5 Figures for the quarter ended 31 March 2024 and the corresponding quarter ended in the previous year as reported in these financial results are the balancing figures between audited figures in respect of the full financial year and the published year to date figures up to the end of the third quarter of the relevant financial year. Also the figures up to the end of the third quarter had only been reviewed and not subjected to audit.

6 In accordance with the approved Resolution Plan, an application was filed by the Company with BSE and NSE on 21st June, 2022 and 5th September, 2022 respectively for recommencement of trading of Company's shares. The Company also sought waiver of the Compliance with Minimum Public Sharing (MPS) holding requirement pursuant to Rule 19A of Securities Contracts (Regulation) Rules 1957 and in accordance with the waiver clauses as provided in the Resolution Plan. In response to which several clarifications were sought by BSE and NSE and the Company duly addressed the same. However, NSE and BSE had till date not removed the suspension of the trading which was suspended w.e.f. June 27, 2022 (i.e., closing hours of trading on June 26, 2022) on account of Capital Reduction pursuant to NCLT Order dated April 21, 2022.

The Company along with the Successful Resolution Applicant also filed an IA No. 4992 of 2023 in CP IB/1481/PB/2018 seeking the directions of the Hon'ble National Company Law Tribunal to direct the NSE and BSE to waive off the compliance with Minimum Public Shareholding. However, during the course of the argument, the Bench was of the opinion that since the Resolution Plan approved by the Hon'ble Tribunal vide its order 21st April 2022, already stipulates waiver from compliance of SEBI Regulations 38 of the Listing regulations under which a listed entity needs to comply with the Minimum Public Shareholding requirements as specified in Rule 19(2) and Rule 19 A of the Securities Contracts (Regulation) Rules, 1957. The Company has submitted representation to BSE and NSE for recommencement of trading pursuant to hearing before NCLT. The Company awaits a response from BSE and NSE.

During the financial year 2022-23, the previous auditor had resigned which resulted into casual vacancy. The Board subsequently appointed M/s. SGCO & CO as statutory auditors of the Company at the meeting of Board held on November 14, 2022. The Company had also appointed certain directors as additional directors to comply with applicable laws.

Due to pendency of aforesaid applications the Company is unable to ascertain its members for conveying the general meeting. The company is unable to regularize the appointment of Statutory auditors appointed to fill casual vacancy as well as the directors of the company as additional directors. As soon as the relisting approvals are received and capital reduction and allotment if effected in depository the Company will call for general meeting and propose approval of matters including the appointment of auditors to the members.

7 Figures of the previous reporting period has been reclassified/ regrouped wherever necessary to correspond with the figures of the current reporting period.

Independent Auditor's report

To the Board of Directors of Indosolar Limited

Report on the audit of the Annual Financial Results

Opinion

We have audited the accompanying statement of quarterly and year to date financial results of **Indosolar Limited** (the "Company") for the quarter and year ended March 31, 2024 ("Statement"), attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid annual financial results:

- a. Are presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard; and
- b. Give a true and fair view in conformity with the recognition and measurement principles laid down in the applicable Indian Accounting Standards, and other accounting principles generally accepted in India, of the net profit and other comprehensive income and other financial information for the year ended 31 March 2024.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Companies Act, 2013 ("the Act"). Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Annual Financial Results section of our report. We are independent of the Company, in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act, and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our opinion on the annual financial results.

Management's and Board of Directors' Responsibilities for the Annual Financial Results

These annual financial results have been prepared on the basis of the annual financial statements.

The Company's Management and the Board of Directors are responsible for the preparation and presentation of these annual financial results that give a true and fair view of the net profit and other comprehensive income and other financial information in accordance with the recognition and measurement principles laid down in Indian Accounting Standards prescribed under Section 133 of the Act and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the annual financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the annual financial results, the Management and the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is responsible for overseeing the Company's financial reporting process

Auditor's Responsibilities for the Audit of the Annual Financial Results

Our objectives are to obtain reasonable assurance about whether the annual financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these annual financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the annual financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion through a separate report on the complete set of financial statements on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

SGCO & Co.LLP

Chartered Accountants

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the financial results made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the annual financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the annual financial results, including the disclosures, and whether the annual financial results represent the underlying transactions and events in a manner that achieves fair presentation.
- Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial results.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters

As stated in Note 5 to the statement of annual financial results include the results of quarter ended March 31, 2024 and the corresponding quarter ended in the previous year being the balancing figures between the audited figures in respect of full financial year and the published unaudited year to date figures upto third quarter of the relevant financial year which were subject to limited reviewed by us.

We draw our attention to Note no 6 of financial results in respect of our appointment as a statutory auditor pending to be approved by the members in the general meeting within 3 months from the date of recommendation by the board as per Section 139 (8) of Companies Act, 2013.
