Background:

1. Securities and Exchange Board of India ("SEBI") initiated investigation in the matter of Cressanda Railway Solutions Limited (previously known as Cressanda Solutions Limited) ("Cressanda" / "CRSL" / "the Company") as it was observed that the Company had changed its registered office address three times during the period February 2022 to May 2022 and its revenue spiked sharply to Rs.75.13 Crore in FY23 from Rs.0.18 Crore in FY22. Further, its KMPs and statutory auditors had resigned during the period November 2021

to February 2022. The *prima facie* findings of investigation are mentioned in subsequent paragraphs.

2. Cressanda is listed on BSE since 1986. As per information available on the Company's website, CRSL is in the business of providing software services, digital media services and information technology (IT) enabled services. CRSL is listed on BSE Limited (BSE) since 1986. Its market capitalization was about Rs.530 Crore at the end of September 2024 while trading at Rs.12.70 per share. The promoter of CRSL is Smart Infraproperties Pvt. Ltd. ("SIPL") having 0.08% shareholding in CRSL.
3. It was observed that during the period between November 2021 to February 2022 many of the directors and KMPs of the Company had resigned on the reported grounds of pre-occupancy and personal reasons. The Company in its reply to SEBI dated November 6, 2023 submitted that the resignations were due to internal reorganization of its management team and post-Covid economic difficulties.
4. It was observed that the Company during the period from February 2022 to May 2022 had changed its registered office address three times. In its reply to BSE, the Company cited the reason for the frequent changes as shortage of office space.

Sudden increase in revenue of the Company after June 2022:

5. The standalone financial performance of the Company from FY12 onwards, as available on the website www.screener.in, is provided in the table below:

	Mar-15	Mar-16	Mar-17	Mar-18	Mar-19	Mar-20	Mar-21	Mar-22	Mar-23

Net Profit	-0.15	-0.42	-4.94	-0.01	-0.09	-0.09	0.00	0.27	5.36

6. It was observed that the Company had NIL revenue from operations between FY15 to FY20. Its Other Income during the period was also either NIL or negligible. The expenses reported by the Company over the said period were also in close proximity to the reported income except during FY17 when the Company reported large expenses (approximately Rs.5 Crore was debited to profit and loss account as provisions for doubtful debts) without reporting revenue in that FY. A part of the said provision for doubtful debt created in FY17 was later written back in FY22 and FY23 to increase the profitability of the Company.
7. It was observed that revenue of the Company in FY22 was merely Rs.18.48 Lakh which exponentially increased to Rs.75.13 Crore next year, i.e. FY23. In response to a specific query in this regard, the Company in its reply dated March 10, 2023 submitted a very generic explanation stating that “*due to internal reorganization of the management and operational team and effort of the management, the company was able to post excellent result*”.

Shareholding Pattern:

8. It was observed that the promoters’ shareholding in the Company decreased from 30.12% as at the end of September 2021 to 8.42% at the end of December 2021 which further reduced to just 0.10% at the end of March 2022. The decrease in promoter shareholding coincided with corresponding increase in the public shareholding. A summary of the quarter-wise shareholding from June 2021 to March 2024 is tabulated below.

Category	Jun-21	Sep-21	Dec-21	Mar-22	Jun-22	Sep-22	Dec-22	Mar-23	Jun-23	Sep-23	Dec-23	Mar-24

9. It was observed that in a span of three years, the number of shareholders of the Company went up over 20 times from 2700 to 56,556.

Purchase and sale of rice by Cressanda

10. It was observed that Cressanda on its website in the "Our Story" section stated "Our offerings include cutting-edge conventional and digital media services, and tech-enabled solutions tailored to large institutional clients" which meant that its core business was media / technology services and related activities. Further, Cressanda's nature of activity / industry, as reported on BSE website, was IT enabled Services. However, the Company vide letter dated November 6, 2023 confirmed that during FY23 it had entered into sale and purchase of rice, in addition to the sale and purchase of some technology related services. It was observed from Company's reply dated May 27, 2024 that the value of rice purchased and sold was Rs.53.91 Crore and Rs.56.74 Crore respectively for FY23. The abovementioned purchase and sale accounted for approximately 75% of the purchase and sales of the Company for FY23. The remaining 25% came from the data transfer and social media and IT Consulting by the Company.
11. The counter parties to Cressanda's purchase and sale transactions for FY23 are mentioned in the Table below.

