implications, creating a continuous demand for services that offer effective wealth accumulation, management, and diversification strategies.

In the calendar year 2023, Indian households added approximately ₹13.8 trillion in net financial assets. This figure represents a decrease from the ₹17 trillion added in the previous year, largely due to an increase in loans taken by households to acquire real assets such as residential and commercial properties. However, the overall savings rate, encompassing households, private corporations, and the public sector, as a percentage of GDP, rose in FY24. This increase was supported by improved private corporate savings, driven by higher profit growth, and enhanced public savings, facilitated by a reduced central government fiscal deficit.

The extensive pool of financial assets points to a substantial market for asset management services in India, estimated to be about five times larger than the nation's GDP. The market size, coupled with India's dynamic economic environment, presents significant growth opportunities for the asset management sector.

Factors Contributing to the Growth of the Asset Management Space

1

Economic Growth:

India is leading global GDP growth among major economies, setting a robust foundation for the asset management industry.

2

Rising Per Capita Income:

India's per capita income is increasing at the fastest rate globally, boosting wealth accumulation among its citizens and driving demand for asset management services.

3

High Saving Rate:

Traditional Indian households prioritize saving before spending, with the saving rate increasing year over year, leading to the creation of larger financial assets over time.

4

Rapid Growth in Wealthy Population:

The number of High Net Worth Individuals (HNIs) and Ultra High Net Worth Individuals (UHNIs) in India is projected to double by 2027, reflecting the country's recent robust economic growth.

5

Digital Transformation:

The adoption of technology in financial services is transforming the asset management landscape. Digital platforms are making it easier for investors to access, manage, and monitor their investments, enhancing customer experience and engagement.

6

Regulatory Reforms:

Proactive measures by regulators such as SEBI, IRDAI, and PFRDA are enhancing transparency and investor protection. Reforms, including the introduction of Real Estate Investment Trusts (REITs) and Infrastructure Investment Trusts (InvITs), are providing new investment avenues, stimulating the asset management sector.

The booming asset management space is also evidenced by the rising number of mutual fund folios, indicating increased participation by domestic investors in the stock market to capitalize on India's growth story. The growing number of Demat accounts further highlights higher retail participation in stock markets, underscoring the increasing demand for asset managers in both the short and long term.

Moreover, the rise of the startup culture in India is fostering a new generation of young entrepreneurs with significant net worths, seeking to invest their surplus funds. Asset managers will play a pivotal role in guiding these entrepreneurs through the complexities of wealth management.

Our Outlook on the Indian Asset Management Space

India's sustained strong economic growth positions it well on the path from a lower-middle-income to a high-income country. As one of Asia's most diversified equity markets, India is poised for healthy medium to long-term growth, supported by a robust economic outlook.

Indian investors are increasingly seeking formal and structured ways to invest, driven by their own financial goals. This trend presents a significant opportunity for asset managers to support these goals by helping investors diversify their risks, plan their financial futures, grow their wealth, and better structure their finances.

Asset managers will be instrumental in guiding investors through the evolving financial landscape, ensuring their investment strategies are aligned with their long-term objectives. The

continuous growth and transformation of the Indian asset management space promise substantial opportunities for innovation, growth, and enhanced investor satisfaction.

Gujarat GIFT City, the finance city we needed, the finance city we got:

The Gujarat International Finance Tec-City (GIFT City), India's first operational smart city and international financial services centre, has emerged as a game-changer for the country's asset management industry. The GIFT City offers a world-class business environment, state-of-the-art infrastructure and a conducive regulatory framework tailored to attract global investors and asset managers.

GIFT City's seamless connectivity with international markets, facilitated by its robust infrastructure and telecommunications networks, enables asset managers to conduct cross-border transactions efficiently and access global investment opportunities. With its strategic location and access to emerging markets, GIFT City offers asset managers a diverse range of investment opportunities across various sectors, including banking, insurance, capital markets and alternative investments.

One of the key drivers behind GIFT City's appeal as an asset management hub is its favourable tax regime, designed to incentivise both domestic and international players. The companies established in GIFT City can enjoy a 10-year tax holiday, providing a significant boost to their profitability and growth prospects.

Foreign portfolio investors (FPIs) and foreign venture capital investors (FVCIs) investing in GIFT City are exempt from capital gains tax on the transfer of specified securities, making it an attractive destination for global asset managers. As GIFT City continues to evolve and attract global players, it is expected to play a pivotal role in shaping India's financial landscape and making the country's position as a leading hub for asset management.

Our outlook on the GIFT City:

GIFT City hopes to be the smart city that attracts not just domestic investors but also investors from overseas. We believe the relaxations and the flexibility that the GIFT allows will be a game changer in the financial space especially asset management, as this will not only provide access to INR but also get financial inflow in dollars as well, boosting a healthy growth in the economy.

The NBFC Space:

Historically, NBFCs have been a vital cornerstone of the Indian financial ecosystem as important financial intermediaries channelizing savings and investments, especially for small-scale and retail sectors as well as underserved areas and unbanked sectors of the Indian economy.

In current times NBFCs have scripted a great success story, their contribution to the economy has grown in leaps and bounds. With the ongoing stress in the public sector banks due to mounting bad debt, their appetite to lend (especially in rural areas) is only going to deteriorate, thereby providing NBFCs with the opportunity to increase their presence.

Compared to CY2006 where the NBFC sector contributed 7.94% to the gross domestic product, in CY2023 the same percentage stood at 12.60% which is a significant change over the years.

There is a lot more value to be unlocked in the space, India being a growing economy will always need funds in the form of lending due to the start-up culture, business opportunities, individuals wanting to buy their own house for the times of uncertainty, investment opportunities, etc.

The Portfolio Management Services Space:

A lot of investors want to have a direct equity portfolio and may want high returns by taking a huge risk. Many even manage their portfolios, but not everyone might have all the expertise needed to manage the stock portfolio. For such an investor, PMS can be a good option to look for beyond equity mutual funds.

The importance of PMS is from two major objectives i.e., investors who may wish to avail the services of a Portfolio Manager to manage direct holdings of equity or fixed income, or clients who are looking at specific thematic exposure which can be positioned as satellite strategies in their overall financial portfolios.

Individuals that run their own business may not always have the time to manage their own funds effectively and efficiently, that is where PMS comes into the picture. PMS provides the ease of making your money work for you by providing the expertise required to navigate capital markets by charging a small fee in return. As the number of HNIs and UHNIs are projected to grow at a fast pace, the role of portfolio managers becomes more and more significant.

The Alternate Investment Space:

AIFs as a category was initiated by the regulator somewhere in 2012, the idea of launching this product was to provide the high networth investors with an avenue to invest in a risky environment which is regulated. AIFs investments are large ticket size investments implementing complex investment strategies to give a higher return than traditional investment methodology.

The AIFs have become a material space in the investment arena illustrated by the chart below:

The Remittance Space:

The global remittance market size was valued at \$48.99 billion in 2021. It is expected to reach \$107 billion by 2030, growing at a CAGR of 10.1% during 2022-2030. The proliferation of fintech companies and the adoption of emerging technologies have reshaped the digital remittance landscape. Regulatory changes aimed at promoting financial inclusion and the development of robust digital payment infrastructures have further catalysed the growth of this market. The need for a robust remittance service will be of key importance for ease of business, hence the remittance business will be seeing a lot of new entrances to take advantage of this growing space.

About us:

Abans Holdings Limited (AHL) embarked on its journey with a vision to navigate the complexities of capital markets. Initially starting as a brokerage firm, AHL swiftly gained recognition for its expertise in facilitating trades and providing insightful market analysis. As the financial landscape evolved, AHL recognized the need to expand its services to meet the diverse needs of its clientele.

Recognizing the pivotal role of lending in driving economic growth, AHL ventured into the realm of financial lending, offering tailored solutions to individuals and small and medium-sized enterprises (SMEs) across India. With a keen understanding of market dynamics and risk management, AHL successfully carved a niche for itself in the lending space, becoming a trusted partner for those seeking financial assistance.

However, AHL's journey didn't stop there. With a foresighted approach and a commitment to innovation, AHL identified a crucial opportunity to diversify its offerings and establish itself

as a comprehensive financial services provider. This marked the inception of AHL's transformation into an entity with asset management ingrained in its DNA.

Driven by a relentless pursuit of excellence and a deep-seated understanding of market intricacies, AHL strategically expanded its operations to encompass a wide array of financial services. Leveraging its foundation as a brokerage firm and lender, AHL seamlessly integrated asset management into its suite of offerings, recognizing it as a natural progression in its evolution.

With asset management at its core, AHL embraced a holistic approach to financial services, catering to the multifaceted needs of its clients. By providing comprehensive wealth management solutions, AHL empowered its clientele to navigate the complexities of the financial landscape with confidence and clarity.

Today, AHL stands as a beacon of excellence in the financial services industry, embodying a rich legacy of integrity, innovation, and client-centricity. From its humble beginnings as a brokerage firm to its current stature as a comprehensive services provider with asset management embedded in its DNA, AHL continues to redefine industry standards and set new benchmarks for excellence.

Our strategic focus on bolstering our asset management capabilities has been pivotal to our growth trajectory. In two years, we have more than doubled our Assets Under Management (AUM), surging from ₹828 Crores in FY21 to ₹2,544 Crores in FY24. This remarkable financial achievement is underpinned by our robust risk management practices and the expertise of our leadership team and seasoned professionals.

At AHL, we are not merely expanding our traditional asset management services, we are also delving into alternative investments and managing both domestic and international funds. Our forthcoming venture in GIFT City, where we plan to establish a lending subsidiary, reinforces our commitment to diversifying our asset management offerings and solidifying our position as a global leader.

At AHL, we stand at the forefront of innovation and excellence, continuously striving to meet the evolving needs of our clients while maintaining our unwavering commitment to integrity and excellence.

Our organisational structure:

One Liners about our material companies:

Abans Holdings Limited (Listed on main board) – Serves as the investment manager for our Category II and III AIFs, both domestically and within the IFSC zone. It is the holding company of all the other businesses.

Abans Finance Private Limited (Debt Listed) – Utilizes its net worth and debentures to raise capital for lending operations, and maintains a substantial GSec book to earn regular interest income.

Abans Broking Services Limited and Abans Securities Private Limited - These entities offer institutional broking services, each as a broking member of different exchanges. Abans Broking Services holds a PMS license, allowing investors to leverage our expertise in the equity markets.

Abans Investment Managers Private Limited – Acts as our distribution arm, distributing debentures launched by the AHL group to various investors. It partners with renowned brokers and distributors like Bajaj Capital, Equirus Wealth, Choice Broking, and Century Private Wealth (Dubai).

Corporate Avenue Services Limited – Based in the UK, this company holds a payment processing license, enabling us to provide transaction services in a booming market.

Abans Investment Managers Mauritius – Manages our fund Abans International Limited, which includes our flagship Global Arbitrage Fund. During COVID-19, this fund provided 8% returns annually since its inception (USD denominated).

Abans Global Limited – Based in the UK, this company acts as a broker and sub-broker to various global exchanges, providing investors with access to foreign markets. It is among the few companies worldwide to hold a QFII license for the Chinese Capital Market.

Risks and Concerns

Nurturing Growth, Managing Risks

Our journey isn't without challenges, but our risk management prowess fortifies our foundation. Market, credit, liquidity, operational, legal, and compliance risks are vigilantly managed, empowering us to drive growth with stability.

We face risks across various parameters:

Risks	Impact	Mitigation
Market Risk	Our revenues are exposed to volatility in commodity prices, securities markets, and foreign exchange rates which can impact profitability.	We mitigate such risks through diversification across asset classes, dynamic hedging strategies, and maintaining prudent exposure limits.
Credit Risk	We are exposed to credit default risks from borrowers and counterparties which can affect loan recovery and obligations fulfilment.	We have robust credit approval processes, continuous credit monitoring mechanisms, and appropriate margin requirements to minimise such risks.
Liquidity Risk	We may face cash flow mismatches or inadequate cash to meet payment obligations due to asset-liability tenor gaps.	Our treasury department closely monitors the overall liquidity position and we maintain adequate working capital credit lines to mitigate such risks.
Operational Risk	Gaps in internal processes, technology failures, cyber-security breaches, employee frauds, etc. can disrupt operations.	We invest extensively in internal controls, process standardisation, business continuity planning, and technology risk management to address such risks.
Legal and Compliance Risks	Regulatory changes, litigation risks, and instances of non-compliance can have financial and reputational impacts.	Our dedicated compliance team strives to proactively identify and minimise such risks through ongoing regulatory monitoring and adopting higher governance standards.
Reputational Risk	Negative publicity and brand erosion due to service failures can impact our market position.	We mitigate such risks by focusing extensively on service quality, customer-centricity, effective public communications, and strong governance practices.

We have a dedicated risk management team employing people, processes, and technology to monitor, evaluate and mitigate risks across parameters. Effective risk management is a strategic priority for us to deliver robust growth with financial stability. Our Board and management remain committed to fostering a strong risk management culture across the organisation.

Corporate Social Responsibility:

At Abans Holdings Limited, we believe in giving back to the community and making a positive impact on society. Through our Abans Foundation, we are committed to addressing critical social issues and supporting the underprivileged. Our focus areas include childcare, support for differently-abled children, and assistance to low-income areas where access to basic necessities like food and ration is a challenge.

The Abans Foundation works tirelessly to uplift these communities by providing access to education, healthcare, and essential resources. We believe that by investing in the well-being of society, we contribute to building a brighter and more equitable future for all. Our corporate social responsibility initiatives reflect our commitment to making a meaningful difference in the lives of those in need.

SECRETARIAL AUDIT REPORT

Form No. MR-3

Secretarial Audit Report for the Financial Year ended 31st March, 2024
[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies
(Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
Abans Holdings Limited
CIN: U74900MH2009PLC231660

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **ABANS HOLDINGS LIMITED** (hereinafter called '**the Company**'). Secretarial Audit was conducted in a manner that provided me with a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minutes books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the company has, during the audit period covering the financial year ended on 31st March, 2024 complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minutes books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2024 according to the provisions of:

- The Companies Act, 2013 (the Act) and the rules made thereunder;
- The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-

- The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
- The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
- The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009 and The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
- The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021;
- The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; **(Not Applicable during the Audit Period)**
- The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
- The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; **(Not Applicable during the Audit Period)**
- The Securities and Exchange Board of India (Buy-back of Securities) Regulations, 1998 and The Securities and Exchange Board of India (Buy-back of Securities) Regulations 2018; **(Not Applicable during the Audit Period)**
- The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015;
- The Securities and Exchange Board of India (Issue and Listing of Non-Convertible and Redeemable Preference Shares) Regulations, 2013; **(Not Applicable during the Audit Period)**

Board's Report (Contd..)

I have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India.
- (ii) The Listing Agreements entered into by the Company with BSE Limited and National Stock Exchange of India Limited read with the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

I further report that-

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors.

During the previous audit period Mr. Pramod Kumar Nagpal and Mr. Apoorva Vora were appointed as Additional Directors (Non-Executive and Independent) w.e.f 14/2/2023 to hold office for a consecutive period of five (5) years from the date of their appointment subject of approval of shareholders of the Company. The shareholders approved their appointment as Non-Executive & Independent Directors at an Extra Ordinary General Meeting of the Company held on 12/5/2023 to hold office for a consecutive period of five (5) years and their offices shall not be liable to retirement by rotation.

During the Audit Period (1) Mr. Kumud Chandra Paricha Patnaik (DIN 09696281) was appointed as an Additional Director (Non-Executive & Independent) at a meeting of the Board of Directors held on 13/12/2023 to hold office for a consecutive period of five (5) years w.e.f. 13/12/2023 subject to approval of shareholders. The shareholders approved his appointment as a Non-Executive & Independent Director whose office shall not be liable to retirement by rotation, at a meeting held through Postal Ballot on 7/2/2024. (2) Mr. Naresh Tejwani (DIN 00847424) was appointed as an Additional Director (Non-Executive) at a meeting of the Board of Directors held on 13/2/2024 at an annual remuneration of upto ₹ 50.00 Lakhs per annum, subject to approval of shareholders of the Company. The Company has in the Postal Ballot Notice dated 20/3/2024 included regularisation of appointment of Mr. Naresh Tejwani and approval of his remuneration as two of the businesses to be transacted at the Postal Ballot E-Voting whereof is to end on 30/4/2024. (3) Mr. Chintan Mehta was appointed as a Chief Executive Officer of the Company w.e.f. 11/8/2023. Later he was also appointed as an Additional Director (Executive) at a meeting of the Board of Directors of the Company on 9/11/2023 for a period of five (5) years at an annual remuneration not exceeding ₹ 1.50 crores subject to approval of shareholders. The shareholders of the Company approved the appointment and remuneration of Mr. Chintan Mehta at a meeting held through Postal Ballot voting whereof ended on 7/2/2024. Thereafter at a meeting of the Board of Directors held on 20/3/2024 it was

decided to increase annual remuneration of Mr. Chintan Mehta to ₹ 2.00 crores subject to approval of shareholders. The Company has in the Postal Ballot Notice dated 20/3/2024 included approval of revision in remuneration of ₹2.00 crores per annum as one of the businesses to be transacted at the Postal Ballot E-Voting whereof is to end on 30/4/2024. (4) Mr. Shivshankar Singh, Non-Executive Director, who was liable to retirement by rotation at the 14th Annual General Meeting of the Company held on 29/9/2023 and being eligible had offered himself for re-appointment, was re-appointed as a Non-Executive Director whose office shall liable to retirement by rotation. Mr. Shivshankar Singh resigned as a Non-Executive Director of the Company w.e.f. the close of business hours of 13/2/2024. The shareholders had passed Special Resolutions for approval of appointment of Whole Time / Executive Directors.

