NOTES

1. The relevant details, pursuant to Regulations 36(3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations") and Secretarial Standard on General Meetings issued by the Institute of Company Secretaries of India, in respect of Director seeking re-appointment at this AGM are also annexed to this Notice.

2. A member entitled to attend and vote at the Meeting is entitled to appoint a proxy to attend and vote instead of himself and the proxy need not be member of the Company. A person can act as proxy on behalf of members not exceeding fifty (50) and holding in the aggregate not more than ten percent of the total share capital of the Company. A member holding more than ten per cent of the total share capital of the Company carrying voting rights may appoint a single person as proxy and such person shall not act as a proxy for any other person or share holder.

3. Corporate Members intending to send their authorized representatives to attend the meeting are requested to send a certified copy of the Board Resolution to the Company, authorizing their representative to attend and vote on their behalf at the meeting.

4. Explanatory Statement setting out material facts pursuant to section 102(1) of the Act, which sets out details relating to Special Business to be transacted at the Meeting, is appended hereto. Additional information, pursuant to the Listing Regulations, is also provided in the Explanatory Statement.

5. The instrument appointing the proxy, duly completed, must be deposited at the Registered Office of the Company not less than 48 hours before the commencement of the meeting. A proxy form for the AGM is enclosed.

6. During the period beginning 24 hours before the time fixed for the commencement of the AGM and until the conclusion of the meeting, a member would be entitled to inspect the proxies lodged during the business hours of the Company, provided that not less than three days of notice in writing is given to the Company.

7. Members/Proxies/authorized representatives should bring the duly filled attendance slip sent herewith to attend the Meeting.

8. In case of joint holders attending the meeting, only such joint holder who is higher in the order of names will be entitled to vote.

9. The Register of Directors and Key Managerial Personnel and their shareholding maintained under Section 170 of the Companies Act, 2013 ('the ACT'), and the Register of Contracts or Arrangements in which the Directors are interested, maintained under Section 189 of the Act, will be available for inspection by the members at the AGM.

10. Members seeking any information with respect to financials or any information are requested to write to the Company at the earliest so as to enable the Company to provide appropriate reply.

11. The Board of Directors have recommended a final dividend of Rs. 1 per equity share (10% on face value of Rs.10 each) for the financial year ended 31.03.2024. The record date for the purpose of determining the shareholders who are entitled to dividend is fixed as 10th September, 2024. If the final dividend, as recommended by the Board of Directors, is approved at the AGM, payment of such dividend is subject to deduction of tax at source and will be made on or after September 25, 2024, as under:

a) To all Beneficial Owners in respect of shares held in dematerialized form as per the data made available by National Securities Depository Limited ("NSDL") and Central Depository Services (India) Limited ("CDSL"), collectively "Depositories" as on September 10, 2024.

NATIONAL PLASTIC TECHNOLOGIES LTD

b) To all Members in respect of shares held in physical form after giving effect to valid transmission or transposition requests lodged with the Company as on September 10, 2024.

Final dividend, if approved by the Members, will be directly credited to the Bank accounts of the shareholders holding shares as on Record Date i.e. September 10, 2024 as per the details available with the Company. In case of shareholders who have not updated their Bank account details, demand drafts will be sent to them in due course. To avoid delay in receiving dividend, Members are requested to update their KYC with their depositories (where shares are held in demat mode) and with the Company's Registrar & Share Transfer Agents ("RTA") (where shares are held in physical mode) to receive dividend directly into their bank account.

12. In order to receive dividend/s in a timely manner, Members holding shares in physical form who have not updated their mandate for receiving the dividends directly in their bank accounts through Electronic Clearing Service or any other means ("Electronic Bank Mandate"), can register their Electronic Bank Mandate to receive dividends directly into their bank account electronically or any other means, by sending scanned copy of the following details / documents by email to reach the company's email ID contact@nationalgroup.in or the email ID of RTA cameo@cameoindia.com.

a. Signed request letter mentioning your name, folio number, complete address and following details relating to bank account in which the dividend is to be received:

Risk Management Policy

The Company has developed and implemented Risk Management Policy. The Policy framework enables the Company to identify and evaluate risks, appropriately rate these risks and grade the same in accordance with their potential impact and likelihood. The two key components of risks are the probability (likelihood) of occurrence and the impact (consequence) of occurrence, if the risk occurs. Risk is analysed by combining estimates of probability and impact in the context of existing control measures. This framework seeks to create transparency, minimize adverse impact on

NATIONAL PLASTIC TECHNOLOGIES LTD

business objective and enhance the Company's competitive advantage. The risk framework defines the risk management approach across the Company at various levels including documentation and reporting.

The various key risks to business objectives as follows:

Liquidity Risk: It is the risk that the Company will be unable to meet its financial commitment to a Bank/Financial Institution in any location, any currency at any point in time. Liquidity risk can manifest in three different dimensions for the Company.