Nature of Business	Buy/Sell	Name of Counter parties	Amount (Rs. Crores)
Rice	Buy	Devanshi Agro Foods, Jaisleen/Jasleen Agro Industry, Siddhi Agrotek and Shree Balaji and Co.	53.91
	Sell	Jagjivan Multitrade LLP and Zahera Traders LLP	56.74
IT enabled services (data transfer and media management and IT consulting charges)	Buy	Varanium Cloud Limited	21.07
	Sell	Avance Technologies Limited	21.70

12. It was observed that Cressanda had purchased rice from Devanshi Agro Foods (Devanshi), Jaisleen/Jasleen Agro Industry (Jaisleen), Siddhi Agrotek (Siddi) and Shree Balaji and Co.(Balaji) for Rs.23.45 Crore, Rs.23.97 Crore, Rs.0.90 Crore and Rs.5.60 Crore respectively. The Company sold rice to Jagjivan Multitrade LLP (Jagjivan) and Zahera Traders LLP (Zahera) for Rs.28.49 Crore and Rs.28.24 Crore respectively.

13. Examination of the ledger of the abovementioned entities in the books of Cressanda revealed that Cressanda's purchases of rice from Devanshi and sale to Jagjivan happened simultaneously. To illustrate, Cressanda entered into three purchase transactions with Devanshi for similar amounts (Rs.6.42 Lakh, Rs.6.44 Lakh and Rs.6.53 Lakh) on July 1, 2022. Simultaneously, Cressanda entered into three sales transactions with Jagjivan on the same day, i.e. July 1, 2022 for similar amounts (Rs.6.61 Lakh, Rs.6.63 Lakh and Rs.6.72 Lakh) by adding certain markup to the purchase amounts. Similar pattern was observed in all purchase and sales transactions between Cressanda, Devanshi and Jagjivan. Cressanda purchased rice from Devanshi and sold to Jagjivan during July 2022 to September 2022 (all days) and from January 2023 to March 2023 (few days).
14. It was observed that the Company used the same modus operandi as above in its dealings with Jaisleen (buying) and Zahera (selling), with whom it entered into purchase and sale transactions during October 2022 to December 2022 (all days) and from January 2023 to March 2023 (few days).
15. Cressanda vide its letter dated May 27, 2024 provided copies of purchases and sales invoices. A random scrutiny of purchase and sales invoices dated July 19, 2022 and July 18, 2022 showed that the vehicles purportedly used for transporting the purchased and sold goods were same. It was observed that on the same day, same vehicles were shown to have been used for transporting goods from Devanshi Agro Foods to Cressanda and from Cressanda to Jagjivan Multitrade LLP. It was also noted that in many instances, the same vehicle registration numbers were mentioned in the purchase invoices as well as sales invoices. A search of the vehicle registration numbers provided in the invoices on a sample basis (5 invoices) on the Vahan Portal showed that while the registration numbers of two vehicles were non-existent, one registration number pertained to a two wheeler and the remaining two registration numbers pertained to heavy vehicles. Further, the shipping address of Cressanda on the invoices was from Mumbai whereas the shipping address of Jagjivan was that from Nagpur.

16. It was observed that Cressanda, Devanshi and Jagjivan had executed sale / purchase transactions in a circular fashion, wherein Cressanda first purchased rice from Devanshi and then sold the said rice to Jagjivan, which in turn purportedly sold the said rice to Devanshi. A summary of the trail of the related bank transactions observed in the bank accounts of Cressanda (Yes Bank Account No. 45963300001294), Devanshi (AU Bank Account No. 2302236846772140) and Jagjivan (Yes Bank Account No. 016263400005291) is as follows.

17. While the above table summarizes the total fund transfers on any particular day, the actual transactions were smaller. It was observed that smaller amounts of approximately Rs.50 Lakh were circulated multiple times on most occasions between the three parties, which added up to large amounts, as reflected in the table above. The net fund movement of the aforementioned entities during March 2023 is shown in the table below:

Sum of Amount (Rs.)	Name of Recipient		
Name of Transferor	Cressanda Solutions	Devanshi Agro foods	Jagjivan Multitrade
Cressanda Solutions		23,44,71,620	
Devanshi Agro Foods			23,93,96,510
Jagjivan Multitrade	28,39,86,390		
Grand Total	28,39,86,390	23,44,71,620	23,93,96,510

18. From the above, it was apparent that in the abovementioned circular transactions, there was no actual movement of goods and the purchases and sales were merely on paper through books entries. Cressanda booked the non-genuine transactions by first raising invoices and then entering into bank transactions on real time basis to make the transactions appear genuine. The

fictitious transactions appeared to have been executed with the sole intention of inflating the revenue and expenditure leading to mis-statement of books of accounts and consequently the financial statements of the Company. A pictorial representation of the transactions is as follows:

19. Similar circular transactions of purchase and sale of rice were observed amongst Cressanda, Jaisleen Agro Industry and Zahera Traders LLP. It is observed that Cressanda has purchased rice from Jaisleen Agro Industry which seems to have purchased rice from Zahera Traders LLP which in turn has purchased rice from Cressanda itself. A summary of the circular transactions among the said entities, as found in the bank statements of the aforementioned entities, is provided in the following table.