The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

As on 31/3/2024 the composition of the Board of Directors was as follows: (1) Mr. Abhishek Bansal – Chairman & Managing Director (2) Mr. Nirbhay Vassa – Whole Time Director & CFO (3) Mr. Chintan Mehta – Whole Time Director & CEO (4) Mr. Naresh Tejwani – Non-Executive Director (5) Mr. Pramod Kumar Nagpal – Independent Director (6) Ms. Ashima Chhatwal – Independent Director (7) Mr. Apoorva Vora – Independent Director and (8) Kumud Chandra Paricha Patnaik – Independent Director. None of the Directors were disqualified and were of the age of 75 years or more.

Mr. Nirbhay Vassa and Ms. Sheela Gupta continued to be the CFO and Company Secretary & Compliance Officer, respectively, of the Company as on 31/3/2024.

The Company had entered into transactions with Related Parties. However, as explained to us, the said transactions were in the ordinary course of business and at Arms' Length Basis and therefore, there were no entries made in the Register required to be maintained in form MBP-4. Since, the Management has independently examined compliance of the criteria of ordinary course of business and arms' length basis, we have not dealt with the same.

The Company has independently ascertained applicability of Section 90 of the Companies Act, 2013 relating to beneficial ownership and has taken required steps relating to disclosure thereof and filing of necessary form with MCA.

The Company has during the Audit Period altered the Main Objects Clause III A of Memorandum of Association by replacing the existing sub-clause 4 thereof with the new sub-clause 4 which reads as under:

"4. To render services as brokers, commission agents, importers and exporters, and to act as trustees, executors, administrators, managers, agents or attorney, to carry on the business of retail and institutional distribution and deal in financial services

Board's Report (Contd..)

product such as Mutual Funds, Portfolio Management Services, Alternative Investment Fund, Structured Products, Bonds, Equities, Private Equity, Venture Capital Funds, Investment Banking, Merchant Banking, Broking, Offshore Investment Products, Loans or any other financial products issued by Banks, Mutual Funds or any financial intermediary, to contract for, and negotiate and issue and participate in funding any public and private loans and advances, underwriting contracts, mortgages, equity participation, cash credits, overdrafts and other financial facilities."

The Company has formulated 'Abans Holdings Limited Employees Stock Option Scheme 2023' during the Audit Period at a meeting of the Board of Directors held on 19/5/2023. The Board has also decided to extend the benefits of the Employees Stock Option Scheme 2023 to the employees of the holding and subsidiary companies of the Company. Both the decisions of the Board were subject to approval of shareholders of the Company. The Company filed Form MGT-14 for filing the Board Resolution passed for approval of Abans Holdings Limited Employees Stock Option Scheme 2023 but did not file Board Resolution passed whereby the benefits of Employees Stock Option Scheme 2023 were extended to the employees of holding and subsidiary companies of the Company. We were informed that this has happened through inadvertence.

The 'Abans Holdings Limited Employees Stock Option Scheme 2023' and its extension to the employees of the holding and subsidiary companies of the Company were subsequently approved by the shareholders through Postal Ballot E-Voting whereof ended on 13/7/2023. Form MGT-14 was thereafter filed for Special Resolutions passed for approval of 'Abans Holdings Limited Employees Stock Option Scheme 2023' as well as its extension to the employees of the holding and subsidiary companies of the Company. The Employees Stock Option Scheme has been prepared as per the Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014. During the Audit Period the Company has applied for in-principle approval of Employees Stock Options to the BSE and NSE.

SEBI had passed an interim order of cancellation of Certificate of Registration as Broker of Abans Commodities (I) Pvt. Ltd., a step-down subsidiary of the Company. The said interim order was stayed by Securities Appellate Tribunal (SAT). On 12th December 2023 SAT has directed SEBI to consider and come out with a scheme under Settlement Regulations preferably within 3 months from 12th December 2023. Till such time as disposal of appellants' cases under Settlement scheme, if any, the interim stay order given by the SAT will continue to operate until further decision in the matter.

Adequate notice was generally given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were generally sent at least seven days in advance. Wherever meetings were convened at shorter notices, the said fact has generally been mentioned in the notices convening the same. The notices, agenda and notes on agenda of Board and Committee

meetings were sent by e-mail. Similarly, the draft minutes of the meetings of Board and Committees were circulated by e-mail. The proceedings of Board or Committee meetings held through Video Conferencing / Other Audio-Visual Mode have been recorded. There exists a system for circulation of information on agenda items along with the notice of the Board or Committee meeting, as the case may be, and confirmation thereof by the Directors at the time of the meeting. There also exists a system of seeking and obtaining further information and clarifications on the agenda items before and during the meeting (including deferment of agenda item to give time to Directors to study and understand the subject matter) for meaningful participation at the meeting.

Majority of decisions of the Board and Committee meetings were carried out unanimously as recorded in the minutes of the meeting of the Board of Directors or Committees thereof as the case may be. There were no dissenting views of any member of the Board or Committees thereof during the period under review.

I further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that during the audit period the Company has complied with the above referred laws, rules, regulations, guidelines, standards, etc.

- e) The Securities and Exchange Board of India (Issue and Listing of Non-convertible Securities) Regulations, 2021;
- f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with the client;
- g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; and
- h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018;

We have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by the Institute of Company Secretaries of India and as notified by the Central Government, and

Board's Report (Contd..)

(ii) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"), as amended from time to time. **(Not applicable to the Company as it is an Unlisted Company)**

I further report that

The Board of Directors of the Company is duly constituted with proper balance of Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Mr. Ajay Govale, a Non-Executive Director, who was liable to retire by rotation at the 14th Annual General Meeting held on 30/9/2023 and being eligible had offered himself for re-appointed as a Non-Executive Director was appointed as a Non-Executive Director, whose office is liable to retirement by rotation.

Mr. Kumud Chandra Paricha Patnaik was appointed by the Board of Directors at its meeting held on 26/10/2023 as an Additional Directors (Independent) w.e.f. 26.10.2023 to hold office upto the date of the ensuing Annual General Meeting.

Mr. Rahul Dayama, Independent Director, resigned as a Director w.e.f. 26/10/2023 due to pre-occupancy.

There were no other changes in the Board of Directors of the Company during the audit period.

As on 31/3/2024 the composition of the Board of Directors was as follows, namely, Mr. Shivshankar Singh, Whole Time Director (2) Mr. Atish Tripathy, Non-Executive Director (3) Mr. Ajay Govale, Non-Executive Director (4) Mr. Ashima Chhatwal, Independent Director and (5) Mr. Kumud Chandra Paricha Patnaik, Independent Director. None of the Directors were

disqualified or were of the age of 75 or more.

Mr. Dharav Sheth resigned as Company Secretary from 30/1/2024 and Ms. Dikshal Jhaveri was appointed as Company Secretary effective 12/2/2024. Mr. Vinesh Karnala continued as the CFO of the Company during the Audit Period.

The Company had entered into transactions with Related Parties however, as explained to us, the said transactions were in the ordinary course of business and at Arms' Length Basis and therefore, there were no entries made in the Register required to be maintained in form MBP-4. Since, the Management has independently examined compliance of the criteria of ordinary course of business and Arms' Length Basis, we have not dealt with the same.

The name of Irvin Trading PTE Ltd., Singapore, the Wholly Owned Subsidiary of the Company, was struck off the Register from 6/6/2022. As on 31/3/2024 the formalities under FEMA including cancellation of Unique Identification Number allotted by Reserve Bank of India were in process.

The Company used only a dedicated bank account with ICICI Bank for the purpose of depositing / Collecting NCD proceeds. During the Financial Year 2023-24 a total of 534 unsecured NCDs of ₹1.00 Lakh each were issued on private placement basis, all of which were outstanding as on 31/3/2024. The power of allotment of NCDs was delegated to a Committee of Directors which was named as 'Executive Committee'. The proceeds of the NCD issues were utilised after filing of respective Returns of Allotment in respect of each of the NCD issues.

During the audit period the Company altered Clause III (B) of its Memorandum of Association by inserting sub-clause 35 as under after the existing sub-clause 34 thereof:

"35. To amalgamate, merge, sell or dispose of the undertaking of the company or any part thereof for such consideration as the company may think fit and in particular for shares, fully or partly paid debentures or debenture stock (redeemable or perpetual) or securities of any other company whether or not having objects altogether or in part similar to those of this company and to distribute any such shares, debentures, debenture stock or securities amongst the members of this company either by way of dividends or return upon any capital"

The CSR Committee has assessed that based on the average net profits of the immediately preceding three financial years ended 31/3/2023 no amount is required to be spent during Financial Year 2023-24.

Notice was given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and during the meeting for meaningful participation at the meeting.

Majority of decisions of the Board and committee meetings are carried out unanimously as recorded in the minutes of the meeting of the Board of Directors or Committees thereof as the case may be. There were no dissenting views of any member of the Board or committees thereof during the period under review.

I further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

Board's Report (Contd..)

I further report that during the audit period there were no specific events / actions having a major bearing on the affairs of the Company in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc.

I further report that

The Board of Directors of the Company is duly constituted with proper balance of Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

During the audit period Mr. Kalpesh Darji, an Independent Director resigned on 1st November 2023 due to pre-occupancy.

Mr. Kumud Chandra Paricha Patnaik was appointed as an Additional Director (Independent) w.e.f. 1st November 2023 and shall hold office upto the date of the ensuing Annual General Meeting.

Mr. Shivshankar Singh, a Non-Executive Director, who was liable for retirement at the 29th Annual General Meeting held on 29th September 2023 and being eligible had offered himself for re-appointment, was re-appointed as a Non-Executive Director whose office is liable to retirement by rotation.

There were no other changes in the Board of Directors of the Company during the audit period. As on 31/3/2024 the following were the Directors on the Board of the Company, namely (1) Mr. Mahesh Kumar Cheruveedu, Executive Director and CEO (2) Mr. Abhishek Bansal, Non-Executive Director (3) Mr. Shivshankar Singh, Non-Executive Director (4) Ms. Ashima Chhatwal, Independent Director and (5) Kumud Chandra Paricha Patnaik, Independent Director. None of the Directors were of the age of 75 or more.

The annual disclosures / declarations of Directors in the Form MBP-1, DIR-8, Declaration of Independence which were required to be placed before the first meeting of the Board held during Financial Year 2023-24.

Mr. Harsh Shah, Company Secretary and Compliance Officer (KMP) of the Company resigned on 29th December 2023. Mr. Dharav Ashok Sheth was appointed as the Company Secretary and KMP of the Company w.e.f. 31st January 2024.

The Company had entered into transactions with Related Parties. However, as explained to us, the said transactions were in the ordinary course of business and at Arm's Length Basis and therefore, there were no entries made in the Register required to be maintained in form MBP-4. Since, the Management has independently examined compliance of the criteria of ordinary

course of business and Arm's Length Basis, we have not dealt with the same.

The provisions of section 135 of the Companies Act, 2013 and the rules made thereunder were applicable to the Company. Based on the calculation of average net profits for the immediately preceding three financial years ended 31/3/2023 an amount of ₹ 12,73,809/- was due to be spent on CSR project during the audit period. The said amount was spent by the Company by donation to (i) Navneet Foundation, Mumbai 400021, ₹1,17,250/- (ii) Abans Foundation, Mumbai 400021, ₹ 8,88,934/- (iii) HKM Charitable Foundation, Hyderabad 500075, ₹ 8,750/- (iv) Gopal Gaushala Trust, Mumbai 400021, ₹ 2,51,000/- and (v) amount spent on purchase of grocery for distribution from Jain Provision Stores, Mumbai 400006, ₹ 7,875/-. The amounts spent on CSR were for the purpose of promotion of education; eradication of hunger, poverty and malnutrition and Gaushala and cattle welfare.

The Company was in the process of incorporation of a new Wholly Owned Subsidiary (WOS) in the International Financial Services Centre (IFSC) of Gujarat International Finance Tec-city (GIFT) under the Special Economic Zone Act, 2005 (SEZ Act, 2005). As on 31/3/2024 the Company was awaiting clearance from Reserve Bank of India for proposed incorporation of WOS as above.

The Company had used only a dedicated bank account with ICICI Bank for collecting / depositing issue proceeds of the Non-Convertible Debentures instead of using a separate bank account for each of the issues of each of the Series / Tranches of NCDs. In respect of a few cases, the Company had used the NCD proceeds before filing their respective returns of allotment.

The Company had issued 7,142 Non-Convertible Debentures (NCDs) during the audit period out of which 500 NCDs were issued as unsecured NCDs and the remaining 6,642 NCDs were issued as secured NCDs. The NCDs were allotted in dematerialised form and appropriate amount of Stamp Duty @ 0.005% ad valorem was paid thereon. The power of issue and allotment of NCDs has been delegated by the Board to a committee called 'Finance Committee'.

The Company had acquired 100% stake in Corporate Avenue Services Limited (CASL), an unlisted entity in the UK in an all-cash transaction during FY 2022-23 for which it has obtained due approvals from the Reserve Bank of India and the Financial Conduct Authority, UK. During the year under review the Company has remitted USD 999990 (equivalent to ₹8,32,37,968/-) towards share capital of CASL under approval route. CASL has issued a share certificate for 11,111 Ordinary Shares of USD 1 each.

The Company has during the year under review at the 29th Annual General Meeting held on 29/9/2023 altered the Main Objects Clause III A of the Memorandum of Association of the Company by insertion of the following sub-clause 4 therein as under.

Board's Report (Contd..)

Corporate Governance Report

Corporate governance is about promoting fairness, equity, transparency, accountability, commitment to values, ethical business conduct and considering all stakeholders' interests while conducting business.

In accordance with the provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and amendments thereto, ("SEBI Listing Regulations"), given in this report are the corporate governance policies and practices of Abans Holdings Limited ('the Company' or 'AHL') for FY 2023-24.

This report outlines compliance with requirements of the Companies Act, 2013, as amended ('the Act'), Regulation 34(3) read with Part C of Schedule V of the SEBI Listing Regulations, as applicable to the Company. The Company's corporate governance practices comply with the statutory and regulatory requirements stipulated in the applicable laws.

I. COMPANY'S PHILOSOPHY ON CODE OF GOVERNANCE

The Company believes in pursuing holistic growth and realizes its responsibility towards its stakeholders and environment. The Company constantly endeavour to create and sustain long-term value for all its stakeholders, customers, business partners and the communities that it operates in. The Company's policy on Corporate Governance is based on the principles of full disclosure, fairness, equity, transparency, accountability, commitment to values and ethical business conduct in various aspects of its functioning, leading to the protection of stakeholders' interest and an enduring relationship with them.

The Management's commitment to these principles is reinforced through the adherence to all Corporate Governance practices which form part of the Regulation of the SEBI Listing Regulations, as amended from time to time. The Company has also adopted the Code of Conduct for its Directors and Senior Management Personnel. The Company has in place a Code for Fair Disclosure and Conduct as required under the SEBI (Prohibition of Insider Trading) Regulations, 2015 as amended.

II. BOARD OF DIRECTORS

The Company recognises and embraces the importance of diverse culture of the Board. The Company believes that the Board enhances the quality of the decisions made by it, which is necessary for achieving desired objectives and sustainable results.

Guided by the Board Diversity Policy adopted by the Company, the Board is a blend of members having diverse skills, experience, knowledge, capabilities, expertise, attributes and educational qualifications, amongst others.

The composition of the Board comprises highly experienced and knowledgeable persons with good repute and eminence. It has an optimum mix of executive, non-executive and independent directors representing a balanced blend of professionalism, knowledge and experience required for the financial services industry.

27. Overview of the Company's material responsible business conduct and sustainability issues pertaining to environment and social matters that present a risk or an opportunity to the business of the Company, rationale for identifying the same approach to adapt or mitigate the risk along with its financial implications, as per the following format:

SI No	Material issue identified	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk / opportunity	In case of risk, approach to adapt or mitigate	Financial implications of the risk or opportunity (Indicate positive or negative implications)
1	Changes in Government policies	Risk	Changes in policies related to taxation, trade, labor laws, environmental regulations, or industry-specific rules can significantly impact a company's operations, costs, and overall competitiveness. Failure to anticipate and adapt to such changes can lead to legal non-compliance, financial penalties, loss of market access, or erosion of competitive advantage.	The diverse portfolio enables the company to adjust operations in response to evolving government regulations. With a global reach, the company can shift the focus across markets as needed, effectively mitigating risks stemming from policy changes in any individual country.	Negative/Positive Government incentives and policies can positively impact a company's profitability by providing tax credits and enhancing competitiveness. However, compliance costs, trade disruptions, and policy uncertainty may have negative effects on the company's bottom line
2	Ethics and governance	Opportunity	Embracing high ethical standards and robust governance practices can significantly enhance a company's reputation, stakeholder trust, and long-term sustainability. By prioritizing ethics and governance, companies can mitigate risks associated with misconduct, regulatory non-compliance, and reputational damage.	Advocating for and prioritizing whistleblowing allows prompt identification of potential statutory noncompliance and reputational risks. This approach facilitates proactive risk mitigation, upholds ethical practices, and ensures effective governance	Positive Ethical conduct and good governance practices can lead to increased profitability, growth opportunities, investor confidence, customer loyalty, and long term business sustainability.
3	Increasing financial literacy	Opportunity	By promoting financial education and increasing the financial literacy of stakeholders, such as employees, customers, and communities, companies can create long-term value and strengthen relationships. Financially literate employees can better understand and contribute to the company's financial goals, while financially literate customers can make more informed purchasing decisions and develop a deeper appreciation for the company's products or services	The Company is dedicated to providing educational resources and expert advice to help individuals grasp the benefits of long-term, diversified investing. By advocating smart saving practices and shedding light on unconventional financial instruments, they aim to shift mindsets beyond mere saving and toward wealth generation.	Positive By improving financial understanding, doors open to grow the wealth of clients. It builds bridges between businesses and a wider range of customers. This allows for the successful offering of services that go hand in hand, leading to an increase in their revenue streams.

