## Notes:

### **Convening of AGM through Video Conferencing (“VC”) or any Other Audio-Visual Means (“OAVM”)**

1. In terms of General Circular No. 9/2023 dated 25th September, 2023 and other earlier circulars issued in this regard by the Ministry of Corporate Affairs (“MCA Circulars”) and in compliance with the provisions of the Companies Act, 2013 (“Act”) and the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirement) Regulation, 2015 (“Listing Regulations”), the 19<sup>th</sup> Annual General Meeting (AGM) of the Members of the Company will be held through VC/OAVM, so that members can attend and participate in the AGM from their respective locations. The deemed venue for the 19<sup>th</sup> AGM shall be the Registered Office of the Company.

The Members are therefore requested not to visit the Registered Office to attend the AGM.

### **Dispatch of Notice and Annual Report through electronic means**

1. In compliance with the MCA Circulars read with Circular No. SEBI/ HO/CFD/PoD-2/P/CIR/2023/4 dated 5<sup>th</sup> January, 2023 and other earlier circulars issued in this regard by the Securities and Exchange Board of India (“SEBI Circulars”), Notice of the AGM along with the **Annual Report 2023-24** is being sent only through electronic mode to those Members whose name is recorded in the Register of Members / Register of Beneficial Owners as on **30<sup>th</sup> August, 2024** and whose email addresses are registered with the Company / Registrar and Share Transfer Agent (“Bigshare Services Private Limited”/ “RTA”) or with the respective Depository Participant(s) for communication purposes to the Members, unless any member has requested for a hard copy of the same.
2. The Notice can also be accessed at the Company’s website at [www.deeppoly.com](http://www.deeppoly.com) and at the website of the Stock Exchange BSE Limited [www.bseindia.com](http://www.bseindia.com) and at the website of CDSL (agency for providing the Remote e-Voting facility) at [www.evotingindia.com](http://www.evotingindia.com).
3. Since the AGM will be held through VC/OAVM, the Route Map is not annexed in this Notice.

### **Proxy form**

4. In terms of the MCA Circulars, physical attendance of members has been dispensed with and as such, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. Hence, **the Proxy Form and Attendance Slip are not annexed to the Notice**. However, Pursuant to Section 112 and Section 113 of the Companies Act, 2013, representatives of the President of India or the Governor of

State or the Body Corporates are entitled to attend the AGM through VC/OAVM and cast their votes through e-voting.

5. The Explanatory Statement pursuant to Section 102 of the Companies Act, 2013, with respect to the special business set out in the Notice is annexed hereto.

### **E-Voting facility and joining of AGM through VC / OAVM**

6. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and the MCA Circulars, the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the 19<sup>th</sup> AGM. The detailed procedure for participation in the meeting through VC/OAVM is also available at the Company's website [www.deeppoly.com](http://www.deeppoly.com)
7. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited ('CDSL') for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.
8. In view of MCA & SEBI Circulars, printed copy of the Annual Report (including Notice) is not being sent to the Members.
9. AGM convened through VC/OAVM is in compliance with applicable provisions of the Companies Act, 2013 read with MCA & SEBI Circulars as stated above.
10. The voting period **begins on Tuesday, 24<sup>th</sup> September, 2024 at 9.00 a.m.** and **ends on Thursday, 26<sup>th</sup> September, 2024 at 5.00 p.m.** During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the **cut-off date Friday, 20<sup>th</sup> September, 2024** may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
11. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
12. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to at least 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the

AGM without restriction on account of first come first served basis.

Based on audit, my responsibility is to express an opinion on the compliance with the applicable laws and maintenance of records by the Company. I conducted my audit in accordance with the auditing standards CSAS 1 to CSAS 4 ("CSAS") prescribed by the Institute of Company Secretaries of India ("ICSI"). These standards require that the auditor complies with statutory and regulatory requirements and plans and performs the audit to obtain reasonable assurance about compliance with applicable laws and maintenance of records.

Due to the inherent limitations of an audit including internal, financial and operating controls, there is an unavoidable risk that some misstatements or material non-compliances may not be detected, even though the audit is properly planned and performed in accordance with the CSAS. my Report of even date is to be read along with this letter:

- a. Maintenance of Secretarial record is the responsibility of the management of the Company. my responsibility is to express an opinion on these secretarial records based on my audit.
- b. I have followed the audit practices and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the secretarial records. The verification was done on test basis to ensure that correct facts are reflected in secretarial records. I believe that the processes and practices, I followed provide a reasonable basis for my opinion.
- c. I have not verified the correctness and appropriateness of the financial statement of the Company.
- d. The compliance of the provisions of the Corporate and other applicable laws, rules, regulation, standards is the responsibility of the management.
- e. Where ever required, I have obtained the Management representation about the compliance of laws, rules and regulations and happening of events etc.
- f. The Secretarial Audit report is neither an assurance as to the future viability of the Company nor of the efficacy or effectiveness with which the management has conducted the affairs of the Company.

## MANAGEMENT DISCUSSION AND ANALYSIS REPORT

### A. Overview of the Global Economy:

The global chemical industry outlook in 2024 is expected to be cautiously optimistic. The industry grew ~9.5% in FY 2023-24 driven by strong demand recovery post pandemic and gradual easing of supply chains towards the end of the year. In 2024, the industry faces pressure from rising inflation (increase in energy and raw material costs), supply chain disruptions, ongoing geopolitical tensions and conflict in Europe.

Geopolitical uncertainty pushed inflation to an unprecedented level at the beginning of the year. In the last few quarters, inflation has been perceived to be stabilising, indicating a positive outlook.

The global economy appears poised for a gradual recovery from the powerful blows of the pandemic and Russia-Ukraine war. The global economic output is expected to witness steady growth, driven by stabilizing inflationary pressures, reviving consumer sentiment and investor confidence. The employment scenario in the US and other advanced economies has recovered from pandemic levels and rising disposable income is also likely to support growth in the coming years.

### B. Overview of the Indian Economy:

The Indian chemical industry makes up 3.9% of the global chemicals industry and is expected to grow to US\$ 300 billion by 2025. The domestic chemicals sector is expected to showcase high revenue and volume growth in FY 2023-24, owing to an improvement in domestic demand, increased Government spending and better price realization of chemicals. Bulk chemicals (Basic Chemistry) constitute 25% of the market, while Specialty chemicals, Petrochemicals, and Agrochemicals have 21%.

### C. Outlook:

Many emerging markets and economies (EMDEs) have already recovered, which has bolstered real incomes. An optimistic global outlook would also be determined by the speed and effectiveness of fiscal and monetary policy actions implemented to boost economic expansion. Trade is also expected to remain a crucial engine of growth. Despite challenges like supply chain disruptions, the World Trade Organization anticipates a 4% growth in the volume of world merchandise trade in 2023, reflecting the robust demand and supply adaptations. The central banks have been tightening monetary policy, which is expected to curb sticky inflation and foster long-term growth.

### D. Industry structure and developments

The company serves customers in more than 25+ countries worldwide by supplying One of the vital components of plastics industry worldwide is masterbatch, which consists of pigments and additives used for imparting required color and

characteristics to the end products. The Company is brand and market leader in manufacturing of all kind of Masterbatches and has presence in practically all segment of Masterbatch i.e. White, Black, Colour, Additive, Antifab (filler masterbatch) and all plastics & textile application i.e. Household, furniture, Bulk packaging, Film Packaging, roof coverings, Flexible and Rigid packaging (Containers & pouches), Non-woven Bags, PET (POY/PSF) Fiber Masterbatch for textile & yarn application, also contributing to save environment by producing Bio-Degradable raw material for manufacturers to reduce plastics waste, this all makes the company market leader as most of other competitors are not present in all categories. The company have Strong application support, which enables close coordination with the customer on new product development projects, provides a deep understanding of a customer's requirements. Use of Masterbatches in production process offers many benefits like cost-effectiveness, easy to use, helps achieve the desired color and ensures a dirt-free production environment. According to report issued by Indian Brand Equity Foundation (IEBF) the Indian plastics industry has advanced significantly over past few decades, becoming one of the India's most significant sector. Plastic material is becoming increasingly important across various industries, and per capita consumption is rising quickly. Indian plastic Industry has over 50,000 plastic processing units employing more than 50 lakhs people across the Country. It contributes ` 3.5 Lakh crore to India's economy. Almost 80 to 90% of the total manufacturing units are in small and medium scale sector. The Industry is very fragmented and majority of the manufacturers are from unorganized sector and very few are from organized sector. The Indian Government's initiatives like "Atmanibhar Bharat", "Make in India", "Swachh Bharat" and "Digital India" are contributing to increasing plastics production and by 2027 it is expected that the plastics industry will generate ` 10 Lakh billion annual revenue.

## **E. Opportunities and Threats:**

### **Opportunities:**

- **Network area:** The Company has diverse product portfolio, wide network area of sales, marketing and distribution, wide range of fill volumes etc.
- **Management:** The Company has experienced management team and well qualified senior executives.
- **Alternative Fuel Utilization:** A region with an alternative abundant fuel, such as coal can help in increasing its chemical production. There is an increase in demand for petrochemicals, which can be mitigated through the utilization of coal gasification technology to produce more chemicals and petrochemicals.
- **Market:** Company's manufacturing and institutional sales stabilize revenue stream and helps in targeting new domestic and export markets. Hence, the Company has a wide range of network area for trading its products online or offline.
- **Technological developments:** The ongoing adoption of technological developments is a feature of the chemicals industry that can be seen in every segment and creates both opportunities and risks. There is also an increasing adoption of block chain technology to enable supply chain transparency and

product traceability around the time-specific delivery of chemicals in end-markets.

#### **Threats:**

- **High Competition Era:** The Plastics Industry has entered into the orbit of the high competition. The market fights are set to intensify with unstoppable capacity build up. The competition from both organized and unorganized players, leading to difficulties in improving market share. For this issue company reviews the market scenario and comes up with new products and developments to sustain and capture more share in the market.
- **Manpower:** The one of the common problems emerged for finding talent with competence or even skilled man power for Plastic Industries irrespective of the Company's Brand or Size.
- **Under cutting of price:** Due to high competition in market, the competitors are doing price cutting of Services to compete or keep their existence in markets which is ultimate big problems for the industries.
- **New Entrance:** More and more new organized players are entering into market which will increase competition in organized sector also.

