Dear Sir/Madam,

We are writing to clarify an issue regarding the credit rating intimation submitted to the Bombay Stock Exchange (BSE) on 21.08.2024. It has come to our attention that the credit rating intimation was inadvertently submitted again though the same has been filed earlier.

The details of the duplicate submissions are as follows:

- **Submission 1: 10.07.2023**
- **Submission 2: 21.08.2024**

Both submissions contained the same information, but due to the duplication, the records may appear inconsistent or misleading.

We request that the duplicate entry be addressed, and the records be adjusted to reflect only the accurate and intended submission. We apologize for any confusion or inconvenience this may have caused.

Please confirm receipt of this clarification and advise if any further action is required from our side.

Thank you for your assistance in this matter.

Thanking you.
