- (i) The e-voting period begins on **25th September, 2024 at 9.00 AM and ends on 27th September, 2024 at 5.00 PM**. During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the **Cut-off date i.e. 20th September, 2024** may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders’ resolutions. However, it has been observed that the participation by the public non institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts / websites of Depositories/Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. **MANAGEMENT DISCUSSION & ANALYSIS REPORT****Industry Structure and Developments:**

The Construction industry is one of the most important industries that drives the economic growth and infrastructure development of all countries along with employment creation. It includes all types of construction activities such as residential, commercial, and infrastructure construction. The construction industry is highly interlinked with other industries; hence it plays a crucial role in stimulating economic activity. However, the construction industry is highly susceptible to economic fluctuations and is majorly impacted during economic downturns and recessions. In addition, during economic downturns and recession, there is significant economic decline, which is often characterized by reduced economic activity, falling GDP, and high unemployment rates.

India's construction industry is the fourth largest in the world, and is expected to grow to \$1.4 trillion by 2025. It's the second-largest employer in the country, after agriculture, with over 51 million people employed. The industry is made up of 250 sub-sectors, including real estate and infrastructure construction, and contributes around 9% to India's GDP.

Despite growing global vulnerabilities, better demand conditions, settled GST implementation, expansion from growing investments in infrastructure, continuing positive effects of reform policies and improved credit off take especially in the service sector the of take of real estate industry has been steep in Hyderabad and has galloped ahead of other major cities in India.

Indian and Hyderabad Real Estate Sector:

The Indian real estate sector has witnessed a steady growth over the last two years and with the implementation of RERA Regulations, the trust factor has found its footing in the industry. The Indian Government focus on Home for all and Sate Government scheme for Double Bedroom Flats has given a large impetus to the market in an around Hyderabad.

The real estate sector is observably one of the most fragmented sectors in the country, engaging a large workforce and contributing around 7% to Indian GDP. Metro cities such as Mumbai and Delhi-NCR are gaining maximum traction due to being a hub for businesses. However, compared to other competitive metro markets, Hyderabad is set to become the most promising real estate destination in the country. As per a recent industry report, Hyderabad, along with Mumbai and Pune, will be driving growth in the real estate sector in 2024.

The rapid development of the Outer Ring Road and the sprawling metropolitan area not only connects the major economic zones but also positions Hyderabad as an attractive investment destination.

Opportunities:

The Real Estate Regulatory Act (RERA) was aimed at ensuring accountability and infusing transparency and uniformity in practices prevalent in the real estate sector, and has been very widely adopted by Governments and Corporates alike, which is bringing more credibility to the sector.

On the other hand, incentives for affordable housing coupled with lower GST rate has increased demand for under-construction segment, a trend which is expected to continue in 2023-24 as well. In terms of city, Hyderabad (West Hyderabad – Madhapur, Gachibowli, areas adjoining ORR) along with other cities like Bangalore, Chennai, Mumbai are expected to drive demand in present and next year as more Work From Home options will leave spendable/ investible income in hands of working class.

Outlook:

The outlook for the real estate sector is encouraging. With increasing urbanisation, the housing industry is poised for a significant transformation," the survey document said The Economic Survey has projected a positive outlook for the real

estate sector with housing demand set to rise on rapid urbanisation, but described legacy stalled projects as a “challenge”.

“Real estate and ownership of dwellings have accounted for over seven percent of the overall GVA (gross value added) in the past decade, highlighting their integral role in the economy,” the survey said, which was tabled in the Parliament by Union Finance Minister Nirmala Sitharaman.

Hyderabad's real estate future looks bright and is driven by the city's booming IT sector and a growing population exceeding 10 million. You can anticipate a surge in demand for homes and offices, creating abundant opportunities for investors and developers. The Telangana government's friendly policies, like simplified permits and tax incentives, will likely accelerate growth.

The Company believes that demand conditions in the real estate sector are exhibiting clear signs of improvement and the Management is positive that the Company will be able to strike some small or medium sized housing projects in near future and be able to take advantage of potential revival in economic growth and its resultant positive effects on the real estate sector over the medium term. The Company shall continue to strive to acquire new projects to increase sales and profitability. However, the Company has not carried on any business activity during the Financial year under review.

Risks and Concerns:

The Company works in an environment which is affected by various factors, some of which are controllable while some are outside the control of the Company. Owing to the nature of the industry in, it is exposed to a variety of risk factors. These risks include waning support for multilateral approaches; the escalation of trade policy disputes; financial instabilities linked to elevated levels of debt; and rising climate risk, as the world experiences and increasing number of extreme weather events. The Company has developed a robust risk management framework consisting of identification, assessment, mitigation, monitoring of risks; which, in turn reduces the volatility due to unfavorable internal and external events and facilitates risk. The Management identifies the following risks:

Economic risk: The pandemic has given a hard lesson to one and all in terms of complete shut down of all economic activity and such unexpected development in any of the macroeconomic variables that may adversely impact the Company's profitability or viability are a major threat. Real estate is a cyclical industry and is affected by the changes in variables like interest rate, GDP Growth, purchasing power, inflation, Government policies, GST rates, among others.

Execution Risk: The Real Estate and construction projects are subject to various execution risks like regulatory hurdles, delay in receipt of approvals, availability of labour and raw material, etc. Any such delay may result in cost overruns and impact the Company's operations unfavorably.

Liquidity Risk: The primordial approach of Bankers and financial institutions towards mid sized Real estate companies has not undergone any suitable change and has slowed disbursements to the real estate sector, banks becoming more cautious, developers are finding it a challenge to raise funds for the projects and are being forced to other financial routes, which in turn is increasing their cost of capital, inadequate funding resources may have an impact on the liquidity position of the Company. Also there is a large mismatch between the supply and actual demand in terms of unit and ticket size.

Rising Input Cost: The real estate industry is a capital and work focused sector, accordingly, an ascent in the cost of work makes issues in the development of the project in focus. Besides, uncalled for routine with regards to specific segments of merchants and concrete industry by raising the cost, makes issues in the completion of the project a highly unprofitable gamble.

INTERNAL CONTROL SYSTEM AND ITS ADEQUACY

The Company has a proper and adequate system of internal controls to ensure that all assets are safeguarded and protected against loss from unauthorized use or disposition and all transactions are authorized, recorded and reported correctly. The

systems are updated and monitored on a continuous basis. Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Other Information

The Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's Board of Director's report, but does not include the financial statements and our auditors' report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information we are required to report that fact. We have nothing to report in this regard.

Management's and Board of Directors' Responsibilities for the Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the state of affairs, Loss and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of

the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the financial statements made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting in preparation of financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Annexure B to the Independent Auditors' report on the financial statements of QUANTUM BUILD-TECH LIMITED for the year ended 31 March 2024

Report on the internal financial controls with reference to the aforesaid financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013

(Referred to in paragraph 2(A)(g) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Opinion

We have audited the internal financial controls with reference to financial statements of **QUANTUM BUILD-TECH LIMITED** ("the Company") as of 31 March 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material aspects, adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at 31 March 2024 based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

Management's Responsibility for Internal Financial Controls

The Company's management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (hereinafter referred to as "the Act").

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and whether such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgments, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial controls with Reference to Financial Statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial controls with Reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material aspects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March, 2024, based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India".
