Independent Auditor's Review Report on Review of Interim Standalone Financial Results

To The Board of Directors of Wanbury Limited

- We have reviewed the accompanying statement of unaudited standalone financial results of WANBURY LIMITED ("the Company") for the quarter and nine months ended 31 December 2024 ("the Statement"), being submitted by the Company pursuant to the requirement of Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations").
- 2. This Statement, which is the responsibility of the Company's Management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial reporting" ("Ind-AS 34"), prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. Our responsibility is to issue a report on the statement based on our review.
- 3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

### 4. Material Uncertainty Related to Going Concern

The Company has been generating profits and its net-worth has turned positive during the current period. However, its current liabilities exceeds its current assets. The Company has raised funds from time to time and has initiated various measures, including restructuring and realignment of debts/business and is confident in its ability to meet liabilities as they become due. Hence, the financial statements have been prepared on a going concern basis.

Our conclusion on the Statement is not modified in respect of this matter.

5. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement prepared in accordance with applicable Indian Accounting Standards and other recognised accounting practices and policies generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

### CHARTERED ACCOUNTANTS

- 6. We have not audited or reviewed the comparative standalone financial information appearing in the statement of the corresponding quarter and nine months ended 31 December 2023 and financial results for the year ended 31 March 2024.
  - a) The standalone financial information of the Company for the corresponding quarter and nine months ended 31 December 2023 were reviewed by previous statutory auditors who issued their qualified conclusion, vide their report dated 24 January 2024.
  - b) The standalone financial information of the Company for year ended 31 March 2024 were audited by previous statutory auditors who issued their unmodified opinion, vide their report dated 16 May 2024.