SI No	Material issue identified	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk / opportunity	In case of risk, approach to adapt or mitigate	Financial implications of the risk or opportunity (Indicate positive or negative implications)
4	Digitisation	Opportunity	The growing demand for digital transactions in India is fueled by factors such as widespread internet accessibility, the adoption of smartphones, and the increasing use of Aadhar—the country’s biometric identity card. This consistent surge presents the organization with a substantial opportunity for fostering growth	The Company has consistently prioritized technological investments, building a robust digital infrastructure. This approach reduces reliance on paper transactions and communications, demonstrating a proactive stance in adapting to and mitigating the risks associated with digitization.	Positive Boosting costefficiency and customer service.
5	Data security and customer privacy	Risk	Protecting sensitive data, such as customer information, financial records, and intellectual property, from unauthorized access, breaches, or misuse is paramount. A data breach or violation of customer privacy can lead to severe consequences, including legal liabilities, regulatory fines, loss of customer trust, damage to brand reputation, and financial losses. Additionally, with increasing scrutiny from regulators and heightened consumer awareness about data privacy, companies must prioritize robust cybersecurity measures and data protection practices to safeguard their assets and maintain stakeholder confidence.	The Company has put into action a complete Information Security Management System (ISMS). This system bolsters resilience and ensures data protection, thus lessening any potential financial fallout. This strategic move is a testament to the Company’s resolve in managing and reducing risks associated with data security and customer privacy.	Negative Any instance of data compromise holds the potential to harm the Company’s reputation. It could also lead to legal proceedings and financial uncertainties.

SI No	Material issue identified	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk / opportunity	In case of risk, approach to adapt or mitigate	Financial implications of the risk or opportunity (Indicate positive or negative implications)
6	Corporate governance	Opportunity	Maintaining robust corporate governance, ethics, and transparency is crucial for risk management and the safeguarding of the Company’s reputation. By demonstrating accountability, compliance, and integrity consistently in disclosures, the Company nurtures trust and goodwill among stakeholders. This reputation for ethical leadership strengthen the Company’s competitive position, encourages investor confidence, nurtures regulatory relationships, and boosts the capacity to attract premier talent.	The Company diligently adheres to regulatory reviews and complies with requirements set by the Board and other relevant authorities. Regularly scheduled presentations include compliance updates, succession plans, and essential discussions, as mandated.	Positive Transparent governance helps build stakeholder confidence.
7	Customer satisfaction	Opportunity	Delivering positive interactions through the Company’s financial products and services is essential for retaining customers, protecting the Company’s reputation, and promoting sustainable growth.	The Company strategically establishes robust platforms for swift identification and prioritized resolution of customer grievances. By coupling this approach with regular customer satisfaction surveys, they adeptly tailor offerings and services to meet evolving client needs. This emphasis on understanding and fulfilling customer requirements enables them to deliver timely solutions and retain a valued client base.	Positive Cultivating profound satisfaction among customers strengthen the Company’s brand loyalty. This enables more seamless wealth management experiences, reinforcing the Company’s reputation and enhancing customer retention.

SI No	Material issue identified	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk / opportunity	In case of risk, approach to adapt or mitigate	Financial implications of the risk or opportunity (Indicate positive or negative implications)
8	Human capital development	Risk Opportunity	A company's success is heavily dependent on its workforce's skills, knowledge, and capabilities. Failure to invest in human capital development, including training, upskilling, and talent retention programs, can lead to a skills gap within the organization. This gap can hinder innovation, productivity, and the ability to adapt to changing market demands or technological advancements. Additionally, a lack of focus on employee development can result in high turnover rates, loss of institutional knowledge, and difficulty in attracting top talent. Rapidly evolving business landscape, where technological advancements, market disruptions, and shifting customer demands are constant, a company's ability to adapt and innovate is crucial for its long-term success. A well-trained and highly skilled workforce is better equipped to anticipate and respond to these changes, identify new opportunities, and develop innovative solutions that can drive business growth and differentiate the company from its competitors.	The Company invests in employee growth through training programs, competitive rewards, and fostering a positive work environment. This strategic approach attracts, develops, and retains top talent, maximizing the crucial human capital capabilities necessary for success.	Positive Employee satisfaction promotes efficiency and cultivates a positive work environment.

The Members of
Abans Holdings Limited

Report on the audit of the Consolidated Financial Statements

Opinion

1. We have audited the accompanying consolidated financial statements of Abans Holdings Limited ('the Parent') and its subsidiary (the parent and its subsidiary together referred to as 'the Group'), which comprise the consolidated balance sheet as at 31 March 2024 and the consolidated statement of profit and loss (including other comprehensive income), the consolidated statement of changes in equity and consolidated statement of cash flows for the year ended, and notes to the Consolidated Financial Statements, including a summary of significant accounting policies and other explanatory information ('the Consolidated Financial Statements').
2. In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on separate financial statements of such subsidiary as were audited by the other auditors, the aforesaid Consolidated Financial Statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31 March 2024, and its consolidated profit and other comprehensive income, consolidated changes in equity and its consolidated cash flows for the year ended.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing ('SAs') specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the

Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the Consolidated Financial Statements under the provisions of the Act, and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained along with the consideration of audit reports of the other auditors referred to in the 'Other Matters' paragraph below is sufficient and appropriate to provide a basis for our opinion on the Consolidated Financial Statements.

Key Audit Matters

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated Financial Statements of the current year. These matters were addressed in the context of our audit of the Consolidated Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.
 5. We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the Consolidated Financial Statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the Consolidated Financial Statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying Consolidated Financial statement.
6. Key Audit Matter & How the matter was addressed in our audit

Sr	Key Audit Matters	How our audit addressed the key Audit Matter
1	Valuation of Market Linked Debenture (as described in note no.12 of the standalone financial statements) The Company's subsidiary (Abans Finance Private Limited) has issued Market Linked Debenture (MLD) during current year linked to the levels of Nifty / Equity share. The outstanding balance of MLD as on March 31, 2024 is ₹ 10,552.52 lakhs. The company on the basis of Valuation Report obtained from the registered Value has done valuation of the outstanding MLD. Considering that internal valuation along with the valuation report obtained of MLD is significant to overall financial statements and the degree of management's judgement involved in the estimate, any error in the estimate could lead to material misstatement in the financial statements. Therefore, it is considered as a key audit matter.	Audit procedures included an assessment of internal controls over fair valuation of MLD outstanding on reporting date. Assessed and reviewed the fair valuation of MLD by the Company on the basis of Valuation Report obtained from the Registered Valuer for compliance with Ind AS.

Consolidated Financial Statements

Other Information

7. The Parent's Board of Directors are responsible for the other information. The other information comprises the information included in the Parent's annual report, but does not include the Consolidated Financial Statements and our auditors' report thereon. The Other Information is expected to be made available to us after the date of this auditor's report.
8. Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.
9. In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed and based on the work done / audit report of other auditors, we conclude that there is a material misstatement of this other information, we are required to report that fact.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

10. The Parent's Board of Directors are responsible for the preparation and presentation of these Consolidated Financial Statements, that give a true and fair view of the consolidated state of affairs, consolidated profit and other comprehensive income, consolidated changes in equity and consolidated cash flows of the Group including its in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards ('Ind AS') specified under section 133 of the Act.
11. The respective Board of Directors and those charge with the governance of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated Financial Statements by the Directors of the Parent, as aforesaid.
12. In preparing the Consolidated Financial Statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of

each company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

13. The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

Auditor's responsibilities for the audit of the Consolidated Financial Statements

14. Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements.
15. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also
 - a. Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - b. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Parent has adequate internal financial controls with reference to the Consolidated Financial Statements and the operating effectiveness of such controls.
 - c. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
 - d. Conclude on the appropriateness of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists,

we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.

- e. Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- f. Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the Consolidated Financial Statements. We are responsible for the direction, supervision and performance of the audit of financial statements of such entities included in the Consolidated Financial Statements of which we are the independent auditors. For the other entities included in the Consolidated Financial Statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.
16. We communicate with those charged with governance of the Parent and such other entities included in the Consolidated Financial Statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
17. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
18. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Financial Statements of the current year and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters.

19. We did not audit the financial statements of eight subsidiaries whose financial statements reflect total assets of ₹ 3,28,735.44 Lakhs as at 31 March 2024, total revenues of ₹ 84,681.26 Lakhs, total profit after tax of ₹ 7,878.17 Lakhs, total comprehensive income of ₹ 8,620.88 Lakhs and net cash outflow of ₹ 11,638.05 Lakhs for the year ended on that date, as considered in the Consolidated Financial Statements. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the Consolidated Financial Statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries our report in terms of section 143(3) of the Act, in so far as it relates to the aforesaid subsidiaries is based solely on the reports of the other auditors.
20. The audited consolidated financial statements include the Audited Financial Statements of six subsidiaries and management certified accounts of one subsidiary located outside India whose financial results and other financial information have been prepared in accordance with accounting principles generally accepted in the respective country and which have been audited by other auditor and prepared by management under generally accepted auditing standards applicable in the respective country. The Holding Company's management has converted the financial statements of such subsidiaries located outside India from accounting principles generally accepted in their respective country to applicable accounting principles generally accepted in India. We have reviewed this conversation adjustments if any made by the Holding Company's management for the purpose of consolidation. Our conclusion in so far as it relates to the balances and affairs of such subsidiary located outside India is based on the report of other auditor and the conversion adjustments prepared by the management of the Holding Company and reviewed by us.
21. The accompanying Statement includes unaudited financial results and other unaudited financial information in respect of one subsidiary, whose financial results reflect total assets of ₹ 39.59 Lakhs as at 31st March, 2024, total revenues of ₹ 0.00 Lakhs, total loss after tax of ₹ 0.66 Lakhs, total comprehensive loss of ₹ 2.13 Lakhs, and net cash outflows of ₹ 0.19 Lakhs for the year ended 31st March, 2024 as considered in the financial statement. This unaudited financial statement and other unaudited financial information has been approved and furnished to us by the management and is not subjected to review by any auditors. Our conclusion on the statement, in so far as it relates to the affairs of this subsidiary, is based solely on such unaudited financial statement and other unaudited financial information provided to us by the Management of the Holding Company. According to the information and explanations given to us by the Management, the financial result of this subsidiary is not material to the Group.
22. Our opinion on the Consolidated Financial Statements, and our report on Other Legal and Regulatory Requirements

below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors. Further, our opinion is not modified in respect of reliance placed on the financial statement certified by the management.

23. As required by section 143(3) of the Act, based on our audit and on the consideration of audit reports of the other auditors on separate financial statements of such subsidiary as were audited by other auditors, as noted in the 'Other Matters' paragraph, we report, to the extent applicable, that:
- We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated Financial Statements.
 - In our opinion, proper books of account as required by law relating to preparation of the aforesaid Consolidated Financial Statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
 - The consolidated balance sheet, the consolidated statement of profit and loss (including other comprehensive income), the consolidated statement of changes in equity and the consolidated statement of cash flow dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the Consolidated Financial Statements
 - In our opinion, the aforesaid Consolidated Financial Statements comply with the Ind AS specified under Section 133 of the Act.
 - On the basis of the written representations received from the directors of the Parent as on 31 March 2024, taken on record by the Board of Directors of the Parent and the reports of the statutory auditors of its subsidiary company incorporated in India, none of the directors of the Group companies incorporated in India are disqualified as on 31 March 2024 from being appointed as a director in terms of Section 164(2) of the Act.
 - With respect to the adequacy of internal financial controls with reference to the Consolidated Financial Statements of the Parent, its subsidiary company incorporated in India and the operating effectiveness of such controls, refer to our separate report in 'Annexure A'.
 - In our opinion and according to the information and explanations given to us and based on the reports of the statutory auditors of such subsidiary company incorporated in India which were not audited by us, the remuneration paid during the current year by the Parent, its subsidiary company incorporated in India to its directors is in accordance with the provisions of Section 197 read with Schedule V to the Act.
24. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of audit reports of the other auditors on separate financial statements of such subsidiary as noted in the 'Other Matters' paragraph:
- The Consolidated Financial Statements disclose the impact of pending litigations, if any, as at 31 March 2024 on the consolidated financial position of the Group.
 - Provision has been made in the Consolidated Financial Statements, as required under the applicable law or Ind AS, for material foreseeable losses, if any, on long-term contracts including derivative contracts in respect of such items as it relates to the Group.
 - There has been no delay in transferring amounts required to be transferred, to the Investor Education and Protection Fund by the Parent and/ or its subsidiary company incorporated in India during the year ended 31 March 2024.

Annexure 'A' to the Independent Auditors' report on the Consolidated Financial Statements of Abans Holdings Limited for the year ended 31 March 2024

(Referred to in paragraph '21.6' under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls with reference to the aforesaid Consolidated Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

Opinion

- We have audited the internal financial controls with reference to the Consolidated Financial Statements of Abans Holdings Limited ('the Parent Company') and its subsidiary company for the year ended 31 March 2024 in conjunction with our audit of the Consolidated Financial Statements, which are companies incorporated in India, as of that date.
- In our opinion, the parent company and its subsidiary company, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls with reference to the Consolidated Financial Statements and such internal financial controls were operating effectively as at 31 March 2024, based on the internal controls over financial reporting criteria established by the respective companies considering the essential components of such internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ('the Guidance Note').

Management's responsibility for Internal Financial Control

- The respective Board of Directors of the parent company and its subsidiary company, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls with reference to Consolidated Financial Statements based on the internal controls over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's responsibility

- Our responsibility is to express an opinion on the Parent Company and its subsidiary, which are companies incorporated in India, internal financial controls with

reference to the Consolidated Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing ('SA'), prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to the Consolidated Financial Statements. Those SAs and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to the Consolidated Financial Statements were established and maintained and if such controls operated effectively in all material respects.

- Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to the Consolidated Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to the Consolidated Financial Statements included obtaining an understanding of internal financial controls with reference to the Consolidated Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of the internal controls based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error.
- We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the 'Other Matters' paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to the Consolidated Financial Statements.

Meaning of Internal Financial controls with reference to the Consolidated Financial Statements

- A company's internal financial controls with reference to the Consolidated Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to the Consolidated Financial Statements includes those policies and procedures that
 - pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
 - provide reasonable assurance that transactions are recorded as necessary to permit preparation of

financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and

- provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to the Consolidated Financial Statements

- Because of the inherent limitations of internal financial controls with reference to the Consolidated Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to the Consolidated Financial Statements to future periods are subject to the risk that the internal financial controls with reference to the

Consolidated Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate

Other Matters

- Our aforesaid report under Section 143 (3) (i) of the Act on the adequacy and operating effectiveness of the internal financial controls system with reference to the Consolidated Financial Statements, which are companies incorporated in India, is based on the corresponding reports of the auditors of such subsidiary and Subsidiaries incorporated in India.

The Company is a holding company to its subsidiaries and the group together is engaged in wealth and asset management services including financial asset distribution, broking, lending, credit, investment solutions, asset and portfolio management, treasury operations and allied activities. Further, the group is engaged in general trading of commodities, securities and derivative contracts on recognised stock exchanges in India as well as globally.

Financial statements were subject to review and recommendation of Audit Committee and approval of Board of Directors. On 14 May 2024, Board of Directors of the Company approved and recommended the financial statements for consideration and adoption by the shareholders in its ensuing Annual General Meeting.

Summary of the significant accounting policies:

(a) Basis of Preparation:

These Consolidated Financial Statements are prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules, 2015 as amended.

These Consolidated Financial Statements (CFS) have been prepared under historical cost convention basis except certain assets and liabilities which have been measured at fair value or revalued amounts. Fair Value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Certain assets and liabilities which have been measured at fair value or revalued amounts which are as follows;

1. Certain Financial instruments measured at fair value through other comprehensive income (FVTOCI);

2. Certain Financial instruments measured at fair value through Profit and Loss (FVTPL);
3. Defined Benefit Plan asset measured at fair value;
4. Contingent consideration is measured at fair value;
5. Equity settled Share Based Payments;

The financial statements of the Company and its subsidiaries are prepared on going concern basis as the management is satisfied that the company and its subsidiaries shall be able to continue its business for the foreseeable future and no material uncertainty exists that may cast significant doubt on the going concern assumption. In making this assessment management has considered a wide range of information relating to present and future conditions including future projection of profitability, cash flows and capital resources.