#### **F. Segment-wise or Product-wise performance:**

The Company is primarily engaged in single segment i.e. Manufacturing of Masterbatch and Polymer.

#### **B.Future Outlook:**

The Company's outlook for the year 2023-24 is to add more products in the product range as per requirement in both Indian and Global market.

#### **G. RISKS AND CONCERNS**

Polymer Industry has a certain specific set of risk characteristics, which needs to be carefully evaluated and mitigated. In order to effectively manage the same, the Company has evolved proactive Risk Management System, which is adhered to. The risk management covers the entire process from capital investment, competitors' activities, new entrants etc. Continual reforms and emphasis on technological developments shall reduce the exposure to risk.

#### **H. MATERIAL DEVELOPMENTS IN HUMAN RESOURCES / INDUSTRIAL RELATIONS**

#### **INFORMATION OTHER THAN THE STANDALONE FINANCIAL STATEMENTS AND AUDITORS' REPORT THEREON**

The Company's management and Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**MANAGEMENT’S RESPONSIBILITY FOR THE STANDALONE FINANCIAL STATEMENTS:**

The Company’s Management and Board of Directors are responsible for the matters stated in section 134(5) of the Companies Act, 2013 (“the Act”) with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Indian Accounting Standards (Ind AS), accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act, read with the Companies (Indian Accounting Standard) Rules, 2015 as amended.

This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management and Board of Directors are responsible for assessing the Company’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless

management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

#### **AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE STANDALONE FINANCIAL STATEMENTS:**

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the

adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**OTHER MATTERS:**

The company has not reported comparative amounts for the previous financial year in respect of ageing analysis of trade receivable (Note No.11), trade payable (Note No.21) and Value of imports calculated on C.I.F. basis and Value of Export on F.O.B. Basis.

**REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS:**

1. As required by The Companies (Auditor's Report) Order, 2020 issued by The Central Government of India in term of section 143 (11) of The Companies Act, 2013, we enclose in the **Annexure-A** hereto a statement on the matters specified in paragraphs 3 and 4 of the said order, to the extent applicable to the company.
2. As required by section 143(3) of the Act, based on our audit we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - b) In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
  - c) The Standalone Balance Sheet, Standalone the Statement of Profit and Loss including Other Comprehensive Income, the Standalone Statement of Changes in Equity & the Standalone Statement of Cash Flows dealt with by this Report are in agreement with the books of account;
  - d) In our opinion, aforesaid Standalone Balance Sheet, the Standalone Statement of Profit and Loss including Other Comprehensive Income, the Standalone Statement of Changes in Equity & the Standalone Statement of Cash Flows comply with the Indian Accounting Standards

prescribed under section 133 of the Act except for the Ind-AS 21 regarding restatement of foreign currency Assets and liability as at the end of the year;

- e) On the basis of written representations received from the directors of the Company as on March 31, 2024, and taken on record by the Board of Directors, none of the directors are disqualified as on March 31, 2024, from being appointed as a director in terms of sub-section (2) of section 164 of Act;
- f) With respect to the adequacy of internal financial control over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in **Annexure-B**. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting;
- g) With respect to the other matters included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company had the following litigations pending as at the end of the financial year which may impact its financial position on final disposal of the respective matters;

(Rs. In Lacs)

Sr. No.	Name of the Party/ Department	Brief facts of the case	Financial Impact
1.	Assistant Commissioner of Income, CPC, Bengaluru	Income Tax Liabilities on account of Income Tax Intimation Order under section 143(1) for A.Y. 2022-23 passed by Assistant Commissioner of Income, CPC, Bengaluru	373.17/-

- ii. The Company did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses.
- iii. As at 31st March, 2024 there were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- iv. Management Representation:
  - a. The Management of the Company has represented to us that to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
  - b. The management of the Company has represented, that, to the best of its knowledge and belief no funds (which are material either individually or in the aggregate) have been received by the company from any person(s) or entity(ies), including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
  - c. Based on audit procedures which we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) Companies (Audit and Auditors) Rules, 2014 (as amended) and provided in clauses (a) and (b) above contain any material mis-statement.
- v. The company has not declared or paid any dividend during the year.

vi. Based on our examination which included test checks, the company had used an accounting software for maintaining its books of account for the financial year ended March 31, 2024, which has a feature of recording audit trail (edit log) facility and that the audit trail feature used by the company to maintain accounting transactions did not operate throughout the year for all relevant transactions recorded in the software. As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not fulfilled for the financial year ended March 31, 2024.

3. With respect to the matter to be included in the Auditors' Report under Section 197(16) of the Act:

In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is not in accordance with the provisions of Section 197 of the Act read with Schedule V to the Companies Act, 2013. The remuneration paid to directors is in excess of Rs.57.80 Lacs the limit laid down under Section 197 of the Act read with Schedule V to the Companies Act, 2013. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us.

[Referred to in paragraph 1 under "Report On Other Legal and Regulatory Requirements' section of our report of even date to the members of **DEEP POLYMERS LIMITED** on the Standalone financial statements of the company for the year ended 31st March, 2024:

In terms of the information and explanations sought by us and given to us by the management of the company and on the basis of such checks of the books and records of the company during the course of audit and to the best of our knowledge and belief, we further report that:

- i. In respect of its Property, Plant & Equipment, Capital Work-in-Progress, Investment Properties and Intangible Assets:
  - a) Maintenance of Records:
    - A. According to the information and explanations given to us, the company has maintained proper records showing full particulars including quantitative details and situation of property, plant & equipment, capital work-in-progress and investment properties.
    - B. According to the information and explanations given to us, the company has maintained proper records showing full particulars of intangible assets.
  - b) As explained to us, the management in accordance with a phased programme of verification adopted by the company has physically verified the property, plant & equipment, capital work-in-progress and investment properties. To the best of our knowledge and according to the information and explanation given to us, no material discrepancies have been noticed on such verification or have been reported to us.
  - c) According to the information and explanations given to us and on the basis of the examination of the records of the company, the title deeds of immovable properties are held in the name of the Company as at the balance sheet date.
  - d) The Company has not revalued any of its property, plant & equipment and intangible assets during the year.

- e) According to the information and explanations given to us no proceedings have been initiated during the year or are pending against the Company as at March 31, 2024 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- ii. In respect of its Inventories:
- a) As explained to us, the inventories have been physically verified by the management of the company during the year at reasonable interval. In our opinion, the coverage and procedure of such verification by the Management of the company is appropriate having regard to the size of the Company and the nature of its operations. According to the information and explanations given to us, no discrepancies of 10% or more in the aggregate for each class of inventories were noticed on such physical verification of inventories when compared with books of account.
  - b) According to the information and explanations given to us, the company has been sanctioned working capital limits in excess of Rs. 5 Crores, in aggregate from banks on the basis of security of its current assets. According to the information and explanations given to us, the monthly returns or statements filed by the Company with such banks in materiality are in agreement with the unaudited books of account of the company of the respective months. According to the information and explanations given to us and on the basis of verification of unaudited books of accounts for the first three quarters of the year, audited books of account for the year and monthly returns submitted to the banks, we have verified the same on random sampling basis and found the same in agreement with books of accounts. Any Discrepancies noticed during such verification, were reasonably explained by the management.

ix. In respect of Loans & Other Borrowings:

- a) According to the information and explanations given to us, the company has not defaulted in repayment of loans or in the payment of interest thereon and has repaid the principal amount and made payment of interest on loans or borrowings taken by it from banks.
- b) According to the information and explanations given to us so far as appears from our examination of relevant records, we are of the opinion that the company has not been declared willful defaulter by any bank or financial institution or any other lender.
- c) The company has not raised any new term loan during the year and hence reporting as per clause 3(ix)(c) of the Order is not applicable to the Company.
- d) According to the information and explanations given to us, and on an overall examination of the financial statements of the Company for the year, prima facie we are of the opinion that the funds raised on short term basis amounting to Rs. 33.15 Crores have been utilized during the year for long term purposes by the Company.
- e) According to the information and explanations given to us and on an overall examination of the financial statements of the company, we report that the company has prima facie not taken any funds during the year from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures, if any and hence reporting under clause 3(ix)(e) of the Order is not applicable to the company.
- f) According to the information and explanations given to us and audit procedures performed by us, we report that the company has not raised any loan during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies, if any and hence reporting under clause 3(ix)(f) of the Order is not applicable.

x. In respect of moneys raised by issue of securities:

- a) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not raised any moneys by way of initial

public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.

- b) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has made preferential allotment of shares during the year and the Company has utilized funds raised by way of preferential allotment for the purposes for which they were raised.

xi. In respect of Frauds and Whistle Blower Complaints:

- a) According to the information and explanations given to us and to the best of our knowledge, no material fraud by the Company or on the Company has been noticed or reported to us by the management during the year.
- b) According to the information and explanations given to us, no report under sub-section (12) of Section 143 of the Companies Act, 2013 has been filed by the auditors in Form ADT- 4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- c) According to the information and explanations given to us, the Company has not received any whistle-blower complaints from any party during the year.

xii. As the company is not the Nidhi Company, clause (xii) of paragraph 3 of The Companies (Auditor's Report) Order, 2020 is not applicable to it.

xiii. According to the information and explanations given to us, the company is in compliance with the provisions of sections 177 and 188 of the Companies Act, 2013, where applicable, for related party transactions and the details of related party transactions have been disclosed in the Notes to the Financial Statements in accordance with the applicable Accounting Standards.

xiv. In respect of Internal Audit:

- a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- b) We have considered the internal audit reports for the year under audit issued to the company in determining the nature, timing and extent of our audit procedure.