21. A graphical summary of the transactions is as follows:

22. In view of the above, the purchases and sales of rice by the Company appeared to be merely book adjustments entries without movement of goods. The same projected good revenue and expenditure of the Company indicative of healthy growth in a corporate.

Transactions with Varanium Cloud Ltd. and Avance Technologies Ltd.

23. It was observed that apart from purchase and sale of rice during FY23, the Company also entered into purchase and sale of services pertaining to data transfer, social media and IT Consultancy. Such purchases were made from

Varanium Cloud Limited (Varanium) and sales were made to Avance Technologies Limited (Avance). Cressanda in its reply dated May 27, 2024 submitted the figures of IT related sales and purchase as Rs.21.70 Crore and Rs.21.07 Crore respectively.

24. Varanium vide letter dated December 22, 2023 submitted that the total value of sales to Cressanda on various dates in June 2022 was Rs.21.07 Crore against which it received a payment of Rs.18.70 Crore on various dates in July 2022. Further, Avance vide letter dated December 26, 2023 submitted that it purchased goods and services (Data transfer, social media management and IT Consulting charges and Global VOIP & Video conferencing hosted solutions on jump talk platform 5000 seats for 1 day) worth Rs.21.70 Crore from Cressanda on various dates in June 2022 against which it made total payment of Rs.19.64 Crore on various dates in July 2022.
25. From reply dated December 22, 2023 of Varanium, it was observed that Varanium raised a total of 29 invoices having consecutive serial numbers in respect of Data Transfer Social Media Management and IT consulting charges for Rs.21.07 Crore spread over 28 dates between June 02, 2022 to June 30, 2022. It was observed that all the said 29 invoices raised by Varanium to Cressanda were same except for the dates and invoice nos. mentioned therein. Further, Varanium received total payments of Rs.18.70 Crore between July 8, 2022 to July 15, 2022 (8 dates of July 2022).
26. Varanium in its reply stated that there was no outstanding due from Cressanda, even though it appeared from the trial balance submitted by Cressanda vide its reply dated February 29, 2024 that Rs.86.13 Lakh was outstanding as on March 31, 2024 in the books of Cressanda.
27. Similarly, from reply dated December 26, 2023 of Avance, it was observed that Cressanda raised 29 invoices having consecutive serial nos. to Avance in respect of IT related services for Rs.21.70 Crore spread over 29 dates between June 02, 2022 to June 30, 2022. Further, Avance made payments of Rs.19.64 Crore between July 8, 2022 to July 15, 2022 (8 dates of July 2022). Rs.36.78 Lakh was deducted as TDS by Avance and balance Rs.1.69 Crore was outstanding as on March 31, 2023 and Rs.1.30 Crore as on March 31, 2024. It

was observed that all 29 invoices raised by Cressanda to Avance were same except for the dates and invoice nos. mentioned therein.

