- 3. We conducted our review in accordance with the Standard on Review Engagements ( SRE 2410) 'Review of Interim Financial Information performed by the Independent Auditor of the entity' issued by the Institute of Chartered Accountants of India. A review of Interim Financial information consists of making enquiries, primarily of persons responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion
- 4. Attention is drawn to the fact that the figures for the three months ended 31 March 2024 as reported in these unaudited standalone financial results are the balancing figures between audited figures in respect of the full previous financial year and the published year to date figures up to the third quarter of the previous financial year. The figures up to the end of the third quarter of previous financial year had only been reviewed and not subjected to audit.