- xv. According to the information and explanations given to us, the Company has not entered into any non-cash transaction with directors or persons connected with them and hence clause (xv) of paragraph 3 of The Companies (Auditor's Report) Order, 2020 is not applicable to it during the year.
- xvi. In respect of Registration Under Section 45-IA of the Reserve Bank of India Act, 1934/CIC:
- a) As the company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934 (2 of 1934), clause (xvi)(a) of paragraph 3 of The Companies (Auditor's Report) Order, 2020 is not applicable to it.
  - b) According to the information and explanations given to us, the Company has not conducted any Non-Banking Financial or Housing Finance activities during the year and clause (xvi)(b) of paragraph 3 of The Companies (Auditor's Report) Order, 2020 is not applicable to it.
  - c) As the company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India, clause (xvi)(c) of paragraph 3 of The Companies (Auditor's Report) Order, 2020 is not applicable to it.
  - d) According to the information and explanations given to us, the company has no Core Investment Company (CIC) as part of its group, clause (xvi)(c) of paragraph 3 of The Companies (Auditor's Report) Order, 2020 is not applicable to it.
- xvii. The Company has neither incurred any cash losses during the financial year covered by our audit nor in the immediately preceding financial year.
- xviii. There has been a voluntary resignation of the statutory auditors of the Company during the year. We have communicated with them and have taken into consideration views expressed by them.
- xix. According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, financial position of the company as at the year end, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention,

which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

xx. In respect of CSR Activities:

- a) In respect of other than ongoing projects, the company has transferred unspent amount to a Fund specified in Schedule VII to the Companies Act, 2013 within a period of six months of the expiry of the financial year in compliance with second proviso to sub-section (5) of the section 135 of the said Act, except in respect of the following: (Rs. **REQUIREMENTS SECTION OF OUR REPORT OF EVEN DATE]**  
**FINANCIAL YEAR ENDED 31<sup>ST</sup> MARCH 2024**

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of **DEEP POLYMERS LIMITED (“the Company”)** as of March 31, 2024 in conjunction with our audit of the Standalone Ind AS financial statements of the company for the year ended on that date.

**Management’s Responsibility for Internal Financial Controls**

The Board of Directors of the company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on the company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those

policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion and to the best of our information and according to the information and explanations given to us, the company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were commensurate with the nature of the business of the company and operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## DEEP POLYMERS LIMITED

### CORPORATE INFORMATION:

DEEP POLYMERS LIMITED is a public company domiciled in India and is incorporated under the provisions of the Companies Act applicable in India. The registered office of the is located at Gandhinagar, Gujarat, India. The shares of the company are listed in one recognized stock exchanges in India i.e. the Bombay Stock Exchange Limited ('BSE')

The company is engaged in the manufacturing of Masterbatches since 1992 and Antifab Filler Masterbatches since 2004.

### NOTE 1: MATERIAL ACCOUNTING POLICIES:

#### I BASIS OF PREPARATION & PRESENTATION OF FINANCIAL STATEMENTS

##### a) Accounting Conventions:

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 and with Companies (Indian Accounting Standards) (Amendment) Rules, 2017 and such further amendments as notified and as applicable and comply in all material aspects with the relevant provisions of the Companies Act, 2013 to the extent applicable to it.

The Financial Statements have been prepared on a historical cost basis except the following assets and liabilities which have been measured at fair values:

- Certain Financial Assets and Liabilities that are measured at Fair Value and
- Defined Benefit Plans that are measured at Fair Value

The accounting policies are applied consistently to all the periods reported in the financial statements unless otherwise stated.

##### b) Use of Estimates:

The preparation of financial statements requires management to make estimates and assumptions that are believed to be reasonable under the circumstances and such estimates and assumptions may affect the reported amount of assets and liabilities, classification of assets and liabilities into non-current and current and disclosures relating to contingent liabilities as at the date of financial statements and the reported amounts of income and expenses during the reporting period. Although the financial statements have been prepared based on the management's best knowledge of current events and procedures/actions, the actual results may differ on the final outcome of the matter/transaction to which the estimates relate.

**c) 1. Property, Plant and Equipment (PPE):**

The cost of an item of property, plant and equipment is recognized as an asset if, and only if:

(a) it is probable that future economic benefits associated with the item will flow to the company;  
and

(b) the cost of the item can be measured reliably.

The acquisition of property, plant and equipment, directly increasing the future economic benefits of any particular existing item of property, plant and equipment, which are necessary for the Company to obtain the future economic benefits from its other assets, are recognized as Property, Plant and Equipment.

The Freehold land is carried/stated at historical cost/cost of acquisition. The other items of Property, Plant and Equipment are stated at cost of acquisition/construction (less Accumulated Depreciation and Impairment, if any). The cost of Property, Plant and Equipment comprises of their purchase prices including freight, duties, taxes or levies, directly attributable to cost of bringing the assets to their working conditions for their intended use. The Company capitalises its Property, Plant and Equipment at a value net of GST/Other Tax Credits received/receivable during the year in respect of eligible item of Property, Plant and Equipment. Subsequent costs are included in the carrying amount of respective Property, Plant and Equipment or recognized as separate assets as appropriate, only if such costs increase the future economic benefits from the existing items beyond their previously assessed standard of performance and cost of such items can be measured reliably.

Machinery spares that meet the definition of Property, Plant & Equipment are capitalised and depreciated over the useful life of the principal item of an asset. All other repair and maintenance costs, including regular servicing, are recognised in the Statement of Profit and Loss as incurred.

The items of Property, Plant and Equipment that are under construction/erection or not fully acquired and therefore not available for productive use are classified as "Capital Work in Progress" under Building, Furniture and fixture, Property, Plant and Equipment and solar and are/will be transferred to respective item of Building, Furniture and fixture, Property, Plant and Equipment and solar on completion of the construction/erection/acquisition activities.

Advances given to acquire property, plant and equipment are stated as non-current assets and

subsequently transferred to respective Building, Furniture and fixture, Property, Plant and Equipment and solar and CWIP on acquisition of related assets.

The carrying amounts of items of Property, Plant & Equipment have been eliminated from the books of account on disposal and the profits/(losses) arising from the disposal are recognised in the Statement of Profit and Loss of the period.

Old Plant and Machinery and trucks, were sold during the current financial year. The sale value is subtracted straight from the cost since there are insufficient specifics regarding the cost and depreciation thereon.

When it comes to fans, water filters, and weighing machines, the older models are scrapped since they are no longer in service, and their carrying value of the same is recognized in Statement of Profit and Loss of the period.

**2. Estimated Useful Lives of Items of Property, Plant & Equipment are as follows:**

Sr. No.	Class of Items of Property, Plant & Equipment	Estimated Useful Life
a.	Factory and Other Buildings	30 to 60 Years
b.	Plant & Machineries	15 Years
c.	Laboratory Equipments	15 Years
d.	Furniture & Fixtures	10 Years
e.	Vehicles	8 to 10 Years
f.	Office Equipments	5 to 10 Years
g.	Computers, Printers and Other Peripherals to Computers	3 Years
h.	Windmill	22 Years
i.	Solar and Storage plastic tank	25 Years
j.	Tube well	5 Years

**3. Investment Properties:**

The property that is held by the company for rental yields or for capital appreciation for the relevant period is classified as investment property. The investment property is initially recognized at cost and subsequently carried at cost less accumulated depreciation and accumulated impairment losses, if any.

Subsequent expenditures on such assets are capitalized to the asset's carrying value only when it is probable that future economic benefits associated with the expenditure will flow to the company or such cost are incurred to comply with regulatory requirements or have been incurred in connection with continued use of such assets and cost of such items can be measured reliably. All other repairs

	and maintenance cost are expensed as and when incurred.
	<b>4. Intangible Assets:</b>
	<p>The Intangible Assets of Accounting Software, Server Software, Website Development, Trade Mark- Logo etc. resulting in future economic benefits have been recognised at their cost of acquisition and subsequently are carried at cost less accumulated amortisation and accumulated impairment losses, if any. On the basis of the availability of these assets for their intended use, relevant contractual agreements and technological changes that may affect the usefulness of these assets, the useful lives of these assets have been assumed to be of five years from the date of their acquisition.</p> <p>The estimated useful life is reviewed annually by the management of the company.</p>
	<b>5. Depreciation &amp; Amortization:</b>
	<p>The Depreciation on tangible items of Property, Plant and Equipment is provided on written down value method for the period of acquisition/construction i.e. from the period from which such assets were available for their intended use on pro-rata basis on the basis of useful life of each of the items of Property, Plant and Equipment as per Schedule II of the Companies Act, 2013 and in the manner specified in Schedule II of the Companies Act, 2013 except freehold land and other related development on that land.</p> <p>The plant &amp; machineries which are used as continuous process plant are depreciated at the rates applicable to continuous process plant for the period for which respective plant &amp; machineries were available for use.</p> <p>The intangible assets have been amortized on pro-rata basis over period of their estimated useful lives on written down value basis i.e. @ 39.30% assuming useful life of six years.</p>
<b>d)</b>	<b>Inventories</b>
	<p>The Inventories of Raw Materials, Packing Materials, Stores &amp; Spares, Fuel and Work-in-Process have been valued at cost. Finished Goods have been valued at cost or net realisable value whichever is lower. Costs in respect of all items of inventories have been computed on FIFO. The cost of Raw Materials, Packing Materials, Fuel, Consumable Stores and items of Spares comprises of the purchase price including duties and taxes, freight inwards and other expenditure directly attributable to the acquisition. The purchase price does not include GST/Other Tax credits availed of by the Company during the year. The value of Work-in-Process includes cost of Raw Materials and</p>

	<p>conversion cost depending upon the stage of completion as determined by the management. The cost of Finished Goods includes cost of conversion and other costs incurred in bringing the inventories to their present location and conditions. The Finished Goods are valued at cost after availing of GST/Other Tax credits on input materials.</p>
<b>e)</b>	<p><b>Revenue Recognition:</b></p>
	<p>Revenue is measured at the fair value of the consideration received or receivable from the customers/parties net of returns, rebates, value added taxes and discount to the customers and amounts collected on behalf of third parties. The Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be measured reliably, regardless of when the payment is being made.</p> <p><b>Sale of Goods:</b></p> <p>The revenue from the sale of goods is recognized at transaction price when the company had transferred the property in Goods to the buyer for a price and all significant risks and rewards of ownership had been transferred to the buyer and no significant uncertainty existed as to the amount of consideration that would be derived from such sale. The recognition event is usually the dispatch of goods to the buyer such that the Company retains no effective control over the goods dispatched.</p> <p><b>Interest Income:</b></p> <p>Income from investments and deposits, where appropriate, is taken into revenue in full on declaration or accrual on time basis and tax deducted at source thereon is treated as advance tax. The interest income from a financial asset is recognized when it is probable that the economic benefits will flow to the company and the amount interest income can be measured reliably.</p> <p><b>Subsidy Income:</b></p> <p>Subsidy incomes available to the Company are accounted on the basis:</p> <ul style="list-style-type: none"> <li>i) Where there is reasonable assurance that the company will comply with the Conditions attached to them,</li> <li>ii) where such benefits have been earned by the company and it is reasonably certain that the ultimate collection will be made and</li> <li>iii) nature of the grant i.e. whether in the nature of capital contribution or in the form of revenue.</li> </ul>