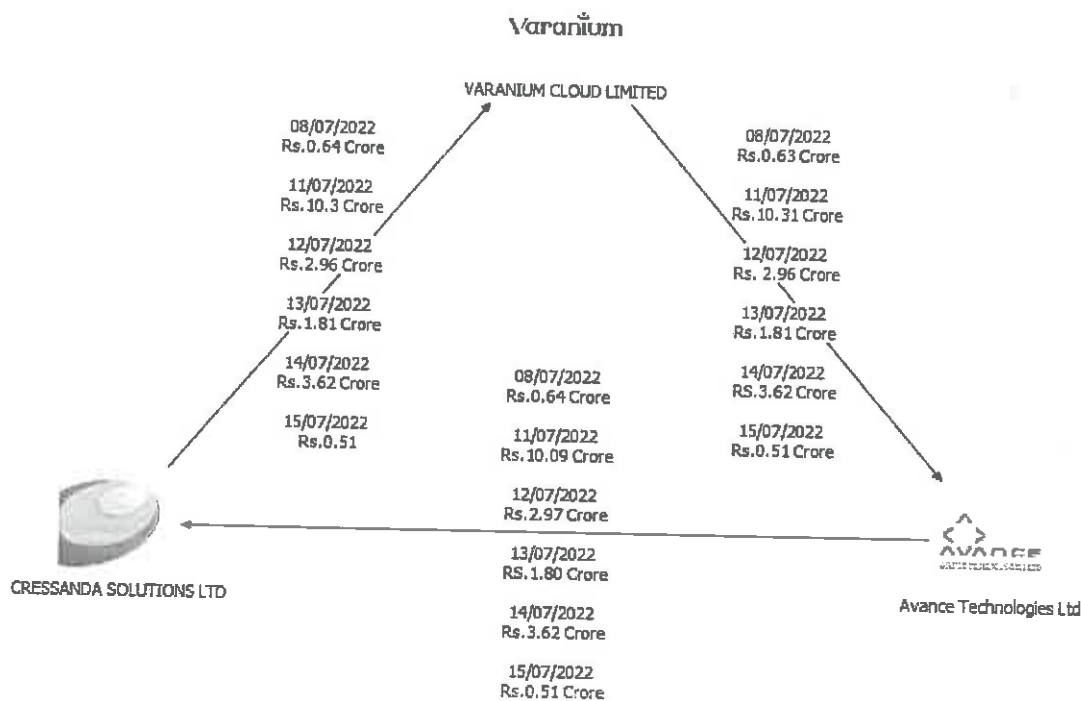

28. A perusal of the bank account statements of Cressanda, Avance and varanium revealed circular transactions amongst the three entities during July 8, 2022 to July 15, 2022. From perusal of their bank account statements, it was observed that approximately Rs.54.48 Crore was circulated amongst the three entities. It was observed that Cressanda paid approximately Rs.19.84 Crore to Varanium towards purchases of product and services as discussed above. On the same day, Varanium in turn paid approximately Rs.19.84 Crore to Avance and Avance paid approximately Rs.14.79 Crore to Cressanda towards the purchase of products and services. The circular transactions amongst the three entities were carried out in a manner that the receipt of funds by one entity was subsequently used by the said entity for making payment to other entity. The table below gives details of the aforesaid circuitous transactions.

29. The transactions in the above table are summarized diagrammatically below:

30. The circuitous nature of the transactions clearly indicate that the transactions were not genuine. Cressanda procured/purchased certain IT services from Varanium and on the same day it provided the same services to Avance. It appeared that Cressanda sourced purchase invoices from Varanium and raised sales invoices to Avance without availing / providing any actual services.

Further, it circulated the funds through its bank account on the same dates to make the fictitious transactions appear genuine.

Summary of Observations in respect of sales and purchases

31. In view of the above observations, it appeared that the sales and purchase transactions, i.e. sales and purchases of rice and IT enabled services reported by the Company were fictitious. To make the transactions appear genuine, funds were moved in a circular fashion amongst the entities wherein payments by one entity acted as source for onward transfer to the other. The Company in its Annual Report for FY23 reported a total purchase of Rs.71.77 Crore and total sales of Rs.75.13 Crore. However, the Company in its reply dated May 27, 2024 submitted that its total purchases and sales amounted to Rs.74.98 Crore and Rs.78.44 Crore respectively, which was more than the amount reported in the audited financial statements of the Company. The financial statements of the Company appeared to be misstated to the extent of fictitious sales and purchases as discussed in the foregoing paragraphs.
32. Further, a perusal of the ledger accounts received from the Company vide letter dated June 13, 2024 and bank accounts of the Company until December 2023 showed similar circuitous transactions with respect to sale and purchase of rice during FY24 as well.
33. Further, Other Income recorded in the books of accounts also appeared fictitious, as it was a result of writing back of the provisions for bad debts created earlier.

Off-loading of shares by Promoter through Off-market Transfers

34. It was seen that the promoter of Cressanda, SIPL, had resorted to off market transfers to divest its holding in the Company during the period November 30, 2021 to January 21, 2022. As per information obtained from the depositories, shares were transferred in off-market transactions to the following entities:

Date	Source Client Name	Target Client Name/DP ID	Transferred Qty
30/11/2021	Smart Infraproperties Private Limited (SIPL)	Heroic Mercantile Private Limited / 1203410000448494	1,50,00,000

06/12/2021	Total shares held by SIPL as of September 30, 2021 before transfer of 9,14,25,000 shares (30.12%)	Avance Technologies Limited / 1204330000133682	5,00,000
06/12/2021		Tango Commosales LLP/ 12020600000956586	1,50,00,000
20/12/2021		Zuber Trading LLP/ 1203410000597199	1,00,00,000
20/12/2021		Heroic Mercantile Private Limited/ 1203410000448494	1,00,00,000
05/01/2022		Yuvika Tradewing LLP/ 1203410000596961	2,00,00,000
		Others	56,16,720
Total			9,11,16,720

Note: As on March 31, 2024 the promoter shareholding was a mere 3,08,280 shares, i.e., 0.07% of the total shares of the Company.

