## Kranti Industries Strengthens Product Portfolio with New Agri Implements Order from CNH Industrial

**11<sup>th</sup> November 2024, Pune:** Kranti Industries Limited, a prominent auto ancillary manufacturer recognized for its high-precision component solutions, is pleased to announce that it has received both a Business Nomination Letter and a Purchase Order from CNH Industrial (India) Private Limited. The order pertains to the development and supply of three key product assemblies: Knife, Arm HD, Frame Knotter Assembly, and Latch Assembly, as part of their Agri Implements initiative. This strategic collaboration enhances Kranti Industries' position in the agricultural equipment sector, showcasing its advanced manufacturing capabilities and reinforcing its reputation as a trusted partner in this rapidly growing market.

Kranti's subsidiary, Preciso Metall Pvt. Ltd., will be instrumental in sourcing raw castings, demonstrating the company's integrated operational approach. This enables cost efficiency while ensuring rigorous quality control throughout the production process. Successful completion of this order will not only strengthen Kranti's standing in the domestic market but also open doors for future prospects within the Agri Implements industry. This aligns with Kranti's strategic goal of expanding into vital sectors and diversifying its business portfolio.

### **Order Highlights:**

- **Client:** CNH Industrial (India) Private Limited
- **Order Value:** ₹83.12 lakh, including tooling costs
- **Products:** Knife, Arm HD, Frame Knotter Assembly, and Latch Assembly for Agri Implements
- **Timeline:** Development and samples by December 2024
- **Order Execution:** Ongoing supply as per agreed schedules post-development
- **Subsidiary Involvement:** Raw castings supplied by Preciso Metall Private Limited

**Commenting on this development, Mr. Sachin Subhash Vora, Chairman & Managing Director of Kranti Industries Limited, said** *"We are thrilled to announce this collaboration with CNH Industrial, marking an important step in enhancing our presence in the Agri Implements sector. This partnership is a reflection of Kranti Industries' commitment to delivering high-quality, precision-engineered products. The involvement of our subsidiary, Preciso Metall Pvt. Ltd., in the sourcing of raw castings, ensures both cost-effectiveness and adherence to the highest quality standards. This partnership not only strengthens our product offering but also deepens our relationships within the domestic market, supporting our broader strategy to expand into key sectors.*

*For our esteemed shareholders, this order represents a significant milestone in our growth trajectory, boosting our revenue outlook and reaffirming our focus on creating sustainable, long-term value. We are fully committed to executing this project with excellence and look forward to sharing the positive outcomes of this partnership in the coming quarters."*

**About Kranti Industries Limited (BSE: 542459):**

Kranti Industries Limited (KIL), a BSE-listed entity with IATF 16949:2016 and ISO 9001:2015 certifications, established in 1981, boasts over four decades of expertise in the auto ancillary sector. Renowned for its precision component manufacturing, the company holds a global standing for delivering top-notch solutions. Specializing in crafting innovative components for leading OEMs in the Tractor, Construction Equipment, automotive, and Electric Vehicles domains, KIL offers end-to-end services.

With three state-of-the-art units across Pune, KIL operates with 80 production machines and comprehensive inspection setups. Their facilities are equipped with world-class machining centres, including multi-axis machining centres, CNC turning, vertical turret lathes, horizontal machining centres, and vertical machining centres.