	<p><b>Dividend Income:</b></p> <p>Dividend income is recognized in statement of profit and loss only when the right to receive payment is established.</p> <p><b>Export Incentives:</b></p> <p>Export incentives receivable under various schemes are accounted on accrual basis.</p>

<b>k)</b>	<b>Taxes On Income:</b>
	<b>1. Current Tax:</b>
	<p>The provision for current tax is made as per the provisions of the Income Tax Act, 1961.</p> <p>Taxes on income have been determined based on the tax rates and tax laws that have been enacted or substantively enacted by the financial statements date. The current tax liabilities and assets are measured at the amounts expected to be paid or to be recovered from the taxation authorities as at the financial statements date.</p> <p>The current tax liabilities and assets are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis or to realise the assets and settle the liabilities simultaneously.</p> <p>The current income tax relating to items recognized outside profit or loss is recognized either in the Other Comprehensive Income or in Other Equity Directly.</p>
	<b>2. Deferred Tax:</b>
	<p>Deferred tax is provided on temporary differences between the tax bases of assets and liabilities as per the provisions of the Income Tax Act, 1961 and their carrying amounts for financial reporting purposes as at the financial statements date.</p> <p>Deferred tax liabilities are recognized for all taxable temporary timing differences. Deferred tax assets are recognized for all deductible taxable temporary timing differences, the carry forward of unused tax losses and unused tax credits to the extent to which future taxable profits are expected</p>

	<p>to be available against which the deductible temporary differences and the carry forward of unused tax losses and unused tax credits can be utilized/set-off.</p> <p>Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset is realised based on the tax rates and tax laws that have been enacted or substantially enacted by the end of the reporting period.</p>
<p><b>l) Impairment of Tangible &amp; Intangible Assets:</b></p>	<p>Assets that are subject to depreciation or amortization are reviewed for impairment. Company assesses, at each reporting date, whether there is an indication that an asset may have been impaired. If any indication exists, or when annual impairment testing for an asset is required, the company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets.</p> <p>Impairment loss is recognized when the carrying amount of an asset exceeds recoverable amount.</p>
<p><b>m) Provisions, Contingent Liabilities and Contingent Assets</b></p>	<p>The Company recognises a provision when it has a present obligation as a result of a past event that probably requires an outflow of the Company's resources embodying economic benefits at the time of settlement and a reliable estimate can be made of the amount of the obligation. The provisions are measured at the best estimate of the amounts required to settle the present obligation as at the financial statement date and are not discounted to its present value.</p> <p>Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only on the occurrence or non-occurrence of one or more future uncertain events not wholly or substantially within the control of the Company or a present obligation that arises from the past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.</p> <p>When demand notices are issued by the Government Authorities and demand is disputed by the company and it is probable that the company will not be required to settle/pay such demands then these are classified as disputed obligations under contingent liabilities.</p> <p>Contingent Assets, if any, are not recognised in the financial statements. If it becomes certain that</p>

	inflow of economic benefit will arise then such asset and the relative income are recognised in financial statements.
<b>n)</b>	<b>Current/Non-Current Classifications:</b>
	The Company presents assets and liabilities in the balance sheet on the basis of their classifications into current and non-current.
	<b>Assets:</b>
	An asset is treated as current when it is: <ul style="list-style-type: none"> <li>• Expected to be realised or intended to be sold or consumed in normal operating cycle</li> <li>• Held primarily for the purpose of trading</li> <li>• Expected to be realised within twelve months after the reporting period</li> <li>• Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.</li> </ul> All other assets are classified as non-current.
	<b>Liabilities:</b>
	A liability is treated as current when it is: <ul style="list-style-type: none"> <li>• Expected to be settled in normal operating cycle</li> <li>• Held primarily for the purpose of trading</li> <li>• Due to be settled within twelve months after the reporting period</li> <li>• No unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.</li> </ul> All other liabilities are classified as non-current.
<b>o)</b>	<b>Financial Instruments, Financial Assets, Financial Liabilities and Equity Instruments</b>
	The financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the relevant instrument and are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities measured at fair value through profit or loss) are added to or deducted from the fair value on initial recognition of financial assets or financial liabilities.

## **A. Financial Assets:**

### **Initial Recognition:**

Financial Assets include Investments, Trade Receivables, Security Deposits, Cash and Cash Equivalents and eligible current and non-current assets. The financial assets are initially recognized at the transaction price when the Company becomes party to contractual obligations. The transaction price includes transaction costs unless the asset is being value at fair value through the Statement of Profit and Loss.

### **Subsequent Measurement:**

The subsequent measurement of financial assets depends upon the initial classification of financial assets. For the purpose of subsequent measurement, financial assets are classified as under:

- i. Financial Assets at Amortized Cost where the financial assets are held solely for collection of cash flows and contractual terms of the assets give rise on specified dates to cash flows that are solely payments of principal and interest on principal amount outstanding.
- ii. Fair value through other comprehensive income (FVTOCI), where the financial assets are held not only for realization of principal and interest but also from the sale of such assets. Such assets are subsequently measured at fair value, with unrealised gains and losses arising from changes in the fair value being recognised in other comprehensive income.
- iii. Fair value through profit or loss (FVTPL), where the assets are managed in accordance with an approved investment strategy that triggers purchase and sale decisions based on the fair value of such assets. Such assets are subsequently measured at fair value, with unrealised gains and losses arising from changes in the fair value being recognised in the Statement of Profit and Loss in the period in which they arise.

Trade Receivables, Security Deposits, Cash and Cash Equivalents, Investments in Equity where reliable data for fair value is not available and eligible current and non-current assets are classified for measurement at amortized cost.

Investments in equity instruments are classified for measurement at FVTPL.

### **De-recognition of Financial Assets:**

Financial Assets are derecognized when the contractual rights to cash flows from the financial assets expire or the financial asset is transferred and the transfer qualifies for de-recognition. On de-recognition of the financial assets in its entirety, the difference between the carrying amount (measured at the date of de-recognition) and the consideration received (including any new asset

obtained less any new liability assumed) shall be recognized in the Statement of Profit and Loss.

**Impairment:**

If the recoverable amount of an asset (or cash-generating unit/Fixed Assets) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognized immediately in profit or loss, unless the relevant asset is carried at a re-valued amount if any, in which case the impairment loss is treated as a revaluation decrease.

Financial assets, other than those at Fair Value through Profit and Loss (FVTPL), are assessed for indicators of impairment at the end of each reporting period. Financial assets are considered to be impaired when there is objective evidence that, as a result of one or more events that occurred after the initial recognition of the financial asset, the estimated future cash flows of the investment have been affected.

**B. Financial Liabilities:**

**Initial Recognition:**

Financial Liabilities are initially recognized at fair value plus any transaction costs, (if any) which are attributable to acquisition of the financial liabilities.

**Subsequent Measurement:**

Financial Liabilities are classified for subsequent measurement into following categories:

**(i) Financial liabilities at Amortized Cost:**

The Company is classifying the following under amortized cost:

- Borrowing from Banks
- Borrowing from Others
- Trade Payables
- Other Financial Liabilities

Amortized cost for financial liabilities represents amount at which financial liability is measured at initial recognition minus the principal repayments, plus or minus cumulative amortization using the effective interest method of any differences between the initial amount and maturity amount.

	<p><b>(ii) Financial liabilities at Fair Value through Profit or Loss:</b></p> <p>Financial liabilities held for trading are measured at Fair Value through Profit or Loss</p> <p><b>De-recognition of Financial Liabilities:</b></p> <p>Financial liabilities shall be derecognized when, and only when, it is extinguished i.e. when the obligation specified in the contract is discharged or cancelled or expires.</p>
<p><b>p)</b></p>	<p><b>Fair Value Measurement:</b></p> <p>The Company measures financial instruments, such as, derivatives at fair value at each financial statement date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.</p> <p>The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:</p> <ul style="list-style-type: none"> <li>• In the principal market for the asset or liability, or in the absence of a principal market, in the most advantageous market for the asset or liability</li> <li>• The principal or the most advantageous market must be accessible by the Company.</li> </ul> <p>The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. A fair value measurement of a non-financial asset takes into account a market participant’s ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.</p> <p>The company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.</p> <p>All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:</p> <p>Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities</p> <p>Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.</p> <p>Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value</p>

	<p>measurement is unobservable.</p> <p>For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.</p> <p>For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.</p>
<b>q)</b>	<p><b>Cash and Cash Equivalents-For the Purpose of Cash Flow Statements:</b></p> <p>Cash and cash equivalent in the balance sheet comprise cash at banks and in hand and short-term deposits with an original maturity of three months or less or deposits with bank held as margin money against the import of goods or as security against the supply of goods, which are subject to an insignificant risk of changes in value.</p>
<b>r)</b>	<p><b>Operating Cycle:</b></p> <p>Based on the activities of the company and normal time between incurring of liabilities and their settlement in cash or cash equivalents and acquisition/right to assets and their realization in cash or cash equivalents, the company has considered its operating cycle as 12 months for the purpose of classification of its liabilities and assets as current and non-current.</p>
<b>s)</b>	<p><b>Prior Period Errors:</b></p> <p>Prior period errors are in the form of omission of certain items in the financial statements of prior periods which were not available when the financial statements were approved for issue and which could reasonably be expected to have been obtained and taken into account in the preparation and presentation of financial statement of prior period.</p> <p>The Prior period errors have been corrected retrospectively by restating the respective amounts of the prior period presented in which the error occurred. If the errors have occurred before the earliest prior period presented, the errors have been corrected by restating the opening balances of assets, liabilities and equity of the earliest prior period presented.</p>
<b>t)</b>	<p><b>Events Subsequent to Financial Statements Period:</b></p> <p>Events after the reporting period are those events, both favourable and unfavourable that have occurred between the end of the reported financial statements year and the date when financial statements are approved for issue by the Board of Directors of the company.</p>

