Hyundai Motor India Limited introduces new variants and updates for Hyundai EXTER and AURA

Gurugram, 07 February 2025: Hyundai Motor India Limited (HMIL) today introduced new variants and feature upgrades for two of its popular models—EXTER and AURA. Designed for the aspirational, new-age Indian customers, these enhancements combine advanced technology, excellent comfort and greater safety to elevate the ownership experience. These new changes also offer value for money to customers, ensuring every journey is experiential.

Commenting on the introduction of new variants and upgrades, Mr. Tarun Garg, Whole-Time Director and Chief Operating Officer, Hyundai Motor India Limited, said, “With the launch of new variants and updates to our 2 key models – EXTER and AURA, we aim to offer best value proposition to our customers. I am confident that these new enhancements will resonate extremely well with our customers and elevate their driving experience even further”.

Hyundai EXTER: HMILs entry SUV EXTER has received a phenomenal response from both customers and critics alike. Taking the ownership experience a notch higher, the company is introducing new variants and updates to EXTER. Packed with cutting-edge technology and advanced safety features, the new variants and updates are thoughtfully crafted to align with the aspirations of Gen MZ customers. The variants are engineered to deliver enthralling experiences of smart mobility, adding convenience for customers.

- Introduction of new SX Tech variant (PL & Hy-CNG DUO): with an array of hi-tech and aspirational features, the new SX Tech variants comes loaded with:
 - Smart key with push button start/stop
 - Dashcam with Dual camera
 - Smart Electric Sunroof
 - 20.32 cm (8”) touchscreen infotainment system with Android Auto & Apple CarPlay
 - Fully Automatic Temperature Control (FATC) with digital display
 - Projector headlamps with bi-function

- The new S+ (PL) variant now comes equipped with:
 - Smart Electric Sunroof
 - R 15 (D=380.2 mm) Dual Tone Styled Steel Wheel
 - Rear camera with static guidelines
 - 20.32 cm (8”) touchscreen infotainment system with Android Auto & Apple CarPlay
 - Rear AC vents
 - Electrically adjustable outside rear view monitor

- The updated S variant (PL) also comes with a host of desirable features, like:
 - Rear parking camera with static guidelines
 - Electronic stability control (ESC)
 - Vehicle Stability Management (VSM)
 - Hill Start Assist Control (HAC)
 - R 15 (D=380.2 mm) Dual Tone Styled Steel Wheel
 - 20.32 cm (8") touchscreen infotainment system with Android Auto & Apple CarPlay

Further, the S Executive & S+ Executive variants are introduced in CNG powertrain, loaded with many exciting features.