The functional and presentation currency of the company is Indian rupees. All amounts disclosed in the financial statements and notes are rounded off to the nearest INR rupees in lakhs except when otherwise indicated. Due to rounding off, the numbers presented throughout the document may not add up precisely to the totals and percentages may not precisely reflect the absolute figures.

(b) Presentation of financial statements:

The Company prepares and present its Balance Sheet, the Statement of Profit and Loss and the Statement of Changes in Equity in the format prescribed by Division II of Schedule III to the Companies Act 2013. The Statement of Cash Flows has been prepared and presented as per the requirements of Ind AS 7 'Statement of Cash Flows'.

The Company generally reports financial assets and financial liabilities on a gross basis in the Balance Sheet. They are offset and reported net only where Ind AS specifically permits the same or it has an unconditional legally enforceable right to offset the recognised amounts without being contingent on a future event. Similarly, the Company offsets incomes and expenses and reports the same on a net basis where permitted by Ind AS."

(c) Basis of Consolidation:

The consolidated financial statements include the financial statements of the group companies. The consolidated financial statements have been prepared on the following basis:

- i) The consolidated financial statements of the company and its subsidiaries are combined on a line by line basis by adding together like items of assets, liabilities, equity, income, expenses, and cashflows, after fully eliminating material intra-group balances and intra-group transactions.

Note: 1 Significant Accounting policies and notes to accounts forming part of Consolidated Financial Statement for year ended March 31, 2024. (Contd..)

- ii) In case of foreign subsidiaries, revenue items are consolidated at the average rate prevailing during the year. All asstes and liabilities are converted at the rates prevailing at the end of the year. Any exchange difference arising on consolidation is recognised in the Foreign Currency Translation Reserve.
- iii) The carrying amount of parent's investment in each subsidiary and parent's portion of equity of each subsidiary is offset.
- iv) Non-controlling interest's share of profit / loss of consolidated subsidiaries for the year is identified and adjusted against the income of the group in the order to arrive at the net income attributable to shareholders of the group.
- v) Non-controlling interest's share of net assets of consolidated subsidiaries is identified and presented in the consolidated balance sheet separate from the liabilities and the equity of the Company's shareholders.

(d) Use of estimates:

The presentation of the financial statements are in conformity with the Ind AS which requires the management to make estimates, judgments and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities (including contingent liabilities), revenues and expenses and disclosure as of the financial statements. Such estimates and assumptions are based on management's evaluation of relevant facts and circumstances as on the date of financial statements. The actual outcome may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to the accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected.

This note provides an overview of the areas that involved a higher degree of judgment or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgments is included in relevant notes together with information about the basis of calculation for each affected line item in the Financial Statements.

In particular, information about significant areas of estimation uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial Statements are as below:

1. Valuation of Financial Instruments;
2. Valuation of inventories;
3. Evaluation of recoverability of deferred tax assets;

4. Useful lives of property, plant and equipment and intangible assets;
5. Measurement of recoverable amounts of cash-generating units;
6. Obligations relating to employee benefits;
7. Provisions and Contingencies;
8. Provision for income taxes, including amount expected to be paid/recovered for uncertain tax positions;
9. Recognition of Deferred Tax Assets; and
10. Business Model Assessment.

(e) Current versus Non-Current classification:

All assets and liabilities have been classified as Current or Non Current as per the Group's normal operation cycle i.e. twelve months and other criteria set out in the Schedule III of the Act.

(f) Property, plant and equipment (PP&E):

An item of property, plant and equipment that qualifies for recognition as an asset shall be measured at its cost. Cost comprises of the purchase price and any attributable / allocable cost of bringing the asset to its working condition for its intended use. Cost also includes direct cost and other related incidental expenses.

Borrowing costs relating to acquisition / construction / development of tangible assets, intangible assets and capital work in progress which takes substantial period of time to get ready for its intended use are also included to the extent they relate to the period till such assets are ready to be put to use.

When significant components of property, plant and equipment are required to be replaced at intervals, recognition is made for such replacement of components as individual assets with specific useful life and depreciation if this components are initially recognised as separate asset. All other repair and maintenance costs are recognised in the statement of profit and loss as incurred.

An item of Property, Plant and Equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset.

Type of Asset	Estimated useful life
Buildings/Office Premises	60 years
Air Conditioner	5 years
Furniture and fittings	10 years
Office Equipments	5 years
Motor Car	10 years
Motor Bike	8 years
Electrical Equipments	5 years
Computer Hardware	3 years

Gains or losses arising on the disposal of property, plant and equipment are determined as the difference between the

Note: 1 Significant Accounting policies and notes to accounts forming part of Consolidated Financial Statement for year ended March 31, 2024. (Contd..)

disposal proceeds and the carrying amount of the assets and are recognised in the statement of profit and loss within 'other income' or 'other expenses' as the case may be.

(g) Intangible Assets:

Measurement at recognition:

Intangible assets acquired separately are measured on initial recognition at cost. Cost comprises the acquisition price, development cost and any attributable / allocable incidental cost of bringing the asset to its working condition for its intended use.

Intangible assets acquired in a business combination that qualify for separate recognition are recognised as intangible assets at their fair values at the date of acquisition. The useful life of intangible assets are assessed as either finite or indefinite.

All finite-lived intangible assets, are accounted for using the cost model whereby intangible assets are stated at cost less accumulated amortisation and impairment losses, if any. Intangible assets are amortised over the useful life. Residual values and useful lives are reviewed at each reporting date.

Intangible assets with indefinite useful lives are not amortised, but are tested for impairment annually, either individually or at the cash-generating unit level. The assessment of indefinite life is reviewed annually to determine whether the indefinite life continues to be supportable. If not, the change in useful life from indefinite to finite is made on a prospective basis.

When an intangible asset is disposed of, the gain or loss on disposal is determined as the difference between the proceeds and the carrying amount of the asset, and is recognised in the statement of profit and loss within 'other income' or 'other expenses' respectively.

Assets	Useful Life
Computer Software	3 Years

Derecognition:

The carrying amount of an intangible asset is derecognised on disposal or when no future economic benefits are expected from its use or disposal. Gains and losses on disposals are determined by comparing proceeds with carrying amount and are recognized in the statement of profit and loss when the asset is derecognized.

(h) Impairment of assets:

At each reporting date, the Group assesses whether there is any indication based on internal /external factors, that an asset may be impaired. If any such indication exists, the

Group estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount and the reduction is treated as an impairment loss and is recognised in the statement of profit and loss. All assets are subsequently reassessed for indications that an impairment loss previously recognised may no longer exist. An impairment loss is reversed if the asset's or cash-generating unit's recoverable amount exceeds its carrying amount.

(i) Investments:

Investments of long term nature (except in commodities) are carried at cost in the financial statements. Investment in commodities are fair valued through profit & loss. Provision for diminution is made, if any, when it is permanent in nature. Where an indication of impairment exists, the carrying amount of the investment is assessed and written down to its recoverable amount.

Other Investments that are readily realisable and intended to be held for not more than a year are classified as current investments.

Investments in debt instruments other than government securities are measured at amortised cost.

Investments in equity shares, mutual funds and government securities are measured at fair value through profit and loss (FVTPL).

Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long-term investments.

(j) Inventories:

Items of Inventory are measured at lower of the cost and Net Realizable value except in cases where inventories are held as commodity trader or broker. Cost of inventory comprises of cost of purchase and other cost incurred to acquire it. The cost formula used for this purpose is first in first out (FIFO) method and includes direct cost incurred in bringing the items of inventory to their present location and condition.

(k) Cash and cash equivalents:

Cash and Cash Equivalents comprise cash and deposits with banks. The Group considers all highly liquid investments with a remaining maturity at the date of purchase of three months or less and that are readily convertible to known amounts of cash to be cash equivalents.

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions and other

Note: 1 Significant Accounting policies and notes to accounts forming part of Consolidated Financial Statement for year ended March 31, 2024. (Contd..)

short term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

(l) Provisions:

Provisions are recognized when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The expense relating to a provision is presented in the Statement of Profit and Loss net of any reimbursement. Provisions are not recognized for future operating losses.

When the Group expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognized as a separate asset, but only when the reimbursement is virtually certain.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

(m) Contingent Liabilities:

Contingent liability is disclosed in the case of: -

- a present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation
- a present obligation arising from past events, when no reliable estimate is possible - a possible obligation arising from past events, unless the probability of outflow of resources is remote.

(n) Financial Instruments:

A financial instrument is defined as any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Trade receivables and payables, loan receivables, investments in securities and subsidiaries, debt securities and other borrowings, preferential and equity capital etc. are some examples of financial instruments. All financial instruments are at amortised cost, unless otherwise specified. All the financial instruments are recognised on the date when the Company becomes party to the contractual provisions of the financial instruments.

(i) Financial assets:

The classification depends on the Group's business model for managing the financial assets and the contractual terms of the cash flows. For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. Equity instruments are instruments that meet the definition of equity from the issuer's perspective, that is, instruments that do not contain a contractual obligation to pay and that evidences a residual interest in the issuer's net assets.

For investments in equity instruments, this will depend on whether the Group has made an irrevocable election at the time of initial recognition to account for the equity investment either at fair value through other comprehensive income or fair value through profit & loss.

Dividend income on the investments in equity instruments are recognised as 'Revenue from operations' in the Statement of Profit and Loss.

Investments in mutual funds and government securities are measured at either amortised cost or fair value through profit and loss (FVTPL).

Initial recognition and measurement:

Financial assets are recognized when the Group becomes a party to the contractual provisions of the instrument. Financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in the Statement of Profit and Loss.

Subsequent measurement:

After initial recognition, financial assets (other than investments in subsidiaries and joint ventures) are measured either at:

- i) fair value (either through other comprehensive income or through profit or loss) or,
- ii) amortised cost

Measured at amortized cost:

Financial assets that are held within a business model whose objective is to hold financial assets in order to collect contractual cash flows that are solely payments of principal and interest, are subsequently measured at amortized cost using the effective

Note: 1 Significant Accounting policies and notes to accounts forming part of Consolidated Financial Statement for year ended March 31, 2024. (Contd..)

interest rate ('EIR') method less impairment, if any, the amortization of EIR and loss arising from impairment, if any is recognized in the Statement of Profit and Loss.

Measured at fair value through other comprehensive income (FVOCI):

Financial assets that are held within a business model whose objective is achieved by both, selling financial assets and collecting contractual cash flows that are solely payments of principal and interest, are subsequently measured at fair value through other comprehensive income. Fair value movements are recognized in the other comprehensive income (OCI) net of taxes. Interest income is measured using the EIR method and impairment losses if any are recognized in Profit and Loss. Gains or Losses on de-recognition of investment in equity instruments classified as the FVOCI are reclassified to retained earnings. In case of Investments in debt instruments classified as the FVOCI, the gains or losses on de-recognition are reclassified to statement of Profit and Loss.

Measured at fair value through profit or loss (FVTPL): A financial asset not classified as either amortized cost or FVOCI, is classified as FVTPL. Such financial assets are measured at fair value with all changes in fair value, including interest income and dividend income if any, recognized as 'other income' in the Statement of Profit and Loss.

1. The Group measures all its investments in equity (other than investments in subsidiaries and joint ventures) and mutual funds at FVTPL. Changes in the fair value of financial assets measured at fair value through profit or loss are recognized in Profit and Loss.
2. Investment in commodities are measured at fair value through profit or loss.
3. Investment in Government Debt Securities are measured at fair value through profit or loss.

Impairment losses (and reversal of impairment losses) on equity investments and on commodities measured at FVTPL are recognised in Profit and Loss.

Impairment of financial assets:

- A. The Group assesses on a forward looking basis the expected credit losses (ECL) on all the financial assets that are not measured at fair value through profit and loss (FVTPL). The impairment methodology applied depends on whether there has been a significant increase in credit risk. For trade receivable only, the Group applies the

simplified approach permitted by Ind AS - 109 Financial Instruments.

- B. In case of Loans and advances of Non - banking financial companies, loan that has been renegotiated due to a deterioration in the borrower's condition is usually considered to be credit-impaired unless there is evidence that the risk of not receiving contractual cash flows has reduced significantly and there are no other indicators of impairment. ECL is recognised on EAD as at period end.

If the terms of a financial asset are renegotiated or modified due to financial difficulties of the borrower, then such asset is moved to stage 3, lifetime ECL under stage 3 on the outstanding amount is applied.

The Company assesses when a significant increase in credit risk has occurred based on quantitative and qualitative assessments. Exposures are considered to have resulted in a significant increase in credit risk and are moved to Stage 2 when:

1. Quantitative test: Accounts that are 30 calendar days or more past due move to Stage 2 automatically. Accounts that are 90 calendar days or more past due move to Stage 3 automatically.
2. Qualitative test: Accounts that meet the portfolio's 'high risk' criteria and are subject to closer credit monitoring. High risk customers may not be in arrears but either through an event or an observed behaviour exhibit credit distress.

The definition of default for the purpose of determining ECLs has been aligned to the Reserve Bank of India definition of default, which considers indicators that the debtor is unlikely to pay and is no later than when the exposure is more than 90 days past due.

To the above extent group continues to incrementally provide for the asset post initial recognition in Stage 3, based on its estimate of the recovery.

A financial asset is de-recognized only when:

- i) The Group has transferred the rights to receive cash flows from the financial asset or
- ii) Retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the Group evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is de-recognized.

Note: 1 Significant Accounting policies and notes to accounts forming part of Consolidated Financial Statement for year ended March 31, 2024. (Contd..)

Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not de-recognized. Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is de-recognized if the Group has not retained control of the financial asset. Where the Group retains control of the financial asset, the asset is continued to be recognized to the extent of continuing involvement in the financial asset.

(ii) Financial liabilities:

Classification as debt or equity:

Financial liabilities and equity instruments issued by the Group are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Initial recognition and measurement:

Financial liabilities are recognized when the Group becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at fair value.

Subsequent measurement:

Financial liabilities other than those measured at fair value through profit and loss are subsequently measured at amortized cost using the effective interest rate method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognized in Profit and Loss.

De-recognition:

A financial liability is derecognized when the obligation specified in the contract is discharged, cancelled or expires.

Offsetting financial instruments:

Financial assets and liabilities are offset and the net amount is reported in the Balance Sheet where there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Group or the counterparty."

Fair value of financial instruments:

Some of the Company's assets and liabilities are measured at fair value for financial reporting purpose. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date regardless of whether that price is directly observable or estimated using another valuation technique.

Fair value measurements under Ind AS are categorized into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurement are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities that the Company can access at measurement date
- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly; and
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs) that the Company can access at measurement date.

The Group has defined its financial assets and liabilities below:

Cash and Cash Equivalents:

The Group considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents.

Trade Payables:

These amounts represent liability for goods and services provided to the Group prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid within 30 days of recognition or as per the terms of trade. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period.

Trade Receivables:

These amounts represent receivables for goods and services provided by the Group prior to the end of financial year which are unpaid. The amounts are unsecured and are usually received within 30 days of

Note: 1 Significant Accounting policies and notes to accounts forming part of Consolidated Financial Statement for year ended March 31, 2024. (Contd..)

recognition or as per the terms of trade. Trade and other receivables are presented as current assets unless payment is not due within 12 months after the reporting period.

(o) Revenue recognition:

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Group and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government. Revenue (other than for those items to which Ind AS 109 Financial Instruments are applicable) is measured at fair value of the consideration received or receivable. Ind AS 115 Revenue from contracts with customers outlines a single comprehensive model of accounting for revenue arising from contracts with customers and supersedes current revenue recognition guidance found within Ind AS of accounting on accrual basis. Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services. The Company has generally concluded that it is the principal in its revenue arrangements, and it typically controls the goods or services before transferring them to the customer.

The company recognises revenue from contracts with customers based on a five step model as set out in Ind AS 115:

Step 1: Identify contract(s) with a customer: A contract is defined as an agreement between two or more parties that creates enforceable rights and obligations and sets out the criteria for every contract that must be met.

Step 2: Identify performance obligations in the contract: A performance obligation is a promise in a contract with a customer to transfer a good or service to the customer.

Step 3: Determine the transaction price: The transaction price is the amount of consideration to which the company expects to be entitled in exchange for transferring promised goods or services to a customer, excluding amounts collected on behalf of third parties.

Step 4: Allocate the transaction price to the performance obligations in the contract: For a contract that has more than one performance obligation, the company allocates the transaction price to each performance obligation in an amount that depicts the amount of consideration to which the company expects to be entitled in exchange for satisfying each performance obligation.

Step 5: Recognise revenue when (or as) the company satisfies a performance obligation.

1. Sale of goods and services: Revenue from the sale of product and service is recognised when the significant risks and rewards of ownership of the goods have passed to the buyer, usually on delivery of the goods. Revenue from the sale of goods is measured at the fair value of the consideration received or receivable, net of returns and allowances, trade discounts and volume rebates. Revenue is exclusive of tax which is collected on behalf of government
2. Fair value changes: Gain / (Loss) on derivatives contracts on account of fair value changes are recognised as either income or expenses in the Profit and Loss.
3. Interest Income: Interest is recognized on time proportion and effective interest rate method except interest on financial assets subsequently measured at fair value through profit or loss (FVTPL) is recognised at the contractual rate of interest.
4. Dividend Income: Dividends are recognised when the Company's right to receive is established.
5. Other income: Other income is recognized only when it is reasonably certain that the ultimate collection will be made.

