Subject : Intimation of Landmark Achievement - "The Single Largest Order in the Company's History"

Dear Sir/Madam,

Pursuant to Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we are delighted to share a significant milestone in the history of **Sunrise Efficient Marketing Limited**.

The Company has secured an order for **800 SynchroPlus motors**, marking it as the **largest order ever received** by the Company.

This prestigious order is for **TFO machine application** and has been awarded to us because of **the unmatched energy efficiency** of our SynchroPlus motors, which distinguished us from a dominant competitor in the market.

The project entails a **strict supply timeline of 8 weeks**, and the Company is fully geared to deliver within the stipulated time, ensuring the highest standards of quality and service.

This achievement is a testament to the trust and confidence our clients place in our capabilities and our commitment to excellence. It is also reflective of our ongoing efforts to drive growth and create value for all our stakeholders.

MD's Vision on Energy Efficient Motors:

At Sunrise Efficient Marketing Limited, our commitment to innovation and sustainability drives us to continuous improvement to excellence in energy-efficient motors.

Our Managing Director's Vision:

"As global energy demands surge, the importance of energy efficiency in industrial operations has become more critical than ever. At Sunrise, we envision a future where energy-efficient motors are not just a choice but a standard. Our SynchroPlus motors are a testament to this vision, delivering unparalleled performance while significantly reducing energy consumption and environmental impact.

We strive to empower industries to transition towards sustainable operations, enabling cost savings and aligning with global green energy goals. By leveraging advanced technologies and fostering
