# Weekly Report

---

OPERATIONS  
SAT UPDATE  
REVOCACTION EFFORT

# OPERATIONS

- Secured multiple high-value leads, including a potential partnership with a top 5 global digital advertising firm.
- Advanced stages of strategic collaboration with a leading European data analytics company, opening new opportunities.
- Fast-tracked negotiations for two new service contracts projected to drive 15% revenue growth by Q2 2025.

# OPERATIONS

Mitigation Plan for the War in Israel:

- Risk assessment and identifying potential disruptions.
- Developing alternate channels for operations.

London:

- Ongoing efforts to establish operations in London, with office setup currently in progress.
- Select team members will be reassigned to support the initiative from the existing workforce.

# SAT UPDATE

- Next hearing on December 4th, 2024.
- Stakeholders will be informed of potential outcomes.
- Legal team is preparing necessary documentation.

# REVOCATION EFFORT

## CDSL

- Met the commitments related to CDSL this week
- Builds momentum in our trading resumption efforts.

## NSDL, BSE & NSE

- Active collaboration with authorities.
- On track to meet commitments for NSDL, BSE and NSE.

## Trading Resumption

- Fulfilling remaining exchange requirements.
- Efforts aimed at restoring investor confidence.

# THANK YOU!