(p) Derivative contracts:

The group enters into a variety of derivative financial instruments to manage its exposure to interest rate and foreign exchange rate risks and commodity price risk including foreign exchange forward contracts and interest rate swaps. Derivatives are initially recognised at fair value and are subsequently re-measured at fair value through profit or loss. The resulting gain or loss is recognised in profit or loss immediately.

(q) Foreign currency transactions:

These financial statements are presented in Indian Rupees which is also the functional currency of the Company. Transactions in currencies other than Indian Rupees (i.e. foreign currencies) are recognised at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing at the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

Note: 1 Significant Accounting policies and notes to accounts forming part of Consolidated Financial Statement for year ended March 31, 2024. (Contd..)

Exchange differences on monetary items are recognised in profit or loss in the period in which they arise.

(r) Leases:

The Company follows Ind AS 116 'Leases' for all long term and material lease contracts.

Measurement of lease liability At the time of initial recognition, the Company measures lease liability as present value of all lease payments discounted using the Company's incremental cost of borrowing and directly attributable costs.

Subsequently, the lease liability is –

- (i) increased by interest on lease liability;
- (ii) reduced by lease payments made; and
- (iii) remeasured to reflect any reassessment or lease modifications specified in Ind AS 116 'Leases', or to reflect revised fixed lease payments.

Measurement of Right-of-use assets

At the time of initial recognition, the Company measures 'Right-of-use assets' as present value of all lease payments discounted using the Company's incremental cost of borrowing w.r.t said lease contract. Subsequently, 'Right-of-use assets' is measured using cost model i.e. at cost less any accumulated depreciation and any accumulated impairment losses adjusted for any re-measurement of the lease liability specified in Ind AS 116 'Leases'. Depreciation on 'Right-of-use assets' is provided on straight line basis over the lease period. The exception permitted in Ind AS 116 'Leases' for low value assets and short term leases has been adopted by the Company, wherever applicable.

(s) Income taxes:

i) Current Tax:

Current tax is measured at the amount expected to be paid in respect of taxable income for the year in accordance with the Income Tax Act, 1961. Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. It is measured using tax rates enacted or substantively enacted at the reporting date.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which

applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Current tax assets and current tax liabilities are offset only if the Company has a legally enforceable right to set off the recognised amounts, and it intends to realise the asset and settle the liability on a net basis or simultaneously.

ii) Deferred Taxes:

Deferred tax is provided using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements.

Deferred tax assets arising mainly on account of carry forward losses and unabsorbed depreciation under tax laws are recognised only if there is reasonable certainty of its realisation, supported by convincing evidence. Deferred tax assets on account of other temporary differences are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised.

Deferred tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted at the Balance Sheet date. Changes in deferred tax assets/liabilities on account of changes in enacted tax rates are given effect to in the consolidated statement of profit and loss in the period of the change. The carrying amount of deferred tax assets are reviewed at each Balance Sheet date.

Deferred tax assets and deferred tax liabilities are off set when there is a legally enforceable right to set-off assets against liabilities representing current tax and where the deferred tax assets and deferred tax liabilities relate to taxes on income levied by the same governing taxation laws.

(t) Borrowing costs:

Expenses related to borrowing cost are accounted using effective interest rate. Borrowing costs are interest and other costs (including exchange differences relating to foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs) incurred in connection with the borrowing of funds. Borrowing costs directly attributable to acquisition or construction of an asset which necessarily take a substantial period of time to get ready for their intended use are capitalised as part of the cost of that asset. Other borrowing costs are recognised as an expense in the period in which they are incurred. The difference between the discounted amount mobilised and redemption value of commercial papers is recognised in the statement of

Note: 1 Significant Accounting policies and notes to accounts forming part of Consolidated Financial Statement for year ended March 31, 2024. (Contd..)

profit and loss over the life of the instrument using the EIR. Borrowing costs includes interest portion on lease liabilities.

(u) Employee benefits:

Employee Benefit Expenses :-

- A. Short term employee benefit,
- B. Defined contribution Plan - Provident Fund and National Pension Scheme,
- C. Defined benefit plans Gratuity and
- D. Compensated absences.

A. Short-Term Employee Benefits:-

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as an expense during the period when the employees render the services.

B. Defined Contribution Plans:-

The Company recognises contribution payable to the provident fund and national pension scheme as an expense, when an employee renders the related service. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognised as a liability. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognised as an asset to the extent that the pre-payment will lead to a reduction in future payment or a cash refund.

C. Defined Benefit Plans:-

The Company pays gratuity to the employees who have completed five years of service with the Company at the time of resignation/ superannuation. The gratuity is paid @15 days basic salary for every completed year of service as per the Payment of Gratuity Act, 1972. The liability in respect of gratuity and other post-employment benefits is calculated using the Projected Unit Credit Method and spread over the period during which the benefit is expected to be derived from employees' services. Remeasurement gains and losses arising from adjustments and changes in actuarial assumptions are recognised in the period in which they occur in Other Comprehensive Income.

D. Compensated absences :-

Privilege leave entitlements are recognised as a liability as per the rules of the Company. The liability for accumulated leaves which can be availed and/

or encashed at any time during the tenure of employment is recognised using the projected unit credit method at the actuarially determined value by an appointed actuary.

Disclosures in respect of above, if any, are provided as per the requirement of the local law.

(v) Share Based Payments:

Stock options are granted to eligible employees (including senior executives) of the Company and its' subsidiaries who may receive remuneration in the form of share-based payments, whereby employees renders the services as consideration for equity instruments (equity-settled transactions). The cost of equity-settled transactions is determined by the fair value at the grant date using an appropriate valuation model. The difference between fair value of the options and price paid is treated as discount and accounted for over the vesting period. The amount is recognized as employee benefits expense with a corresponding increase in share-based payment (SBP) reserves in other equity, spread over the year in which the performance and/or service conditions are fulfilled. If a grant lapses after the vesting period, the cumulative discount recognised as expense in respect of such grant is transferred to retained earnings. The share-based payment equivalent to the fair value as on the date of grant of employee stock options granted to key managerial personnel is disclosed as a related party transaction in the year of grant and till it is actually exercised. The Company has a policy to reimburse the share-based payment expenses pertaining to employees who are on the payroll of the respective subsidiary companies except in case of whole-time directors.

The dilutive effect of outstanding options is reflected as additional share dilution in the computation of diluted earnings per share.

(w) Earnings per share:

Basic earnings per share is calculated by dividing the net profit / (loss) for the year attributable to equity shareholders (after deducting preference dividends and attributable taxes) by weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit / (loss) for the year attributable to equity shareholders and the weighted average numbers of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted at the beginning of the year and not issued at a later date.

Note: 1 Significant Accounting policies and notes to accounts forming part of Consolidated Financial Statement for year ended March 31, 2024. (Contd..)

In computing the diluted EPS, potential equity shares that either increase earnings per share or decrease loss per equity share, being anti-dilutive are ignored.

(x) Statement of Cashflow:

Cash Flows of the Group are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing Cash Flows. The cash flows from operating, investing and financing activities of the Company are segregated.

(y) Segment Reporting Policies:

Segments have been identified and reported taking into account nature of products and services, the different risk and returns and internal business reporting system.

Activities related to;

- Income generated from services such as broking & allied activities, wealth management, private client broking and consultancy are classified as 'Agency Business'.
- Income generated from money lending / finance business is classified into 'Lending Activities'
- activities relating to management of surplus capital funds is classified as internal treasury operations. It includes maintaining position in physical as well as exchanged traded commodities and other instruments.
- Income form warehousing, dividend and other services classified as un allocable segment.

Due to the dynamic nature of the business and the multiple operating segments the business has, the assets and liabilities are used interchangeably among all segments. Forced allocation of these assets and liabilities is not practicable and will not result in any meaningful allocation and segregation. Hence from the current reporting period, the assets and liabilities have not been identified with regards to segment reporting.

The accounting policy adopted for segment reporting are in line with Group's Accounting Policy.

(z) Dividend on equity shares:

The Company recognises a liability to make cash distributions to equity holders when the distribution is authorised and the distribution is no longer at the discretion of the Company. As per the Companies Act, 2013, a distribution is authorised when it is approved by the shareholders. A corresponding amount is recognised directly in other equity.

(aa) Business Combination:

The acquisition method of accounting is used for business combinations by the Group. The cost of an acquisition is measured as the aggregate of the consideration transferred measured at acquisition date fair value and the amount of any non-controlling interests in the acquire. At the acquisition date, the identifiable assets acquired and the liabilities assumed are recognized at their acquisition date fair values. Goodwill is initially measured as the excess of the aggregate of the consideration transferred and the amount recognized for non-controlling interests, and any previous interest held, over the net identifiable assets acquired and liabilities assumed. After initial recognition, goodwill is tested for impairment annually or more frequently if impairment indicators exists. For the purpose of impairment testing, goodwill acquired in a business combination is, from the acquisition date, allocated to each of the Group's cash-generating units that are expected to benefit from the combination, irrespective of whether other assets or liabilities of the acquire are assigned to those units.

Business combination under common control:

Common control business combinations includes transactions, such as transfer of subsidiaries or businesses, between entities within a group. Group has accounted all such transactions, if any, based on pooling of interest method, as follows:-

- The assets and liabilities of the combining entities are reflected at their carrying amounts.
- No adjustments are made to reflect fair values, or recognize any new assets or liabilities.
- The financial information in the financial statements in respect of prior periods are restated as if the business combination had occurred from the beginning of the preceding period in the financial statements, irrespective of the actual date of the combination. The identity of the reserves shall be preserved and shall appear in the financial statements of the transferee in the same form in which they appeared in the financial statements of the transferor. The difference, if any, between the amount recorded as share capital issued plus any additional consideration in the form of cash or other assets and the amount of share capital of the transferor shall be transferred to capital reserve.

(ab) Events after reporting date:

Where events occurring after the balance sheet date provide evidence of conditions that existed at the end of the reporting period, the impact of such events is adjusted within the consolidated financial statements. Otherwise, events after the balance sheet date of material size or nature are only disclosed.

Goodwill represents goodwill arisen on take over of portfolio management business from SATCO Capital Markets Private Limited. Goodwill is tested for impairment on annual basis and provided for whenever there is an indication that the recoverable amount is less than its carrying amount based on a number of factors including in business plan, operating results, future cash flows and economic conditions. The recoverable amount is determined based on higher of value in use and fair value less cost to sell. The Company generally uses discounted cash flows method to determine the recoverable amount. These discounted cash flow calculation are based on financial forecasts. Cash flow projections take into account past experience and represent management's best estimate about future developments.

B. Nature and purpose of reserves

- Securities premium is used to record the premium received on issue of shares. It can be utilised only for limited purposes in accordance with the provisions of the Companies Act, 2013
- Impairment reserve is created towards Expected credit loss on the loans & advances.
- Reserve fund is created as per the terms of section 45-IC(1) of the Reserve Bank of India Act, 1934 as a statutory reserve.
- Retained earnings represents the surplus / (deficit) in Profit and Loss Account and appropriations. It is available for distribution to shareholders.
- Equity component of compound financial instrument is the difference between the fair value of compound instrument and the fair value of the liability component of the compound instruments.
- Other comprehensive income consist of remeasurement gains / losses on defined benefits plans and gain / loss arising on conversion of functional currency to reporting currency of net assets of overseas subsidiaries.
- The share based payment reserve is used to recognise the grant date fair value of options issued to employees under Employee stock option plan.
- Debenture redemption reserve - The Companies Act, 2013 requires companies that issue debentures to create a debenture redemption reserve from annual profits until such debentures are redeemed. The Group, except for entities exempted from the requirement, is required to transfer a specified percentage (as provided in the Companies Act, 2013) of the outstanding redeemable debentures to debenture redemption reserve. The amounts credited to the debenture redemption reserve may not be utilised except to redeem debentures. On redemption of debentures, the amount may be transferred from debenture redemption reserve to retained earnings.
- Capital reserve on consolidation is differential value of cost of investment in subsidiaries against the parent's portion of equity.

B. Fair value Measurement

i) All assets and liabilities for which the fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 – Inputs are quoted (unadjusted) market prices in active markets for identical assets or liabilities that the entity can access at the measurement date.

Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement are (other than quoted prices) included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

There are no transfers during the year in level 1, 2 and 3. The Company policy is to recognize transfers into and transfers out of fair value hierarchy level as at the end of reporting period.

C. Financial risk management

The Group's activities expose it to market risk, liquidity risk and credit risk.

Risk management framework

The Company's board of directors has overall responsibility for the establishment and oversight of the Group's risk management framework. The Group's risk management policies are established to identify and analyse the risks faced by the Group, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Group's activities. The Group, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations. A strong risk management team and an effective credit operations structure ensures that risks are properly identified and timely addressed to ensure minimal impact on the Group's growth and performance.

The Group's principal financial liabilities, other than derivatives, comprises of borrowings in the form of loan from banks, inter corporate deposits, debt securities and demand loan from promoter. The Group's principal financial assets, other than derivatives, are in the form of trade receivables, fixed deposits with banks, loans & advances, margin with brokers and exchanges.

The Company's treasury is responsible for managing its assets and liabilities and the overall financial structure so as to adhere to credit risk policies and ensure control of risks related to credit worthiness of the Group. It is also primarily responsible for the funding and liquidity risks of the Group.

The Group has exposure to the following risks arising from financial instruments:

1. Credit risk
2. Liquidity risk and
3. Market risk

1. Credit risk

Credit risk is the risk that a customer or counterparty to a financial instrument will fail to perform or pay amounts due to the Group causing financial loss. It arises from investments, cash and cash equivalents, deposits with banks and financial institutions, security deposits, loans given and principally from credit exposures to customers relating to outstanding receivables. The Group's maximum exposure to credit risk is limited to the carrying amount of financial assets recognised at reporting date. The Group continuously monitors defaults of customers and other counterparties, identified either individually or by the Group, and incorporates this information into its credit risk controls. Where available at reasonable cost, external credit ratings and/or reports on customers and other counterparties are obtained and used. The Group's policy is to deal only with creditworthy counterparties.

In respect of trade and other receivables, the Group is not exposed to any significant credit risk exposure to any single counterparty or any Group of counterparties having similar characteristics. Trade receivables consist of receivable against sale of commodities. The Group has no history of customer default, and considers the credit quality of trade receivables that are not past due or impaired to be good. The credit risk for investments, cash and cash equivalents, mutual funds, bank deposits, loans and derivative financial instruments is considered negligible, since the counterparties are reputable organisations with high quality external credit ratings. Group provides for expected credit losses on financial assets by assessing individual financial instruments for expectation of any credit losses. Since the assets have very low credit risk, and are for varied natures and purpose, there is no trend that the company can draw to apply consistently to entire population. For such financial assets, the Group's policy is to provide for 12 month expected credit losses upon initial recognition and provides for lifetime expected credit losses upon significant increase in credit risk. The Group does not have any expected loss based impairment recognised on such assets considering their low credit risk nature, though incurred loss provisions are disclosed under each sub-category of such financial assets.

In respect of loans and advances, the Group is not exposed to any significant credit risk exposure to any single counterparty or any Group of counterparties having similar characteristics. The group provides for 12 month expected credit losses upon initial recognition and provides for lifetime expected credit losses upon significant increase in credit risk. Movement in the expected credit loss allowance in respect of loans & advances is shown below;

2. Liquidity risk

Liquidity Risk is defined as the risk that the Group will not be able to settle or meets its obligations on time at a reasonable price In addition; processes and policies related to such risks are overseen by senior management. Management monitors the Group's net liquidity through rolling forecasts of expected cash flows.

Exposure to liquidity risk

The table below is an analysis of Group's financial liabilities based on their remaining contractual maturities of financial liabilities at the reporting date.

3. Market risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from adverse changes in market rates and prices such as commodity risk, quoted securities risk, foreign currency exchange rate and interest rates as a result of such adverse changes in market rates and prices. Market risk is attributable to all market risk-sensitive financial instruments, all foreign currency receivables and payables and all short term and long-term debt. The Company is exposed to market risk primarily related to commodity, quoted securities, foreign currency exchange rate and interest rates . Thus, the Company's exposure to market risk is a function of investing and borrowing activities and it's revenue generating and operating activities.

a. Commodity risk

The Group's performance is affected by the price volatility of commodities being traded (primarily agricultural and also other precious metals) which are being sourced from open market. As the Group is engaged in the on-going purchase or continuous sale of traded goods, it keeps close monitoring over its purchases to optimise the price. Commodity prices are affected by demand and supply scenario in the local as well as international market, currency exchange fluctuations and taxes levied in various countries. To mitigate risk involved due to change in price, the Group effectively manages the commodity risk by well planned procurement and inventory strategy.

