14. SEBI vide its Circular No. SEBI/HO/MIRSD/POD-1/P/CIR/2023/70 ('Circular') dated May 17, 2023 has provided common and simplified norms for processing investor's service request by RTA's and norms for furnishing PAN, KYC and Nomination details. As per the said Circular, it is mandatory for the shareholders holding securities in physical form to *inter-alia* furnish PAN, KYC and Nomination details. Physical folios wherein the PAN, KYC and Nomination details are not available are liable to be frozen by the RTA on or after 1st October, 2023. Holders of such frozen folios shall be eligible to lodge their grievance or avail service request from the RTA only after furnishing the complete documents / details. Similarly, the holders of such frozen folios shall be intimated in case of any payment including dividend, interest or redemption stating that such payment is due and shall be made electronically upon furnishing complete documents / details.
Pursuant to the said Circular, the Company has sent individual letters to all the Members holding shares of the Company in physical form for furnishing their PAN, KYC details (i.e., Postal Address with Pin Code, email address, mobile number, bank account details) and Nomination details through Form ISR-1. The said Form ISR-1 can be downloaded from the website of the RTA at <https://nichetechpl.com/downloads/> and also from <https://easuncapitalmarkets.com/financial/forms>.
15. Members may please note that SEBI vide its Circular No. SEBI/HO/MIRSD/MIRSD_RTAMB/P/CIR/2022/8 dated 25th January, 2022 has mandated the Listed Companies to issue securities in demat form only while processing service requests viz., issue of duplicate securities certificate, claim from Unclaimed Suspense Account, renewal/exchange of securities certificate, endorsement, subdivision/splitting of securities certificate, consolidation of securities certificates/folios, transmission and transposition. Accordingly, Members are requested to make service requests by submitting a duly filled and signed Form ISR-4, the format of which is available on the website of the RTA at <https://nichetechpl.com/downloads/> and also at <https://easuncapitalmarkets.com/financial/forms>. Members holding equity shares of the Company in physical form are requested to kindly get their equity shares converted into demat/electronic form since transfer of equity shares/issuance of equity shares in physical form have been disallowed by SEBI.
16. Shareholders holding shares in physical form are requested to notify to the Company's Registrar and Share Transfer Agent [*M/s. Niche Technologies Private Limited, 3A, Auckland Place, 7th Floor, Room No. 7A & 7B, Kolkata – 700017*], quoting their folio number, any change in their registered address with PIN CODE/mandate/bank details and in case the shares are held in dematerialized form, this information should be passed on to their respective Depository Participants.

17. As per the provisions of the Companies Act, 2013, the facility for making/varying/cancelling nominations is available to individuals holding shares in the Company. Nominations can be made in Form SH-13 and any variation/cancellation thereof can be made by giving notice in Form SH-14, prescribed under the Companies (Share capital and Debentures) Rules, 2014 for the purpose. The Forms can be obtained from the RTA at <https://nichetechpl.com/downloads/>. The Members holding shares in demat form may contact their respective depository participant(s) for making such nominations.

18. VOTING THROUGH ELECTRONIC MEANS

In compliance with provisions of Section 108 of the Companies Act, 2013, Rule 20 of the Companies (Management and Administration) Rules, 2014 as amended by the Companies (Management and Administration) Amendment Rules, 2015 and Regulation 44 of the SEBI (LODR), Regulations, 2015 and the revised Secretarial Standard on General Meeting (SS-2) issued by ICSI read with MCA Circulars dated April 08, 2020, April 13, 2020, May 05, 2020, January 13, 2021 and May 5, 2022, the Company is providing members the facility to exercise their right to vote on resolutions proposed to be considered at the AGM by electronic means and the business may be transacted through e-Voting Services. The remote e-voting facility will be provided by Central Depository Services (India) Limited (CDSL), the authorized e-Voting agency.

The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM through VC or OAVM will be provided by CDSL. The members who have not cast their vote by remote e-voting shall be able to exercise their right at the meeting through e-voting system. The Company is listed with the Bombay Stock Exchange and the Calcutta Stock Exchange. The Company is principally an investment company and does not have any other operations of its own. The Company invests in mutual funds, perpetual bonds, NCD's, equity shares of quoted and unquoted companies & fixed deposits and providing of loan and advance to SME. The management has well-perceived and deliberated on various factors within the limits set by the Company's competitive position as discussed in this report.

