Textiles

- With the resumption of wet production activities upon commissioning of new Effluent Treatment Plant (ETP) and Zero Liquid Discharge (ZLD) system, the Company reverted to inhouse production and reduced outsourcing.
- This helped the Company increase business volumes and restore cost efficiencies, which helped in narrowing losses.
- Prices of most of the raw materials, dyes, chemicals and fuel softened during the year, enabling the divisions to reduce their variable costs.
- Dyecot and Denim divisions recorded improved profitability, with Dyecot achieving much higher volumes. Garment and Attires divisions have reported reduced profitability due to competitive pressures.