Funding Risk: To replace net outflows due to unanticipated outflow.

Time Risk: To compensate for non-receipt of expected inflow of funds.

Call Risk: Due to crystallization of contingent liabilities or inability to undertake profitable business opportunities when desirable.

Interest Rate Risk: It is the risk where changes in market interest rates might adversely affect the Company's financial condition. The short term/immediate impact of changes in interest rates are on the Company's Finance Cost. On a longer term, changes in interest rates impact the cash flows on the assets, liabilities and off-balance sheet items, giving risk to the net worth of the Company arising out of all repricing mismatches and other interest rate sensitive positions.

Board Evaluation

The Directors appointed on the Board are from diverse fields with considerable experience in their fields for decades. Non-Executive Director(s) add substantial value through the deliberations at the Meetings of the Board and Committees thereof. Management Discussion and Analysis Report

The Management Discussion and Analysis Report sets out developments in the business environment and the Company's performance. The analysis supplements the Board's Report, which forms part of this Annual Report.

Economy Overview

The Indian Economy has grown by 8.20% in fy 2023-24 and registered one of the best growth rates in recent years despite challenging external environment. India is enjoying very stable macro economic conditions which enables us to grow at very healthy rates over the next few years. Various sectors of the economy have also registered a healthy growth last year as a result of increased GDP growth.

Plastics Industry Scenario and Development

The plastics industry in India has become one of the prominent Industry in the nation's economy, containing of over 30,000 companies & employing more than 4 Mn people. India is also one of the world's best exporters of plastics products. The country produces & exports a range of raw materials, laminates, electronic equipment, medical ware & consumer goods.

Indian plastics industry also delivers plastic materials to many other industries such as automotive, consumer durables, packaging & electronics. Over the past few decades, the demand for Plastic has increased by over 8 percent yearly. A similar growth rate is anticipated to continue for the foreseeable future, as the per capita consumption of plastics will certainly increase due to the use of plastic in more & more segments, opening new markets & substituting traditional materials. Meanwhile, major investments are also estimated in the Indian plastics industry during the next few years, owing to its rapidly expanding market size. The plastic industry in India is one of the fastest rising segments which is estimated to rise further owing to increasing demand for inexpensive packaging.

India exports plastic to more than 200 countries in the world. The top five consumer and houseware product importing countries are the USA, Germany Japan, the UK, and France. India largely exports plastic and related products to the USA, China, the UAE, the UK, Germany, Italy, Bangladesh, etc. The Plastic Export Promotion Council (PLEXCONCIL) has set a target to increase the plastic exports of the country to US\$ 25 billion by 2027. There are multiple plastic parks that are being set up in the country in a phased manner that will help improve the plastic manufacturing outputs of the country. Under the plastic park schemes, the Government of India provides funds of up to 50% of the project costs or a ceiling cost of Rs. 40 crore (US\$ 5 million) per project.

The Indian Consumer Durable Industry

The consumer durable industry in India is one of the major growth industry. By 2025, India will be the fifth-largest consumer durables market. The demand for a wide range of consumer durable goods is growing as a result of the ongoing increase in disposable income and technological innovation in India. This in turn is fueling fierce competition among the various consumer durable brands that are available across the country. India is viewed by multinational organizations as one of the primary markets from which future growth is likely to originate. With robust growth, India aims to achieve electronics manufacturing worth US\$ 300 billion and electronics exports of US\$ 120 billion by FY26.

The Indian appliances and consumer electronics industry stood at US\$ 9.84 billion in 2021 and is expected to more than double to reach Rs. 1.48 lakh crore (US\$ 21.18 billion) by 2025. The consumer durables industry in 2024 is poised to thrive by staying premium and sustainable. Industry leaders and experts emphasise that premium, feature-led products, incorporating cutting-edge technology

NATIONAL PLASTIC TECHNOLOGIES LTD

and sustainability, will be the key growth drivers. Consumers are increasingly drawn to products that are manufactured locally, aligning with the 'Make in India' initiative. Brands are responding to this demand in a competitive industry, working towards delivering products that not only meet but exceed customer expectations.

The Indian Auto Component Industry

The auto component industry is expected to grow to \$ 200 billion by 2026. With a 20.1% contribution to the manufacturing GDP, the automotive sector is a top driver of macroeconomic growth and technological development in the country. India has become the fastest-growing economy in the world in recent years. This fast growth, coupled with rising incomes, a boost in infrastructure spending and increased manufacturing incentives, has accelerated the automobile industry. The two-wheeler segment dominated the automobile industry because of the Indian middle class, with automobile sales standing at 23.85 million units in FY24. Significant demand for automobiles also led to the emergence of more original equipment and auto components manufacturers. As a result, India developed expertise in automobiles and auto components, which helped boost international demand for Indian automobiles and auto components. The Indian automobile industry has a considerable impact on the auto component industry. India's auto component industry is an important sector driving macroeconomic growth and employment. The industry comprises players of all sizes, from large corporations to micro entities, spread across clusters throughout the country. The auto components industry accounted for 2.3% of India's GDP and provided direct employment to more than 1.5 million people. By 2026, the automobile component sector will contribute 5-7% of India's GDP.