	<p>Events after the reporting period can be identified as those that provide evidence of conditions that existed as at the end of the financial year i.e. adjusting events after the financial year end and those are indicative of conditions that arose after the financial year end i.e. non-adjusting events after the financial year end.</p> <p>The company adjusts the amounts of assets, liabilities, incomes and expenses recognised in the financial statements of the reporting period to reflect the effects of adjusting events to the respective assets, liabilities, incomes and expenses of the reporting period.</p> <p>The non-adjusting events are not recognised in the financial statement of the reporting period but the nature of event and an estimate of its financial effect are disclosed in the notes of accounts.</p>
<b>u)</b>	<p><b>Government Grants:</b></p> <p>Government grants are recognised in the period where it is determined that there is reasonable assurance that the grant will be received and all attached conditions relating to grant will be complied with.</p> <p>The revenue grant relating to or arising from business operations is recognised as operating income in the Statement of Profit and Loss of the period in which is determined that it is reasonably certain that grant will be received and all attached conditions relating to grant will be complied with.</p>
<b>v)</b>	<p><b>Earnings Per Share:</b></p> <p>The Company presents basic and diluted earnings per share details for its ordinary shares. Basic earning per share is calculated by dividing the net profit after tax for the year attributable to the ordinary shareholders of the company by weighted number of ordinary shares outstanding for applicable period during the year.</p> <p>Diluted earnings per share is calculated considering the effect of dilution if any to ordinary share during the year.</p>

<b>w)</b>	<b>Expected Credit Loss:</b>
	<p>The measurement of expected credit loss on financial assets is based on the evaluation of collectability and the management’s judgement regarding recoverability. A considerable amount of judgement is required in assessing the ultimate realization of the trade receivables having regard to the past collection history of each party, ongoing dealings with the parties, and assessment of their ability to pay the debts.</p>

\* The Company has issued and allotted the 11,47,200 equity Shares to Promoter and Promoter Group of the Company on 02.11.2023 pursuant to Preferential Allotment.

### III Rights, Preferences and Restrictions Attached to Shares:

The company has a single class of equity shares. Accordingly, all equity shares rank equally with regard to dividends and shares in the company's residual assets. The equity shares are entitled to receive dividend as declared from time to time subject to payment of dividend to preference shareholders. The voting rights of an equity shareholder on a poll (not on showoff hands) are in proportion to its share of the paid-up equity capital of the company. Voting rights cannot be exercised in respect of shares on which any call or other sums presently payable have not been paid.

Failure to pay any amount called up on shares may lead to forfeiture of the shares

On winding up of the company, the holders of equity shares will be entitled to receive the residual assets of the company, remaining after distribution of all preferential amounts in proportion to the number of equity shares held.

**d) Income tax demand**

In the financial year 2021-22, Deep plast industries a partnership firm was merged with the company vide resolution dated 13th September, 2021 by members of the company with all assets, liability, expense and incomes with effect from "effective date". The merged partnership firm has income tax credit in the form of TDS, TCS, Advance Tax and self-assessment tax for the financial year 2021-22 which the company has claimed its return of income for Assessment year 2022-23. However, CPC, Income tax department Bengaluru while processing the same return has not allowed credit of such

taxes paid and hence raised demand of Rs.3,73,16,880/-. The Company has representation before the income tax department for wrongful non-allowance of tax credit and it is expected as once the department rectifies the mistake. It is expected that, there will be no income tax liability on account of this and hence there is no provision made for such income tax demand in the booked of accounts. And the Same has been disclosed in the contingent liability.

<b>h)</b>	<b>Financial Instruments and Related Disclosures: (Refer to Note No. 35,36 &amp; 37)</b>		
	<b>Financial Risk Management:</b>		
	<p>The company activities are exposed various financial risks: credit risk, liquidity risk, foreign exchange fluctuation risk, Interest rate risk and Market Risk. The Company's primary focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance.</p>		
	<b>I. Credit Risk:</b>		
	<b>Trade Receivables:</b>		
	<p>Credit risk refers to the risk of default on its obligation by the counterparty resulting in a financial loss to the Company. The maximum exposure to the credit risk as at the reporting date is primarily from trade receivables. Trade receivables are unsecured and are derived from revenue earned from customers from sale of goods. Trade receivables generally are impaired after three years when recoverability is</p>		

considered doubtful based on general trend. The Company considers that trade receivables stated in the financial statements are not impaired and past due for each reporting dates under review are of good credit quality subject to outcome of the litigations where the company has initiated legal proceedings for recovery.

**Other Financial Assets:**

Credit risk relating to cash and cash equivalents is considered negligible since the counterparties are banks which are majorly owned by Government of India and have oversight of Reserve Bank of India. The Company considers the credit quality of term deposits with banks to be good and the company reviews these banking relationships on an ongoing basis.

The Company considers all other financial assets as at the financial statement dates to be of good credit quality.

**II. Liquidity Risk:**

The company's principal sources of liquidity are from Short Term Bank Borrowings, Cash and Cash Equivalents and Cash generated from operations.

The Short- term liquidity requirements consist mainly of Trade Payables, Expense Payables, Employee Dues, Servicing of Interest on Short -Term and Long -Term Borrowings and payment of instalments of term loans and vehicle loans and other payments arising during the normal course of business.

**III. Foreign Exchange Rate Risk:**

The Company undertakes transactions denominated in foreign currency mainly for purchase of raw materials and sale of goods which are subject to the risk of exchange rate fluctuations. Financial assets and liabilities denominated in foreign currency are also subject to reinstatement risks. Hedging is regularly carried out to mitigate the risks of exchange rate fluctuations to the extent considered feasible.

**IV. Interest Rate Risk:**

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates.

- Interest rate sensitivity:

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on loans and borrowings. With all other variables held constant, the Company's profit before tax is affected through the impact on floating rate borrowings, as follows: (Rs. In Lacs)

Particulars	Change in basis points	Effect on profit before tax
<b>March 31, 2024</b>		
Rupee borrowings (Including rupee payment of loans which was taken in foreign currency)	+50	17.86
	-50	(17.86)
<b>March 31, 2023</b>		
Rupee borrowings (Including rupee payment of loans which was taken in foreign currency)	+50	25.57
	-50	(25.57)

#### V. Market Risk:

Market risk is the risk that changes in market prices, liquidity and other factors that could have an adverse effect on realizable fair values or future cash flows to the Company. The Company's activities expose it primarily to the financial risks of changes in foreign currency exchange rates and interest rates as future specific market changes cannot be normally predicted with reasonable accuracy.

#### i) Capital Management

For the purpose of the Company's capital management, capital includes issued equity capital and all other equity reserves attributable to the equity holders of the Company. The primary objective of the Company's capital management is to ensure that it maintains a strong credit rating and healthy capital ratios in order to support its business and maximize return to stakeholders through the optimization of the debt and equity balance.

The Company manages its capital structure and makes adjustments to it in light of changes in economic conditions and the requirements of the financial covenants. The Company monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. The Company includes, within net debt, interest bearing loans and borrowings, trade and other payables, less cash and short-term deposits.

## INDEPENDENT AUDITOR'S REPORT

To the Members of

**DEEP POLYMERS LIMITED**

**REPORT ON THE CONSOLIDATED FINANCIAL STATEMENTS:**

### OPINION

We have audited the consolidated financial statements of **DEEP POLYMERS LIMITED** (“the Company”), which comprise the Consolidated Balance Sheet as at March 31, 2024, the Consolidated Statement of Profit and Loss (Including Other Comprehensive Income), the Consolidated Statement of Changes In Equity and the Consolidated Statement of Cash Flows for the year then ended and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as “Consolidated Financial Statements”).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements except “for effect of compliance of Ind-AS 21 regarding restatement of foreign currency Assets and liability as at the end of the year and non-provision for gratuity and other long term employee benefits as per Ind-AS – 19 “Employee Benefits” in the associate company” give the information required by the Companies Act, 2013 (“Act”) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards (‘Ind AS’) specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended, of the state of affairs of the Company as at March 31, 2024, and its profit and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

**BASIS FOR OPINION:**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the consolidated Financial Statements section of our report.

We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**KEY AUDIT MATTERS:**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

**Description of Key Audit Matters:****The Key Audit Matter****How the matter was addressed in our audit****1. Investment in Property, Plant and Equipments (Refer to Note No. 2)**

## **INFORMATION OTHER THAN THE CONSOLIDATED FINANCIAL STATEMENTS AND AUDITORS' REPORT THEREON**

The Company's management and Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

## **MANAGEMENT'S RESPONSIBILITY FOR THE CONSOLIDATED FINANCIAL STATEMENTS:**

The Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these consolidated financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Indian Accounting Standards (Ind AS), accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act, read with the Companies (Indian Accounting Standard) Rules, 2015 as amended.

This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the

preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

#### **AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE CONSOLIDATED FINANCIAL STATEMENTS:**

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to consolidated financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**OTHER MATTERS:**

The company has not reported comparative amounts for the previous financial year in respect of ageing analysis of trade receivable (Note No.11), trade payable (Note No.21) and Value of imports calculated on C.I.F. basis and Value of Export on F.O.B. Basis.

**REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS:**

1. As required by section 143(3) of the Act, based on our audit we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - b) In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
  - c) The Consolidated Balance Sheet, Consolidated the Statement of Profit and Loss including Other Comprehensive Income, the Consolidated Statement of Changes in Equity & the Consolidated Statement of Cash Flows dealt with by this Report are in agreement with the books of account;
  - d) In our opinion, aforesaid Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including Other Comprehensive Income, the Consolidated Statement of Changes in Equity

& the Consolidated Statement of Cash Flows comply with the Indian Accounting Standards prescribed under section 133 of the Act except for the Ind-AS 21 regarding restatement of foreign currency Assets and liability as at the end of the year;

- e) On the basis of written representations received from the directors of the Company as on March 31, 2024, and taken on record by the Board of Directors, none of the directors are disqualified as on March 31, 2024, from being appointed as a director in terms of sub-section (2) of section 164 of Act;
- f) With respect to the adequacy of internal financial control over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in **Annexure-A**. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting;
- g) With respect to the other matters included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company had the following litigations pending as at the end of the financial year which may impact its financial position on final disposal of the respective matters;

(Rs. in Lacs)

Sr. No.	Name of the Party/ Department	Brief facts of the case	Financial Impact
1.	Assistant Commissioner of Income, CPC, Bengaluru	Income Tax Liabilities on account of Income Tax Intimation Order under section 143(1) for A.Y. 2022-23 passed by Assistant Commissioner of Income, CPC, Bengaluru	373.17/-

- ii. The Company did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses.
- iii. As at 31st March, 2024 there were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- iv. Management Representation:
  - a. The Management of the Company has represented to us that to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
  - b. The management of the Company has represented, that, to the best of its knowledge and belief no funds (which are material either individually or in the aggregate) have been received by the company from any person(s) or entity(ies), including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
  - c. Based on audit procedures which we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) Companies (Audit and Auditors) Rules, 2014 (as amended) and provided in clauses (a) and (b) above contain any material mis-statement.
- v. The company has not declared or paid any dividend during the year.

