3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity, issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing specified under section 143(10) of the Act, and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in Ind AS 34, prescribed under section 133 of the Act, and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in accordance with the requirements of Regulation 33 of Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Notes to standalone financial results:

- 3 The standalone financial results for the quarter and half year ended 30 September 2024 were reviewed by the Audit Committee and have been approved and taken on record by the Board of Directors at its meeting held on 11 November 2024. Further, the limited review of financial results for the quarter and half year ended 30 September 2024, in terms of Regulation 33 of SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015, has been carried out by the statutory auditors of the Company.
- 4 The financial results of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended and Companies (Indian Accounting Standards) amendment Rules 2016.
- 5 As per Indian Accounting Standard (Ind AS) 108 "Operating Segment", the Company's business falls within a single business segment viz. "publishing of books". The geographical information analyses the Company's revenue and trade receivables from such revenue in India and other countries. The Company primarily operates in India.
- 6 The Company's financial results have, historically, been subject to seasonal trend. The Company sees a higher volume of book sales during the months of January, February and March because academic sessions start from the month of April. Ongoing revenue also demonstrates signs of seasonality, with revenue generally lower during other quarters, which are not close to the beginning of academic session. These trends are likely to continue in the future.
- 7 During the current period, the Company has granted 31,486 equity shares under the Company's Employee Stock Option Schemes.
- 8 The National Curriculum Framework for School Education (NCF-SE) was released by the Hon'ble Union Minister of Education, Skill Development and Entrepreneurship in August, 2023. This is the first ever integrated Curriculum Framework for children between ages 3-18 years in India. It is a direct outcome of the 5+3+3+4 curricular and pedagogical structure that National Education Policy (NEP) 2020 has come out with for School Education. This is in follow-up to the NCF of the Foundational Stage (NCF-FS) which was released in October 2022. The management believes that since the New Curriculum has been announced after a gap of 18 years, it would substantially reduce the second-hand book market, and which would spur strong volume growth. Further, management believes that there is no material impact on the inventory of the Company.
- 9 The quarter and year to date ended financial results are available on the Company's website www.schandgroup.com and on the website of BSE Limited (www.bseindia.com) and the National Stock Exchange of India Limited (www.nseindia.com).

3. The consolidated financial results for the quarter and six months period ended 30 September 2024 were reviewed by the Audit Committee and have been approved and taken on record by the Board of Directors at their respective meetings held on 11 November 2024. Further, the limited review of consolidated financial results for the quarter and six months period ended 30 September 2024, in terms of Regulation 33 of SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015, has been carried out by the statutory auditors of the Holding Company.
4. The financial results of the Group have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended and Companies (Indian Accounting Standards) amendment Rules 2016.
5. As per Indian Accounting Standard (Ind AS) 108 "Operating Segment", the Group's business falls within a single business segment viz. "publishing of books". The geographical information analyses the Group's revenue and trade receivables from such revenue in India and other countries. The Group primarily operates in India.
6. The Group's financial results have, historically, been subject to seasonal trend. The Group sees a higher volume of book sales during the months of January, February and March because academic sessions start from the month of April. Ongoing revenue also demonstrate signs of seasonality, with revenue generally lower during other quarters, which are not close to the beginning of academic session. These trends are likely to continue in the future.
7. During the current period, the Holding Company has granted 31,486 equity shares under the Holding Company's Employee Stock Option Schemes.
8. The National Curriculum Framework for School Education (NCF-SE) was released by the Hon'ble Union Minister of Education, Skill Development and Entrepreneurship in August, 2023. This is the first ever integrated Curriculum Framework for children between ages 3-18 years in India. It is a direct outcome of the 5+3+3+4 curricular and pedagogical structure that National Education Policy (NEP) 2020 has come out with for School Education. This is in follow-up to the NCF of the Foundational Stage (NCF-FS) which was released in October 2022. The management believes that since the New Curriculum has been announced after a gap of 18 years, it would substantially reduce the second-hand book market, and which would spur strong volume growth. Further, management believes that there is no material impact on the inventory of the Group.
9. The quarter and year to date ended financial results are available on the Holding Company's website www.schandgroup.com and on the website of BSE Limited (www.bseindia.com) and The National Stock Exchange of India Limited (www.nseindia.com).