Company Overview & State of Affairs

During the year 2023-24, the Company has posted a very healthy revenue and profit growth despite several challenges like rising interest rates, competition, volatility in commodity prices, etc. The Company expects growth to continue over the next few years. Usage of plastic products in Automotive and Consumer Durable industries is rising due to its advantages in designing, cost reduction, and weight reduction. Further, the Industry itself is growing at a good pace thus creating opportunities for the Company. The Company is predominantly into manufacture of products for Automotive and Consumer Durable industries and is already a major supplier of plastic products to the above mentioned industries. Also, the rising adoption of EVs presents a great opportunity for the Company to increase its volume and provide value added products to the EV manufacturers especially, the two wheeler manufacturers. The Company has already started supplies for EVs to two wheeler manufacturers and expects to grow in this segment over the next few years. The Company is well positioned to capitalize on the opportunities over the next few years.

Opportunities and Threats

While increasing demand is an opportunity for the Industry, increased competition in the processing sector, volatility on commodity prices, increasing costs, change in Government regulations and fragmented nature of the plastic processing units are a threat to the Company. However, with multiple barriers to entry, the company, being an organized player, is well placed to outpace competition.

Business Outlook

Current low per capita consumption level of plastic products as compared to developed countries suggests that India offers a huge opportunity over long term. Company has ample opportunities to grow by producing more products to meet the demand and achieve growth.

NATIONAL PLASTIC TECHNOLOGIES LTD

INDEPENDENT AUDITOR'S REPORT FOR THE YEAR ENDED 31ST MARCH, 2024

To the Members of

M/s National Plastic Technologies Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the Standalone financial statements of National Plastic Technologies Limited ("the Company"), which comprise the balance sheet as at 31st March 2024, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of changes in Equity and Statement of Cash Flows for the year then ended, and notes to the Standalone financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone financial statements give the information required by the Companies Act, 2013("Act") in the manner so required and give a true and fair view in conformity with Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, and profit, Other total Comprehensive Income, Changes in Equity and Cash Flows for the year ended on that date

Basic for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Standalone financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matter described below to be the key audit matter to be communicated in our report:

NATIONAL PLASTIC TECHNOLOGIES LTD

key audit matter description	our response
<p>1. accounting for discounts, incentives and Volume rebates</p> <p>Refer to Note 2.8 (Material Accounting Policies), Note 2.9 (Revenue recognised & related disclosures) to the Ind-AS financial statements.</p> <p>Revenue is measured net of discounts, incentives and volume rebates earned by customers on the sale of the Company's products.</p> <p>The Company makes estimates of discounts, incentives and volume rebates on sales made during the year, which is considered to be material and involves a significant amount of complexity and judgement.</p> <p>Therefore, there is a significant risk of errors in arriving at discounts, incentives and volume rebates which may be material.</p>	<p>Our principal procedures included:</p> <ul style="list-style-type: none"> Assessing the Company's revenue recognition policies, including those related to discounts, incentives and volume rebates by comparing with the applicable Ind AS. Evaluating the design and implementation and testing the operating effectiveness of controls over recognition and measurement criteria and adequacy of discounts, incentives and volume rebates. Comparing the discounts, incentives and volume rebates with the prior year and, where relevant, performed further inquiries and testing. We reconciled a sample of discounts, incentives and volume rebate accruals to supporting documentation and assessed the appropriateness of the judgements applied, if any, including the methodology and inputs used in computing the values. We also assessed as to whether these discounts, incentives and volume rebates were appropriately accounted for in the financial statements.

Information Other than the Standalone financial statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management and Discussion Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information but does not include the Standalone financial statements and our auditor's report thereon.

Our opinion on the Standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the Standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone financial statements.

The Company's Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This

NATIONAL PLASTIC TECHNOLOGIES LTD

responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone financial statements

Our objectives are to obtain reasonable assurance about whether the Standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or override of internal control
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

NATIONAL PLASTIC TECHNOLOGIES LTD

- Evaluate the overall presentation, structure, and content of the Standalone financial statements, including the disclosures, and whether the Standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication..

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure A statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

Annexure A to Independent Auditors' Report

The Annexure referred to in paragraph 1 'Report on Other Legal and Regulatory Requirements' in our Independent Auditors Report to the members of the Company on the Standalone Financial Statements for the year ended 31st March, 2024.

Statement on matters specified in paragraphs 3 & 4 of the Companies (Auditor's Report) order, 2020:

(I) a) A) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.

B) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company has maintained proper records showing full particulars of Intangible assets.

b) The Company has a regular program of physically verifying all the Property, Plant and Equipment at its plants / offices in a phased manner over a period of 3 years, which in our opinion is reasonable having regard to the size of the company and the nature of its assets. No material discrepancies as compared to book records were noticed on such verification.

c) According to the information and explanations given to us and the records of the Company examined by us, the title deeds of the immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) are held in the name of the Company.

d) The Company has not revalued its Property, Plant and Equipment (including Right of use assets) or intangible assets during the year ended March 31, 2024.

e) According to the information and explanation given to us and the records of the Company examined by us, there are no proceedings initiated or are pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.

(ii) a) As informed to us, the management has conducted physical verification of inventory [including inventory lying with third parties] at reasonable intervals during the year. In our opinion the coverage and the procedure of such verification by the management is appropriate. Discrepancies noticed on such physical verification, were less than 10% in aggregate for each class of inventory and have been properly dealt with in the books of account.

b) According to the information and explanations given to us and the records of the Company examined by us, the Company has been sanctioned working capital limits in excess of INR five crores in aggregate from banks during the year on the basis of security of current assets of the Company. The quarterly returns filed by the Company with such banks are in agreement with the unaudited books of accounts of the Company of the respective quarters and the difference, if any, is on account of explainable items and not material in nature.

(iii) a) According to the information and explanations given to us and the records of the Company examined by us, during the year, the Company:

i. Has not made investments in Companies.

ii. Has not made investments in firms, Limited Liability Partnerships or any other parties.

iii. Has not provided loans, advances in the nature of loans and security to companies, firms, Limited Liability Partnerships or any other parties. Therefore, the requirement to report under clauses (iii) (b) to (f) of para 3 of the Order are not applicable to the Company.

NATIONAL PLASTIC TECHNOLOGIES LTD

b) According to the information and explanations given to us and the records of the Company examined by us, the investments made are not prejudicial to the Company's interest.

(iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of sections 185 and 186 of the Companies Act, 2013 in respect of Investments made and Guarantee given, if any. The Company has not granted any loan or provided securities during the year.

(v) According to the information and explanation given to us and the records of the Company examined by us, the Company has neither accepted any deposits from the public nor accepted any amounts which are deemed to be deposits within the meaning of sections 73 to 76 of the Companies Act and the rules made thereunder, to the extent applicable. Therefore, the clause (v) of para 3 of the order is not applicable to the Company.

(vi) According to the information and explanation given to us, the Central Government has not prescribed the maintenance of cost records under Section 148(1) of the Act in respect of products manufactured by the Company.

(vii) (a) According to the information and explanations given to us and based on the records of the Company examined by us, in our opinion, the Company is generally regular in depositing undisputed statutory dues payable including Provident Fund, Employees' State Insurance, Income Tax, Goods and Services Tax, Customs duty and Cess and other material statutory dues as applicable to the Company with the appropriate authorities. According to the information and explanations given to us, no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income Tax, Goods and Services Tax, Customs duty and Cess were in arrears as at 31st March 2024 for a period of more than six months from the date they became payable.

(b) According to the information and explanations given to us there are no dues outstanding of Provident Fund, Employees' State Insurance, Income Tax, Goods and Services Tax, Customs duty and Cess on account of any dispute other than the following :

Name of Statute	Nature of dues	FY to which the amount relates	Amount involve (Rs in Lakhs)	Amount Paid (Rs in lakhs)	Amount unpaid (Rs in Lakhs)	Forum where dispute is pending
HPVAT	Difference of tax rate	2014-15 2015-16	10.44	2.00	8.44	Himachal Pradesh Tax Tribunal

(viii) According to the information and explanations given to us and based on the records, the Company has not surrendered or disclosed any transaction, previously unrecorded in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year. Accordingly, the requirement to report on Clause 3(viii) of the Order is not applicable to the Company.

(ix) On the basis of verification of records, on an overall examination of the financial statements of the Company and according to the information and explanations given to us,

- a) The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.
- b) The Company is not declared willful defaulter by any bank or financial institution or other lender.
- c) The term loans were applied for the purpose for which the loans were obtained.
- d) According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the financial statements of the Company, the Company has not utilized funds raised on short-term basis for long-term purposes.