- vi. Based on our examination which included test checks, the company had used an accounting software for maintaining its books of account for the financial year ended March 31, 2024, which has a feature of recording audit trail (edit log) facility and that the audit trail feature used by the company to maintain accounting transactions did not operate throughout the year for all relevant transactions recorded in the software. As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not fulfilled for the financial year ended March 31, 2024.
2. With respect to the matter to be included in the Auditors' Report under Section 197(16) of the Act:
- In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is not in accordance with the provisions of Section 197 of the Act read with Schedule V to the Companies Act, 2013. The remuneration paid to directors is in excess of Rs.57.80 Lacs the limit laid down under Section 197 of the Act read with Schedule V to the Companies Act, 2013. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us.
3. With respect to the matters specified in clause (xxi) of Para 3 and 4 of the Companies (Auditor's Report) Order, 2020 ("The Order") issued by the Central Government in terms of section 143(11) of the Act, according to information and explanations given to us, and based on CARO Report issued by us on the standalone financial statement of the holding company, we report

that there are no qualifications or adverse remarks by the auditors in the CARO Report of the holding company included in consolidated financial statement.

**FINANCIAL YEAR ENDED 31<sup>ST</sup> MARCH 2024**

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of **DEEP POLYMERS LIMITED (“the Company”)** as of March 31, 2024 in conjunction with our audit of the Consolidated Ind AS financial statements of the company for the year ended on that date.

**Management’s Responsibility for Internal Financial Controls**

The Board of Directors of the company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

## **Auditors' Responsibility**

Our responsibility is to express an opinion on the company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

## **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting

includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated financial statements.

#### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion and to the best of our information and according to the information and explanations given to us, the company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were commensurate with the nature of the business of the company and operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

### NOTE 1: MATERIAL ACCOUNTING POLICIES:

#### I BASIS OF PREPARATION & PRESENTATION OF CONSOLIDATED FINANCIAL STATEMENTS

##### a) Accounting Conventions:

The consolidated financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 and with Companies (Indian Accounting Standards) (Amendment) Rules, 2017 and such further amendments as notified and as applicable and comply in all material aspects with the relevant provisions of the Companies Act,2013 to the extent applicable to it.

The Consolidated Financial Statements have been prepared on a historical cost basis except the following assets and liabilities which have been measured at fair values:

- Certain Financial Assets and Liabilities that are measured at Fair Value and
- Defined Benefit Plans that are measured at Fair Value

The Consolidated financial statements of the Deep Polymers Limited and Deep Additives Private Limited by using Equity method.

The accounting policies are applied consistently to all the periods reported in the consolidated financial statements unless otherwise stated.

##### b) Use of Estimates:

The preparation of consolidated financial statements requires management to make estimates and assumptions that are believed to be reasonable under the circumstances and such estimates and assumptions may affect the reported amount of assets and liabilities, classification of assets and liabilities into non-current and current and disclosures relating to contingent liabilities as at the date

	<p>of consolidated financial statements and the reported amounts of income and expenses during the reporting period. Although the consolidated financial statements have been prepared based on the management’s best knowledge of current events and procedures/actions, the actual results may differ on the final outcome of the matter/transaction to which the estimates relate.</p>
<p><b>c)</b></p>	<p><b>1. Property, Plant and Equipment (PPE):</b></p> <p>The cost of an item of property, plant and equipment is recognized as an asset if, and only if:</p> <ul style="list-style-type: none"> <li>(a) it is probable that future economic benefits associated with the item will flow to the company;</li> <li>and</li> <li>(b) the cost of the item can be measured reliably.</li> </ul> <p>The acquisition of property, plant and equipment, directly increasing the future economic benefits of any particular existing item of property, plant and equipment, which are necessary for the Company to obtain the future economic benefits from its other assets, are recognized as Property, Plant and Equipment.</p> <p>The Freehold land is carried/stated at historical cost/cost of acquisition. The other items of Property, Plant and Equipment are stated at cost of acquisition/construction (less Accumulated Depreciation and Impairment, if any). The cost of Property, Plant and Equipment comprises of their purchase prices including freight, duties, taxes or levies, directly attributable to cost of bringing the assets to their working conditions for their intended use. The Company capitalises its Property, Plant and Equipment at a value net of GST/Other Tax Credits received/receivable during the year in respect of eligible item of Property, Plant and Equipment. Subsequent costs are included in the carrying amount of respective Property, Plant and Equipment or recognized as separate assets as appropriate, only if such costs increase the future economic benefits from the existing items beyond their previously assessed standard of performance and cost of such items can be measured reliably.</p> <p>Machinery spares that meet the definition of Property, Plant &amp; Equipment are capitalised and depreciated over the useful life of the principal item of an asset. All other repair and maintenance costs, including regular servicing, are recognised in the Statement of Profit and Loss as incurred.</p> <p>The items of Property, Plant and Equipment that are under construction/erection or not fully acquired and therefore not available for productive use are classified as “Capital Work in Progress”</p>

under Building, Furniture and fixture, Property, Plant and Equipment and solar and are/will be transferred to respective item of Building, Furniture and fixture, Property, Plant and Equipment and solar on completion of the construction/erection/acquisition activities.

Advances given to acquire property, plant and equipment are stated as non-current assets and subsequently transferred to respective Building, Furniture and fixture, Property, Plant and Equipment and solar and CWIP on acquisition of related assets.

The carrying amounts of items of Property, Plant & Equipment have been eliminated from the books of account on disposal and the profits/(losses) arising from the disposal are recognised in the Statement of Profit and Loss of the period.

Old Plant and Machinery and trucks, were sold during the current financial year. The sale value is subtracted straight from the cost since there are insufficient specifics regarding the cost and depreciation thereon.

When it comes to fans, water filters, and weighing machines, the older models are scrapped since they are no longer in service, and their carrying value of the same is recognized in Statement of Profit and Loss of the period.

**2. Estimated Useful Lives of Items of Property, Plant & Equipment are as follows:**

Sr. No.	Class of Items of Property, Plant & Equipment	Estimated Useful Life
a.	Factory and Other Buildings	30 to 60 Years
b.	Plant & Machineries	15 Years

h.	Windmill	22 Years
i.	Solar and Storage plastic tank	25 Years
j.	Tube well	5 Years

**3. Investment Properties:**

The property that is held by the company for rental yields or for capital appreciation for the relevant period is classified as investment property. The investment property is initially recognized at cost and subsequently carried at cost less accumulated depreciation and accumulated impairment losses, if any.

	<p>Subsequent expenditures on such assets are capitalized to the asset's carrying value only when it is probable that future economic benefits associated with the expenditure will flow to the company or such cost are incurred to comply with regulatory requirements or have been incurred in connection with continued use of such assets and cost of such items can be measured reliably. All other repairs and maintenance cost are expensed as and when incurred.</p>
	<p><b>4. Intangible Assets:</b></p>
	<p>The Intangible Assets of Accounting Software, Server Software, Website Development, Trade Mark- Logo etc. resulting in future economic benefits have been recognised at their cost of acquisition and subsequently are carried at cost less accumulated amortisation and accumulated impairment losses, if any. On the basis of the availability of these assets for their intended use, relevant contractual agreements and technological changes that may affect the usefulness of these assets, the useful lives of these assets have been assumed to be of five years from the date of their acquisition. The estimated useful life is reviewed annually by the management of the company.</p>
	<p><b>5. Depreciation &amp; Amortization:</b></p>
	<p>The Depreciation on tangible items of Property, Plant and Equipment is provided on written down value method for the period of acquisition/construction i.e. from the period from which such assets were available for their intended use on pro-rata basis on the basis of useful life of each of the items of Property, Plant and Equipment as per Schedule II of the Companies Act, 2013 and in the manner specified in Schedule II of the Companies Act, 2013 except freehold land and other related development on that land.</p> <p>The plant &amp; machineries which are used as continuous process plant are depreciated at the rates applicable to continuous process plant for the period for which respective plant &amp; machineries were available for use.</p> <p>The intangible assets have been amortized on pro-rata basis over period of their estimated useful lives on written down value basis i.e. @ 39.30% assuming useful life of six years.</p>
<b>d)</b>	<p><b>Inventories</b></p>
	<p>The Inventories of Raw Materials, Packing Materials, Stores &amp; Spares, Fuel and Work-in-Process have been valued at cost. Finished Goods have been valued at cost or net realisable value whichever is lower. Costs in respect of all items of inventories have been computed on FIFO. The cost of Raw</p>

	<p>Materials, Packing Materials, Fuel, Consumable Stores and items of Spares comprises of the purchase price including duties and taxes, freight inwards and other expenditure directly attributable to the acquisition. The purchase price does not include GST/Other Tax credits availed of by the Company during the year. The value of Work-in-Process includes cost of Raw Materials and conversion cost depending upon the stage of completion as determined by the management. The cost of Finished Goods includes cost of conversion and other costs incurred in bringing the inventories to their present location and conditions. The Finished Goods are valued at cost after availing of GST/Other Tax credits on input materials.</p>
<p><b>e)</b></p>	<p><b>Revenue Recognition:</b></p> <p>Revenue is measured at the fair value of the consideration received or receivable from the customers/parties net of returns, rebates, value added taxes and discount to the customers and amounts collected on behalf of third parties. The Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be measured reliably, regardless of when the payment is being made.</p> <p><b>Sale of Goods:</b></p> <p>The revenue from the sale of goods is recognized at transaction price when the company had transferred the property in Goods to the buyer for a price and all significant risks and rewards of ownership had been transferred to the buyer and no significant uncertainty existed as to the amount of consideration that would be derived from such sale. The recognition event is usually the dispatch of goods to the buyer such that the Company retains no effective control over the goods dispatched.</p> <p><b>Interest Income:</b></p> <p>Income from investments and deposits, where appropriate, is taken into revenue in full on declaration or accrual on time basis and tax deducted at source thereon is treated as advance tax. The interest income from a financial asset is recognized when it is probable that the economic benefits will flow to the company and the amount interest income can be measured reliably.</p> <p><b>Subsidy Income:</b></p> <p>Subsidy incomes available to the Company are accounted on the basis:</p> <p>i) Where there is reasonable assurance that the company will comply with the Conditions attached</p>

