04

Way Forward

Way forward

Expand Network

- ❑ To add 1000 dealers Pan-India in the next 5 years.
- ❑ Adding more distributors for India and Exports.
- ❑ Increase presence in more locations in the country.
- ❑ Expanding Export business.

Capex

- ❑ Expand overall production capacity from 2 TPD to 4 TPD.
- ❑ Modification in existing shed with area of 22,000 sq ft.
- ❑ Construction of new shed on adjacent plot. Land has already been taken on lease.

Automation

- ❑ Installation of automatic Nickel / Chrome Plating Plant and Powder Coating Plant.
- ❑ Addition of more machines related to wire and sheet metal products like ROBOT Welding for majority of products.

New Products

- ❑ Commercial storage solutions for international markets (targeting large retail customers).
- ❑ Also plan to expand offerings and foray into bedroom and living room segments in the future.

Growth

- ❑ Aiming at Sustainable Profitable Growth
- ❑ Aiming to grow revenue at 20% CAGR
- ❑ Reduce debt and improve working capital efficiency

05

Industry Overview

Modular Kitchen Market

Global Market

- USD 21.1 Bn (2022)
- Expected to be USD 33.1 Bn by 2030
- CAGR : 5.12%*

Key Drivers

- Growing per capita income
- Increase in construction
- Preference for modular furniture
- Growing need for quality accessories with modern functionalities

Indian Market

- USD 3.67 Bn (2023)
- Expected to be USD 13.57 Bn by 2029
- CAGR : 24.36%**

Major Players

- Hettich
- Sleek International
- Godrej & Boyce
- Hafele
- Blum

The availability of customized kitchen cabinets at affordable prices, as compared to conventional kitchen cabinets, is increasing their demand in the region, supporting the global trend

Industry Growth Drivers

- Growing middle-class population
- Increasing number of housing units
- Decrease in the size of households
- Growing demand for premiumization
- Changing customer tastes

- Majorly dominated by several small players holding a market share of more than 80%
- Expansion of the Organized Sector Companies into Tier II and Tier III cities

- Ever expanding Online Sales platforms enabling orders as per choice, need and budget
- Growing Residential Segment adding to the overall growth

- Increasing urbanization
- Rising disposable incomes
- Changing lifestyles
- Increasing demand for eco-friendly and sustainable kitchen furniture and fixtures
- Easy to maintain and provide ample space for efficient storage of appliances

The rising consumer inclination towards modern designs and comfort, along with the growing demand for modular kitchens is primarily driving the modular kitchen market.