NATIONAL PLASTIC TECHNOLOGIES LTD

- e) According to the information and explanation given to us and on overall examination of the financial statements of the Company, the Company has not taken funds from any entities and persons on account to meet the obligations of its subsidiaries or associates.
- f) According to the information and explanations given to us and based on the records of the Company examined by us, the Company has not raised loans during the year on the pledge of securities held in its subsidiaries or associate companies. Hence, the requirement to report on clause (ix)(f) of the Order is not applicable to the Company.
- (x) a) According to the information and explanations given to us and based on the records, the Company has not raised any money during the year by way of initial public offer or further public offer (including debt instruments) hence, the requirement to report on clause 3(x)(a) of the Order is not applicable to the Company.
 - b) According to the information and explanations given to us and based on the records, the Company has not made any preferential allotment or private placement of shares or fully or partially or optionally convertible debentures during the year under audit and hence, the requirement to report on clause 3(x)(b) of the Order is not applicable to the Company.
- (xi) a) During the course of our examination of the books and records of the Company, carried out based upon the generally accepted audit procedures performed for the purpose of reporting the true and fair view of the Standalone financial statements, to the best of our knowledge and belief and as per the information and explanations given to us by the Management, and the representations obtained from the Management, no material fraud on the Company has been noticed or reported during the year.
 - b) During the year, no report under sub-section (12) of Section 143 of the Companies Act, 2013 has been filed by us in Form ADT - 4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government during the year and upto the date of this report. According to the information and explanations given to us and based on the information provided to us and records verified by us, the Secretarial Auditor have not filed report in Form ADT - 4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
 - c) According to the information and explanations given to us and as represented to us by the management, there are no whistle blower complaints received by the Company during the year.
- (xii) The Company is not a Nidhi Company and hence reporting under Clause (xii) of the Order is not applicable.
- (xiii) In our opinion and according to the information and explanations given to us, based on verification of the records and approvals of the Audit Committee, the Company is in compliance with Section 177 and Section 188 of the Act, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the Standalone financial statements as required by the applicable accounting standards.
- (xiv) a) In our opinion and based on our examination, the Company has an internal audit system commensurate with the size and nature of its business.
 - b) The internal audit reports of the Company issued till the date of this audit report, for the period under audit have been considered by us.
- (xv) In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its directors or persons connected with him and hence provisions of section 192 of the Act are not applicable.

NATIONAL PLASTIC TECHNOLOGIES LTD

- (xvi) a) According to the information and explanations given to us and based on the information provided to us and records verified by us, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, requirement to report on Clause 3(xvi) of the Order is not applicable to the Company.
- b) The Company has not conducted any Non-Banking Financial or Housing Finance activities.
- c) The Company is not a Core Investment Company as defined in the regulations made by Reserve Bank of India. Accordingly, requirement to report on clause 3(xvi) of the Order is not applicable to the Company.
- d) There is not Core Investment Company as a part of the Group, hence, the requirement to report on Clause 3(xvi) of the Order is not applicable to the Company.
- (xvii) The Company has not incurred cash losses in the current year and in the immediately preceding financial year respectively.
- (xviii) There has been no resignation of the statutory auditor during the year and accordingly requirement to report on Clause 3(xviii) of the Order is not applicable to the Company.
- (xix) According to the information and explanations given to us and on the basis of the financial ratios disclosed in note no. 40 to the Standalone financial statements, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the Standalone financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) According to the information and explanations given to us and based on our verification, the provisions of Section 135 of the Companies Act, 2013, are applicable to the Company. The Company has made the required contributions during the year and there are no unspent amounts which are required to be transferred either to a Fund specified in schedule VII of the Companies Act, 2013 or to a Special Account as per the provisions of Section 135 of the Companies Act, 2013 read with schedule VII to the Companies Act, 2013. Accordingly, reporting under clause 3(xx)(a) and 3(xx)(b) of the Order is not applicable to the Company.

NATIONAL PLASTIC TECHNOLOGIES LTD

ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT - 31st March,2024

Referred to in our report of even date

Report on the Internal Financial Controls under Clause (i) of Sub- section 3 of Section 143 of the Companies Act, 2013 ("the Act")

1. We have audited the internal financial controls over financial reporting of National Plastic Technologies Limited ("the Company") as of March 31, 2024 in conjunction with our audit of the Ind AS Standalone financial statements of the Company for the year ended on that date.

Managements Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Standalone financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

NATIONAL PLASTIC TECHNOLOGIES LTD

(1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Standalone financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

6. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

7. In our opinion, the Company has, in all material respects, an adequate internal financial Control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Control over Financial Reporting issued by the Institute of Chartered Accountants of India.

The Company is listed on the Bombay Stock Exchange (BSE).

The financial statements were approved for issue by the Board of Directors on 15th May 2024

2. Basis of preparation of financial statements

2.1 Basis of preparation and compliance with Ind AS

The Financial Statements of the Company have been prepared in accordance with Indian Accounting Standards ('Ind AS') notified under Section 133 of the Companies Act, 2013 ('Act'), and the Companies (Indian Accounting Standards) Rules issued from time to time and relevant provisions of the Companies Act, 2013 (collectively called as Ind AS). The standalone financial statements are presented in INR, which is its functional currency and all values are rounded to the nearest Lakhs, except when otherwise stated.

2.2 Basis of measurement

The financial statements have been prepared on a going concern basis, using historical cost convention and on an accrual method of accounting, except for financial assets, financial liabilities and defined benefit plans which have been measured at fair value, as required by relevant Ind AS.

