To  
The Board of Directors  
Nilachal Refractories Limited  
P-598/599, Kedarnath Apartment  
Mahabir Nagar Lewis Road  
Khordha, Bhubneswar,  
Orissa- 751002

1. We have reviewed the accompanying Statement of Unaudited Ind AS Financial Results of **Nilachal Refractories Limited** ("the Company") for the quarter ended December 31, 2024 and Year to date results for the period from 1<sup>st</sup> April, 2024 to 31<sup>st</sup> December, 2024 ("the statement"), attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").
2. The preparation of the statement in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" as prescribed under section 133 of Companies Act, 2013 read with Rule 3 of Companies (Indian accounting Standards) Rules, 2015, as amended, read with the Circular is the responsibility of the Company's management and has been approved by the Board of Directors of the Company in its meeting held on 6th February, 2025. Our responsibility is to issue a report on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. (a) The Company continues not to assess impairment of carrying value of tangible assets of Rs 336.23 Lacs and Capital work in progress (CWIP) of Rs. 2873.15 Lacs in accordance with requirements of Indian Accounting Standard 36 on "Impairment of Assets". Moreover, there is no capitalisation from CWIP since 31.03.2014  
(b) Employee Retirement benefits are accounted for in the books on the basis as prescribed for in the relevant Act, and not on the basis of actuarial valuation as required under Indian Accounting Standard (Ind AS) 19 issued by the Institute of Chartered Accountants of India and the liability is also not funded.  
(c) The company had issued two kind of redeemable preference shares a) 11% Redeemable Cumulative preference shares of Rs 100/- each fully paid up and b) 0% Redeemable Preference Shares of Rs. 100/-each fully paid up.
  - i. 11% preference shares were due for redemption on or before September 2000 but the same has not been redeemed and continues to be disclosed as such which is not in accordance with Indian Accounting Standard (Ind AS) 32-Financial Instrument. As per terms of issue the company was required to account for dividend payable to the

preference shareholders since the same has not been redeemed upto the year under review. As per terms of issue the company was required to account for borrowing cost of Rs. 0.41 Lacs for the quarter ended 31<sup>st</sup> December, 2024 and Rs. 1.23 Lacs cumulatively for the 9 months ended on 31<sup>st</sup> December 2024 since the same has not been redeemed upto the period under review. Moreover, the company should have accounted for the accumulated cumulative dividend on preference shares upto 31.03.2024 amounting to Rs 71.73 Lacs which remains unaccounted.

- ii. In respect of 0% Redeemable Preference Share of Rs. 100/- each the company was required to redeem the same at 10% premium upto a passage of 36 months from the date of issue and in addition pay a premium of Rs 10/ for every completed financial year after passage of 36 months from the date of issue till the redemption of preference share. Accordingly, the company should have accounted for a cumulative premium payable on redemption of preference shares upto 31.03.2024 amounting to Rs 2383.75 lacs.

**5. Material Uncertainty Related to Going Concern**

We draw attention to Note No. 5 of the Statement, regarding preparation of Statements on Going Concern basis for the reasons stated therein. The Company has incurred a net loss of Rs.208.24 Lakhs during the Nine Months ended on December 31, 2024 and as of that date, total liabilities exceed its total assets leading to a negative net worth of Rs. 800.37 Lacs. The Company continues to incur losses and there is considerable decline in the level of operations.

These events or conditions as set forth herein above, indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern.

We have not performed any audit and accordingly, we do not express an audit opinion.

6. Based on our review conducted as mentioned in paragraph 3 above and subject to the possible effects of the matters described in paragraph 4 and 5 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the applicable Indian Accounting Standards ("Ind As") specified under Section 133 of the Companies Act,2013, read with relevant rules issued thereunder and other recognized accounting practices and policies, has not disclosed the information required to be disclosed in terms of the Listing Regulations including the manner in which it is to be disclosed or that it contains any material misstatement.