	<p>to them,</p> <p>ii) where such benefits have been earned by the company and it is reasonably certain that the ultimate collection will be made and</p> <p>iii) nature of the grant i.e. whether in the nature of capital contribution or in the form of revenue.</p> <p><b>Dividend Income:</b></p> <p>Dividend income is recognized in statement of profit and loss only when the right to receive payment is established.</p> <p><b>Export Incentives:</b></p> <p>Export incentives receivable under various schemes are accounted on accrual basis.</p>
<b>f)</b>	<b>Foreign Currency Transactions</b>
	<p>The Company's consolidated financial statements have been prepared and presented in Indian Rupees (₹) which is also its functional currency.</p> <p>The transactions in foreign currency initially have been recorded using the rate of exchange prevailing on the date of transactions. The differences arising on the settlement/restatement of the foreign currency denominated Financial Assets/Liabilities into Indian Rupees have been recognized as expenses/income (net) of the year and carried to the statement of profit and loss.</p> <p>The monetary items denominated in foreign currencies outstanding as at the end of the reporting period, are not translated at the exchange rates prevailing as at the end of the reporting period.</p>
<b>g)</b>	<b>Employee Benefits:</b>
	<b>1. Short Term Obligations:</b>
	<p>Short term employee benefits like wages, salaries, production incentives and other monetary and non-monetary benefits are recognized in the period during which services are rendered by the employees and are recognized at the value at which liabilities have been settled or are expected to be settled.</p>
	<b>2. Post-Employment and Other Long -Term Employee Benefits:</b>
	<b>2.1 Contribution to Provident Fund &amp; ESIC:</b>
	<p>The Company's contribution to the Provident Fund and ESIC is remitted as per the applicable provisions relating to the Employee Provident Fund Scheme and ESIC and such contributions are charged to the Statement of Profit &amp; Loss of the period to which contributions relates.</p>

	<p><b>2.2 Defined Benefit Plan for Gratuity:</b></p> <p>The Company operates defined benefit plans for Gratuity. The Liabilities in respect of retirement benefits to eligible employees in the form of Gratuity are provided on the basis of Actuarial Valuation as per Ind AS-19 “Employee Benefits”. The employee’s gratuity fund scheme is managed by Life Insurance Corporation of India, Pension and Group Schemes Department. The cost of providing defined benefits plans in the form of gratuity is determined using the Projected Unit Credit Method with actuarial valuation being carried out at each reporting date.</p> <p>The remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling (excluding amounts included in net interest on the net defined benefit liability) and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. The remeasurements are not reclassified to profit or loss in subsequent periods.</p> <p>The changes in net defined benefit obligations in the form of services costs comprising of current service cost, past service cost, net interest cost and gains/(losses) on curtailments and settlements are recognized in the Statement of Profit &amp; Loss.</p>
<p><b>h)</b></p>	<p><b>Borrowing Costs</b></p> <p>Borrowing costs that are directly attributable to the acquisition or constructed of qualifying assets are capitalizes as part of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use.</p> <p>Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization.</p> <p>All other borrowing costs are interest and ancillary costs incurred in connection with the arrangement of borrowings. The borrowing costs are recognised in the Statement of Profit and Loss in the period in which they are incurred.</p>
<p><b>i)</b></p>	<p><b>Operating Segment</b></p> <p>The Company identifies operating segments on the basis of dominant source, nature of risks and returns and the internal organization. The operating segments are the segments for which separate financial information is available and for which operating profit/loss amounts are evaluated regularly by the Managing Director/Chief Executive Officer who is Company’s chief operating decision maker</p>

	<p>in deciding how to allocate resources and in assessing performance.</p> <p>The dominant source of income of the company is from the sale of masterbatches of various colour and Antifab filler of various quality which do not materially differ in respect of risk perception and the return realized/to be realized. Further, the geographical/regulatory environment in which the company operates are materially differ considering the assets employed and the risk and return associated in respect of each of the geographical area.</p> <p>The Group’s business segments are identified based on the geographic locations of its units and the internal business reporting system as per Ind AS-108-“Operating Segments”, Business segments of the company are primarily categorized as: Rakanpur, Santej and Hajipur</p>
j)	<p><b>Taxes On Income:</b></p> <p><b>1. Current Tax:</b></p> <p>The provision for current tax is made as per the provisions of the Income Tax Act, 1961.</p> <p>Taxes on income have been determined based on the tax rates and tax laws that have been enacted or substantively enacted by the financial statements date. The current tax liabilities and assets are measured at the amounts expected to be paid or to be recovered from the taxation authorities as at the financial statements date.</p> <p>The current tax liabilities and assets are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis or to realise the assets and settle the liabilities simultaneously.</p> <p>The current income tax relating to items recognized outside profit or loss is recognized either in the Other Comprehensive Income or in Other Equity Directly.</p> <p><b>2. Deferred Tax:</b></p> <p>Deferred tax is provided on temporary differences between the tax bases of assets and liabilities as per the provisions of the Income Tax Act, 1961 and their carrying amounts for financial reporting purposes as at the financial statements date.</p> <p>Deferred tax liabilities are recognized for all taxable temporary timing differences. Deferred tax assets are recognized for all deductible taxable temporary timing differences, the carry forward of unused tax losses and unused tax credits to the extent to which future taxable profits are expected to be available against which the deductible temporary differences and the carry forward of unused</p>

	<p>tax losses and unused tax credits can be utilized/set-off.</p> <p>Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset is realised based on the tax rates and tax laws that have been enacted or substantially enacted by the end of the reporting period.</p>
<b>k)</b>	<p><b>Impairment of Tangible &amp; Intangible Assets:</b></p> <p>Assets that are subject to depreciation or amortization are reviewed for impairment. Company assesses, at each reporting date, whether there is an indication that an asset may have been impaired. If any indication exists, or when annual impairment testing for an asset is required, the company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets.</p> <p>Impairment loss is recognized when the carrying amount of an asset exceeds recoverable amount.</p>
<b>l)</b>	<p><b>Provisions, Contingent Liabilities and Contingent Assets</b></p> <p>The Company recognises a provision when it has a present obligation as a result of a past event that probably requires an outflow of the Company's resources embodying economic benefits at the time of settlement and a reliable estimate can be made of the amount of the obligation. The provisions are measured at the best estimate of the amounts required to settle the present obligation as at the financial statement date and are not discounted to its present value.</p> <p>Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only on the occurrence or non-occurrence of one or more future uncertain events not wholly or substantially within the control of the Company or a present obligation that arises from the past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.</p> <p>When demand notices are issued by the Government Authorities and demand is disputed by the company and it is probable that the company will not be required to settle/pay such demands then these are classified as disputed obligations under contingent liabilities.</p>

	Contingent Assets, if any, are not recognised in the financial statements. If it becomes certain that inflow of economic benefit will arise then such asset and the relative income are recognised in financial statements.
<b>m)</b>	<b>Current/Non-Current Classifications:</b>
	The Company presents assets and liabilities in the balance sheet on the basis of their classifications into current and non-current.
	<b>Assets:</b>
	An asset is treated as current when it is: <ul style="list-style-type: none"> <li>• Expected to be realised or intended to be sold or consumed in normal operating cycle</li> <li>• Held primarily for the purpose of trading</li> <li>• Expected to be realised within twelve months after the reporting period</li> <li>• Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.</li> </ul> <p>All other assets are classified as non-current.</p>
	<b>Liabilities:</b>
	A liability is treated as current when it is: <ul style="list-style-type: none"> <li>• Expected to be settled in normal operating cycle</li> <li>• Held primarily for the purpose of trading</li> <li>• Due to be settled within twelve months after the reporting period</li> <li>• No unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.</li> </ul> <p>All other liabilities are classified as non-current.</p>
<b>n)</b>	<b>Financial Instruments, Financial Assets, Financial Liabilities and Equity Instruments</b>
	The financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the relevant instrument and are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities measured at fair value through profit or loss) are added to or deducted from the fair value on initial recognition of financial assets or financial liabilities.

## **A. Financial Assets:**

### **Initial Recognition:**

Financial Assets include Investments, Trade Receivables, Security Deposits, Cash and Cash Equivalents and eligible current and non-current assets. The financial assets are initially recognized at the transaction price when the Company becomes party to contractual obligations. The transaction price includes transaction costs unless the asset is being value at fair value through the Statement of Profit and Loss.

### **Subsequent Measurement:**

The subsequent measurement of financial assets depends upon the initial classification of financial assets. For the purpose of subsequent measurement, financial assets are classified as under:

- i. Financial Assets at Amortized Cost where the financial assets are held solely for collection of cash flows and contractual terms of the assets give rise on specified dates to cash flows that are solely payments of principal and interest on principal amount outstanding.
- ii. Fair value through other comprehensive income (FVTOCI), where the financial assets are held not only for realization of principal and interest but also from the sale of such assets. Such assets are subsequently measured at fair value, with unrealised gains and losses arising from changes in the fair value being recognised in other comprehensive income.
- iii. Fair value through profit or loss (FVTPL), where the assets are managed in accordance with an approved investment strategy that triggers purchase and sale decisions based on the fair value of such assets. Such assets are subsequently measured at fair value, with unrealised gains and losses arising from changes in the fair value being recognised in the Statement of Profit and Loss in the period in which they arise.

Trade Receivables, Security Deposits, Cash and Cash Equivalents, Investments in Equity where reliable data for fair value is not available and eligible current and non-current assets are classified for measurement at amortized cost.

Investments in equity instruments are classified for measurement at FVTPL.

### **De-recognition of Financial Assets:**

Financial Assets are derecognized when the contractual rights to cash flows from the financial assets expire or the financial asset is transferred and the transfer qualifies for de-recognition. On de-recognition of the financial assets in its entirety, the difference between the carrying amount (measured at the date of de-recognition) and the consideration received (including any new asset

obtained less any new liability assumed) shall be recognized in the Statement of Profit and Loss.