Impact on statement of profit and (loss) [net of tax]

Particulars	March 31, 2024	March 31, 2023
Commodity rates – increase by 100 basis points	171.59	163.19
Commodity rates – decrease by 100 basis points	(171.59)	(163.19)

Notes to the Consolidated Financial Statements

Note 46 Financial Instruments – Fair Values and Risk Management (Contd..)

b. Quoted security risk

The Group's performance is affected by the price volatility of securities in which investment is done and which are being traded on recognised stock exchanges of India. Security prices are affected by demand and supply scenario and many other factors such as geopolitical circumstances, taxes levied etc. To mitigate risk involved due to change in price, the Group effectively manages the security risk by well planned derivative strategies.

Impact on statement of profit and (loss) [net of tax]

Particulars	March 31, 2024	March 31, 2023
Debt Securities – increase by 25 basis points	143.97	64.56
Debt Securities – decrease by 25 basis points	(143.97)	(64.56)

Impact on statement of profit and (loss) [net of tax]

Particulars	March 31, 2024	March 31, 2023
Securities – increase by 100 basis points	20.05	10.49
Securities – decrease by 100 basis points	(20.05)	(10.49)

c. Currency risk

The Company is exposed to foreign exchange risk arising from foreign currency transactions, primarily with respect to the USD. Foreign exchange risk arises from recognised assets and liabilities denominated in a currency that is not the Company's functional currency.

Sensitivity analysis

A reasonably possible strengthening /weakening of the Indian Rupee against US dollars at March 31 would have affected the measurement of financial instruments denominated in US dollars and affects profit or loss . This analysis assumes that all other variables, in particular interest rates, remain constant and ignores any impact of forecast sales and purchases. Results of the Company's operation may be adversely affected as the rupee appreciates / depreciates against the U.S. Dollar.

Impact on statement of profit and (loss) [net of tax]

Particulars	March 31, 2024	March 31, 2023
USD – increase by 100 basis points	446.97	387.38
USD – decrease by 100 basis points	(446.97)	(387.38)

d. Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. In order to optimize the Group's position with regards to interest income and interest expenses and to manage the interest rate risk, treasury performs a comprehensive corporate interest rate risk management by balancing the proportion of fixed rate and floating rate financial instruments in its total portfolio.

Impact on statement of profit and (loss) [net of tax]

Particulars	March 31, 2024	March 31, 2023
Interest rates – increase by 100 basis points	(365.41)	(125.29)

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the companies (Indian Accounting Standards) Rules, 2015 as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, and the total comprehensive income (comprising of profit/(loss) and other comprehensive income), changes in equity and its cash flows for the year ended then ended.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Standalone Financial Statements" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

There are no Key Audit Matters Reportable as per SA 701 issued by ICAI.

Information other than the Standalone Financial Statements and auditors report thereon.

The Company's Board of Directors is responsible for other information. The other information comprises the information included in the Annual report, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of the other information, we are required to report that fact.

When we read the other information included in the above reports, if we conclude that there is material misstatement therein, we are required to communicate the matter to those charged with governance and determine the actions under the applicable laws and regulations.

Responsibilities of management and those charged with governance for the standalone financial statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone

Standalone Financial Statements

financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the standalone financial statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to the standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty

exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements, or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other legal and regulatory requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in "Annexure A", a statement on the matter specified in the paragraph 3 and 4 of the Order, to the extent applicable.

2. As required under provisions of section 143(3) of the Act, we report that:

- a. We have obtained all the information and explanations which to the best of our knowledge and belief where necessary for the purposes of our audit.
- b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c. The Standalone Balance Sheet, the Standalone Statement of Profit and Loss (including Other Comprehensive Income), the Standalone Statement of Changes of Equity and the Standalone Statement of Cash Flows dealt with this report are in agreement with the books of accounts.
- d. In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under section 133 of the Act, read with relevant rule issued thereunder.
- e. On the basis of written representations received from the directors as on March 31, 2024, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2024, from being appointed as a director in terms of section 164(2) of the Act.
- f. With respect to the adequacy of the internal financial controls with reference to standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- g. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- h. With respect to other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor) Rules, 2014, in our opinion and to the best of our information and according to explanations given to us:

- (a) The Company has disclosed the impact of pending litigations as at 31 March 2024 on its financial position in its standalone financial statements - Refer Note (vii) of Annexure – A to the standalone financial statements.
- (b) The Company did not have any long-term and derivative contracts as at March 31, 2024.
- (c) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended March 31, 2024.
- (d) The management has;
 - (i) represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall:
 - directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Company or
 - provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.
 - (ii) represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall:
 - directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Funding Party or
 - provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries; and

(iii) Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under subclause (d) (i) and (d) (ii) contain any material mis-statement.

(e) The company has neither declared nor paid any dividend during the year under Section 123 of the Act.

(f) Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 for maintaining books of account using accounting software which has a feature of recording audit trail (edit log) facility is applicable to the Company with effect from April 1, 2023. Based on our examination which included test checks, the company has used accounting software for maintaining its books of accounts which has a feature of recording

audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with.

Annexure “A” TO THE INDEPENDENT AUDITOR’S REPORT ON THE AUDIT OF STANDALONE FINANCIAL STATEMENTS OF ABANS HOLDINGS LIMITED FOR THE YEAR ENDED 31ST MARCH, 2024

In terms of the information and explanations given to us and the books and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state as under:

(i) Property, Plant & Equipment and Intangible Assets:

- The Company is maintaining proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
- The Company has maintained proper records showing full particulars of intangible assets.
- Property, Plant and Equipment have been physically verified by the Management at reasonable intervals; any material discrepancies were noticed on such verification and if so, the same have been properly dealt with in the books of account.
- According to the information and explanation given to us the title deeds of all the immovable properties. (Other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) disclosed in the Standalone financial statements are held in the name of the company.
- The Company has not revalued any of its Property, Plant and Equipment (including right-of-use assets) and intangible assets during the year.
- No proceedings have been initiated during the year or are pending against the Company as at March 31, 2023 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.

(ii) Inventory and working capital:

- The company does not carry any inventory during the year. Hence, Clause 3 (ii) (a) of the order is not applicable.
- According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks on the basis of security of current assets. Hence, reporting under clause 3 (ii) (b) of the order is not applicable.

(iii) Investments, any guarantee or security or advances or loans given:

- According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made

any investments, provided guarantee or security or granted any advances in the nature of loans, secured or unsecured, to companies, firms, limited liability partnerships or any other parties during the year.

- The Company has not provided any loans or advances in the nature of loans or stood guarantee or provided security to any other entity during the year.
- In our opinion, the investments made, guarantees provided, security given and the terms and conditions of the grant of all loans and advances in the nature of loans and guarantees provided are not prejudicial to the company’s interest;
- In respect of loans granted by the Company, the schedule of repayment of principal and payment of interest has been stipulated and the repayments of principal amounts and receipts of interest have generally been regular as per stipulation.
- In respect of loans granted by the Company, there is no overdue amount remaining outstanding as at the balance sheet date.
- No loan granted by the Company which has fallen due during the year, has been renewed or extended or fresh loans granted to settle the overdues of existing loans given to the same parties.
- The Company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment during the year. Hence, reporting under clause 3(iii) (6) is not applicable.

(iv) Loan to directors:

- According to the information and explanations given to us and on the basis of our examination of the records, the Company has not given any loans, or provided any guarantee or security as specified under Section 185 of the Companies Act, 2013 and the Company has not provided any guarantee or security as specified under Section 186 of the Companies Act, 2013. Further, the Company has complied with the provisions of Section 186 of the Companies Act, 2013 in relation to loans given and investments made.

(v) Deposits:

- The company has not accepted any deposits from the public within the meaning of sections 73 to 76 or any relevant provisions of the 2013 act and the rules framed there under to the extent notified.

(vi) Maintenance of Cost Records:

- a) According to the information and explanations given to us, the Central Government has not prescribed the maintenance of cost records under Section 148(1) of the Companies Act, 2013 for the products manufactured by it (and/ or services provided by it). Accordingly, clause 3(vi) of the Order is not applicable.

(vii) Statutory Dues:

- a) The company is regular in depositing with appropriate authorities undisputed statutory dues including Provident Fund, Employees' State Insurance, Income Tax, Duty of Customs, GST, Cess and any other statutory dues applicable to it. According to the information and explanations given to us, no undisputed amounts payable in respect of income tax, sales tax, customs duty, excise duty and cess were in arrears, as at March 31, 2024 for a period of more than six months from the date they became payable except for professional tax payment to the tune of ₹6,500/-
- b) According to the information and explanations given to us, there are no dues of sales tax, income tax, custom duty, wealth tax, GST, excise duty and cess which have not been deposited on account of any dispute.

(viii) Disclosure of Undisclosed Transactions:

- a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not surrendered or disclosed any transactions, previously unrecorded as income in the books of account, in the tax assessments under the Income-tax Act, 1961 as income during the year.

(ix) Loans or Other Borrowings:

- a) Based on our audit procedures and according to the information and explanations given to us, The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.
- b) The Company has not been declared willful defaulter by any bank or financial institution or government or any government authority.
- c) According to the information and explanations given to us, term loans were applied for the purpose for which the loans were obtained.
- d) On an overall examination of the Standalone financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.

- e) On an overall examination of the Standalone financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries.
- f) The Company has not raised any loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies.

(x) Money Raised by IPOs, FPOs:

- a) The Company has not raised moneys by way of initial public offer during the year or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.
- b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable.

(xi) Fraud:

- a) During the course of our examination of the books and records of the company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of fraud by the company or no fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- c) The Company has not received any whistle blower complaints during the year (and upto the date of this report), the same has been considered while determining the nature, timing and extent of our audit procedure.

(xii) Nidhi Company:

- a) The Company is not a Nidhi Company and hence reporting under clause 3 (xii) of the Order is not applicable.

(xiii) Related Party Transactions:

- a) In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 with respect to applicable transactions with the related parties and the details of related party transactions have been disclosed in the Standalone financial statements as required by the applicable Ind AS.

(xiv) Internal Audit System:

- a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- b) We have considered the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.

(xv) Non-cash Transactions:

- a) According to the information and explanations given to us and based on our examination of the records of the company, the company has not entered into any non-cash transactions with directors or persons connected with him. Accordingly, paragraph 3(xv) of the Order is not applicable.

(xvi) Registration under section 45-IA of RBI Act, 1934:

- a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi) (a), (b) and (c) of the Order is not applicable.
- b) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.

(xvii) Cash losses:

- a) The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.

(xviii) Resignation of statutory auditors:

- a) There has been no resignation of the statutory auditors of the Company during the year.

(xix) Material uncertainty on meeting liabilities:

- a) On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the Standalone financial statements

and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

(xx) Compliance of CSR:

- a) According to the information and explanations given to us and based on our examination of the records of the company, the company is not required to spent amount towards Corporate Social Responsibility (CSR) as per the section 135 of companies' act, 2013, reporting under clause 3(xx)(a) of the Order is not applicable for the year.

(xxi) Qualifications Reporting In Group Companies:

- a) Our reporting on the matters specified in paragraphs 3(xxi) and 4 read with the proviso to paragraph (2) of the Companies (Auditor's Report) Order, 2020, has been made in paragraph (2) of Other Legal and Regulatory Requirements section of our Auditor's Report on the consolidated audited financial statements.

Annexure “B” TO THE INDEPENDENT AUDITOR’S REPORT ON THE AUDIT OF STANDALONE FINANCIAL STATEMENTS OF ABANS HOLDINGS LIMITED FOR THE YEAR ENDED 31ST MARCH, 2024

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

We have audited the internal financial controls over financial reporting of **Abans Holdings Limited** ('the Company') as of 31st March, 2024 in conjunction with our audit of the Ind AS Standalone financial statements of the Company for the year ended on that date.

Opinion

We have audited the internal financial control with reference to standalone financial statements of Abans Holdings Limited ('The Company') as of 31st March 2024 in conjunction with our audit of the standalone financial statements of the company for the year ended on that date.

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the 'Guidance Note') issued by the Institute of Chartered Accountants of India (the 'ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by the ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the Standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Standalone financial statements.

Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected.

Note 1: Significant Accounting Policies and Notes to Accounts forming part of financial Statement for the year ended March 31, 2024

I Nature of Operations:

Abans Holdings Limited ("the Company") is a public company limited by shares domiciled in India, incorporated under the provisions of the Companies Act, 1956 having CIN: U74900MH2009PLC231660. The Company got converted from private company to public company on May 19, 2021. It's registered office is situated at 36/37/38A, 3rd Floor, 227, Nariman Bhavan Backbay Reclamation, Nariman Point, Mumbai – 400021. The Company has been carrying on the business of an investment as holding company and is engaged in the incubation/ promotion of new business ventures by acquiring or incorporating companies. The Company has received approval by Securities and Exchange Board of India ('SEBI') to act as an Investment manager to the Category II Alternative Investment funds ('AIF'). The Company also offers investment banking and corporate advisory services as part of its principal activity. The Company is a holding company to its subsidiaries and the group together is engaged in wealth and asset management services including financial asset distribution, broking, lending, credit, investment solutions, asset and portfolio management, treasury operations and allied activities.

The Financial statements were approved for issuance by the Company's Board of Directors on 14th May 2024.

II Summary of the significant accounting policies:

(a) Basis of Preparation:

The Financial Statement have been prepared under historical cost convention basis except certain assets and liabilities which have been measured at fair value or revalued amounts. Fair Value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Certain assets and liabilities which have been measured at fair value or revalued amounts which are as follows;

1. Certain Financial instruments measured at fair value through other comprehensive income (FVTOCI);
2. Certain Financial instruments measured at fair value through Profit and Loss (FVTPL);
3. Defined Benefit Plan asset measured at fair value;
4. Contingent consideration is measured at fair value;
5. Equity settled Share Based Payments

The financial statements of the Company is prepared on going concern basis as the management is satisfied that the company shall be able to continue its business for the foreseeable future and no material uncertainty exists that may cast significant doubt on the going concern assumption. In making this assessment management has considered a wide range of information relating to present and future conditions including future projection of profitability, cash flows and capital resources.

The functional and presentation currency of the company is Indian rupees. All amounts disclosed in the financial statements and notes are rounded off to the nearest INR rupees in lakhs except when otherwise indicated. Due to rounding off, the numbers presented throughout the document may not add up precisely to the totals and percentages may not precisely reflect the absolute figures.

(b) Use of estimates:

The presentation of the financial statements are in conformity with the Ind AS which requires the management to make estimates, judgments and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities (including contingent liabilities), revenues and expenses and disclosure as of the financial statements. Such estimates and assumptions are based on management's evaluation of relevant facts and circumstances as on the date of financial statements. The actual outcome may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to the accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected.

This note provides an overview of the areas that involved a higher degree of judgment or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgments is included in relevant notes together with information about the basis of calculation for each affected line item in the Financial Statements.

In particular, information about significant areas of estimation uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial Statement are as below:

1. Valuation of Financial Instruments
2. Valuation of inventories
3. Evaluation of recoverability of deferred tax assets

Note 1: Significant Accounting Policies and Notes to Accounts forming part of financial Statement for the year ended March 31, 2024 (Contd..)

4. Useful lives of property, plant and equipment and intangible assets
5. Measurement of recoverable amounts of cash-generating units
6. Obligations relating to employee benefits
7. Provisions and Contingencies
8. Provision for income taxes, including amount expected to be paid/recovered for uncertain tax positions
9. Recognition of Deferred Tax Assets

(c) Presentation of financial statements:

The Company prepares and present its Balance Sheet, the Statement of Profit and Loss and the Statement of Changes in Equity in the format prescribed by Division II of Schedule III of the Companies Act, 2013 ("the Act"). The Statement of Cash Flows has been prepared and presented as per the requirements of Ind AS 7 'Statement of Cash Flows'.

The Company generally reports financial assets and financial liabilities on a gross basis in the Balance Sheet. They are offset and reported net only where Ind AS specifically permits the same or it has an unconditional legally enforceable right to offset the recognised amounts without being contingent on a future event. Similarly, the Company offsets incomes and expenses and reports the same on a net basis where permitted by Ind AS.

(d) Property, plant and equipment (PP&E):

An item of property, plant and equipment that qualifies for recognition as an asset shall be measured at its cost. Cost comprises of the purchase price and any attributable / allocable cost of bringing the asset to its working condition for its intended use. Cost also includes direct cost and other related incidental expenses.

Borrowing costs relating to acquisition / construction / development of tangible assets, intangible assets and capital work in progress which takes substantial period of time to get ready for its intended use are also included to the extent they relate to the period till such assets are ready to be put to use.

When significant components of property, plant and equipment are required to be replaced at intervals, recognition is made for such replacement of components as individual assets with specific useful life and depreciation if this components are initially recognised as separate asset. All other repair and maintenance costs are recognised in the statement of profit and loss as incurred.

An item of Property, Plant and Equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset.

Type of Asset	Estimated useful life
Buildings/Office Premises	60 years
Air Conditioner	5 years
Furniture and fittings	10 years
Office Equipment's	5 years

Depreciation is provided from the date the assets are ready to be put to use, as per written down value (WDV) method over the useful life of the assets, as prescribed under Part C of Schedule II of the Companies Act, 2013.

Gains or losses arising on the disposal of property, plant and equipment are determined as the difference between the disposal proceeds and the carrying amount of the assets and are recognized in the statement of profit and loss within 'other income' or 'other expenses' respectively.