2.3 Functional and Presentation Currency

These Financial statements are presented in Indian Rupees, which is the Company's functional currency, being the currency of the primary economic environment in which the Company operates. All amounts have been rounded off to the nearest lakhs, unless otherwise indicated. Certain figures apparently do not add up because of rounding off but are wholly accurate in themselves.

2.4 Current and non-current classification

The Company presents assets and liabilities in the Balance Sheet based on current / non-current classification.

An asset is classified as current if it satisfies any of the following criteria:

- a) It is expected to be realised or intended to be sold in the Company's normal operating cycle.
- b) It is held primarily for the purpose of trading,
- c) It is expected to be realised within twelve months after the reporting period, or
- d) It is a cash or cash equivalent unless restricted from being exchanged or used to settle a liability for atleast twelve months after the reporting period

All other assets are classified as non-current.

A liability is classified as current if it satisfies any of the following criteria:

- a) it is expected to be settled in the Company's normal operating cycle,

NATIONAL PLASTIC TECHNOLOGIES LTD

- b) it is held primarily for the purpose of trading,
- c) it is due to be settled within twelve months after the reporting period
- d) there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non current. Current liabilities include current portion of non current financial liabilities

Deferred tax assets and liabilities are classified as non current assets and liabilities. The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

2.5 Use of estimates and assumptions

In preparing these standalone financial statement, the Management has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities(including contingent liabilities), income and expenses. The Management believes that the estimates used in the preparation of the financial statements are prudent and reasonable and a continuous evaluation is done on the estimation and judgements based on historical experience and other factors. Actual results may differ from these estimated. The areas involving critical estimates or judgements are as follows:

- a. Useful life and residual value of property, plant and equipment (refer accounting policy 2.6)
- b. Impairment of property, plant and equipment (refer accounting policy 2.6).
- c. Recognition and measurement of defined benefit obligations (refer accounting policy 2.10)
- d. Recognition of deferred tax assets (refer accounting policy 2.13)
- e. Fair Value measurement of Financial Instruments (refer accounting policy 2.11)
- f. Provisions and contingent liabilities (refer accounting policy 2.15)
- g. Allowances for Inventory (refer accounting policy 2.8)

2.6 Property, plant and equipment

Property, plant and equipments are stated at historical cost less accumulated depreciation. Cost comprises of purchase price and other attributable costs , if any , in bringing the assets to its working condition for its intended use. However, cost excludes Goods and Service Tax to the extent credit of the tax is availed of. Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. Costs directly attributable to the acquisition are capitalised until the PPE are ready for use as intended by management.

Depreciation

(I) Depreciation on Property, plant and equipment is provided for on Straight Line method in the manner prescribed in Part C of Schedule II of the Companies Act,2013 except for Plant and Machinery and Electrical Fittings of Irungattukottai and Guindy plant acquired before 31.03.2022.

Based on engineer's certification, the useful life of Plant & Machinery and Electrical fittings of Irungattukottai and erstwhile Guindy plants acquired before 31.03.2022. have been considered as follows :

- (a) Plant & Machinery - 25 Years
 - (b) Electrical Fittings - 15 Years
- (ii) Depreciation is provided after reckoning the maximum residual value @ 5% of the original cost of the asset.
- (iii) In respect of addition of assets during the year, depreciation has been provided on Pro-rata basis.

Impairment of Non Financial Assets

The carrying value of assets or cash generating units at each balance sheet date is reviewed for impairment if any indication of impairment exists. If the carrying amount of the assets exceed the

NATIONAL PLASTIC TECHNOLOGIES LTD

estimated recoverable amount, an impairment is recognised for such excess amount. The impairment loss is recognised as an expense in the statement of profit and loss.

2.7 Intangible Assets:

Separately purchased intangible assets are initially measured at cost. Subsequently, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses, if any.

Amortisation

The useful life of Intangible assets are assessed and amortised on the straight line basis over the period of their expected useful life.

The computer software are amortised over the period of 6 years on straight line basis.

2.8 Inventories

Inventories are valued as under :

(I) Raw Materials, Stores & Consumables* - at lower of cost or net realisable value.

Costs are arrived at by using FIFO method and it includes the followings :

* Cost of raw materials includes purchase price (net of GST) plus transportation charges, insurance charges, handling charges and other direct attributable costs to bring the material to the present location as on the reporting date.

** Cost of Work in progress includes landed cost of raw material plus proportionate labour and overheads on absorption costing basis.

*** Cost of finished goods includes landed cost of raw material plus proportionate labour and overheads on absorption costing basis.

2.8 Revenue recognition

Revenue is recognised when the performance obligations are satisfied and the control of the goods is transferred being when the goods are delivered as per the relevant terms of the contract at which point in time the Company has a right to payment for the goods, customer has possession and legal title to the goods, customer bears significant risk and rewards of ownership and the customer has accepted the goods or the Company has objective evidence that all criteria for acceptance have been satisfied.