**Impairment:**

If the recoverable amount of an asset (or cash-generating unit/Fixed Assets) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognized immediately in profit or loss, unless the relevant asset is carried at a re-valued amount if any, in which case the impairment loss is treated as a revaluation decrease.

Financial assets, other than those at Fair Value through Profit and Loss (FVTPL), are assessed for indicators of impairment at the end of each reporting period. Financial assets are considered to be impaired when there is objective evidence that, as a result of one or more events that occurred after the initial recognition of the financial asset, the estimated future cash flows of the investment have been affected.

**B. Financial Liabilities:**

**Initial Recognition:**

Financial Liabilities are initially recognized at fair value plus any transaction costs, (if any) which are attributable to acquisition of the financial liabilities.

**Subsequent Measurement:**

Financial Liabilities are classified for subsequent measurement into following categories:

**(i) Financial liabilities at Amortized Cost:**

The Company is classifying the following under amortized cost:

- Borrowing from Banks
- Borrowing from Others
- Trade Payables
- Other Financial Liabilities

Amortized cost for financial liabilities represents amount at which financial liability is measured at initial recognition minus the principal repayments, plus or minus cumulative amortization using the effective interest method of any differences between the initial amount and maturity amount.

	<p>(ii) <b>Financial liabilities at Fair Value through Profit or Loss:</b></p> <p>Financial liabilities held for trading are measured at Fair Value through Profit or Loss</p> <p><b>De-recognition of Financial Liabilities:</b></p> <p>Financial liabilities shall be derecognized when, and only when, it is extinguished i.e. when the obligation specified in the contract is discharged or cancelled or expires.</p>
<p><b>o) Fair Value Measurement:</b></p>	<p>The Company measures financial instruments, such as, derivatives at fair value at each consolidated financial statement date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:</p> <ul style="list-style-type: none"> <li>• In the principal market for the asset or liability, or in the absence of a principal market, in the most advantageous market for the asset or liability</li> <li>• The principal or the most advantageous market must be accessible by the Company.</li> </ul> <p>The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. A fair value measurement of a non-financial asset takes into account a market participant’s ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.</p> <p>The company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.</p> <p>All assets and liabilities for which fair value is measured or disclosed in the consolidated financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:</p> <p>Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities</p> <p>Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.</p> <p>Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value</p>

	<p>measurement is unobservable.</p> <p>For assets and liabilities that are recognised in the consolidated financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.</p> <p>For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.</p>
<b>p)</b>	<b>Cash and Cash Equivalents-For the Purpose of Cash Flow Statements:</b>
	<p>Cash and cash equivalent in the balance sheet comprise cash at banks and in hand and short-term deposits with an original maturity of three months or less or deposits with bank held as margin money against the import of goods or as security against the supply of goods, which are subject to an insignificant risk of changes in value.</p>
<b>q)</b>	<b>Operating Cycle:</b>
	<p>Based on the activities of the company and normal time between incurring of liabilities and their settlement in cash or cash equivalents and acquisition/right to assets and their realization in cash or cash equivalents, the company has considered its operating cycle as 12 months for the purpose of classification of its liabilities and assets as current and non-current.</p>
<b>r)</b>	<b>Prior Period Errors:</b>
	<p>Prior period errors are in the form of omission of certain items in the consolidated financial statements of prior periods which were not available when the consolidated financial statements were approved for issue and which could reasonably be expected to have been obtained and taken into account in the preparation and presentation of consolidated financial statement of prior period.</p> <p>The Prior period errors have been corrected retrospectively by restating the respective amounts of the prior period presented in which the error occurred. If the errors have occurred before the earliest prior period presented, the errors have been corrected by restating the opening balances of assets, liabilities and equity of the earliest prior period presented.</p>
<b>s)</b>	<b>Events Subsequent to consolidated Financial Statements Period:</b>
	<p>Events after the reporting period are those events, both favourable and unfavourable that have occurred between the end of the reported consolidated financial statements year and the date when consolidated financial statements are approved for issue by the Board of Directors of the</p>

	<p>company.</p> <p>Events after the reporting period can be identified as those that provide evidence of conditions that existed as at the end of the financial year i.e. adjusting events after the financial year end and those are indicative of conditions that arose after the financial year end i.e. non-adjusting events after the financial year end.</p> <p>The company adjusts the amounts of assets, liabilities, incomes and expenses recognised in the consolidated financial statements of the reporting period to reflect the effects of adjusting events to the respective assets, liabilities, incomes and expenses of the reporting period.</p> <p>The non-adjusting events are not recognised in the consolidated financial statement of the reporting period but the nature of event and an estimate of its financial effect are disclosed in the notes of accounts.</p>
<b>t)</b>	<b>Government Grants:</b>
	<p>Government grants are recognised in the period where it is determined that there is reasonable assurance that the grant will be received and all attached conditions relating to grant will be complied with.</p> <p>The revenue grant relating to or arising from business operations is recognised as operating income in the Statement of Profit and Loss of the period in which is determined that it is reasonably certain that grant will be received and all attached conditions relating to grant will be complied with.</p>
<b>u)</b>	<b>Earnings Per Share:</b>
	<p>The Company presents basic and diluted earnings per share details for its ordinary shares. Basic earning per share is calculated by dividing the net profit after tax for the year attributable to the ordinary shareholders of the company by weighted number of ordinary shares outstanding for applicable period during the year.</p> <p>Diluted earnings per share is calculated considering the effect of dilution if any to ordinary share during the year.</p>
<b>v)</b>	<b>Expected Credit Loss:</b>
	<p>The measurement of expected credit loss on financial assets is based on the evaluation of collectability and the management’s judgement regarding recoverability. A considerable amount of judgement is required in assessing the ultimate realization of the trade receivables having regard to the past collection history of each party, ongoing dealings with the parties, and assessment of their ability to pay the debts.</p>

\* The Company has issued and allotted the 11,47,200 equity Shares to Promoter and Promoter Group of the Company on 02.11.2023 pursuant to Preferential Allotment.

### III Rights, Preferences and Restrictions Attached to Shares:

The company has a single class of equity shares. Accordingly, all equity shares rank equally with regard to dividends and shares in the company's residual assets. The equity shares are entitled to receive dividend as declared from time to time subject to payment of dividend to preference shareholders. The voting rights of an equity shareholder on a poll (not on showoff hands) are in proportion to its share of the paid-up equity capital of the company. Voting rights cannot be exercised in respect of shares on which any call or other sums presently payable have not been paid.

Failure to pay any amount called up on shares may lead to forfeiture of the shares

On winding up of the company, the holders of equity shares will be entitled to receive the residual assets of the company, remaining after distribution of all preferential amounts in proportion to the number of equity shares held.

<b>g)</b>	<b>Financial Instruments and Related Disclosures: (Refer to Note No.35 &amp; 36)</b>		
<b>Financial Risk Management:</b>			
<p>The company activities are exposed various financial risks: credit risk, liquidity risk, foreign exchange fluctuation risk, Interest rate risk and Market Risk. The Company's primary focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance.</p>			
<b>I. Credit Risk:</b>			
<b>Trade Receivables:</b>			
<p>Credit risk refers to the risk of default on its obligation by the counterparty resulting in a financial loss to the Company. The maximum exposure to the credit risk as at the reporting date is primarily from trade receivables. Trade receivables are unsecured and are derived from revenue earned from customers from sale of goods. Trade receivables generally are impaired after three years when recoverability is considered doubtful based on general trend. The Company considers that trade receivables stated in the consolidated financial statements are not impaired and past due for each reporting dates under review are of good credit quality subject to outcome of the litigations where the company has initiated legal proceedings for recovery.</p>			
<b>Other Financial Assets:</b>			
<p>Credit risk relating to cash and cash equivalents is considered negligible since the counterparties are</p>			

banks which are majorly owned by Government of India and have oversight of Reserve Bank of India. The Company considers the credit quality of term deposits with banks to be good and the company reviews these banking relationships on an ongoing basis.

The Company considers all other financial assets as at the consolidated financial statement dates to be of good credit quality.

## II. Liquidity Risk:

The company's principal sources of liquidity are from Short Term Bank Borrowings, Cash and Cash Equivalents and Cash generated from operations.

The Short- term liquidity requirements consist mainly of Trade Payables, Expense Payables, Employee Dues, Servicing of Interest on Short -Term and Long -Term Borrowings and payment of instalments of term loans and vehicle loans and other payments arising during the normal course of business.

## III. Foreign Exchange Rate Risk:

The Company undertakes transactions denominated in foreign currency mainly for purchase of raw materials and sale of goods which are subject to the risk of exchange rate fluctuations. Financial assets and liabilities denominated in foreign currency are also subject to reinstatement risks. Hedging is regularly carried out to mitigate the risks of exchange rate fluctuations to the extent considered feasible.

## IV. Interest Rate Risk:

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates.

### - Interest rate sensitivity:

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on loans and borrowings. With all other variables held constant, the Company's profit before tax is affected through the impact on floating rate borrowings, as follows: (Rs. In Lacs)

Particulars	Change in basis points	Effect on profit before tax
<b>March 31, 2024</b>		
Rupee borrowings (Including rupee payment of loans which was taken in foreign currency)	+50	17.86
	-50	(17.86)
<b>March 31, 2023</b>		

Rupee borrowings (Including rupee payment of loans which was taken in foreign currency)	+50	25.57
	-50	(25.57)

**V. Market Risk:**

Market risk is the risk that changes in market prices, liquidity and other factors that could have an adverse effect on realizable fair values or future cash flows to the Company. The Company's activities expose it primarily to the financial risks of changes in foreign currency exchange rates and interest rates as future specific market changes cannot be normally predicted with reasonable accuracy.

**h) Capital Management**

For the purpose of the Company's capital management, capital includes issued equity capital and all other equity reserves attributable to the equity holders of the Company. The primary objective of the Company's capital management is to ensure that it maintains a strong credit rating and healthy capital ratios in order to support its business and maximize return to stakeholders through the optimization of the debt and equity balance.

The Company manages its capital structure and makes adjustments to it in light of changes in economic conditions and the requirements of the financial covenants. The Company monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. The Company includes, within net debt, interest bearing loans and borrowings, trade and other payables, less cash and short-term deposits.
