Dynacons Systems & Solutions Limited, Re-Appraised at Capability Maturity Model Integration (CMMI)-SVC V3.0 Maturity Level 5.

Mumbai, India, October 15, 2024

Dynacons Systems & Solutions Ltd (Dynacons), a leading provider of Technology Solutions, is proud to announce that it has successfully attained the ISACA's Capability Maturity Model Integration (CMMI)-SVC V3.0 Maturity Level 5 appraisal. CMMI is a process improvement approach that provides organization with the essential elements of effective processes that ultimately improve their performance. This prestigious recognition underscores our commitment to excellence, innovation, and continuous improvement in delivering high-quality solutions to our clients.

CMMI is a proven, outcome-based performance model and the globally accepted standard for improving capability, optimizing business performance and aligning operations to business goals. Achieving this level means Dynacons has successfully demonstrated an exceptional ability to measure, manage, and improve its processes across a wide range of technology solutions and services, further enhancing its ability to deliver consistent, high-quality outcomes for clients

This achievement positions Dynacons as a trusted partner for organizations seeking to implement mature and high-performance IT solutions across various sectors. It also strengthens the company's ability to meet the growing demands of its clients by continuously enhancing service delivery through advanced methodologies and innovations in Automation and AI.

"Organizations worldwide are harnessing CMMI to elevate their business performance to new heights, creating a sustainable competitive advantage in the process" says Ron Lear, Senior Director, CMMI Program. "We commend Dynacons Systems & Solutions Limited on achieving this CMMI appraisal level and demonstrating their ability as a high-performing organization."