INDUSTRY STRUCTURE AND DEVELOPMENTS

India entered FY 2023 amidst uncertain macroeconomic environment. Global growth slowed in 2022 to 3.2% more than 1 percentage point weaker than expected, mainly weighed down by Russia's war of aggression in Ukraine. Global growth has stabilized towards the end of the year but the improvement is fragile. Despite continuing the global uncertainties Indian economy has fared better than previous years. The Indian economy expanded 4.4% year on year in the three months to December of 2022.

The Economic Outlook projects steady global GDP growth of 3.1% in 2024, the same as the 3.1% in 2023, followed by a slight pick-up to 3.2% in 2025.

The International Monetary Fund (IMF) revised India's growth forecast for FY2024 to 5.9% from its previous estimate of 6.1%, citing a slowdown in domestic consumption and challenging external conditions. Additionally, the IMF reduced India's growth forecast for FY2025 by 50 basis points to 6.3%. Despite these downward revisions, India has potential to maintain its position as one of the fastest-growing major global economy. The Indian economy has demonstrated remarkable resilience in the face of the deteriorating global situation due to strong macroeconomic fundamentals. Steps to promote ease of doing business, skilled manpower, and presence of natural resources, liberal FDI policies, huge domestic market and prospects of healthy GDP growth have made India an attractive destination for foreign investors. Thus, going forward, India is expected to see relatively stronger growth.

INDIAN ECONOMIC SCENARIO

In India, retail inflation, as indicated by the Consumer Price Index, attained an eight-year peak in April 2022 and consistently exceeded the upper tolerance threshold of 6.0% set by the Reserve Bank of India (RBI) for a significant portion of the year. Retail inflation subsided to a 15-month low of 5.66% in March 2023. In April 2023, the MPC maintained the repo rate at 6.5% while affirming its commitment to a gradual withdrawal of accommodative measures. Indian economy exhibited robust growth in 2023-24, underpinned by strong investment activity, amidst subdued external demand. Manufacturing and services sectors were the key drivers on the supply side while agricultural activity slowed down due to uneven and deficient monsoon rainfall. The growth outlook remains buoyant, given the governments sustained focus on capital expenditure while maintaining fiscal consolidation.

The economic landscape of India is poised for unprecedented growth with GDP expanding at twice the global economic growth rate. The rural and semi-urban regions, accounting for 70% of the population yet receiving only 21% of financial credit, are crucial for steering the nation towards a sustainable growth path.

Against the backdrop of subdued global economic activity and multiple headwinds, the Indian economy expanded at a robust pace in 2023-24, with real GDP growth accelerating to 7.6 per cent from 7.0 per cent in the previous year – the third successive year of 7 per cent or above growth. With gross fixed capital formation (GFCF) accelerating to 10.2 per cent in 2023-24 from 6.6 per cent in 2022-23, investment was the major driver of domestic demand,

buoyed by government spending on infrastructure. Growth in private consumption demand, on the other hand, stood at 3.0 per cent as against 6.8 per cent a year ago.

The services sector, with a share of over 63 per cent in GVA (Gross Value Added), remained the mainstay of aggregate supply, with growth of 7.9 per cent in 2023-24. Construction activity accelerated to register double digit growth, benefitting from rising demand in the housing sector and the government's thrust on infrastructure.

Indian economy boasted an impressive growth rate of 7.8% in the 2023-24 fiscal year (FY) and exceeded the average G20 rate of 3.4%.

The Indian governments high capital spending has brought the fiscal deficit to 5.8% in FY 2023-24 and the combined debt-GDP to above pre-pandemic levels. The RBI paid a higher than expected dividend payout of Rs 2.1 trillion to the government, vs the expected Rs 0.9 trillion. This is likely to lead to lower market borrowings in the second half of the year and consequently lower bond yields.

The outlook for the Indian economy remains bright, underpinned by strengthening macroeconomic fundamentals, robust financial and corporate sectors, and a resilient external sector.

The government's continued thrust on capex and fiscal consolidation, along with consumer and business optimism, bode well for investment and consumption demand.

The prospects for agriculture and rural activity appear favorable, with the expected above-normal southwest monsoon and government initiatives to support the agriculture sector.

