DAYTODAY

ARIES (Mar 21 - Apr 20) What you earn and what you

own are two sides of the same picture. This might seem like a rather obvious statement, but it may be deeply pertinent if somebody else has their eyes on your possessions. You might also be looking at the price of an emotional tie.

TAURUS (Apr 21 - May 21) Some decisive aspects to your

sign denote that you must have the will to start afresh. You must stand your ground if principles are involved, but may achieve most through charm and diplomacy. You also have to take a critical look at your own motives.

GEMINI (May 22 - June 21) It's not always easy to get your

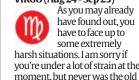

head around the facts, but you will have to do your sums and get the figures right. You'll also have to talk to other people about your plans. Short iournevs are likely, as are unexpected visits, communications and calls.

CANCER (June 22 - July 23) You can make a fresh start, cleaning

the debris out of your emotional life. Not for a very long time have you been advised to cut the bonds that have bound you so tightly. You may, if you wish ease your way out of a burdensome responsibility or obligation you have come

LEO (July 24 - Aug 23) Hopefully you have already decided to alter course and opt out of a long-term commitment. However, nature abhors a vacuum, and new ties will step in to fill the gap left by the old. By next month you'll be ready to say bye to old obligations.

VIRGO (Aug 24 - Sep 23) As you may already

moment, but never was the old advice more true: a problem shared is a problem halved. It may even be quartered.

BY PETER VIDAL

LIBRA (Sep 24 - Oct 23) No amount of cash will compensate for a certain emotional lack. Yet it may well be useful to spend your way out of a tight situation. Don't be afraid of other people thinking that you are flashy. That is their problem. You

must get on and do what

you must do.

You know just how incredibly touchy other people can be. However, there's no point in ignoring the fact, for if you tread on their toes they'll only make your life a misery in return. Your best move is to indulge partners' little whims, just for a while.

SAGITTARIUS (Nov 24 - Dec 22)

little self-sacrificing activity will do your spirit good, so put others first. Also, how about taking some time off to recharge your batteries? It could be a good idea.

CAPRICORN (Dec 23 - Jan 20)

It's well-known that you like a challenge. However, you probably wonder

if you have set yourself an impossible task, and the stars confirm that you probably have. Do your best and the results are bound to be worth the effort.

PISCES (Feb 20 - Mar 20)

overseas connections are in the air, develop them now. Also, if you have a choice, then go for adventurous options. You might well discover long-forgotten or hidden talents.