35. It was found that the entities, to whom the shares were transferred in off-market transactions, subsequently sold the same shares in the market. It was seen that the price of the scrip started going up from around Rs.3.20 in November 2021 to a high of about Rs.45 during June 2022.

Sales of shares by the Recipients of Off-market Transfers

36. Entities, which received shares of Cressanda in off-market transactions from the promoter, had been trading heavily in the scrip since June 2021 (i.e. even prior to receiving shares from the promoter in off-market) in open market. The details of their transactions from November 30, 2021 (when they started receiving shares from the promoter) to March 31, 2023 are provided below:

NON INDIVIDUAL CLIENTNAME	PURCHASE QTY	PURCHASE VALUE (IN Rs.)	SELL QTY	SELL VALUE (IN Rs.)	Net sale Qty	Trading Profit earned (Rs.)
TANGO COMMOALES LLP	8,79,54,435	2,72,30,47,850	9,75,40,540	2,56,22,63,978	95,86,105	16,07,83,871

37. It was observed from the above table that the quantity of shares sold by the aforementioned entities was significantly higher than their purchases during the same period. On net basis, they sold 5.39 Crore shares which was approximately 14% of the total shareholding of the Company as on March 31, 2023. The transactions during this period resulted in a trading profit of Rs.94.28 Crore to the aforementioned entities.
38. It was further seen that the promoter, SIPL, received funds from the bank accounts of the aforementioned entities who received the shares in the off-market transactions and profited from trading in the shares in the market. A summary of such receipts during January 21, 2022 to March 03, 2022 is provided in table below:

Recipient Account Name	Recipient Account No.	Transferred by	Sum of Credit (Rs.)
Smart Infraproperties Private Limited	2121253136913201 (Au Bank)	Orange Mist Productions Private Limited	2,75,00,000
		Yuvika Tradewing LLP	12,94,00,000
		Zuber Trading LLP	7,12,50,000
Smart Infraproperties Private Limited Total			22,81,50,000

Details of further payments, if any, received from the aforementioned entities are being investigated.

39. It was further seen that during the aforementioned period SIPL also transferred funds to / received funds from various entities. A Summary of all major receipts and payments by SIPL is shown in the table below.

Preferential issue of convertible warrants

40. It was observed that the Company issued 9,49,18,000 convertible warrants (convertible within 18 months of allotment of warrants) on preferential basis @ Rs.7 (face value Re. 1) per warrant to 33 allottees in March 2022 for a total consideration of Rs.66,44,26,000. The consideration for warrant was to be paid in two tranches, whereby Rs.1.75 (25%) per share (total Rs.16,61,06,500) was to be paid on application and allotment of warrants and Rs.5.25 (75%) per warrant (total Rs.49,83,19,500) was to be paid on conversion of the warrants into equity shares. From the postal ballot notice dated February 9, 2022 filed with BSE, it was observed that the object of the preferential issue of convertible warrants was to:
- fund long term capital requirements for future growth of the company;
 - meet working capital requirements;
 - invest in new projects companies, bodies corporate; and
 - meet general corporate purposes.
41. It is surprising to note that the preferential issue was announced by the Company when the promoter shareholding had already come down to 0.10% of the paid-up capital of the Company.
42. The details of the allottees of convertible warrants are as follows:

Note: The aforementioned entities in the table above are together referred to as Masalia group entities.

** Entities are recipient of shares transferred in off-market by the promoter entities and have subsequently sold the same in the Market*

Entities are allottees of warrants in the preferential allotments of warrants by the Company.

48. An individual who is an authorised signatory of bank accounts of an entity effectively controls the finances of the entity. Such control over finance also in turn indicates control over the affairs of that entity. Accordingly, there is an apprehension that Mr. Rajkumar Masalia, being authorised signatory in the bank accounts of the aforementioned entities, was controlling the finance of the entities and thereby controlling the affairs of the entities. Therefore, these entities are commonly referred to as Masalia Group entities.
49. Apart from the abovementioned entities, certain other entities, viz. DAM Commosales LLP and Jaisal Tradewing LLP were also found to be connected to Rajkumar Masalia through common directorship with certain Masalia Group entities mentioned in the Table above. Further, Yes Bank vide email dated June 17, 2024 provided details of authorised signatories to the bank accounts of certain entities who appeared to be connected to Rajkumar Masalia. The details are tabulated below.

