## Urja Global Limited Announces Pre-Launch of High-Speed Electric Scooter "CHETNA" with HOMOLOGATION CERTIFICATE and RTO Registration

**New Delhi, 14 August 2024** — Urja Global Limited, a renowned leader in renewable energy and electric vehicle innovation, proudly announces the pre-launch of its new high-speed electric scooter, **CHETNA**. Certified with the HOMOLOGATION CERTIFICATE, this cutting-edge scooter is designed to cater to the modern family's needs, combining advanced technology with sleek design and safety features.

Building on its successful history as a manufacturer of low-speed scooters in the non-RTO segment, Urja Global Limited now enters the high-speed electric scooter market with **CHETNA**, a model that is fully compliant with RTO registration requirements. This significant step forward allows customers to register the scooter with the regional transport office, ensuring full road legal status across India.

The newly pre-launched **CHETNA** high-speed scooter is equipped with a state-of-the-art Lithium-Ion (Li-Ion) battery, providing a remarkable range of over 100 kilometers on a single charge. Its innovative design prioritizes safety and comfort, making it an ideal choice for family commuting. The scooter's stylish appearance and robust build reflect Urja Global's commitment to quality and sustainability.

### Key Features of the New High-Speed Electric Scooter "CHETNA":

- **Remote Lock:** Secure your vehicle with ease.
- **Comfortable Seat:** Designed for long rides with maximum comfort.
- **Disk Brake:** Enhanced braking performance for safety.
- **Noise-Free Vehicle:** Enjoy a peaceful, quiet ride.
- **Mobile Charging Point:** Conveniently charge your devices on the go.
- **Telescopic Shocker:** Smooth handling and superior ride comfort.
- **Regenerative Braking:** Energy-efficient braking system that recharges the battery.
- **Repair Switch:** Simplifies troubleshooting and repairs.
- **Anti-Theft Lock:** Added security feature to protect your vehicle.

The scooter is available through Urja Global Limited's extensive distribution network and can also be purchased on the company's e-commerce website, [www.urjakendra.com](http://www.urjakendra.com). Once booked online, the company will deliver the scooter directly to your doorstep, ensuring a seamless and convenient purchasing experience.

"We are thrilled to expand our electric vehicle portfolio with **CHETNA**, offering both RTO registration and advanced features for our customers," said Mr. Ashish Chandel, Head of Marketing of Urja Global Limited. "This pre-launch represents a major milestone in our

mission to provide sustainable, reliable, and eco-friendly transportation options for families across the country."

Urja Global's latest offering sets a new benchmark in the electric vehicle market, combining efficiency, safety, and style. With its HOMOLOGATION CERTIFICATE and RTO compliance, **CHETNA** is poised to transform daily commutes into a seamless, eco-conscious experience.