Emerging sectors like renewable energy and semi-conductors are expected to advance rapidly, supported by government initiatives and budget allocations.

A refined corporate governance framework forms the foundation for consistent business performance. By nurturing transparency, accountability, and ethical practices, such governance structures instill confidence helping attract affordable capital. This influx of capital fuels growth, enabling the organization to invest in innovation and expansion thereby enhancing its competitiveness in the market. As a result, a robust ecosystem emerges characterised by the symbiotic relationship between the organisation and its stakeholders. Thus, better governance not only drives consistent performance but cultivates growth and prosperity over the long term.

Non-Banking Finance Companies (NBFCs) are an integral part of the country's financial system, catering to a large market of niche customers, and have emerged as one of the major purveyors of retail and SME credit in India. It is a heterogeneous group of institutions (other than commercial and co-operative banks) performing financial intermediation in a variety of ways, such as accepting deposits, making loans and advances, providing leasing/hire purchase services, among others. NBFCs serve an important role in developing countries, such as India, where access to bank finance continues to be a challenge for a large chunk of the population and businesses. Nonbanking financial institutions, including NBFCs in India, serve market segments to which commercial banks do not offer services because of higher risk and lower returns. Because of their inherent characteristics, nonbanking financial institutions are an indispensable part of an economy's financial sector.

INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF EASUN CAPITAL MARKETS LIMITED
Report on the audit of the financial statements

Opinion

We have audited the accompanying Financial Statements of **EASUN CAPITAL MARKETS LIMITED** ("the Company"), which comprise the Balance Sheet as at **31st March, 2024**, and the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2024, and its **Profit** and its Cash Flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Financial Statement and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the, Board's Report including Annexures to Board's Report, and Shareholder's Information, but does not include the Financial Statements and our auditor's report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statement, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance and Cash Flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies, making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility for the Audit of Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management’s use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company’s ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor’s report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor’s report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor’s Report) Order, 2020 (“the order”), issued by the Central Government of India in terms of sub- section (11) of Section 143 of the Companies Act, 2013, we give in the “Annexure – A” a statement on the matters specified in paragraphs 3 & 4 of the Order to the extent applicable.
2. As required by Section 143 (3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b) In our opinion, proper books of accounts as required by law have been kept by the Company so far as appears from our examination of those books;
 - c) The Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report are in agreement with the books of account;
 - d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e) On the basis of the written representations received from the directors as on 31st March, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2024 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “Annexure –B”; and

g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company does not have any pending litigations as at 31st March 2024 which would impact its financial position.
- ii. The Company does not have any long term contracts including derivative contract for which there were any material foreseeable losses.
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. The company has neither declared nor paid any dividend during the financial year. Hence compliance in accordance with section 123 of the Companies Act, 2013 is not applicable.
- vi. Based on our examination, which included test checks, the Company has used an accounting software for maintaining its books of account for the year ended 31st March 2024 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software except that no audit trail has been enabled at the application level and database level to log any direct data changes.

Further, during the course of our audit, we did not come across any instance of the audit trail feature being tampered with, in respect of accounting software for the period for which the audit trail feature was operating. As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from 1st April 2023, reporting under Rule 11 (g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the year ended 31st March 2024

ANNEXURE `B` TO THE INDEPENDENT AUDITOR'S REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

(Referred to Paragraph (f) of Report on Other Legal and Regulatory Requirements of our Report of even date)

We have audited the internal financial controls over financial reporting of **EASUN CAPITAL MARKETS LIMITED** ("the Company") as of 31st March, 2024 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Ind AS financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES ON FINANCIAL STATEMENTS AS AT 31ST MARCH 2024

1. Corporate Information

Easun Capital Markets Limited (the Company) having CIN No.-L51109WB1982PLC034938 and its registered office 7, Chittaranjan Avenue, 3rd Floor, KOLKATA WB 700072 , India is a Public Limited Company incorporated and domiciled in India.

2.1 Basis of Preparation

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (the Rules).

All the Ind AS issued and notified by the Ministry of Corporate Affairs under the Companies (Indian Accounting Standards) Rules, 2015 (as amended) till the financial statements are approved for issue by the Board of Directors has been considered in preparing these financial statements.