Account No.	Name	Authorised Signatory 1 (AS 1)	Authorised Signatory 2 (AS 2)	Connection with entities mentioned in the Table under paragraph 47 above:

042163400003036	Zahera Traders Llp	Maruti Dinkar Helonde	Meena Dharmendra Bohat	AS1 and AS2 are director/partner of entities mentioned at sl. 55.

50. As the entities mentioned in the above table were found to be connected to Rajkumar Masalia, they were also considered as part of Masalia Group entities. It was noted that Jagjivan Multitrade LLP and Zahera Traders LLP were the same entities to whom rice was sold by Cressanda during FY23 and FY24.

51. It was observed that a large number of bank accounts of Masalia Group entities, where Rajkumar Masalia was an authorized signatory, were opened on the same day in the Sahyadri Sahakari Bank Ltd. The account opening dates for some of the accounts were:

Account opening date	No. of accounts opened
21/02/2019	11
22/02/2019	10
02/03/2019	9
27/02/2019	6
08/03/2019	4

52. As stated above, Rajkumar Masalia was one of the allottees in the preferential issue of convertible warrants. He was also the authorized signatory in the bank accounts of four other allottees, viz. Avantika Commosales LLP, Kittu Commosales LLP, Gazala Constructions Private Limited and Litex Traders LLP. The said four allottees accounted for approximately 37% of the warrants allotted.
53. Further, four other allottees namely, Sanskruti Commotrade LLP, Kamla Multitrade LLP, Gujarish Tradewing LLP and Intex Commosales LLP accounted for another 44% of the total warrants allotted in the preferential issues.
54. It was observed that a part of the funds received by the Company from some of the allottees were refunded to them. The details are provided in the following paragraphs.

Litex Traders LLP

66. Litex Traders LLP (Litex) had applied and was allotted 96.50 Lakh warrants for a total consideration of Rs.6.755 Crore. Litex paid Rs. 1.69 Crore as application money on March 21, 2022.
67. Litex paid Rs. 5.07 Crore to Cressanda on April 08, 2022 towards conversion of warrants into equity shares. It was observed that Litex received Rs.5.07 Crore on April 08, 2022 from Betal Traders (Rs.3.80 Crore) and Silvercade Trading Private Limited (Rs.1.27 Crore). Further, Cressanda paid Rs.3.80 Crore to Betal Traders LLP. The details of the fund transfers are provided below:

*Fund received by Rooprekha from Cressanda after conversion of warrants by Sanskriti was re-routed to Intex for making payment for conversion of warrants. Accordingly, while arriving at the total, the amount has been considered only once.

Utilisation of proceeds of the preferential issue of convertible warrants

70. The total money received by the Company in respect of application for the issue of convertible warrants and subsequent conversion of warrants into equity shares was Rs.66.4426 Crore. Out of the same, Rs.19.60 Crore was routed back to five allottees, as discussed in preceding paragraphs. Further, out of the remaining amount received by the Company, an amount of Rs.45.05 Crore was given as loans and advances to various Masalia Group entities, as per the following details.

Sl. No.	Name of Entity	Loan Given (Rs.)	Remarks
1	Rooprekha Textile LLP	2.03 Crore (7.18 Crore – 5.15 Crore)	Masalia Group entities
2	Dam Commosales LLP	7.00 Crore	Masalia Group entities
3	Suketu Commosales LLP	12.49 Crore	Masalia Group entities
4	Shree Vadechi Infracsoft Private Limited	23.50 crore (28.75 Crore – 5.25 Crore)	Part of the funds routed to Masalia Group entities
		45.05 Crore	

71. The utilization of application money for subscription of warrants and the subsequent payments for conversion of the same to equity in the Company is shown diagrammatically below:

72. The sources of payment of application money and the warrant conversion money by other allottees are under examination by SEBI.

Role of entities

Company

73. As discussed in detail above, the Company (Cressanda) entered into fictitious purchase and sales resulting into inflated financials of the company not representing true and fair view of the state of affairs of the Company. Further, the Company raised money through preferential issue and allotment of warrants. However, a large part of the application and allotment money was round-tripped and diverted / returned to the allottees.
74. In view of the above, the Company is alleged to have *prima facie* violated the provision of Section 12A(a), (b) and (c) of the SEBI Act, 1992, regulations 3(a), (b), (c) (d), 4(1), 4(2)(f), (k) & (r) of the SEBI (Prohibition of Fraudulent and Unfair Trade Practices Relating to Securities Market) Regulations, 2003 (“PFUTP Regulations, 2003”) and Regulations 4(1), 4(2)(e), 33 and 34 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“LODR Regulations, 2015”).

