Dear Sirs,

Sub.: Disclosure under Regulation 30 (Disclosure of events or information) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 - Completion of acquisition of Coastal Energen Private Limited ("CEPL")

In continuation to our letter dated August 30, 2024 pertaining to approval of the Corporate Insolvency Resolution Plan of CEPL under the aegis of the Insolvency and Bankruptcy Code, this is to inform that the process for acquisition of CEPL has today been completed in terms of the said resolution plan by the applicant Consortium of which Adani Power Limited ("APL" or "the Company") is a part.

We wish to further inform you that the approved resolution plan, *inter alia*, also includes the matter for amalgamation of CEPL with Moxie Power Generation Limited ("MPGL"), an SPV of the Consortium. Upon implementation of all the conditions of the approved resolution plan, CEPL has been amalgamated with MPGL. Consequently, CEPL stands dissolved without winding up and without further act or deed and accordingly the SPV / MPGL shall continue to exist as the surviving entity.

CEPL houses a 2x600 MW (1,200 MW) operational thermal power plant in Thoothukudi District of Tamil Nadu.

Kindly take our disclosure referred above on your record.