The financial statements have been prepared on a historical cost basis, except for certain financial assets and liabilities which have been measured at fair value as described in accounting policies regarding financial instruments.

Estimates

The Company has exercised the option to measure investment in equity instruments, not held for trading at FVTOCI in accordance with Ind AS 109. It has exercised this irrevocable option for its class of unquoted equity shares. The option renders the equity instruments elected to be measured at FVTOCI non recyclable to Statement of Profit & Loss.

2.2. Summary of Significant Accounting Policies

Basis of classification of Current and non-current

Assets and liabilities in the Balance Sheet have been classified as either current or non-current based upon the requirements of Schedule III to the Companies Act, 2013.

An asset has been classified as current if (a) it is expected to be realized in, or is intended for sale or consumption in the Company's normal operating cycle; or (b) it is held primarily for the purpose of being traded; or (c) it is expected to be realized within twelve months after the reporting date; or (d) it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date. All other assets have been classified as non-current.

A liability has been classified as current when (a) it is expected to be settled in the Company's normal operating cycle; or (b) it is held primarily for the purpose of being traded; or (c) it is due to be settled within twelve months after the reporting date; or (d) the Company does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date. All other liabilities have been classified as non-current.

An operating cycle is the time between the acquisition of assets for processing and their realization in cash or cash equivalents. The Company has considered its operating cycle to be 12 months.

EASUN CAPITAL MARKETS LIMITED
NOTES ON FINANCIAL STATEMENTS AS AT 31ST MARCH 2024

Fair value measurement

The Company measures certain financial instruments at fair value at each reporting date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- ▶ In the principal market for the asset or liability, or
 - ▶ In the absence of a principal market, in the most advantageous market for the asset or liability
- The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

Revenue Recognition

Revenue, if any, from sale of goods will be recognized upon passage of title to the customers which would generally coincide with delivery thereof. Claims, due to uncertainty in realization, are accounted for on acceptance/cash basis. Dividend income on investments is accounted for when the right to receive the payment is established. Interest income, if any, will be recognized on a time proportion basis taking into account the amount outstanding and rate applicable. Profit on sale of investments is recorded on transfer of title from the Company and is determined as the difference between sale price, carrying value of investment and other incidental expenses. Rental Income is recognised on an accrual basis in accordance with the terms of the relevant agreement.

Operating Leases

Company as Lessee

Leases where the lessor effectively retains substantially all the risks and benefits of the ownership of the leased assets, are classified as operating leases. Operating lease payments are recognized as an expense in the Statement of Profit & Loss on a straight line basis over the leased term.

Company as Lessor

Leases in which the Company does not transfer substantially all the risks and benefits of ownership of the asset are classified as operating leases. Assets subject to operating leases are included in fixed assets. Lease income on an operating lease is recognized in the statement of profit and loss on a straight-line basis over the lease term. Costs, including depreciation, are recognized as an expense in the statement of profit and loss. Initial direct costs such as legal costs, brokerage costs, etc. are recognized immediately in the statement of profit and loss.

Retirement Benefits and other employee benefits

Retirement benefit in the form of Gratuity is a defined contribution scheme and the contributions are charged to the Statement of Profit and Loss of the year when an employee renders the related service. There are no obligations other than the contributions payable to the respective trusts / funds.

Short term Employee Benefits are recognised at the undiscounted amount as expense for the year in which the related service is rendered.

Borrowing Costs

Borrowing costs (including other ancillary borrowing cost) directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

Taxation

Provision for current Income Tax is made on the taxable income using the applicable tax rules and tax laws. Deferred Tax, if any, arising on account of timing difference and which are capable of reversal in one or more subsequent period is recognized using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date. Deferred tax assets, if any, subject to consideration of prudence are recognized and carried forward only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized.

EASUN CAPITAL MARKETS LIMITED
NOTES ON FINANCIAL STATEMENTS AS AT 31ST MARCH 2024

Earnings Per Share

Earnings per share is calculated by dividing the net profit or loss before OCI for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. For the purpose of calculating diluted earnings per share, the net profit or loss before OCI for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

Property, Plant and Equipment

Property, Plant and Equipment is stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Cost comprises of purchase price and any attributable cost of bringing the asset to its working condition for its intended use. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives.

Under the previous GAAP (Indian GAAP), property, plant and equipment were carried in the balance sheet on cost. The Company has elected to regard those values as deemed cost at the date of transition.