Smart Infraproperties Pvt. Ltd. (SIPL)

75. As discussed above, SIPL had transferred shares in off-market transactions to certain entities which subsequently sold the shares in the market and transferred part of the proceeds to SIPL. It appears that SIPL was involved with the Company in executing the fraudulent scheme devised by the Company.
76. In view of the above, SIPL is alleged to have *prima facie* violated the provision of Section 12A (b) and (c) of the SEBI Act, 1992, regulations 3 (c) & (d) and 4(1) of PFUTP Regulations, 2003.

Milind Madhukar Palav

77. It is observed from the Annual report for FY21 that Mr. Milind Madhukar Palav was Executive Director and CFO of the Company during the investigation period. He was appointed as Executive Director and CFO of the Company on November 25, 2021 until his resignation on August 7, 2023. Mr. Milind Palav was signatory to the financial statement for FY23. Being CFO, he was

responsible for the preparation of the financial statement and the contents therein. He had also certified the statement of deviation dated July 11, 2023 submitted to the stock exchange in respect of the application of funds raised from preferential issue of convertible warrants. In the aforesaid statement, he stated that there was no deviation. However, it was brought out during investigation that the proceeds of the preferential issue were diverted as loans and advances. In view of the above, Mr. Milind Palav is alleged to have *prima facie* violated the provision of Section 12A(a), (b) and (c) of the SEBI Act, 1992, regulations 3(a), (b), (c) (d), 4(1), 4(2)(c) & (f) of PFUTP Regulations, 2003 and regulations 4(1), 4(2)(e), (f), 32(1), 33 and 34 of LODR Regulations, 2015 read with Section 27 of SEBI Act, 1992.

Manohar Iyer S. Nagraj

78. Mr. Manohar Iyer S. Nagraj was the Managing Director of Cressanda during FY23. He was appointed on 09/02/2023 and resigned on September 30, 2023. He was a signatory to the financial statements and Annual Reports of the Company for FY23. Being Managing Director of Cressanda, he was responsible for the preparation of the financial statement and Annual Report for FY23 and the contents therein. Further, he was aware of the fictitious sales and purchase transactions by the Company, since many of such transactions involving sales and purchases of rice were undertaken in March 2023. Further the funds movement (receipts and payments) in respect of those transactions were also during his period as Managing Director of the Company.
79. In view of the above, Mr. Manohar Iyer is alleged to have *prima facie* violated the provision of Section 12A(a), (b) and (c) of the SEBI Act, 1992, regulations 3(a), (b), (c) (d), 4(1), 4(2)(c) & (f) of the PFUTP Regulations, 2003 and Regulations 4(1), 4(2)(e), (f), 32(1), 33 and 34 of LODR Regulations, 2015 read with Section 27 (1) of SEBI Act, 1992.

Rajkumar Dinesh Masalia

80. Rajkumar Dinesh Masalia was appointed as Executive Director with effect from August 7, 2023. As discussed in the earlier paragraphs, Mr. Rajkumar Masalia was authorised signatory in the bank accounts of various conduit entities used for providing funds for the application and conversion in the preferential issue

of convertible warrants by Cressanda. Some of these entities were also applicants in the preferential issue. It *prima facie* appears that Mr. Rajkumar Masalia was instrumental in the irregularities in the preferential allotment of convertible warrants, which resulted in allotment of equity shares upon conversion of the warrants without actual receipt of money in the Company. While Mr. Rajkumar Masalia was summoned to appear before the IA vide summons dated December 4, 2023 and November 3, 2023, he failed to appear before the IA.

81. In view of the above, Rajkumar Masalia has *prima facie* violated the provision of Section 12A(a), (b) and (c) of the SEBI Act, 1992 and regulations 3(a), (b), (c) (d), 4(1), 4(2)(c) & (f) of the PFUTP Regulations, 2003.

