United Spirits may lose fizz on near-term woes

Long-term prospects promising, but there are no immediate triggers

Mumbai, 5 June

he stock of United Spirits Limited (USL), the country's largest liquor company by market capitalisation (mcap), has gained 11 per cent over the past week on double-digit growth guidance, rising premiumisation trend. operationally in-line performance in the March (Q4FY24) quarter and a rally in consumer stocks. Nevertheless, near-term demand woes could be a cause for concern.

The revenue growth of the company came in at 7 per cent year-onyear (Y-o-Y), mirroring the growth of the prestige and above (P&A) segment. This segment, comprising premium brands, accounts for 88 per cent of the revenues. The popular segment saw a revenue growth rate of 3.7 per cent on volumes of 4 per cent.

The ongoing premiumisation trend is aiding the growth of the P&A portfolio, and better pricing is helping drive value growth in 200 basis points (bps) over the yearthe category.

The company, which ended FY24 with a growth of 10.5 per cent, expects to maintain the double-digit growth trajectory going ahead.

The FY24 growth in the P&A segment was 11.8 per cent and was a combi-Research believe that gross mar-

The growth in the current financial year may backend with initial volumes expected to be low on account of a high base of last vear and subdued demand environment. The company has invested in new products/innovations across its portfolio.

Elara Securites' Karan Taurani and Rounak Ray believe these innovations do not meaningfully contribute to revenue/profitability and they await potential market

KARTHIK JEROME

Outward remittances through the Liberalised Remittance Scheme (LRS) reached a record \$31.73 billion in financial year 2023-24, a 16.9 per cent increase year-on-year. This surge occurred despite higher Tax Collected at Source (TCS) rates being imposed on foreign remittances from October 1, 2023 onwards.

"The threshold limits from which TCS rates apply are on the higher side compared to regular business ticket sizes. TCS can also be claimed as refund while filing tax return, which is why there has been no impact on outward remittance," says T C Guruprasad, executive director, EbixCash.

Right exchange rate

The cost of money transfer has two components. "Pay heed to the total amount you pay in a transaction, which includes intermediary charges (the upfront fees) and the foreign exchange conversion rate,"

says Guruprasad.

The exchange rate can carry a hidden cost. On Google, check the mid-market exchange rate, the mid-point between the "buy" and "sell" rates in the global currency markets. "The mid-market rate is considered the most fair exchange rate. However, a lot of providers add a markup, which translates into a hidden fee as it's not shown transparently to customers," says SK Saraogi, Asia-Pacific

head of expansion, Wise. Use comparison websites or tools to find the most competitive rates. "Avoid players that offer fixed daily rates and go with the ones that offer live rates," says Joy PV, senior vicepresident & country headdeposits, wealth, & banca, Federal Bank.

Right provider

Ensure the money transfer provider is a licensed entity. "The Reserve Bank of India (RBI) has advised customers to deal in forex only with 'authorised persons' and on 'authorised electronic trading platforms' listed on the RBI website," says Joy.

The brand should also be credible and trusted and have been operating for several vears. It should also have customer support that is easily accessible. Guruprasad suggests going with a provider that alerts customers regarding exchange-rate fluctuations.

Speed of transfer is crucial. "Especially for education and healthcare payments, the transfer must be completed by the date the money is needed," says Saraogi.

Play by the rules

A resident individual can transfer up to \$2.50,000 per financial year under LRS. "This includes loans or gifts in Indian rupees to non-resident Indian (NRI) relatives," says Joy. Money should not be remitted for purposes prohibited under the Foreign Exchange Management (Current Account Transactions) Rules, 2000.

"The person remitting money needs to have a valid Permanent Account umber (PAN) linked to Aadhaar number," says Vinod AN, general manager & head treasury, South Indian Bank

The customer must furnish Form A2 to purchase foreign exchange under LRS. "In case of remittance for education purposes, submit the university's offer letter, the fee schedule, the student ID, and so on. In case of medical treatment, submit the hospital's medical reports, the invoice, and so on," says Vinod.

Comply with tax norms

Remitters must deposit the appropriate TCS amount for

investing money via the LRS route must be reported in tax returns. "Paying tax on income from foreign assets each year is also essential," says Dhawan.

He also cautions about the need to be aware of the rules regarding repatriation of funds, obtained by liquidating foreign assets, within a stipulated timeframe.

Amid high market volatility, what should investors do? Amar Ranu, head, Investment Products & Insights, Anand Rathi Shares and Stock Brokers, advises: "Building a portfolio that includes some less-risky assets can help you ride out market volatility."