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement when the asset is derecognised.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Depreciation on Tangible Property, Plant and Equipment

Depreciation on Property, Plant and Equipment is provided on Written down value method and manner specified in Schedule II of the Companies Act, 2013.

The Company has used Useful lives as specified in Schedule-II of Companies Act, 2013.

Depreciation on Property, Plant and Equipment added/disposed off during the year is provided on pro-rata basis with reference to the date of addition/disposal thereof.

Impairment of non-financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or Company's assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered as impaired and is written down to its recoverable amount.

Impairment losses are recognised in the statement of profit and loss.

Provisions

General

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted at a current pre-tax rate that reflects the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

EASUN CAPITAL MARKETS LIMITED
NOTES ON FINANCIAL STATEMENTS AS AT 31ST MARCH 2024

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in three categories:

- (a) Debt instruments at amortised cost
- (b) Debt instruments, derivatives, equity instruments and mutual fund investments at fair value through profit or loss (FVTPL)
- (c) Equity instruments measured at fair value through other comprehensive income (FVTOCI)

Debt instruments at amortised cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- (a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- (b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in interest income in the profit or loss.

Debt instruments, derivatives, equity instruments and mutual fund investments at fair value through profit or loss (FVTPL)

All derivatives and mutual fund investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit & Loss.

Equity instruments measured at fair value through other comprehensive income (FVTOCI)

For all equity instruments other than the ones classified as at FVTPL, the Company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to Profit & Loss, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the balance sheet) when the rights to receive cash flows from the asset have expired.

Impairment of financial assets

The Company measures the expected credit loss associated with its assets based on historical trend, industry practices and the business environment in which the entity operates or any other appropriate basis. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

Financial liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, financial guarantee contract payables, or derivative instruments.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term.

Gains or losses on liabilities held for trading are recognised in the statement of profit or loss.

EASUN CAPITAL MARKETS LIMITED
NOTES ON FINANCIAL STATEMENTS AS AT 31ST MARCH 2024

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/ loss are not subsequently transferred to P&L. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit or loss. The Company has not designated any financial liability as at fair value through profit and loss.

Loans and borrowings

This is the category most relevant to the Company. After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

Cash and Cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

Contingent Liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

41. Financial Instruments and related disclosures (continued)

(C) Financial risk management objectives and policies

The Company's principal financial assets include Loans, Investments at Fair Value, Inventory and Cash and Cash Equivalents.

The Company is exposed to market risk and credit risk. The Company's senior management oversees the management of these risks and is supported by professional manager who advises on financial risks and assist in preparing the appropriate financial risk governance framework for the Company. It provides assurance to the Company's senior management that the Company's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives. It is the Company's policy that no trading in derivatives for speculative purposes can be undertaken. The Board of Directors reviews and agrees policies for managing each of these risks which are summarized below:

(a) Market risk

Market risk is the risk when the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk and commodity price risk. Financial instruments affected by market risk include borrowings, deposits, derivative financial instruments, FVTPL Investments, etc.

Interest Rate Risk: Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates. The Company manages its interest rate risk by having a balanced portfolio of fixed and variable rate loans and borrowings.

Currency Risk: Currency risk is the risk that the future cash flows of a financial instrument will change because of changes in currency rates. During the period under review, the company did not fact currency risk.

Price Risk: Equity price risk is related to change in market reference price of investments in equity securities held by the Company. The fair value of quoted investments held by the Company exposes the Company to equity price risks. In general, these investments are not held for trading purposes.

The fair value of quoted investments in equity, classified as fair value through Other Comprehensive Income as at March 31, 2024 is Rs. 3.61 Lakh (March 31, 2023: Rs. 3.61 Lakh).

An 1% change in prices of these equity instruments held as at March 31, 2024 and March 31, 2023 would result in an impact of Rs. 0.04 Lakh and Rs. 0.04 Lakh respectively.

(b) Liquidity Risk

Liquidity risk is the risk that the Company does not have sufficient financial resources to meet its obligations as they fall due, or will have to do so at an excessive cost. This risk arises from mismatches in the timing of cash flows which is inherent in all finance driven organisations and can be affected by a range of Company-specific and market-wide events.

Liquidity risk management (based on commercial terms):