(e) Intangible Assets:

Intangible assets acquired separately are measured on initial recognition at cost. Cost comprises the acquisition price, development cost and any attributable / allocable incidental cost of bringing the asset to its working condition for its intended use.

Intangible assets acquired in a business combination that qualify for separate recognition are recognised as intangible assets at their fair values at the date of acquisition. The useful life of intangible assets are assessed as either finite or indefinite.

All finite-lived intangible assets, are accounted for using the cost model whereby intangible assets are stated at cost less accumulated amortisation and impairment losses, if any. Intangible assets are amortised over the useful life. Residual values and useful lives are reviewed at each reporting date.

Intangible assets with indefinite useful lives are not amortised, but are tested for impairment annually, either individually or at the cash-generating unit level. The assessment of indefinite life is reviewed annually to determine whether the indefinite life continues to be supportable. If not, the change in useful life from indefinite to finite is made on a prospective basis.

When an intangible asset is disposed of, the gain or loss on disposal is determined as the difference between the proceeds and the carrying amount of the asset, and is recognised in the statement of profit and loss within 'other income' or 'other expenses' respectively.

(f) Impairment of assets:

At each reporting date, the Company assesses whether there is any indication based on internal /external factors, that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount

Note 1: Significant Accounting Policies and Notes to Accounts forming part of financial Statement for the year ended March 31, 2024 (Contd..)

of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount and the reduction is treated as an impairment loss and is recognised in the statement of profit and loss. All assets are subsequently reassessed for indications that an impairment loss previously recognised may no longer exist. An impairment loss is reversed if the asset's or cash-generating unit's recoverable amount exceeds its carrying amount.

(g) Investments:

Investments in subsidiary companies are carried at cost less accumulated impairment losses as per 109 "Financial Instruments", if any. Where an indication of impairment exists, the carrying amount of the investment is assessed and written down to its recoverable amount. On disposal of investments in subsidiary companies, the difference between net disposal proceeds and the carrying amounts are recognised in the Statement of Profit and Loss.

Investments in debt instruments other than government securities are measured at amortised cost.

Investments in equity shares, mutual funds and government securities are measured at fair value through profit and loss (FVTPL).

Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long-term investments.

(h) Inventories:

Items of Inventory are measured at lower of the cost and Net Realizable value. Cost of inventory comprises of cost of purchase and other cost incurred to acquire it. Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

(i) Cash and cash equivalents:

Cash and Cash Equivalents comprise cash and deposits with banks. The company considers all highly liquid investments with a remaining maturity at the date of purchase of three months or less and that are readily convertible to known amounts of cash to be cash equivalents.

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions and other short term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

(j) Provisions:

Provisions are recognized when the company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The expense relating to a provision is presented in the Statement of Profit and Loss net of any reimbursement. Provisions are not recognized for future operating losses.

When the company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognized as a separate asset, but only when the reimbursement is virtually certain.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

(k) Contingent Liabilities:

Contingent liability is disclosed in the case of: -

- a present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation
- a present obligation arising from past events, when no reliable estimate is possible - a possible obligation arising from past events, unless the probability of outflow of resources is remote.

(l) Financial Instruments:

A financial instrument is defined as any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Trade receivables and payables, loan receivables, investments in securities and subsidiaries, debt securities and other borrowings, preferential and equity capital etc. are some examples of financial instruments. All financial instruments are at amortised cost, unless otherwise specified. All the financial instruments are recognised on the date when the Company becomes party to the contractual provisions of the financial instruments.

(i) Financial assets:

The classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows. For assets measured at fair value, gains and losses

Note 1: Significant Accounting Policies and Notes to Accounts forming part of financial Statement for the year ended March 31, 2024 (Contd..)

will either be recorded in profit or loss or other comprehensive income.

Equity instruments are instruments that meet the definition of equity from the issuer's perspective, that is, instruments that do not contain a contractual obligation to pay and that evidences a residual interest in the issuer's net assets.

For investments in equity instruments, this will depend on whether the Company's has made an irrevocable election at the time of initial recognition to account for the equity investment either at fair value through other comprehensive income or fair value through profit & loss.

Dividend income on the investments in equity instruments are recognised as 'Revenue from operations' in the Statement of Profit and Loss.

Initial recognition and measurement:

Financial assets are recognized when the company becomes a party to the contractual provisions of the instrument. Financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in the Statement of Profit and Loss.

Subsequent measurement:

After initial recognition, financial assets (other than investments in subsidiaries and joint ventures) are measured either at:

- i) fair value (either through other comprehensive income or through profit or loss) or,
- ii) amortized cost

Measured at amortized cost:

Financial assets that are held within a business model whose objective is to hold financial assets in order to collect contractual cash flows that are solely payments of principal and interest, are subsequently measured at amortized cost using the effective interest rate ('EIR') method less impairment, if any, the amortization of EIR and loss arising from impairment, if any is recognized in the Statement of Profit and Loss.

Measured at fair value through other comprehensive income (FVOCI):

Financial assets that are held within a business model whose objective is achieved by both, selling financial assets and collecting contractual cash flows

that are solely payments of principal and interest, are subsequently measured at fair value through other comprehensive income. Fair value movements are recognized in the other comprehensive income (OCI) net of taxes. Interest income is measured using the EIR method and impairment losses if any are recognized in Profit and Loss. Gains or Losses on de-recognition of investment in equity instruments classified as the FVOCI are reclassified to retained earnings. In case of Investments in debt instruments classified as the FVOCI, the gains or losses on de-recognition are reclassified to statement of Profit and Loss.

Measured at fair value through profit or loss (FVTPL):

A financial asset not classified as either amortized cost or FVOCI, is classified as FVTPL. Such financial assets are measured at fair value with all changes in fair value, including interest income and dividend income if any, recognized as 'other income' in the Statement of Profit and Loss.

- 1. The Company measures all its investments in equity (other than investments in subsidiaries and joint ventures) and mutual funds at FVTPL. Changes in the fair value of financial assets measured at fair value through profit or loss are recognized in Profit and Loss.
- 2. Investment in commodities are measured at fair value through profit or loss.

Impairment losses (and reversal of impairment losses) on equity investments and on commodities measured at FVTPL are recognised in Profit and Loss.

Impairment of financial assets:

- A. The Company assesses on a forward looking basis the expected credit losses (ECL) on all the financial assets that are not measured at fair value through profit and loss (FVTPL). The impairment methodology applied depends on whether there has been a significant increase in credit risk. For trade receivable only, the company applies the simplified approach permitted by Ind AS - 109 Financial Instruments.
- B. In case of Loans and advances of Non - banking financial companies, loan that has been renegotiated due to a deterioration in the borrower's condition is usually considered to be credit-impaired unless there is evidence that the risk of not receiving contractual cash flows has reduced significantly and there are no other indicators of impairment. ECL is recognised on EAD as at period end.

Note 1: Significant Accounting Policies and Notes to Accounts forming part of financial Statement for the year ended March 31, 2024 (Contd..)

If the terms of a financial asset are renegotiated or modified due to financial difficulties of the borrower, then such asset is moved to stage 3, lifetime ECL under stage 3 on the outstanding amount is applied.

The Company assesses when a significant increase in credit risk has occurred based on quantitative and qualitative assessments. Exposures are considered to have resulted in a significant increase in credit risk and are moved to Stage 2 when:

- 1. Quantitative test: Accounts that are 30 calendar days or more past due move to Stage 2 automatically. Accounts that are 90 calendar days or more past due move to Stage 3 automatically.
- 2. Qualitative test: Accounts that meet the portfolio's 'high risk' criteria and are subject to closer credit monitoring. High risk customers may not be in arrears but either through an event or an observed behavior exhibit credit distress.

The definition of default for the purpose of determining ECLs has been aligned to the Reserve Bank of India definition of default, which considers indicators that the debtor is unlikely to pay and is no later than when the exposure is more than 90 days past due.

To the above extent Company continues to incrementally provide for the asset post initial recognition in Stage 3, based on its estimate of the recovery.

A financial asset is de-recognized only when:

- i) The Company has transferred the rights to receive cash flows from the financial asset or
- ii) Retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is de-recognized. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not de-recognized. Where the entity has

neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is de-recognized if the company has not retained control of the financial asset. Where the company retains control of the financial asset, the asset is continued to be recognized to the extent of continuing involvement in the financial asset.

(ii) Financial liabilities:

Classification as debt or equity:

Financial liabilities and equity instruments issued by the company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Initial recognition and measurement:

Financial liabilities are recognized when the company becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at fair value.

Subsequent measurement:

Financial liabilities other than those measured at fair value through profit and loss are subsequently measured at amortized cost using the effective interest rate method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognized in Profit and Loss.

De-recognition:

A financial liability is derecognized when the obligation specified in the contract is discharged, cancelled or expires.

Offsetting financial instruments:

Financial assets and liabilities are offset and the net amount is reported in the Balance Sheet where there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the company or the counterparty.

Fair value of financial instruments:

Some of the Company's assets and liabilities are measured at fair value for financial reporting purpose. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the

Note 1: Significant Accounting Policies and Notes to Accounts forming part of financial Statement for the year ended March 31, 2024 (Contd..)

measurement date regardless of whether that price is directly observable or estimated using another valuation technique.

Fair value measurements under Ind AS are categorized into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurement are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- **Level 1:** quoted prices (unadjusted) in active markets for identical assets or liabilities that the Company can access at measurement date
- **Level 2:** inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly; and
- **Level 3:** inputs for the asset or liability that are not based on observable market data (unobservable inputs) that the Company can access at measurement date.

The Company has defined its financial assets and liabilities below:

Cash and Cash Equivalents:

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents.

Trade Payables:

These amounts represent liability for goods and services provided to the Company prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid as per the terms of trade. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period.

Trade Receivables:

These amounts represent receivables for goods and services provided by the Company prior to the end of financial year which are unpaid. The amounts are unsecured and are usually received as per the terms of trade. Trade and other receivables are presented as current assets unless payment is not due within 12 months after the reporting period.

(m) Revenue from contracts with Customers:

Revenue (other than for those items to which Ind AS 109 Financial Instruments are applicable) is measured at fair value of the consideration received or receivable. Ind AS

115 Revenue from contracts with customers outlines a single comprehensive model of accounting for revenue arising from contracts with customers and supersedes current revenue recognition guidance found within Ind AS of accounting on accrual basis. Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services. The Company has generally concluded that it is the principal in its revenue arrangements, and it typically controls the goods or services before transferring them to the customer.

The company recognises revenue from contracts with customers based on a five step model as set out in Ind AS 115:

Step 1: Identify contract(s) with a customer: A contract is defined as an agreement between two or more parties that creates enforceable rights and obligations and sets out the criteria for every contract that must be met.

Step 2: Identify performance obligations in the contract: A performance obligation is a promise in a contract with a customer to transfer a good or service to the customer.

Step 3: Determine the transaction price: The transaction price is the amount of consideration to which the company expects to be entitled in exchange for transferring promised goods or services to a customer, excluding amounts collected on behalf of third parties.

Step 4: Allocate the transaction price to the performance obligations in the contract: For a contract that has more than one performance obligation, the company allocates the transaction price to each performance obligation in an amount that depicts the amount of consideration to which the company expects to be entitled in exchange for satisfying each performance obligation.

Step 5: Recognise revenue when (or as) the company satisfies a performance obligation.

The company recognises revenue from the following sources:

- a. Fee income including such as advisory fees, management fees and is recognised based on the stage of completion of assignments, performance and terms of agreement with the client.
- b. Interest income is recognised using the effective interest rate method.
- c. Dividend income is recognised when the right to receive payment of the dividend is established, it is probable that the economic benefits associated with the dividend will flow to the company and the amount of the dividend can be measured reliably.

Note 1: Significant Accounting Policies and Notes to Accounts forming part of financial Statement for the year ended March 31, 2024 (Contd..)

(n) Income taxes:

i) Current Tax:

Current tax is measured at the amount expected to be paid in respect of taxable income for the year in accordance with the Income Tax Act, 1961. Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. It is measured using tax rates enacted or substantively enacted at the reporting date.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Current tax assets and current tax liabilities are offset only if the Company has a legally enforceable right to set off the recognised amounts, and it intends to realise the asset and settle the liability on a net basis or simultaneously.

ii) Deferred Tax:

Deferred tax is provided using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements.

Deferred tax assets arising mainly on account of carry forward losses and unabsorbed depreciation under tax laws are recognised only if there is reasonable certainty of its realisation, supported by convincing evidence. Deferred tax assets on account of other temporary differences are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised.

Deferred tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted at the Balance Sheet date. Changes in deferred tax assets/liabilities on account of changes in enacted tax rates are given effect to in the standalone statement of profit and loss in the period of the change. The carrying amount of deferred tax assets are reviewed at each Balance Sheet date.

Deferred tax assets and deferred tax liabilities are off set when there is a legally enforceable right to set-off assets against liabilities

representing current tax and where the deferred tax assets and deferred tax liabilities relate to taxes on income levied by the same governing taxation laws.

(o) Borrowing costs:

Expenses related to borrowing cost are accounted using effective interest rate for liabilities designated as amortised cost. Borrowing costs are interest and other costs (including exchange differences relating to foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs) incurred in connection with the borrowing of funds. Borrowing costs directly attributable to acquisition or construction of an asset which necessarily take a substantial period of time to get ready for their intended use are capitalised as part of the cost of that asset. Other borrowing costs are recognised as an expense in the period in which they are incurred. Borrowing costs includes interest portion on lease liabilities, if any.

(p) Employee benefits:

Employee Benefit Expenses :-

- A. Short term employee benefit,
- B. Defined contribution Plan - Provident Fund and National Pension Scheme,
- C. Defined benefit plans Gratuity and
- D. Compensated absences.

A. Short-Term Employee Benefits:-

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as an expense during the period when the employees render the services.

B. Defined Contribution Plans:-

The Company recognises contribution payable to the provident fund and national pension scheme as an expense, when an employee renders the related service. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognised as a liability. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognised as an asset to the extent that the pre-payment will lead to a reduction in future payment or a cash refund.

C. Defined Benefit Plans:-

The Company pays gratuity to the employees who have completed five years of service

Note 1: Significant Accounting Policies and Notes to Accounts forming part of financial Statement for the year ended March 31, 2024 (Contd..)

with the Company at the time of resignation/ superannuation. The gratuity is paid @15 days basic salary for every completed year of service as per the Payment of Gratuity Act, 1972. The liability in respect of gratuity and other post-employment benefits is calculated using the Projected Unit Credit Method and spread over the period during which the benefit is expected to be derived from employees' services. Remeasurement gains and losses arising from adjustments and changes in actuarial assumptions are recognised in the period in which they occur in Other Comprehensive Income.

D. Compensated absences :-

Privilege leave entitlements are recognised as a liability as per the rules of the Company. The liability for accumulated leaves which can be availed and/or encashed at any time during the tenure of employment is recognised using the projected unit credit method at the actuarially determined value by an appointed actuary.

Disclosures in respect of above, if any, are provided as per the requirement of the local law.

(q) Share Based Payments:

Stock options are granted to eligible employees (including senior executives) of the company and its subsidiaries who may receive remuneration in the form of share-based payments, whereby employees renders the services as consideration for equity instruments (equity-settled transactions). The cost of equity-settled transactions is determined by the fair value at the grant date using an appropriate valuation model. The difference between fair value of the options and price paid is treated as discount and accounted for over the vesting period. The amount is recognized as employee benefits expense with a corresponding increase in share-based payment (SBP) reserves in other equity, spread over the year in which the performance and/or service conditions are fulfilled. If a grant lapses after the vesting period, the cumulative discount recognised as expense in respect of such grant is transferred to retained earnings. The share-based payment equivalent to the fair value as on the date of

grant of employee stock options granted to key managerial personnel is disclosed as a related party transaction in the year of grant and till it is actually exercised. The Company has a policy to reimburse the share-based payment expenses pertaining to employees who are on the payroll of the respective subsidiary companies except in case of whole-time directors.

The dilutive effect of outstanding options is reflected as additional share dilution in the computation of diluted earnings per share.

(r) Earnings per share:

Basic earnings per share is calculated by dividing the net profit / (loss) for the year attributable to equity shareholders (after deducting preference dividends and attributable taxes) by weighted average number of equity shares outstanding during the year. For the purpose of calculating diluted earnings per share, the net profit / (loss) for the year attributable to equity shareholders and the weighted average numbers of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted at the beginning of the year and not issued at a later date.

In computing the diluted EPS, potential equity shares that either increase earnings per share or decrease loss per equity share, being anti-dilutive are ignored.

(s) Segment Reporting Policies:

An operating segment is an identifiable component/business activity, results of which and allocation of resources are distinctly reviewed by chief operating decision maker and for which discrete financial information is available.

(t) Statement of Cash flow:

Cash Flows of the Group are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing Cash Flows. The cash flows from operating, investing and financing activities of the Company are segregated.

B. Fair value Measurement

All assets and liabilities for which the fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 – Inputs are quoted (unadjusted) market prices in active markets for identical assets or liabilities that the entity can access at the measurement date.

Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement are (other than quoted prices) included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

There are no transfers during the year in level 1, 2 and 3. The Company policy is to recognize transfers into and transfers out of fair value hierarchy level as at the end of reporting period.