Sale of goods

Revenue is recognised at the fair value of the consideration received or receivable, after deduction of any trade discounts, volume rebates and any taxes or duties collected on behalf of the government such as Goods & Service Tax.

Sale of Services

Revenue from services are recognised as and when services are rendered and on the basis of contractual terms with the parties.

Others

All other incomes are recognised when no significant uncertainty as to its subsequent realisation exists.

2.10 Employee benefits

(I) Short-term employee benefits

Short term employee benefits are recognized as an expense at the undiscounted amount in the statement of profit and loss of the year in which the related service is rendered.

NATIONAL PLASTIC TECHNOLOGIES LTD

(ii) Post Employment benefits

(a) Defined contribution plans

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts. Contributions paid/payable for Provident Fund of eligible employees is recognized in the statement of Profit and Loss each year.

(b) Defined benefit plans

The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plan is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated at the end of each reporting period by Actuaries.

Post employment benefits are recognized as an expense in the statement of profit and loss for the year in which the employee has rendered services. The company accounts for Gratuity based on actuarial valuation made by Independent actuary as at the balance sheet date.

2.11 Financial instruments

Financial instruments are recognised when the Company becomes a party to the contractual provisions of the instrument. Regular way purchases and sales of financial assets are recognised on trade-date, the date on which the Company commits to purchase or sell the asset.

(A) Financial Assets

The Company determines the classification of its financial assets at initial recognition. The classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows.

The financial assets are classified in the following measurement categories:

a) Those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and

b) Those to be measured at amortised cost.

For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income. At initial recognition, the Company measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss as incurred. Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company classifies its debt instruments.

(I) Amortised Cost

The Company classifies its financial assets as at amortised cost only if both of the following criteria are met:

a) The asset is held within a business model with the objective of collecting the contractual cash flows, and

b) The contractual terms give rise on specified dates to cash flows that are solely payments of principal and interest on the principal outstanding.

NATIONAL PLASTIC TECHNOLOGIES LTD

Financial assets at amortised cost include loans receivable, trade and other receivables, and other financial assets that are held with the objective of collecting contractual cash flows. After initial measurement at fair value, the financial assets are measured at amortised cost using the effective interest rate (EIR) method, less impairment.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the statement of profit or loss. The losses arising from impairment are recognised in the Statement of Profit or Loss in other income.

(ii) Fair value through other comprehensive income

Financial assets that are held for collection of contractual cash flows and for selling the financial assets, where the asset's cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income. Movements in the carrying amount are taken through other comprehensive income, except for the recognition of impairment gains or losses, and interest revenue which are recognised in profit or loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in other comprehensive income is reclassified from equity to profit or loss and recognised in other gains/(losses). Interest income from these financial assets is included in other income using the effective interest rate method.

(iii) Financial assets at fair value through profit or loss

The Company classifies the following financial assets at fair value through profit or loss:

- a) Debt investments that do not qualify for measurement at amortised cost;
- b) Debt investments that do not qualify for measurement at fair value through other comprehensive income; and
- c) Debt investments that have been designated at fair value through profit or loss.

Derecognition of financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the assets expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

(B) Financial Liabilities

The Company determines the classification of its financial liabilities at initial recognition.

Classification

The Company classifies all financial liabilities as subsequently measured at amortised cost, except for financial liabilities at fair value through profit or loss.

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss. Loans and borrowings, payables are subsequently measured at amortised cost.

Derecognition of financial liabilities

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires.

© Equity investments

All equity investments in scope of Ind AS 109 are measured at fair value. For equity instruments, the company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The classification is made on initial recognition and is irrevocable.

If the company decides to classify an equity instrument as at FVTOCI, then all fair value changes on

NATIONAL PLASTIC TECHNOLOGIES LTD

the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment. However, the company may transfer the cumulative gain or loss within equity. Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Profit and Loss.

2.12 Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value. For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above.

2.13 Taxation

Provision for taxation comprises of the current tax provision, and the net change in the deferred tax asset or liability during the year.

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on applicable income tax rate for each jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses. The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of the amounts expected to be paid to the tax authorities.

Provision for deferred tax is made on the timing differences arising between the taxable income and the accounting income computed using the tax rates and the laws that have been enacted or substantively enacted at the reporting date.

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

2.14 Segment accounting

Operating segments are reported in a manner consistent with the internal reporting provided to Chief Operating Decision Maker (CODM). The Company has identified its Managing Director as CODM who is responsible for allocating resources and assessing performance of the operating segments and makes strategic decisions.

The company operates in a single segment, i.e Injection Moulded Plastic Products and hence does not call for segmentwise disclosure of assets, liabilities, revenues or expenses as prescribed under INDAS 108 "Operating Segments", issued by ICAI.

