Dividend Receivable Rs 17427.59 lakhs from foreign associate company IPF Netherlands BV was declared and recognised in income during the year 2021-22 and is pending due to shortage of cash flow due to increase in the energy cost in Europe, lower base of sales and production volume, increase in production cost, increase in overheads and the declining of the demand due to the ongoing crises in Europe. In the opinion of the management, the amount is good and recoverable and no provision is required to be made in the books of accounts although there is delay in receipt of amount due to unfavourable conditions.

Quarter of the Financial Year. By order of the Board