Sanskruiti Commotrade LLP, Kamla Multitrade LLP, Kittu Commosales LLP, Intex Commosales LLP and Litex Traders LLP

82. As discussed above, Sanskruti Commotrade LLP, Kamla Multitrade LLP, Kittu Commosales LLP, Intex Commosales LLP and Litex Traders LLP were preferential allottees. Out of these, Kittu Commosales and Litex Traders LLP appeared to be controlled by Mr. Rajkumar Masalia, as he was the authorized signatory for the bank accounts of the said entities. It was observed that the warrant application and conversion money paid by the abovementioned five entities to the Company was routed back to them by the Company. Accordingly, they appear to be involved in the fraudulent deals of the Company in respect of the preferential allotment.
83. In view of the above, the abovementioned five Noticees are alleged to have *prima facie* violated the provision of Section 12A(a), (b) and (c) of the SEBI Act, 1992 and regulations 3(a), (b), (c) (d), 4(1), 4(2)(a) & (h) of the PFUTP Regulations, 2003.

Need for an Interim Directions

84. It is noted that the Company has been engaging in bogus sales and purchases of rice and IT related products and generating fictitious revenue to inflate its books of accounts. The manipulation of books of accounts and financial statements resulting from apparently non-genuine purchase and sales

transactions pertain to FY23. It is seen that such transactions continued to happen in FY24 as well.

85. It is pertinent to note that SEBI has already issued an Interim Order dated May 10, 2024 against Varanium Cloud Ltd. and its Managing Director for alleged mis-statement of financials. As discussed earlier in this order, Cressanda is one of the entities with whom Varanium had executed allegedly fictitious transactions.
86. It has also been observed that part of the proceeds of the preferential allotment of warrants has been diverted by the Company. While payments by 28 allottees to Cressanda are still under examination, there is a *prima facie* case that Noticees 6 to 10 were allotted shares against partial or no consideration in the abovementioned preferential allotments. There is a real possibility that once this Interim Order is issued, Noticees 6-10 may sell the shares allotted to them and make an exit. Thus, they need to be restrained from doing so.
87. The fact that Cressanda made an issue of 9,49,18,000 equity shares on preferential basis to 33 allottees in March 2022 and raised Rs.66.44 Crore (a part of which was routed back to some of the allottees, as discussed above) when the promoter shareholding in the Company had come down to 0.10% of the paid-up capital of the Company coupled with the fact that the Company booked fictitious sales and purchases points towards a fraudulent scheme by the Company to mislead unsuspecting investors into believing that the Company had good prospects. While the Company had NIL or negligible revenue from operations from FY15 to FY22, the Company reported a quantum jump in its sales during FY23 (sales of Rs.75.13 Crore) through fictitious transactions. The Company appears to have taken advantage of rigged financial statements to lure investors by creating a false narrative of the Company which is reflected by the fact that the number of public shareholders of the Company increased more than 20 times from 2700 to 56,556 within a span of three years. Certainly, the investors had been led up the garden path while the promoter transferred shares to dubious entities in off-market transactions who then sold the same shares in the market.

88. In view of the above observations and considering the gravity of the *prima facie* findings, I am of the opinion that urgent intervention by SEBI, by way of issuance of interim directions, is warranted in this matter to safeguard the interests of investors and uphold the integrity of the financial system. Accordingly, I deem it to be a fit case to issue appropriate directions, pending a detailed investigation.

Directions:

89. In view of the *prima facie* findings and observations recorded in the preceding paragraphs and in order to protect the interests of shareholders of Cressanda and other investors and the integrity of the securities market, I, in exercise of the powers conferred upon me under Sections 11, 11(4) and 11B(1) read with Section 19 of the SEBI Act, 1992 hereby issue the following directions, which shall be in force until further orders:

(a) Noticees 1 to 10 are restrained from buying, selling or dealing in the securities market and are further prohibited from accessing or associating themselves with the securities market, either directly or indirectly, in any manner whatsoever until further orders. If the Noticees have any open position in any exchange traded derivative contracts, as on the date of the order, they can close out /square off such open positions within 7 days from the date of this order. The Noticees are permitted to settle the pay-in and pay-out obligations in respect of transactions, if any, which have taken place before the close of trading on the date of this Order.

(b) Mr. Rajkumar Dinesh Masalia (Noticee 5) is restrained from acting as a Director / Key Managerial Personnel of any listed company or its subsidiary or any company which intends to raise money from the public or any SEBI registered intermediary, until further orders.

90. The foregoing *prima facie* observations, contained in this Order, are made on the basis of the material available on record. The Noticees may, within 21 days from the date of receipt of this Order, file their reply/objections, if any, to this

Order and may also indicate whether they desire to avail an opportunity of personal hearing on a date and time to be fixed in that regard.

91. The above directions shall take effect immediately and shall be in force until further orders.
92. A copy of this order shall be served upon Noticees, Stock Exchanges, Registrar and Transfer Agents and Depositories for necessary action and compliance with the above directions.