2.15 Provisions, Contingent Liabilities, Contingent Assets and Commitments

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Contingent liability is disclosed in the case of:

A present obligation arising from the past events, when it is not probable that an outflow of resources will be required to settle the obligation;

A present obligation arising from the past events, when no reliable estimate is possible;

A possible obligation arising from the past events, unless the probability of outflow of resources is remote.

NATIONAL PLASTIC TECHNOLOGIES LTD

Commitments include the amount of purchase order (net of advances) issued to parties for completion of assets.

Provisions, contingent liabilities, contingent assets and commitments are reviewed at each balance sheet date.

2.16 Cash flow statement

Cash flow are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals of accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and finance activities of the Company are segregated.

2.17 Lease

The Company's lease asset classes primarily consist of leases for land and building. The Company assesses whether a contract contains a lease at the inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset. At the date of commencement of the lease, the Company recognizes a right-of-use (ROU) asset and a corresponding lease liability, as per IND AS 116 "Leases", for all lease arrangements, in which it is a lessee, except for leases with a term of 12 months or less (short-term leases) and low-value leases. For these short-term and low-value leases, the Company recognises the lease payments as an operating expense on a straight-line basis over the term of the lease.

2.18 Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

2.19 Foreign currency translation

i) Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the Company operates ("the functional currency") i.e. In Indian Rupees (INR) and all values are rounded off to nearest lakhs except otherwise indicated.

ii) Transactions and balances

Transactions in foreign currencies are recorded at the exchange rates prevailing on the date of transaction

- a) Foreign currency monetary assets and liabilities such as cash, receivables, payables etc., are translated at year end exchange rates.
- b) Non-monetary items denominated in foreign currency such as investments, fixed assets, etc. are valued at the exchange rate prevailing on the date of transaction.
- c) Exchange differences arising on settlement of transactions and translation of monetary items are recognised as income or expense in the year in which they arise. However, exchange gain or loss on settlement of transactions related to fixed assets are capitalised to the respective assets.

2.20 Borrowing cost:

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale. Other borrowing costs are expensed in the period in which they are incurred.

II Financial Risk Management

The board of directors (BOD) has overall responsibility for the establishment and oversight of the Company's risk management framework and thus established a risk management policy to identify and analyse the risk faced by company. Risk management systems are reviewed by BOD periodically to reflect changes in market conditions and the Company's activities. The company through its training and management standards and procedures develop a disciplined and constructive controlled environment. The Audit committee oversees how management monitors compliance with the Company's risk management policies and procedures, and reviews the risk management framework.

The company has the following financial risk:

Categories of Risk	Nature of Risk
Credit risk	Receivables
	Financial instruments and cash deposits
Liquidity risk	Fund management
Market risk	Foreign currency risk
	Cash flow and fair value interest rate risk.

The board of directors regularly reviews these risk and approves the risk management policies, which covers the management of these risk :

a) CREDIT RISK

The risk of financial loss to the company if the customer or counter party to the financial instruments fails to meet its contractual obligations and arises principally from the company's receivables, treasury operations and other operations that are in the nature of lease.

1a) Receivables

The company's exposure to credit is influenced mainly by the individual characteristic of each customer. The company extended credit to its customers in normal course of business by considering the factors such as financial reliability of customers. The company evaluates the concentration of the risk with the respect to trade receivables as low, as its customers are located in several jurisdictions and operate in largely independent markets.

The following table gives details in respect of percentage of trade receivables from top customer and top five customers :

Particulars	As at 31st March 2024	As at 31st March 2023
Receivable from top customer	34.00%	32.73%
Receivable from top 5 customers	90.45%	88.88%

1b) Financial instruments and cash deposits.

Investments are made only with the approved counter parties. The company places its cash Equivalents based on the creditworthiness of the financial institutions.

b) Liquidity risk

Ultimate responsibility for liquidity risk management rests with the board of directors, which has established an appropriate liquidity risk management framework for the management of the Company's short, medium and long term funding and liquidity management requirements.

b) Interest rate risk

Interest rate risk is the risk that the fair value of future cash flows of an exposure will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's debt obligations with floating interest rates. Any changes in the interest rates environment may impact future cost of borrowings. The Company monitors the movements in interest rates and wherever possible, reacts to material movements in such interest rates by restructuring its financing arrangements.

For the year ended March 31, 2024 and March 31, 2023, every 1% increase/decrease of the floating rate of interest would impact profit before tax by Rs (18.99) lakhs/ Rs.18.99 lakhs and Rs.(17.15) lakhs/ Rs.17.15 lakhs respectively.

III CAPITAL MANAGEMENT

For the purpose of company's capital management, capital includes issued equity share capital and all other equity reserves attributable to the equity holders of the company. The primary objective of the company's capital management is to maximize the shareholders wealth. The company manages its capital structure and makes adjustments in the light of changes in economic conditions and the requirements of the financial covenants.