C. Financial risk management

Risk management framework

The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The Company's risk management policies are established to identify and analyze the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

The Company has exposure to the following risks arising from financial instruments:

1. Credit risk
2. Liquidity risk and
3. Market risk

1. Credit risk

Credit risk is the risk that a customer or counterparty to a financial instrument will fail to perform or pay amounts due to the Company causing financial loss. It arises from cash and cash equivalents, deposits with banks and financial institutions, security deposits, loans given and principally from credit exposures to customers relating to outstanding receivables. The Company's maximum exposure to credit risk is limited to the carrying amount of financial assets recognized at reporting date. The Company continuously monitors defaults of customers and other counterparties, identified either individually or by the Company, and incorporates this information into its credit risk controls. Where available at reasonable cost, external credit ratings and/or reports on customers and other counterparties are obtained and used. The Company's policy is to deal only with creditworthy counterparties.

In respect of trade and other receivables, the Company is not exposed to any significant credit risk exposure to any single counterparty or any company of counterparties having similar characteristics. Trade receivables consist of a large number of customers in various geographical areas. The Company has no history of customer default, and considers the credit quality of trade receivables that are not past due or impaired to be good. The credit risk for cash and cash equivalents, mutual funds, bank deposits, loans and derivative financial instruments is considered negligible, since the counterparties are reputable organizations with high quality external credit ratings. Company provides for expected credit losses on financial assets by assessing individual financial instruments for expectation of any credit losses. Since the assets have very low credit risk, and are for varied natures and purpose, there is no trend that the company can draw to apply consistently to entire population. For such financial assets, the Company's policy is to provide for 12 month expected credit losses upon initial recognition and provides for lifetime expected credit losses upon significant increase in credit risk. The Company does not have any expected loss based impairment recognized on such assets considering their low credit risk nature, though incurred loss provisions, if any, are disclosed under each sub-category of such financial assets.

 Notice of the 15th Annual General Meeting (Contd..)

JUSTIFICATION FOR WHY THE PROPOSED TRANSACTIONS ARE IN THE INTEREST OF THE LISTED ENTITY

Proposed transactions are of following nature;

- Loans received / given.
- Debt securities issued and redeemed.
- Purchase and sale of financial instruments.
- Purchase and sale of goods.

Loan received and loan given are transactions that take the form of a revolving loan facility, which is payable on demand and carries an interest rate benchmarked to prevailing market rates for similar transactions.

Debt securities issued are in the nature of borrowings either at fixed rate of interest or coupon is linked to market rate of defined underlying asset. These are for specific period and redeemable as per the agreed time period.

Purchase and sale of financial instruments relate to buying and selling of government securities. It carries fixed rate of interest and has no risk of default.

Purchase and sale of goods are for buying and selling of commodities from the group entities.

These transactions within our group are designed to optimize our working capital, mitigate risk, capitalize on strategic opportunities, and enhance transparency and efficiency. It allows the Company to leverage the resources and capabilities of other group companies. We want to assure you that each transaction has been carefully assessed to align with our commitment to protecting stakeholder's interest and the capital of the company. These reasons are explained in detail as below:

Efficient Working Capital Management: One of the key reasons is to efficiently manage working capital needs across our various segments of the business. Our group companies have demonstrated financial stability and strong net worth, making borrowing and trading transactions inherently low risk. Furthermore, we have a uniform and predetermined risk strategy that ensures capital protection. Clear terms and conditions have been meticulously defined for all type of transactions, ensuring that our interest is safeguarded. Further, as part of treasury management and to meet short term requirements, the Company enters in to intragroup lending, borrowing and trading transactions as and when required.

Risk Mitigation through diversification: Spreading our financial resources across group entities is a strategic risk mitigation approach. This practice helps reduce the concentration risk associated with a single business or subsidiary. By diversifying different transactions across multiple subsidiaries, we not only manage risk effectively but also enhance our resilience in the face of economic uncertainties. It allows companies to leverage the resources and capabilities of other group members.

Strategic Opportunity Utilization: Intra-group transactions provides us with the flexibility to seize strategic opportunities within the group. When such opportunities arise, we can act swiftly, thereby maximizing returns for the group as a whole. This approach aligns with our commitment to delivering value to our shareholders.

Enhanced Transparency and Risk Management: We are committed to upholding the highest standards of transparency and risk management. Clear policies and procedures have been established for lending and borrowings within the group, ensuring that every transaction is conducted with prudence and adherence to our risk mitigation strategies.

Cost and Time Efficiency: In addition to risk considerations, intra-group transactions also offers cost and time efficiencies. By borrowing from within the group, we reduce one-time processing costs associated with external loans. Moreover, the streamlined process allows us to capitalize on time sensitive opportunities effectively.

Notice of the 15th Annual General Meeting (Contd..)

Explanatory Statement Under Section 102 of the Companies act, 2013

As required by Section 102 of the Companies Act, 2013 ("Act") and Regulation 37(5) of SEBI (Listing Obligations and Disclosure Requirement) Regulations, 2015, the following explanatory statement sets out all material facts relating to the business mentioned under Item Nos. 3 to 9 of the accompanying Notice:

Item No. 3 & 4:

M/s. D G M S & Co. (Firm Registration 0112187W) Chartered Accountants, Mumbai were the Statutory Auditors of the Company from financial year 2020-2025 of the Company i.e. since 12th Annual General Meeting till 16th Annual General Meeting (AGM). Pursuant to the provisions of Section 139(2) of the Companies Act, 2013, (the "Act"), read with applicable Rules framed thereunder, the term of M/s. D G M S & Co. Statutory Auditors, expires at the conclusion of the AGM to be held in the year 2026. However, due to their pre-occupation, they have resigned from the position of Statutory Auditors of the Company vide their letter dated May 14, 2024, resulting into a casual vacancy in the office of Statutory Auditors of the Company as envisaged by section 139(8) of the Companies Act, 2013. The Board of Directors placed on record their appreciation for the services rendered by M/s. D G M S & Co. (Firm Registration 0112187W) Chartered Accountants, Mumbai.

The Board of Directors of the Company has, based on the recommendation of the Audit Committee, at its meeting held on May 29, 2024, appointed M/s. C N K & Associates LLP, Chartered Accountants, Mumbai, (Firm Registration No.: 101961W/W100036), as Statutory Auditors of the Company to fill the casual vacancy caused by resignation of M/s. D G M S & Co. to hold office till the conclusion of this AGM subject to the approval of the members. Hence an Ordinary Resolution at serial number 3 of the accompanying notice is proposed.

The Board at its meeting held on May 29, 2024 has also based upon the recommendation of the Audit Committee proposed the appointment of M/s. C N K & Associates LLP, Chartered Accountants, Mumbai, (Firm Registration No.: 101961W/W100036), as Statutory Auditors of the Company for a term of five consecutive years, to hold office from the conclusion of this AGM till the conclusion of 20th AGM to be held in the year 2029 subject to approval of members of the Company. Hence the Ordinary Resolution at serial number 4 of the accompanying notice is proposed.

M/s. C N K & Associates LLP, Chartered Accountants, Mumbai, (Firm Registration No.: 101961W/W100036), have consented to the aforesaid appointment and confirmed that their appointment, if made, will be in accordance with the provisions of the Section 139, 141 and other relevant provisions the Act and the Companies (Audit and Auditors) Rules, 2014 and that they are eligible and not disqualified to be appointed as Statutory Auditors.

The Directors recommend both the resolutions at serial numbers 3 and 4 of the accompanying notice for shareholders approval.

None of the Directors, Key Managerial Personnel of the Company or any of their respective relatives, are concerned or interested, financially or otherwise, in the above-mentioned resolutions.

Details as required under Regulations 36(5) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 are as under:

In recent past, the Company's and its group businesses has been thriving and group is expanding its footprint in multiple segments of the financial services sector, which calls for a firm with more resources with greater capacity and wider geographical presence to serve the volume, timing and complexity of current needs. Accordingly, the Board, on the recommendation of the Audit Committee approved the appointment of M/s. C N K & Associates LLP (Chartered Accountants) to fulfill casual vacancy at remuneration of ₹ 8,80,000 /- (Rupees Eight Lakhs Eighty Thousand Only) for financial year 2024-25 as agreed who were best suited based on the above factors.

The above is the reason for material change in fee structure of new Statutory Auditor and basis of recommendation for their appointment by the Audit Committee.

Item No. 5:

The Company may have to render support for the business requirements of its Subsidiary / Associate Companies or Joint Venture or Group Entity(ies) or any other person in whom any of the Director of the Company is deemed to be interested (collectively referred to as the "Entities"), from time to time. However, owing to certain restrictive provisions contained in Section 185 of the Companies Act, 2013 ('the Act'), the Company was unable to extend financial assistance by way of loan to such Entities.

The Board of Directors seek consent of the Members by way of a Special Resolution pursuant to Section 185 of the Act (as amended by the Companies (Amendment) Act, 2017 for making loan(s) or providing financial assistance or providing guarantee or securities in connection with the loans taken or to be taken by the Entities for the capital expenditure of the projects and/or working capital requirements including purchase of fixed assets as may be required from time to time for the expansion of its business activities and other matters connected and incidental thereon for their principal business activities.

The Members may note and rest assured that the Board of Directors would carefully evaluate proposals and provide such loan, guarantee or security through deployment of funds out of internal resources/accruals and/or any other appropriate sources, from time to time, only for principal business activities of such Entities.

Notice of the 15th Annual General Meeting (Contd..)

The Board of Directors recommend the resolution given in this Notice for your approval as a Special Resolution.

None of the Directors, Key Managerial Personnel of the Company or any of their relatives, are concerned or interested, financially or otherwise, in the above-mentioned resolution, except to the extent of their equity holdings and Directorships in the Company, if any.

Item No. 6 & 7:

Employee stock options play a substantial role in promoting the culture of employee and in attracting, retaining, motivating talented and loyal personnel by way of recognizing and rewarding them.

Therefore, the Company is intending to issue employee stock options under AHL Employee Stock Option Plan 2024 - ('AHL ESOP 2024') to the employees of the Company, whether existing or future, by enabling them to participate in the ownership of the Company.

(xvi) the method which the Company shall use to value its options or SARs

The Company shall adopt the Fair Value Method of accounting or any other method as per applicable Accounting Standards.

(xvii) period of lock-in.

The Equity Shares once acquired pursuant to Options would not be subject to any lock-in period and the concerned shareholder shall be free to transfer them at any time. For example, if an Option is granted to an Eligible Employee on 1st December 2023, and the Equity Shares are issued to the Option Holder on 1st January, 2024, then the concerned Shareholder would be free to transfer those shares at any time thereafter.

(xviii) Terms & conditions for buyback, if any, of specified securities covered under these regulations.

In case of any Corporate Action(s) as permitted under applicable laws, so as to ensure the fair and equitable benefits under AHL ESOP 2024 are passed on to the eligible employees.

In case the Company opts for expensing of share based employee benefits using the intrinsic value, the difference between the employee compensation cost so computed and the employee compensation cost that shall have been recognized if it had used the fair value, shall be disclosed in the Directors' Report and the impact of this difference on profits and on earnings per share ('EPS') of the company shall also be disclosed in the Directors' Report.

Directors / Key Managerial Personnel of the Company / their relatives who may be granted stock options under AHL ESOP 2024 may be deemed to be concerned or interested in the special resolutions set out in Item No. 6 and 7 of this Notice. Save as aforesaid, none of the Directors / Key Managerial Personnel of the Company / their relatives are, in any way, concerned or interested, financially or otherwise, in the said special resolutions.

Notice of the 15th Annual General Meeting (Contd..)

In terms of the Companies Act, 2013 and the SEBI (Share Based Employee Benefits and Sweat Equity) Regulations, 2021, the approval of the shareholders is sought by way of Special Resolution for AHL Employees' Stock Option Plan 2024.

The Board recommends the resolutions as set out at Item nos. 6 and 7 of this Notice for your approval by way of Special Resolution. None of the Directors of the Company, Key Managerial Personnel of the Company and their relatives are deemed to be concerned or interested, financially or otherwise, in these resolutions except to the extent of options that may be offered to them under AHL ESOP 2024.

Item No. 8:

Pursuant to Regulation 23 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (hereinafter called as "the Listing Regulations"), all Related Party Transactions

shall require prior approval of the Audit Committee and all material transactions with related parties shall require approval of the Members of the Company through a resolution and all related parties shall abstain from voting on such resolution. The definition of related party transactions now also includes those between the subsidiary of a listed entity on the one hand and its related parties on the other hand.

"Material Related Party Transaction" under the Listing Regulations means any transaction(s) entered into individually or taken together with previous transactions during a financial year exceeding 10% of the annual consolidated turnover of a company as per its last audited financial statements.

The Committee reviewed the Related Party Transactions to be carried during next one year, reviewed the brief nature of most of the recurring Material Related Party Transactions (tabulated below) and provided approval as per the Statement as follows:

Nature of Transactions	Service Provider / Lender	Service Recipient / Borrower	Rationale
Loans and Advances	Abans Finance Pvt Ltd, Abans Holdings Ltd & Abhishek Bansal	Other group companies	Abans Finance Pvt Ltd, as a high-net-worth NBFC, extends timely working capital advances to its group entities when they encounter favorable business opportunities. These advances are facilitated to empower the group's business ventures. AHL, functioning as the holding company, and Mr. Abhishek Bansal, the group's promoter, provide short-term loans to these entities to capitalize on business prospects. It's crucial to emphasize that the loan disbursement process for related parties mirrors that of external entities. This underscores our commitment to maintaining an arm's length transaction approach, ensuring fairness and transparency in financial dealings across all parties involved.
Interest Income	Abans Finance Pvt Ltd, Abans Holdings Ltd, Abhishek Bansal	Other group companies	Abans Finance Pvt Ltd, as a high-net-worth NBFC, extends timely working capital advances to its group entities when they encounter favorable business opportunities. Notice of the 15th Annual General Meeting (Contd..)

Nature of Transactions	Service Provider / Lender	Service Recipient / Borrower	Rationale
Interest Expense / Finance Cost on Debentures / Redemption Payout	Abans Finance Pvt Ltd, Abans Holdings Ltd, Abans Jewels Ltd, Abhishek Bansal, AIF (managed by Abans Alternative fund managers LLP IFSC/ Abans Holdings Ltd)	Other group companies	<p>As an NBFC, Abans Finance Pvt Ltd, along with Abans Holdings Ltd and Mr. Abhishek Bansal, strategically provides timely working capital advances to its group entities, aligning with their business growth opportunities. In reciprocation, these group companies pay interest expenses to the lending entities, subsequently recorded as interest income in the lender's financial records.</p> <p>The interest income earned by Abans Finance Pvt Ltd and Abans Holdings Ltd from their group entities is meticulously integrated into the consolidated financials of Abans Holdings Ltd. This integration occurs at prevailing interest rates, typically ranging from 10% to 12%, subject to potential revisions influenced by monetary policies and industry competition. Importantly, the lending rates are consistently maintained at arm's length, emphasizing fairness and adherence to industry standards.</p> <p>Furthermore, within the framework of related party transactions, the Abans Alternative Fund managed by Abans Alternative Fund Managers LLP/Abans Holdings Ltd strategically invests in Market Linked Debentures (MLD) issued by group companies. The issuer, in turn, accrues and pays coupons to the fund as per the terms of the MLD issue. This process is conducted at arm's length, with coupon rates varying based on prevailing market conditions, ensuring a transparent and equitable financial ecosystem.</p>
Purchase/Sale of financial instruments	Abans Finance Pvt Ltd	Other group Companies	Leveraging its expertise in money markets, Abans Finance Pvt Ltd secures competitive rates, providing a distinct advantage. When any group entity seeks to invest or liquidate Government Securities (GSec), the transactions are channeled through Abans Finance Pvt Ltd to capitalize on superior market rates. Crucially, these rates are meticulously determined based on the rates available on the NDS-OM platform maintained by the RBI, ensuring a transparent and arm's length transaction process.
Purchase/Sale of goods	Other group companies	Abans Broking Services Pvt Ltd, Abans Commodities (I) Pvt Ltd, Abans Securities Pvt Ltd	Intercompany purchases and sales can optimize the supply chain within a corporate group by streamlining the flow of goods between the group companies. This can lead to cost savings through economies of scale, centralized procurement, or sharing of resources. It allows the corporate group to efficiently utilize its resources and capabilities.
Issue / redemption of Debt Securities	Abans Finance Pvt Ltd, Abans Broking Services Pvt Ltd, Abans Securities Pvt Ltd, Abans Jewels Ltd	Group companies / Alternate Investment funds (AIF) managed by Abans Alternative Fund Managers LLP and Abans Holdings Ltd	<p>Group companies strategically issue diverse Market Linked Debentures (MLD), each tied to underlying indices, stocks, etc. These issuances are extended to Alternative Investment Funds (AIFs), and other group investee companies all conducted at arm's length to ensure fairness and transparency.</p> <p>Detailed entity-wise amounts are documented in a separate file, integral to the minutes, fostering a comprehensive understanding of the transactions. Notably, the issuer reserves the right to issue debentures at a discount, contingent upon prevailing market conditions. Furthermore, the redemption of debt securities aligns with their scheduled due dates, while the issuing company may facilitate early redemptions upon investor request, provided it aligns with suitable conditions. This approach exemplifies our commitment to conducting related party transactions with prudence and in accordance with industry standards.</p>
